PRINCIPLES OF BRAHMOISM.

(1) There is only one God, who is the Creator, Preserver and Saviour of this world. He is spirit; He is infinite in power, wisdom, love, justice and holiness. He is omnipresent, eternal and blissful.

(2) The human soul is immortal, and capable of infinite progress, and is responsible to God for its doings.

(3) God is to be worshipped in spirit and in truth. Divine worship is necessary for attaining true felicity and salvation.

(4) To love God and carry out His will in all the concerns of life, constitute true worship.

(5) Prayer and dependence on God and a constant realisation of His presence, are the means of attaining spiritual growth.

(6) No created object is to be worshipped as God, nor is any person or book to be considered as infallible and the sole means of salvation; but truth is to be reverently accepted from all scriptures and from the teachings of all persons without distinction of creed or country.

(7) The Fatherhood of God, the Brotherhood of man and kindness to all living beings are the essence of true religion.

(8) God rewards virtue, and punishes sin. His punishments are remedial and not eternal.

(9) Cessation from sin accompanied by sincere repentance is the only atonement for it; and union with God in Wisdom, goodness and holiness is true salvation.

भगवद्गीता १०।९-११।

“Those whose hearts and minds are attached to me (the Lord) enlighten one another, speak of me always, and enjoy peace and joy. To those who are ever devoted, and worship me with love, I give that wisdom wherewith they come to me. Out of compassion for them I abide in their souls and destroy the darkness of ignorance by the bright lamp of wisdom.

The Bhagavadgita, X. 9 11.

The Brahmo Samaj is, or at any rate aspires to be, a community of souls guided by Divine inspiration, helping one another by counsel and co-operation and rejoicing in the worship and service of the Lord. Though often sorely tried by temptations and tribulations, we have, during the year under notice, enjoyed in no small degree the grace and inspiration of the Divine Being. In spite of our many failures and shortcomings, we feel deeply grateful for the blessings He has showered upon us. We feel that the Brahmo Samaj is the Lord's own church and that He will lead it to final triumph and success. May we, by our trustful obedience to His will, keep the door of His inspiration ever open! With this humble prayer we proceed to lay before our brethren and sisters the following record of the little work which Lord has enabled us to do during the year just closing.

In Memory of Our Departed Friends :

Since we met here last year, some veteran workers and promising members of our church have passed away. The most keenly felt has been the loss sustained by the death of Babu Madhusudan Sen, who for many years served the S. B. Samaj in various capacities with great enthusiasm ; the lesson of his pious life will remain a priceless legacy to us.

After a protracted illness of several years, Mrs. A. M. Bose left this world in April last. She was a zealous co-adjutor of her illustrious husband in his noble labours for the Brahmo Samaj and for the country. Her death has left a void in the ranks of the great lady-workers of the country in the cause of Indian women.

Another loss has been the removal of Babu Nava Gopal Dutta from his field of activity in Sylhet. He was a quiet worker, who zealously maintained the principles of Brahmoism.

By the death of Mrs. Kumudini Das, the Samaj has lost an educated lady and an esteemed member. She was once one of the Assistant Secretaries of the S. B. Samaj, and for several years a member of its General and Executive Committees.

Babu Ajit Kumar Chakravarti was snatched away from our midst, when the year was closing. He was a promising young man possessed of considerable literary talents and imbued with liberal ideas. His premature death is deeply mourned by his numerous friends and admirers.

Dr. Bepinbehari Sarkar of Darjeeling, though not a member of our Samaj, was a valued worker in its cause, and deeply esteemed by all who knew him, for his unostentatious piety.

The Revd. Bhai Umanath Gupta, a veteran Missionary of the New Dispensation Church, and a co-worker of the late Brahmananda Keshub Chandra Sen, has passed away at a ripe old age. With him has broken the link between the old generation of Brahmo workers and the new.

The Sadharan Brahmo Samaj was established in 1878, with the object of propagating the principles of Brahmoism, uniting under a common organisation, all individuals and congregations holding these principles,

and conducting all the business of the church on constitutional lives :

Including 39 new members enrolled during the year under review, the Samaj had on the 31st Dec. last, 1186 members in the list ; besides these, there is a large number of men and women here and abroad, who, though not members of the Samaj, are in sympathy with its aims and objects. 49 of the Brahmo Samajes in India are either associated with or affiliated to our church ; besides these, there are some theistic bodies, both in this country and outside of it, that are holding forth nearly the same principles and doing almost the same work as the Sadharan Brahmo Samaj.

The General Committee which is the governing body of the Samaj had as its members during the year, 25 representatives of moffusil Samajes, 65 members elected from among the members of the S. B. Samaj, and 6 office-bearers.

The last Annual meeting of the S. B. Samaj was held on the 21st January 1918, when the present General Committee was formed and the office-bearers were elected. At a special meeting of the General Committee held on the 5th February 1918, the present Executive Committee was formed and a plan of work for the new year was adopted.

There were during the year, 6 meetings of the General Committee and 46 of the Executive Committee.

General Survey.

The year that has just closed was a period of great suffering, all the world over. What with the ravages of the war and what with the visitation of the influenza epidemic, men have sunk in dark despair. Our community has also had no small portion in the prevailing distress, and it has paid a heavy toll of mortality to the fell disease that has been raging all over the country for the last 6 months and more. We offer our heart-felt condolence to the many bereaved families heavy-laden with sorrow.

For some time past, efforts have been made to carry on more vigorously our mission work in the Bombay and Madras Presidencies. During the year under notice, Mr. Sudhir Chandra Banerji, one of our workers, was posted in the Western Presidency, where

he, in co-operation with our Bombay friends, has been propagating the principles of Brahmoism in various ways ; another worker, Mr. Subbukrishnaya, has been energetically working in the Madras Presidency ; he will soon be joined by Mr. Devendra Nath Mitra, B.A., who has now been relieved of his work in connection with the cloth distress in Bengal.

The Mission operations, in the Khasi Hills, of the British and Foreign Unitarian Association of England, have since April last been placed under our management.

Since September last, the Samaj has been doing an important philanthropic work. The prevailing high price of cloth having caused acute distress to the poor people of the Province, a fund has been started for the purpose of giving them some relief. In response to the appeal made by Dr. P. K. Acharya, Secretary of the Samaj, donations in money and cloth have been received from many kind-hearted ladies and gentlemen, to whom our best thanks are due. Special mention should be made here of the liberal donations of the late Lord Bishop of Calcutta and of the Bishop of Chota Nagpur who sent for the purpose Rs. 1500 and Rs. 1000 respectively to our esteemed friend Mr. Ramananda Chatterji. Mr. Chatterji has made over the sums to the relief fund started by our Samaj.

The Seva Section of the Sadhanasram has been doing very useful work among the backward classes of people in the several districts of Bengal. It has now under its management no fewer than 250 schools, and has succeeded in securing a capital grant of Rs. 5000 and a recurring annual grant of Rs. 3000 from the local Government. The most prominent worker in this field is our esteemed friend, Rai Sahib Rajmohan Das, who deserves our best thanks for his self-denying labours.

A long-felt want has been removed by the institution of a daily evening service in the Samaj Mandir ; it is followed by readings from scriptures and conversation on religious subjects, and is attended by a fairly increasing number of devout souls and earnest inquirers.

The removal of the City College to its new buildings in Amherst Street since January last, has effected a great improvement in respect of accommodation. This will, it is hoped, enable the authorities of the

institution to develop it in some very useful directions. A Faculty of Theology has lately been added to the College and it is in contemplation to open in connection with it a department for the training of teachers.

During the year under report, the newly built pucca mandirs of the Deoghur and Rangoon Brahmo Samajes were consecrated.

4 of our workers who have been connected with the Samaj for many years and serving it with devotion and zeal, have offered themselves for formal ordination as missionaries ; their applications are now under consideration.

The East Bengal Brahmo Conference met at Comilla in October last, under the presidency of our revered friend, Pandit Sitanath Tattvabhushan ; many Brahmo ladies and gentlemen from different parts of Bengal and Assam attended it.

Mission Work.

All the activities of the Samaj aim at propagating the principles of Brahmoism. It, therefore, attaches great importance to mission work. The agencies employed for the purpose are (1) the 8 ordained missionaries, 9 workers of the Sadhanasram and 62 members of the Sevakmandali ; (2) the two organs of the Samaj—one a fortnightly in Bengali, another a weekly in English ; (3) the several institutions affiliated to the Samaj, such as the congregations in Calcutta and other places, the Sadhanasram, the Students' Weekly Service, the Sangat, the Theological Institution &c.

The Samaj has a vast field of work before it, but its resources are extremely poor ; we want more men and more money, to meet the growing demands. It is however satisfactory to note that inspite of these shortcomings, the Samaj succeeded during the year in carrying far and wide in the country the light of liberal religion. Our missionaries and workers visited parts of Bombay, Madras, the Punjab, the United Provinces, Behar, Orissa, Chotanagpur, Burma, Bengal and Assam, propagating, wherever they went, the principles of Brahmoism in various ways. A detailed account of the work done by the missionaries is given below :—

He has long been very ill and towards the close of the year his condition became alarming. We are sincerely thankful to God Almighty for the recovery of our most revered brother. Though protracted illness has disabled him from participating in any active movement of the Samaj, his inspiring presence in our midst has been a source of great strength to us. Whenever he felt strong enough, he took part in the ministerial work of our Church.

In spite of continued ill health he has never spared himself in the service of the Samaj. He conducted occasionally service in the Mandir, officiated as minister in some domestic ceremonies and visited Brahmo families.

He took part in the celebration of the Maghotsav in Calcutta, where he conducted occasionally the weekly service of the Sadharan Brahmo Samaj ; acted as minister in some domestic ceremonies and conducted divine service in a few families and in a Students' boarding house ; he went to Harinavi and Bankura to take part in the anniversaries of the local Samajes, took part in various meetings and presided at a conference held in connection with the monthly utsav of the Sadhanasram.

During his stay in Darjeeling in September and October last, he conducted weekly service of the local Brahmo Samaj and acted as minister in some domestic ceremonies ; at Gauhati he delivered in English a lecture at the Ram Mohan Roy anniversary meeting ; while at Shillong he conducted service in different Brahmo Samajes in Bengali and Khasi ; visited Cherrapunji, Laitkynsew and Nongiri, Gauhati, Tezpur, Monai and Borjuli in Assam, where he conducted divine service and delivered addresses.

Continued illness prevented him from going about on preaching work. For a considerable part of the year he was at Solan, where he conducted weekly divine service, distributed medicines and was engaged in translating the Sikh scripture into Bengali ; while at Lahore, he conducted the weekly service of the Sadharan Brahmo Samaj Lahore, of the

Brahmo Sadhanasram and in many domestic ceremonies. He took part in the Maghotsav of the Lahore S. B. Samaj and of the Punjab Brahmo Samaj, addressed some of the public meetings of the Lahore Temperance Society and conducted service on several days in the sanctuary of the Boarding House attached to the Dayal Singh College, Lahore.

From January 1918 till the middle of February following, he was Superintendent of the Brahmo Sadhanasram where he generally conducted the daily service and took part in other functions of the Asram. After the Maghotsava he spent about a week in a garden with the workers of the Asram. He took part in the Maghotsava of the Calcutta S. B. Samaj and of the Bhowanipore Sammilan Samaj. He acted as minister in several domestic ceremonies and held prayer meetings at some private houses.

He removed to Dacca in the month of May, and since then has been working there as minister of the East Bengal Brahmo Samaj. There he every day conducted the morning service, and almost on all Sundays the evening service, at the Mandir. He presided every week at the three Sangats—one for ladies, another for young men and a third for the general public. He also presided at the meetings of the friend's union—an association for Brahmo boys. As the President of the Students' Weekly Service, he delivered lectures and presided at meetings organised in this connection. He acted as minister in several domestic ceremonies, held prayer meetings at private houses, received visitors and inquirers, held correspondence in religious and cognate subjects, which took up much of his time every day. Almost every Friday he went to Narayangunj to conduct the weekly service at the local Mandir. He visited Chittagong, Comilla, Mymensing, Netrokona, Kisoregunj, where he conducted service, delivered lectures and did other works.

He contributed articles to the 'Sevak' and the 'Tattvakaumudi.'

He worked as a member of the Orphanage Committee and in connection with the E. B. Institution; he occasionally visited the school and addressed its students and teachers.

He visited Kumarkhali, Narayangunj, Munshigunj, Dacca, Kaoride, Mymensing, Netrakona, Kishoreganj, Agartala Comilla, Cuttack, Balasore, Bhadrak, Khandapara, Rupsa and Baripada ; at these places he delivered lectures and conducted divine service. He took part in the Maghotsav of the Calcutta S. B. Samaj and delivered a short address at the anniversary meeting of the Sangat.

He conducted divine service in the S. B. Samaj-Mandir occasionally and officiated as minister in some domestic services and anusthans ; visited the following places, where he conducted divine service, delivered lectures and preached our religion in other ways :—Goalia Chak, Mograhat, Burdwan, Rampurhat, Nalhati, Chinsura, Bagnan, Kumarkhali, Santipur, Contai and Kalna ; published in Bengali a book named ভক্তচরিত মালা ১ম খণ্ড (*Lives of Saints*, vol. I).

During the greater part of the year he was Superintendent of the Sadhanashram and in that connection had to stay in Calcutta. Besides looking after the Sadhanashram he worked in connection with the Calcutta congregation and the Sunday Moral Training School. He visited many Brahmo families and had to conduct divine service on many occasions. He had to devote considerable time to the work of the several committees and sub committees of which he was Secretary. Early in the year he went to Burma in connection with the consecration of the new Mandir of the Rangoon Brahmo Samaj, whence he visited Maynys. He also went out on a mission tour lasting about two months in Southern India, in the course of which he visited Berhampur, Pithapuram, Cocanada, Rajahmundry, Ellore, Madrad, Bargalore, Calicut, and Mangalore. In Bengal he visited Krishnagar, Murshidabad and Faridpur.

He was at Calcutta till May last. On account of illness he could not go about for preaching. Since his return to Tilli, his native place, he has conducted divine service almost every Sunday ; he once visited Manickganja.

Sevakamandali.

The number of ordained missionaries being inadequate, the lay members of the Samaj who often have to do its mission and other works have been organised into a body under the name of the Sevak Mandali since 1903. During the year under report there were 62 members of the Mandali, who as in the previous year worked at different centres—Agra, Patiala, Chittagong, Dehradun, Raigunj, Comilla, Barisal, Dacca, Benares, Giridih, Deoghur, Hazaribagh, Shillong, Mymensing, Dinajpur, Faridpur, Khasi Hills, Baranagore, Cuttack, Bankipur, Mangalore, Bombay, Lahore, Lucknow, Indore and Calcutta; they conducted divine service, delivered addresses, held conversational meetings, visited families, wrote books, edited our papers and contributed articles to them and worked in connection with the several institutions of the Samaj.

Of the members of the Sevakamandali, the following gentlemen, who devoted their whole time to the service of the Samaj, deserve special mention :—

He wrote a series of lectures on the "Theism of the Upanishads" for the Theological Society, a tract on the "Fundamental Principles of Brahmoism" for the Samaj, three sketches of the life and teachings of Maharshi Devendranath Thakur, Brahmananda Kesavachandra Sen and Rev. Bhai Pratapchandra Mazumdar, for a Madras publisher, and several articles for the *Indian Messenger*. He presided at the East Bengal Brahmo Conference held at Comilla. He conducted service and delivered addresses on many occasions in the Sadharan Brahmo Samaj Mandir, the Bhowanipur Brahmo Sammilan Samaj and the Bhowanipur Adi Brahmo Samaj. He taught classes in the Philosophy of Theism, the Upanishads, the Bhagavadgita and the Sanskrit language in connection with the Sadhanasram and the Faculty of Theology in the City College. He conducted many of the weekday services in the Mandir of the S. B. Samaj and spoke and gave readings in many of the conversation meetings following these services. He conducted many family services on the occasion of domestic *anusthans* and visited many Brahmo families. He visited Chittagong and Comilla, visiting

Brahmo families, conducting family services and conversing with Brahmos in both the places.

In the first part of the year under report, he was at Dacca as the minister of the East Bengal Brahmo Samaj, and as such had to conduct the weekly divine service and take part in the celebration of the Maghotsav there. After the Maghotsav he left Dacca. He visited Minapore, Murshidabad, Kakina, Rungpore, Bogra, Dinajpore, Raigunj, Giridih and Baidyanath. During his stay at Calcutta, he conducted divine service on some occasions in the S. B. Samaj Prayer Hall, Bhowanipore Sammilan Samaj, Sadhanasram and the Devalaya; took part in the Sangat regularly, and in the daily evening service and conversational meetings held in the Mandir; officiated as minister in some domestic ceremonies; sang hymns on several occasions in connection with the weekly divine service in the S. B. Samaj and in different families. He delivered a lecture in the S. B. Samaj Hall on the occasion of the anniversary of the death of Babu Rajnarain Bose.

For the greater part of the year he worked in the Bombay Presidency, where he visited a few places in the Deccan, Gujrat and central India may public associations and helped in organising religious conferences at Bijapur and various other places. He conducted divine service in the Bombay Prarthana Samaj and in other Samajes in the Presidency, delivered lectures in public meetings held under the auspices of the Widow Remarriage Association, led conversational meetings, conducted divine service in some families and wrote several articles for magazines.

He also officiated in several domestic functions, such as marriage, sraddha and namakaran. He initiated a young graduate into Brahmoism, conducted two religious classes on the Life of Maharshi Devendranath for some time, organised a daily prayer meeting in the Bombay Prarthana Mandir and started a new Congregation at Vaso in the Gawekar's dominion.

Sadhanashram.

As Babu Gurudās Chakravarti had to go to Dacca early in the year, Babu Hemchandra Sarkar was ap-

pointed Superintendent of the Sadhanashram. Babu Debendranath Mitra B.A., who returned from England after a course of training in the Manchester College, Oxford, devoted himself Early in the year to the service of the Brahmo Samaj in connection with the Sadhanashram. He and Babu Benodebehari Roy were ordained as workers of the Sadhanashram in August last. Four young men, one from the Punjab, two from Bombay and one from the Madras Presidency came early in the year to be trained as workers of the Brahmo Samaj. Later in the year two other young men joined the Sadhanashram for the same purpose. Classes were held regularly for giving them instruction in philosophy, some of the scriptures, and in the Sanskrit and Bengali languages. They also attended the lectures delivered under the Faculty of Theology in the City College. Besides these, facilities were given to them for the study of History and Literature under the direction of the Superintendent, Pandit Sitanath Tattwabhushan greatly helping in this work. Two of these young men, Lala Prakashlal, B.A., B.T., and Mr. Sivaprasad were, towards the end of the year, accepted as candidate-workers and sent out for mission work.

The workers and candidate workers of the Sadhanashram, and a few helpers carried on mission work in various parts of India. A new branch of the Ashram was opened at Madras in October last, with Mr. E. Subbu Krishnayah as its Superintendent ; he has been working earnestly to further the cause of the Brahmo Samaj in Southern India. Mr. J. V. Narayan, a candidate-worker of the Sadhanashram, has carried on a vigorous propaganda with encouraging results in the Ganjam district of the Madras Presidency. Babu Baradaprasanna Roy, in spite of ill-health, carried on an extensive mission tour in East Bengal and Assam.

In Calcutta the members of the Ashram served the Brahmo Samaj in various ways to the best of their abilities. They conducted on many occasions divine service in the Mandir, several Brahmo families and some neighbouring Samajes, helped in the work of the institutions under the Samaj, and rendered assistance to Brahmo families in their distress as far as they could. There were divine service, readings from scriptures, sankirtans, and prayers in the Ashram every day, morning and evening. On the first Sunday of every English month, there was a special utsav of the Sadhanashram.

Many Brahmo friends joined in these devotional exercises and thus rendered great service to the Ashram, besides relieving its temporal needs, by liberal contributions under the providence of God.

During the year the Sadhanashram maintained three branches at Lahore, Dacca and Madras. Bhai Sitaram was in charge of the Lahore Branch; with a few helpers he has carried on the work with exemplary devotion. The Lahore Sadhanashram conducted a Students' Lodge in which there were about 20 students under the supervision of the Superintendent. The weekly divine service of the Lahore Sadharan Brahmo Samaj was conducted in the ashram. The Lahore Sadhanashram continued to conduct a fortnightly in Urdu, called the Brahmo Pracharak, in spite of increasing financial strain consequent on the high price of paper. The workers conducted service in the Lahore Sadharan Brahmo Samaj, and the Punjab, Rowalpindi and Sialkot Brahmo Samajes.

The Dacca Sadhanashram has been strengthened during the year by the return of Babu Gurudas Chakravarti to Dacca. Divine service and devotional meetings were held daily in the Prayer Hall of the East Bengal Brahmo Samaj.

The Madras Branch was opened on the 20th Oct. last, when there was a divine service in the Prayer Hall of the Southern India Brahmo Samaj and a social gathering in the afternoon, in which most of the local Brahmos heartily joined. Divine service has been held almost daily ever since. A monthly utsav was organised at the beginning of every English month. Under the auspices of the Sadhanashram, Mr. C. F. Andrews delivered a lecture on "the Joy of the presence of God" and Prof. Raju on "the Eternal Christ." A young man from the Godavari district has joined the Asram with the intention of devoting himself to the service of the Samaj. The Southern India Brahmo Samaj has kindly agreed to place a small house belonging to it at the disposal of the Sadhanashram.

Sadhahashram Seva Section—The Sadhanashram has a Seva or philanthropic section. It has a Widows' Home at Dacca. The work of the Home was conducted by a local committee of which Mrs. P. K. Bose was the Secretary and Mrs. Chinmoyee Das Superintendent.

Babu Monoranjan Mitra, the Treasurer, worked very vigorously and with the liberal contribution of the generous public has been able to place the finance of the Home on a satisfactory basis, in spite of considerable increase in expenditure.

Another institution under the Sadhanashram Seva Section is an orphanage at Shillong, called the Sebashram, which was founded and is now being conducted by Babu Manmathanath Das, a candidate-worker of the Sadhanashram. The Sebashram is open to boys of all classes, irrespective of creed or caste and is maintained by voluntary gifts. There were seventeen boys of various ages in the Ashram during the year. Some of them were sent to the local High School, of whom one will sit for the ensuing matriculation examination, and the rest are receiving elementary education in the orphanage itself. Efforts were made to give the boys some technical training. Some of the boys have learnt Carpentry, by which they are able to earn some money. Towards the close of the year, a beginning was made in teaching them Weaving also.

The third institution is the Society for the Improvement of the Backward classes in Bengal and Assam. Its work was carried on by a representative committee of which the Right Hon'ble Sir S. P. Sinha was the President and Babu Hemchandra Sarkar and Rai Sahib Rajmohan Das Secretaries during the year. Babu Hari Narayan Sen, one of the workers of the Sadhanashram entirely devoted himself to the work. The work of the Society greatly expanded during the year through the exertions of Rai Sahib Rajmohan Das and Babu Hari Narayan Sen. About 100 new schools were started during the year, making a total of nearly 250 schools in the districts of Jessore, 24 Parganas, Hugli, Howrah, Khulna, Nadia, Burdwan, Birbhum, Faridpur, Barisal, Noakhali, Tippera, Dacca and Mymensingh. Of these one is a Middle English School and the rest are Primary.

The Government of Bengal has recently sanctioned a recurring grant of Rs. 3000 a year and a non recurring grant of Rs. 5000. The total income during the year from donations and subscriptions was Rs. 4069-12-9 and total expenditure Rs. 4136-5-3.

The Sadhanashram also maintains a High School at Bankipur, called the Rammohan Roy Seminary, under

the guidance of Babu Satis Chandra Chakravarti M.A., one of the workers of the Sadhanashram, who is its Headmaster and Secretary ; it has attained a high degree of efficiency and popularity. The number of boys at the close of the year was 310, and Thirty four boys appeared at the Matriculation examination in 1918 of whom 25 passed, 11 in the first division, 10 in the second and 4 in the third. Khasi Hills Mission.

The Khasi Hills Mission which is now in the 29th year of its existence was, throughout the year, under the charge of Babu Binode Bihari Roy. There are 18 places of worship for the members of the Brahmo Samajes in the Khasi Hills. Homeopathic medicines were distributed by the mission to patients from different places and arrangements have been made for the distribution of allopathic medicines from two centres; during the first quarter, the mission maintained 9 primary schools; but the number was reduced to six at the end of the second quarter, owing to the illness of the teachers, the destruction of two mandirs by earthquake and our inability to cope with the well-organised Christian schools; though the number of schools now has risen to seven, the numerical strength of some of them has greatly fallen off. Almost all the Brahmo Samajes of the hills duly celebrated the Maghotsab and observed the death anniversary of Raja Ram Mohan Roy and the foundation day of the Mission. The annual conferences of Lumparing and Cherra were held respectively in September and November. The conference of the four Samajes at Nongwar, Lait, Sassarat and Nongkroh were held in December, 1917.

Two new converts and some other persons will soon be initiated into Brahmoism. The mission has suffered a great loss owing to the death of five of its members during the year under report. There were three Brahmo marriages, two of which have been registered under Act III of 1872. The mandir of Nongrim Samaj which was severely damaged has been repaired and the mandir at Lait which was totally destroyed is under construction again.

The following are the names of the Brahmo Samajes in the hills with the institutions connected therewith:—

1. The Mawblei Brahmo Samaj:—Its attached institutions are the Sangat, the Pathsala, the women's meeting, the family prayer meeting, the dispensary and the Shelter for patients.

2. The Nongrim Brahmo Samaj:—Its attached institution is the school (though it has not been in existence since May, 18).

3. The Jwa Braemo Samaj:—The attached institution is the school.

4. The Mawsmat Brahmo Samaj :—institution is the school.

6. The Mawlong Brahmo Samaj :—institutions are the school, the sangat and the dispensary.

7. The Nongdoh Brahmo Samaj :—has no mandir of its own.

These were placed under U Estlin Roberts for the 1st half of the year but after his resignation in June last no worker could be had there in his place ; so the work could not be conducted properly by the members.

9. Sohsarat Brahmo Samaj :—It has no mandir of its own.

10. Nongkroh Brahmo Samaj :—It has no mandir of its own.

Calcutta Congregation.

The Anniversary of the Congregation was celebrated on the 23rd January, corresponding to the 10th Magh, when Pandit Navadwip Chandra Das conducted divine service in the morning and evening service was conducted by Babu Nilmany Chakraverty.

The following persons were elected Ministers of the Congregation for the year, at the annual meeting held on the 27th February:—Pandit Sivanath Sastri, Pandit Navadwip Chandra Das, Babus Gurudas Chakraverty, Nilmani Chakraverty, Abinash Chandra Mazumder, Kashichandra Ghosal, Sasi Bhushan Bose, Hem Chandra Sarker, Dr. Prankrishna Acharji, Principal Heramba Chandra Maitra, Babus Krishna Kumar Mitra, Lalit Mohan Das, Prof. Rajani Kant Guha, Babus Pratul Chandra Som, Baradakanta Bose, Adinath Chatterjee, Modhusudan Sen, Barada Prashanna Roy, Pandit Sitanath Tattvabhushan, Babus Ramananda Chatterjee, Bhabasindhu Dutt, Mrs. K. Mahalanobis, Babus Surendrasasi Gupta, and Govindachandra Datta.

Babu Probodh Chandra Mahalanobis was elected Secretary and Messrs. P. Ray Chaudhuri, Hriday Krishna Day and Bipin Behary Chakraverty Assistant Secretaries.

Divine Service was held regularly in the Mandir on Sundays, both in the morning and in the evening. The attendance in the evening service was very large and a number of worshippers had to go away for want of accommodation.

On the occasion of the death Anniversary of Raja Rammohan Roy a special divine service was conducted in the Mandir by Pandit Navadwip Chandra Das. A

special divine service was also held one Sunday (the 28 July) in memory of the late Babu Madhu Sudhan Sen ; Pandit Navadwipchandra Das acted as minister.

A thanksgiving service was held on the 17th November at the conclusion of the War ; Babu Lalit Mohan Das conducted the devotional portion and Dr. P. K. Acharji preached a special sermon on the occasion.

The congregation organised special services on the Bengali New Year's day and during the Bhadrashab.

A daily evening service followed by readings and conversation on religious subjects, has been regularly held in the Mandir since the 27 May last. It is attended by a fairly increasing number of ladies and gentlemen who seem to be greatly benefited by it.

The ministers of the congregation met once a month in conference, in which they discussed matters pertaining to their duties as ministers, such as visiting Brahmo families, the introduction of family prayers and various subjects connected with the welfare of the congregation. Babu Hem Chandra Sarker was the Secretary of the conference.

As in other years, some of our ministers visited several Brahmo families, inquired into their temporal and spiritual welfare, conducted family service and tried to help them in various ways. Prominent among those who discharged this duty were Pandit N. C. Das, Pandit S. N. Tattvabhusan and Babu Hem Chandra Sarker.

The work of the Brahmo Samaj Library and Reading Room under the management of the congregation went on as usual. The financial condition of the library is not satisfactory. It is in urgent need of reorganisation and improvement. Our thanks are due to the Calcutta Corporation for the annual grant of Rs. 75 to the Library.

The Baranagore Workingmen's Mission.

The Mission is maintained out of the interest of the fund placed in the hands of the Executive Committee of the S. B. Samaj, by Mr. Sasipada Banerjee, in the year 1903, (in two Government Promissory Notes, nos. 078298 and 078300 of 1854-53, of the face value of Rs. 1000 each, subsequently converted into one of Rs. 2000,—No. 021550 of 1879) for preaching "practical

religion and morality" among the workingmen at Baranagore.

Babus Sasithusan Bose (Missionary S. B. Samaj), Devendranath Mitra, Rajani Kanta De, Amrita Kumar Dutta, Dhanapati Das, Troilokyanath Dutta and Satis Chondra Das visited the place during the year and conducted divine service and gave readings from the 'Brahma Dharma.'

The workingmen, most of whom are weavers, were in great distress during the year, for high prices of cloth and thread and latterly on account of the outbreak of Influenza epidemic. The S. B. Samaj gave the poor people occasional help with money and cloth.

Publications.

The publications of the Samaj contribute largely to our mission work, as they help us to carry its message far and wide. The official organs of the Samaj are the Indian Messenger, an English weekly, and the Tattvakoumudi, a Bengali fortnightly; during the year under report Babu Pratul Chandra Som edited the former and Babu Barada Kanta Bose the latter; both these papers had to be conducted last year at a heavy deficit, owing chiefly to the abnormal rise in the price of paper. Besides these two, the Sevaka, a monthly magazine of the East Bengal Brahmo Conference, the Brahmo badi of Barisal, the Brahmo-Pracharak of Lahore, the Dharma sadhan of Coconada, Humanity of Madras, and the Subodh Patrika of Bombay, all owned and conducted by some members of the Samaj have rendered valuable services to our cause. Thanks of the Samaj are due to the proprietors and editors of these papers.

The cost of printing and paper having risen very high on account of the War, our publication department could not do much work during the year. Since January 1918, the Samaj has published only 2 books—সত্য ও সংস্কার written by Prof. Rajani Kanta Guha (half the cost of the book has been paid by the author), and the Fundamental Principles of Brahmoism by Pandit Sitanath Tattvabhusan. The total saleproceeds of our publications were Rs.557-11-6 for the year. Besides these, some members of our church have brought out several books that are calculated to further the cause of liberal religion; of these, the Autobiography of Pandit Siva Sastri, Rammohan Roy and Modern India by Babu Ramananda Chatterjee, Japji in Bengalee by Babu Abinash Chandra

Mazumdar, and ভক্তচরিতমালা by Babu Sasibhusan Bose, deserve special mention.

Affiliated Institutions.

The Sangat met in the Samaj Mandir almost every Tuesday. The subjects discussed were Sangat Sabha' various,—devotional, practical, social and philosophical,—devotional and practical subjects being given the pre eminence. For the last eight months, since the institution of a week-day evening service in the Mandir followed by conversation on religious subjects, the Sangat may be said to have merged in or rather expanded into these daily conversational meetings. Besides being a meeting place for our workers and other zealous members of the Samaj, they afford an opportunity to our ministers and missionaries to meet inquirers and answer their queries.

It celebrates its 40th anniversary this year. It was started on the 27th of April, 1879, Students' Weekly Service "for promoting religious culture of the present generation of students."

During the year under review, the usual program of work was carried on regularly till the Puja vacation. As all the Calcutta colleges remained closed during November and December on account of the influenza epidemic, the public meetings of the Service could not then be held.

In addition to lectures by members of the S. B. Samaj, addresses by Mrs. Sarojini Naidu, Rev. William Paton of the World Student Christian Movement and Sir Rabindranath Tagore (on two different occasions,) may be specially noted.

Two *special utsavs* were organised last year. The Maghotsav anniversary address on "The Burden of Youth" was delivered by Prof. Prasanta Chandra Mahalanobis. During the Easter Utsav, a special divine service was conducted by Pandit Sivanath Sastri in the morning and a special lecture was delivered by Prof. Rajani Kanta Guha in the evening.

Three *social gatherings* were organised, which were much appreciated by the members. A special conference of members met on the 17th of September, 1918 at the invitation of Prof. S. C. Mahalanobis, the President of the Service ; it was very largely attended.

Special efforts were made during this session to revive interest in discussion meetings. The discussion on "Religion and Literature" was opened by Miss Santa Chatterji B.A., and the subject for a second enquiry meeting was "Religion and Science."

As in previous years, there were several memorial meetings organised by the Service.

Prof. S. C. Máhalanobis was President and Prof. Kalidas Nag M.A., and Mr. Sudhindranarayan Ray M.A., acted as secretary successively during the year. At the last annual meeting, Mr. Sukumar Ray B.Sc. was elected Vice President and Prof. P. C. Mahalanabis B.Sc. B.A., Secretary of the institution.

In addition to the annual meeting, there were altogether three special General meetings of the Service. The Executive Committee met 16 times during the year.

The Service has now 240 members, several of whom are ladies. 87 new members were elected during 1918, as against 31 in 1917.

The work of the Sunday Moral Training School continued to suffer, as in the previous year, for want of a sufficient number of lady-teachers.

The School, however, met regularly in the Mary Carpenter Hall during the year with the exception of the periods of the summer and autumn holidays. Fifty-three new children were admitted into the School during the year and the total number on the rolls on the 31st Dec. last was 115. The prize distribution of the School was held on the occasion of the Maghotsav on 7th Magh under the presidency of Mr. Sasi Bhushan Dutta; Mrs. Dutta kindly gave away the prizes to the children. The monthly magazine 'Mukul' was published throughout the year, though with increasing difficulty. Babu Abinash Chandra Lahiri B.A., rendered valuable services in the work of editing the paper.

tractors in the course of the next 3 years. The efforts of the Brahmo Samaj Education Society to raise funds for the building have been greatly hampered for the three years by the war. Now that the war has, by the grace of God, come to an end, let us hope that our efforts to place the college on a secure footing will meet with greater success.

City Collegiate School.

The School has been removed to the Old College premises and the classes are now comfortably accommodated in spacious rooms fitted with electric fans.

It has endeavoured all along not simply to qualify students for the university examination, but also to impart wholesome moral education to them. The aim of the institution ever since its foundation, has been the harmonious development of the various faculties of the pupils ; every effort is made by the staff to inculcate moral principles into our boys and to keep them, as much as possible, from the path of evil. Hours have been set apart for moral training in each class and suitable text books have been prescribed for the purpose. The City Union, a society attached to the school, and Ashabahini (Band of Hope) met on Saturdays. The Headmaster and some Senior Assistant teachers generally presided on such occasions and the boys usually discussed such subjects as help the formation of character.

The day's work in the class commences with a prayer in which both the students and the teachers join.

The teachers met in conference several times during the year, in spite of the Influenza epidemic, and discussed various subjects connected with the internal administration of the school, methods of teaching, courses of study etc.

The instructive staff of the school for the year consisted mostly of Brahmos, the total number of teachers being 28.

On the 31st Dec. 1918 there were 651 students on the rolls against 570 on the corresponding date of the preceding year. In spite of this substantial increase in numerical strength, the school was not self-supporting as it had to pay a house-rent of Rs. 360 a month to the Brahmo Samaj Education Society. The deficit was met from the College funds. The actual income and expenditure for the year are given below :—

Matriculation Examination Results—52 boys sat for the examination in 1918, of whom 27 passed—19 in the first and 8 in the 2nd division.

City Collegiate School. Mymensingh Branch.

NUMERICAL STRENGTH.

The number of boys on the rolls, on the last day of the year was 835, against 9289 on the corresponding date in the preceding year. This falling off was evidently due to the opening of two new schools in the town.

STAFF.

There were 30 teachers. In the beginning of the year, Babu Mano Ranjan Banerjee, B.A., formerly Joint Head Master, was confirmed as Headmaster on the retirement of Babu Giris Chandra Chakraborty, B.A. after a long service of 33 years. Babu Alinash Chandra Lahiri, B.A. was, in accordance with this arrangement, also confirmed as Joint Headmaster.

EXAMINATION RESULTS.

The results of the school at the Matriculation Examination were highly satisfactory. Out of 79 students who sat for the Examination, 71 passed—47 in the First, 19 in the Second and 5 in the Third Division.

INCOME AND EXPENDITURE.

The income of the school from fees &c., during the year under report, was Rs. 20030-1-0, the disbursements being Rs. 19918-12-0. Some big repairs which had to be undertaken owing to the damages done to the school buildings by the last earthquake, entailed rather a heavy strain on the finances of the school.

IMPROVEMENTS.

Moral training based mainly on selected books was systematically given to the boys, provision being made for it in the usual routine of class work. Another noticeable improvement was a general increase to the pay of nearly all the teachers and the clerk by an allotment of Rs. 816-0-0 in the budget for the year. Alongside of this, Babus Giris Chandra Chakraborty and Amar Chand Chandra Datta to whose unwearied labours and tactful organisation the success and reputation of the school had been very largely due were allowed some pensions in addition to bonuses specially granted in recognition of their long past services.

VISITS.

During the year under review, the school was visited by the Second Inspector of Schools, the Divisional Inspector of Schools and lastly by His Excellency the Governor of Bengal, who all expressed general satisfaction at what they saw.

Brahmo Boys' School :

Through the blessings of God, the Brahmo Boys' Boarding and Day School has completed the 15th year of its existence. It has, all along been silently working, keeping before its eyes the high ideal with which it was started 15 years ago by the late Babu Gurucharan Mahalanobis of blessed memory.

On the 31st December, 1918, there were 218 pupils on the rolls of the school and 29 Numerical strength. (all boys of the school) in the Boarding house, against 212 and 24 respectively in the previous year. Of the 218 boys, 50 were Brahmos, 1 Buddhist and the rest Hindus.

Of the 18 boys sent up for the Matriculation Examination in 1918, 10 passed—9 University Examinations were placed in the first Division and 1 in the second.

The work of the Moral Training Classes and that of the students' association were very satisfactorily done throughout the year. The daily divine service in the hostel was conducted by the Superintendent, Babu Govinda Chandra Dutta, and the prayers of the school, before the work of the school began, by the Head Master with occasional help from other teachers.

The Managing Committee : It consists of the following gentlemen :—

1. The Hon'ble Sir Nilratan Sarkar, M.A., M.D.—
President.
2. Mr. S.C. Mahalanobis B.Sc. (Edinburgh) F.R.S.E.
3. „ P. C. Mahalanobis B.Sc. (Cal.), B.A. (Cantab)
4. „ G. C. Dutta.
5. „ Harakanta Bose, B.A.
6. „ Annanda Charan Sen, B.A.
7. „ D. N. Mukherji, M.A., M.R.A.C. Secretary
(from January to February.)
„ Pareshnath Sen, B.A. Secretary (from
March to December.)
8. „ Saratchandra Sen (representing the
teaching staff.)
9. „ Bepin Behaai Chakravarti, B.A. Head
Master (ex-officio.)

There were only 4 meetings of the Managing Committee during the year under review. This, to a large extent, was due to the prevalence of the epidemic of Influenza in the city, in consequence of which the school was closed for nearly 3 months, and many of the members were absent from the town.

Mr. D. N. Mookerji having for some unavoidable reasons resigned his office, Babu Pareshnath Sen, B.A. Professor, Bethune College, was elected Secretary of the school in his place. The school committee, in their meeting of the 3rd March, 1918, recorded their heart-felt thanks to Mr. Mukherji for his self-less service to the school.

The teaching staff consisted of 13 teachers of whom 6 were Brahmos and the rest Hindus.

The teachers occasionally met in conference to discuss many important matters regarding the welfare of the school.

The School Library and the Common Room were much utilized last year both by the teachers and the students of almost all the classes.

This school was started on the 16th January 1911. It has, therefore, just entered upon the ninth year of its life. It was opened by some Brahmo ladies and gentlemen of this town; but they were helped by many people belonging to the Hindu and Christian Communities. In 1914 the school was formally made over to the Sadharan Brahmo Samaj of Calcutta.

On the 31st of December last, there were 65 girls on the rolls of the school. Of these, 35 were Hindus, 29 were Brahmos and one was a Christian. Out of the total number on the rolls of the school, 23 girls or 35 per cent. are domiciled residents of this Province. Out of 7 girls sent up for the next Matric Examination, no fewer than 6 are thus domiciled.

There were 34 girls in the attached Hostel. The pupils living in the Hostel mostly come from places outside Giridih. The majority come from Bengal, 7 from Assam, 2 from the U. P. and 2 from Burma (these two are of pure Behari parentage now settled at Rangoon.)

The Hostel is also under the Head Mistress, who lives with the boarders and is assisted by a lady Superintendent and a matron. Every morning divine service is held in the Hostel, conducted by one of the resident teachers.

There are 9 teachers including the pandit or Sanskrit teacher, who is the only male member in the teaching staff. He is a Hindu. Of the remaining teachers, two are Christians and the rest Brahmos.

It is gratifying to note that Babu Taraknath Roy Chaudhury, zemindar of Jalabari in the district of Barisal, who is now a resident of this town, has generously come forward with a donation of Rupees ten thousand towards the building fund of the school, on condition that the school should be named after his wife. The offer has been thankfully accepted by the authorities of the school. The Managing Committee has proposed that the name should be changed with effect from the 1st of April next.

Mr. M. N. Dutt of Giridih has generously offered to pay Rs. 22 a month to meet the entire deficit on the school side. But the Hostel continues to work at a deficit of about Rs. 70 a month.

The liabilities of the school to the end of the year

amounted to about Rs. 1000 ; out of this amount the Director of Public Instruction has kindly offered to pay a little over Rs. 400, provided it can immediately raise the balance.

Between 1913 to 1917 the school sent up 23 girls to the Matric Examlnation of the Calcutta University, of whom 22 were successful, 18 girls passed in the 1st division and 4 in the 2nd division. In the year 1917, out of the three special Scholarships for girls in this Province, the students from this school carried off two. In 1918 four girls were sent up to the first Matric Exnmination of the Patna University, of whom two passed in the 1st division and the other 2 in the 2nd division. One of the girls, Miss Sunilima Chakerverty stood 4th in order of merit in the general list of successful candidates.

The school is managed through a committee consisting of five nominees of the Sadharan Brahma Samaj, two representatives of the teaching staff and two members coopted by the above seven.

During the year under report Babu Joginndra Nath Sarkar resigned his membership owing to his continued absence from the town. He was connected with the school from the first and took a very deep interest in its welfare. Babu Ram Lall Bannerjee resigned his secretaryship, but he still continues on the committee as a member and is ever ready to give them the benefit of his long experience and sound judgment. Since the retirement of Mr. Banerjea, Mr. D. N. Mukherjee, M.A., has been the Secretary of the school.

Thanks of the committee are due to Mr. P. C. Mahalanobis for awarding a silver medal to the school for good conduct, to Mr. M. L. Chatterji for another silver medal awarded for singing. One prize in Sanskrit has been offered by Miss Chakerverty, the girl who at the last Matric Examination achieved marked distinction. Thanks are also due to Dr. S. C. Bagchi, Bar-at-Law, for a scholarship of ten rupees a month to one of the girls.

Thank are due to Drs. Joganand Roy and Srish Chandra Bose for their free medical attendance at the hostel in times of sickness.

Among the High Schools not directly managed by the Sadharan Brahma Samaj are the Bankipur Rammohan Roy Seminary (under the Sadhanasram), the East Bengal Institution of Dacca, the National school and the Jatramohan Sen school in Chittagong, the Town School at Cuttack, and the

Viresaligram H. E. school at Rajamundry ; these are all conducted by the members of our Samaj, whose example and teaching help greatly the diffusion of liberal ideas among the youths placed under their charge.

Among the middle schools managed by the members of the Samaj, the following deserve special mention :—(1) 'The Baniban Girls' School in the district of Howrah, (2) the Contai Girls' School in the district of Midnapur (3) the Rangoon Girls' School in Burma (4) the Rammohan Ray Girls' School at Lahore (5) the Maliat M.E. School in Jessore and (6) the Berash Sivanath School in Dacca. The 2 last named schools are for backward classes of people.

There are a few primary Schools in the Khasi Hills under our mission, about 250 and primary Schools in the several districts of Bengal managed by the Seva section of the Sadhanasram, a primary school for boys and girls at Bogra managed by the local Brahmo Samaj, and the 2 Ragged Schools under the Southern India Brahmo Samaj at Madras and the Orphanage at Coconada. There are also many night schools in various parts of the country, conducted by the members of our church.

The Brahmo Samaj Hostel for Girl Students.

The Institution has, in its fourth year of existence, continued its useful work under the management of a committee consisting of the Hon'ble Sir Nilratan Sarkar, Dr. P. K. Acharji, Pandit Sitanath Tattwabhusan, Prof. Paresnath Sen and the Secretary—Prof. S. C. Mahalanobis. The following ladies were on the Visiting Committee :—Lady Chaudhury, Mrs. K. N. Roy, Lady Bose, Lady Sarkar, Mrs. S. R. Das, Mrs. Kshirodebashini Mitra and Mrs. S. C. Mahalanobis.

The hostel is intended for college girls, and at present twenty six boarders (including two post-graduate students) live here. The year under review has been rather uneventful as regards social activities, as most of the boarders stayed away from the hostel during the last quarter on account of the Influenza epidemic in Calcutta.

Mr. Lalitmohan Das very kindly conducted weekly Divine Service in the hostel, throughout the year. Mrs. B. K. Basu worked very efficiently as Lady Superintendent of the hostel. Mrs. Indumati Datta and Miss Provabati Majumdar successively officiated with much acceptance, during the absence on leave, of the Lady Superintendent. Valuable services have been rendered to the institution by Dr. Sailendranath

Gupta in way of medical attendance. Mrs. S. C. Mahalanobis and Mr. Ramananda Chatterjee made kind gifts of books and periodicals to the Hostel Library and Reading Room. The Officiating Director of Public Instruction very kindly made a special grant of Rs. 160 for certain improvements in the hostel. For this act of kindness the Managing Committee is very grateful to the Hon'ble Mr. W. C. Wordsworth. .

The best thanks of the Samaj are due to the ladies and gentlemen who have kindly helped the institution in various ways.

The proceedings began with a short divine service conducted by Principal Herambachandra Maitra.

Assistant Secretary, Mr. Harakanta Bose, read the Annual Report and Mr. Annadachran Sen, the audited accounts of the Samaj.

Mr. G. B. Trivedi of Bombay proposed and Mr. Jagannath Kapur of Lahore seconded that the report and the Accounts be adopted with such additions and alterations as may be deemed necessary.

Some suggestions were then made in connection with the Report and Accunts.

Mr. Probhat Chandra Ganguli proposed

(i) That the rental derived from the land recently acquired from Dr. Mrigendralal Mitra be shown under a separate head and then credited to the General Fund"

(accepted by the Secretary)

(ii) "That nothing be added in the Appendices which has not been sanctioned by an authoritative committee of the S. B. Samaj." (Accepted by the Secretary)

Mr. Probhatchandra Ganguli proposed and Mr. P. K. Roy Choudhury seconded that the adoption of the accounts be postponed till Resolution No. V in the Agenda of the Annual meeting be disposed of . (Lost).

Mr. Prasant Chandra Mahalanobis proposed and Mr. Prabhat Chandra Ganguli seconded that the following extract from the Report of the Students' Weekly Service be inserted :—

"The late Pundit Bejoy Krishna Goswami, the late Mr. Ananda Mohan Bose, and the venerable Pandit Sivanath Sastri were prominent among the early workers. In those days the Service was "pre-eminently useful in stimulating enquiry in many minds and in giving an impetus to the cause of social reform" "[Annual Report of the S. B. Samaj 1881]. In 1882 the formulated objects of the institution were "(1) to stimulate religious enquiry (2) to induce thoughtfulness and earnestness of character, (3) to create interest in questions of social reform and progress" [Annual Report of the S. B. Samaj, 1882] (Lost)

Mr. Sukumar Ray proposed and Mr. Amiyakumar Sen seconded "that the whole of the report of the S. W. Service, as submitted by that institution, be incorporated" (Lost)

Mr. Sukumar Ray proposed and Mr. Pravatchandra Ganguli seconded "that the Report of the S. W. Service as incorporated, being misleading, be altogether omitted." (Lost).

The original motion was then put to the vote and carried.

The President then delivered the following address :—

Thou art our Father. Like a father do Thou teach us true wisdom. We bend low in reverence before Thee. Save us from delusion and sin ; forsake us not.

O God, our Father, forgive us our trespasses and send us that which is for our good.

Thou art the Cause and Source of all goodness and happiness. Thou art Goodness itself and more than good. We bow down to Thee.

Brothers and sisters, we have assembled here to consider some momentous questions regarding our beloved Samaj. United in prayer and in speech, let your minds apprehend alike—alike in council and in prayer, alike in feelings and in thought, be ye one in your desires; and may your minds be drawn together to bear with one another.

I am glad to notice that many of our brothers and sisters of the Panjab, Bombay and Madras have travelled long distances to attend the Maghotsav and have done so at considerable personal sacrifice. In the name of the Brahmo Samaj, I offer them a most hearty and cordial welcome.

The year 1918 was a year of sorrow and pain, of deep and grave anxiety. The death of Babu Madhusudan Sen, who was one of our ministers, of Srimati Svarnaprabha Bose, wife of our late illustrious leader, Mr. Ananda Mohan Bose, of Mrs. Kumudini Das, the late Lady Principal of the Bethune College, of the quiet and erudite Dr. Bipinbehari Sarkar, son-in-law of Pandit Sivanath Shastri, of Babu Nabagopal Datta, an enthusiastic Brahmo worker of Sylhet, of Sreeman Ajitkumar Chakravarti, the biographer of Maharshi Devendranath Tagore, of Bhai Umanath Gupta, the old missionary of the Brahmo Samaj of India, has created a void which it will be difficult to fill. Besides Mrs. Kumudini Das, death has taken away three other lady graduates and a number of men and women of our Samaj. Some of them have been cut off in the prime of life. To the bereaved families I say "The soul, immortal as its Sire, shall never die."

May the dead come near and say

"Death means not perishing,
Cherish us in your thoughts,, for by that cherishing
Shall severed links be welded by and by.
God reigns on high, whatever is, is best."

Two good and true men, though not of our Samaj, have recently passed away from our midst: I allude to the death of Sir Gurudas Banerji and of the Lord Bishop of Calcutta. In their different spheres they were men of sterling integrity and dauntless public spirit; and we remember with gratitude the part they played in the up-lift of this country.

God be thanked that after four long and weary years, the sanguinary world-war has at last come

to an end. It has devastated flourishing towns and smiling villages, has brought desolation to thousands of happy homes, has killed two crores of our fellow-beings and has made millions of women and children homeless and helpless. The Branmo Samaj stands for peace and good-will among men. The Brahmo Samaj upholds the principles of the fatherhood of God and the brotherhood of men. Ours is the religion of love; God is in every man and woman. When people will realise this all the world over, then and then only will war be made impossible. Leagues, compacts and treaties may check militarism for a while, they will not bring liberty and happiness.

The year that is just past has been a year of great revolutionary changes. There have been several events which are interesting as indicating the forward movement of thought. By far the most remarkable of these are the proposal to establish a League of Nations, which, it is hoped by statesmen, will abolish war and establish the reign of Right and Justice all over the world, the recognition of the right of self-determination of small nations, the enfranchisement of the women of England, the prohibition of liquor traffic in America, and, last, the Reform Proposals of Mr. Montagu and Lord Chelmsford. Though I cannot say that I agree in all matters with the authors of these reform proposals, yet there is no doubt that they indicate a move in the right direction.

The Sadharan Brahmo Samaj is no provincial organisation. Bombay, Madras, the Punjab, Burma and Assam all can equally claim it as their own. Its sphere of activities extend all over India. In Decembar, 1917, Brahmos of the differnt provinces met together in a Conference at the Sadharan Brahmo Samaj Prayer Hall under the presidency of Dr. P. K. Ray, when the all-India Mission Committee was formed. Seven youngmen from Bombay, Madras and the Punjab came to Calcutta immediately after, to be trained as missionaries. Some of them have returned to their different fields of work, and some are still in Calcutta under training. Babu Sudhir Chandra Banerji was sent to Bomboy to work in co-operation with the Prarthana Samaj. Messrs. J. V. Narayan and Subbukrishnya were sent to Madras. There is a branch of the Sadhan-asram at Lahore, Babu Sitaram is its indefatigable worker. Babu Binod Behari Ray has been living with

his good wife in the Khasi Hills and endeavouring to propagate the principles of the Brahmo Dharma among the sincere and earnest inhabitants of the place. Thus it will be seen that the activities of the Sadharan Brahmo Samaj are not confined to Bengal.

Our missionaries, though many of them are old and invalid, visited Bombay, Madras, the Punjab the United Provinces, the Central Provinces, Behar, Assam, Orsssa and Burma. Thus there is no lack of enthusiasm; what stands in our way is the shortness of funds and the paucity of workers. I am glad to be able to inform you in this connection that four educated and earnest youngmen have applied to the Samaj to be accepted as missionaries. I hope that by this accession of strength it will be possible for the Samaj to extend its field of work.

We are poor in literature. The two notable books published during the year are the autobiography of our revered minister, Pandit Sivanath Shastri, and a life of the late Babu Shibchandra Deb, one of the founders of the Sadharan Brahmo Samaj. The books are living pictures of the society and religion of Bengal as they were in the nineteenth century. Every one who is interested in the progress of the country will peruse them to his profit. They enable us to form some idea of the changes which have been wrought in social, educational and religious matters within the last hundred years.

During the year just closed, owing to the very high price of cloth, there was great distress throughout Bengal, to relieve which our Samaj collected about Rupees 4000 to purchase cloth with. Rai Sahib Raj Mohan Das with his usual self-sacrificing zeal offered his services and was deputed to distribute cloths to those men and women in different parts of the country who were in want. In this connection I must gratefully mention the names of the late lamented Lord Bishop of Calcutta, the kind-hearted Bishop of Chotanagpur and that generous helper of the Brahmo Samaj, Babu Bhupatinath Basu, whose contributions made it possible for our Samaj to help the needy and the poor.

I must heartily thank the Seva Section of the Sadhanasram for the splendid work it has done during the year. It has maintained, through God's grace, an orphanage at Shillong; Babu Manmathanath Das is the life and soul of the institution. Another of its work deserves prominent mention.

The Society for the Improvement of the Backward Classes, founded by the Seva Section, has established in different districts of Bengal, more than 250 schools, and raised Rs. 3000 for their maintenance. The Government of Bengal has granted Rs. 3000 per annum and a capital grant of Rs. 5000. When a good work is undertaken by earnest and self-sacrificing workers, God always blesses it with success. Rai Sahib Raj Mohan Das after retiring from Government service has made the cause of the "backward classes" his own, and God has been abundantly rewarding his labours.

The Brahmo Samaj was the pioneer in the field of female education in this province. It still holds that position. In matters of education, it does not recognise the distinction of sex. The soul is neither male nor female. If for the intellectual development of man, study of classics, Mathematics and Science is necessary, it is equally so for the intellectual development of woman. Of late, I am sorry to notice, there has been in this country, a growing feeling against the higher education of women. Men themselves educated in British Universities, living in European style, feeling ashamed to speak and write in vernacular, admonish women against aspiring after higher education and desire them to devote themselves to domestic duties and to remain satisfied with elementary education. Such a feeling should *nohow* be encouraged to the prejudice of liberal culture which is essential both for men and women. I am glad to say that the institutions managed by the members of the Brahmo and the Prarthana Samajes—the Brahmo Balika Sikshalaya, the Chotanagpur Girls' School, the Contai Girls' School, the Rammohan Roy Girls' Schools in Bombay and Lahore, are prosperous institutions.

The establishment of a Theological Faculty in connection with the City College is another important event of the last year. It is yet in a nebulous state but it is expected that in years to come it will be a centre of theological studies of future Brahmo teachers and missionaries. The Brahmo Samaj is proud of the City College—it is one of the best and largest educational institutions in India.

Critics are not wanting who would maintain that the mission of the Brahmo Samaj has failed. To these my answer is an emphatic No. The Brahmo Samaj has indeed made saints of sinners—

converting the worldly-minded into self-sacrificing, the ignorant and degraded into wise, pure and self-respecting men. It has brought to man the joy of worship and the privilege of communion with the Highest. After this, can it be said that the mission of the Brahmo Samaj has not been a success?

The Brahmo Samaj has worked wonders in the past and it is sure to do so in the future also—only worship God, I beseech you, in private every day, worship Him with all the members of the family and whole heartedly with the congregation. In one sense the Brahmo Samaj may be said to have not been able to do what was expected of it. It has not attracted perhaps as many to its fold as it might have done. But there is no cause for losing heart over it. The reasons are many. For one, Brahmoism is the religion of harmony. It demands harmony between life and principle. In India it is no easy matter to give up caste-distinction; here traders cheat customers, low-paid officials take bribe, men of many professions are frankly under the delusion that honest dealings are not possible, so a large number of people cannot possibly join the Samaj. The Brahmo Samaj demands that men should be true to their conscience. But we can rouse the sleeping conscience. If the Brahmos be of one mind, more sacrificing for the cause of the Brahmo Dharma and a little less worldly-minded, the people will be attracted by their devout life and sweetness of character.

Brothers and sisters, I now most solemnly draw your attention to the most vital subject concerning our Samaj. The Brahmo Samaj was founded for the purpose of worshipping God with follow-believers, worshipping Him with the members of one's own family and in the sanctuary of one's own soul. The tendency of the age is excessive devotion to worldly affairs. People are so engrossed in their worldly concerns that they have little time for thought on matters pertaining to spirit. Now it is high time to awake out of sleep. Worship is life, it is the backbone of the social system. If it is neglected, the Brahmo Samaj will consist of dead bones. It will not be able to influence the general life of the country, "A house without family-worship has neither foundation nor covering,"

“Religion is fire which keeps man alive and which goes out if not communicated.”

We should remember that “Nothing exposes religion more to the reproach of its opponents than the worldliness and hard-heartedness of the professors of it.” I therefore ask you to worship our Father everyday with the members of the family, to make it a point to attend congregational worship, and to spend alone at least some time every day in adoration and contemplation.

Brothers and sisters, in conclusion I beg you always to remember that the object of the Brahmo Samaj is to create a new type of men and women who will see God our Father manifested in the temple and in the workshop, in the soul and in the body ; who will fight with a stout heart, unfailing zeal and unsophisticated conscience, the battle of emancipation from religious and social degradation. If that is to be accomplished, more unity and solidarity, more prayer and piety, more devout life and character, are needed. May our merciful Father grant our prayer.

Brahma Kripahi Kebalam.

THE BRAHMO SAMAJ OF HYDERABAD, DECCAN.

Divine Service.

Meetings for Divine service were held as usual at Hyderabad regularly every Friday from the commencement of the year up to the 9th October, when Influenza assumed epidemic proportions and the appalling mortality made it necessary to stop meetings for a time. Services were, however, resumed from November 15th and have been held since then every week.

Bereavements in the Brahmo Community.

The Samaj had during the year to mourn five deaths. At the commencement of the year our beloved Secretary Mr. H. S. Venkataram was called away to his rest. Later in the year we had to mourn four more deaths, those of Srimati Lachimi Devi, mother of our brother Nitiayanand, of Mrs. Shantijiva Gangulee the youngest brother of our joint secretary Mr. J. N. Ganguli and of M. Raghupati and Jamadar Venkatramnam.

Religious Rites.

During the year 4 weddings were celebrated. Sriman Rajeshwar Rao was married to Srimati Laxmi Devi daughter of Sriman Cosiah, on the 12th of May. Jamadar Venkatratnam was married to Srimati Anand Devi daughter of Sriman Laxmaniah on June 9th. Sriman Rangrao was married to Srimati Kausalaya Devi, daughter of Sriman Mukund Dasaya on the 10th June, 1918. In December Sriman Nitiayanand was married at the Bombay Prarthana Samaj to Srimati Nalini Rai who has been brought up by our brother Sriman S. B. Trivedi Secretary of the Bombay Prarthana Samaj.

Education.

The Samaj continued to aid the Boys and Girls' Day and Night Schools at Nampally and the Boys and Girls Day and Night School at Seetaram Peth for some months during the year. The management of these Schools was found unsatisfactory and the grant made by the Samaj to these Schools have been discontinued from the beginning of September. The children's class for moral and religious instruction which used to be held in the house of Mr. H. S. Venkatram had to be discontinued after his death as there was no one to take up the work. This is to be regretted and it is earnestly to be hoped that during the coming year an effort will be made to revive this very useful educational and religious work.

Reading Room and Library.

The Managing Committee resolved to open a free Reading Room with the view of placing Theistic literature within easy reach of the people. Accordingly a free Reading Room and Library bearing the honoured name of Raja Ram Mohon Roy was

opened within the Residency limits, on the 21st July 1918. Our respected member Srimati Ahiliyya Bai wife of Dr. Nalannah presided at the opening ceremony.

Relief Work.

During the terrible outbreak of Influenza, five of our members co-operated whole heartedly in the Relief measures organized by the Government and the benevolent leaders of different communities. The names of the members who served as volunteers are Mr. Bhagyareddy, Mr. H. S. Shivram, Mr. H. S. Purshottam Mr. Mallaysham, and Mr. Nityanadn. The Samaj heartily appreciates their good work.

General Meeting.

A general meeting of members was held on December 10th, 1918. The office-bearers for the year were elected, and several important resolutions were passed reorganising the work. By one of these resolutions it was agreed to have a class of associate members to be known as sympathisers consisting of persons who though not subscribing to the doctrines of the Samaj yet are in sympathy with its general aims and agree to pay a minimum donation of Rs. 3 yearly.

Special meetings.

Three memorial services were held during the year. One in commemoration of the late Mrs. Aghornath Chattopadhyay, one in commemoration of the late Mr. N. S. Venkatram and one in commemoration of the late Babu Baman Chandra Gangulee the father of our Joint Secretary Mr. J. N. Gangulee. Three Social Gatherings were held during the year—the first in the house of Mr. B. Chattopadhyay, the 2nd at Mr. Seshion's house and the 3rd at Mr. Welinkar's house on the anniversary of the birthday of his elder daughter.

Finance &c.

The year shows an income of Rs. 678-3-9 including donations, and an expenditure of Rs. 642-9-8. The heartfelt thanks of our Samaj are due to the different donors and particularly to our beloved brother Mr. Seshiah for his generous help in providing the Annual Priti Bhojan (dinner) and for generous help on many other occasions. Our grateful thanks are also due to the Theosophical Society of Hyderabad, for having generously placed their Hall at our disposal for many of our meetings for lectures and on others occasions.

Donations.

A donation of Rs. 10 was made to the Noakhali Brahmo Samaj. A donation of Rs. 25 was made to the local Theosophical society.

Visits of Missionaries.

We are grateful for the assistance of Babu Sudhir Chandra Banerji of the Sadharan Brahmo Samaj, Calcutta, who visited us during the Anniversary of the Samaj and conducted lectures, devotional meetings, and family services. Rabu Chunilal Mukerji of the same Samaj paid us a short visit in the beginning of December, conducted a devotional meeting, and delivered a public lecture, for which the Samaj is grateful to him.

Meetings of the Managing Committees.

12 Committee meetings were held during the year. A Subcommittee was appointed to consider and report on the desirability of collecting funds for a building for the Samaj ; but on account of various difficulties in our way no definite decision has yet been taken on this important question. However there is now a strong feeling that the Samaj should have a building of its own and it is hoped that the next year will see some practical effort made towards the realization of this object.

J. N. Gangulee,
Secretary.

Jitendra Kumar Ghose were much appreciated by the audience. The Nagarkirtan was led by Sj. Amrita Kumar Dutt. After the conversational meeting rice and pices were distributed to the beggars freely. The Secretary offered a congregational prayer and read a paper on "ধর্ম জীবনে ঐক্যবোধ"।

RAJSHAHI BRAHMO SAMAJ.

The Rajshahi Brahmo Samaj was established in 1866. The late Maharshi Debendra Nath Tagore laid the foundation stone of the Samaj mandir. The building is in a fairly good condition, but it is urgently necessary that some of the doors should be replaced by new ones. The Samaj has a regd. Trust-deed but none of the three Trustees are alive now. It was once decided to appoint Mr. S. R. Das, Bar-at-Law, Calcutta, Babu Kshitindra Nath

Tagore of Calcutta and Babu Kumad Nath Sirkir, Rajshahi as new Trustees of the Samaj, but no legal formalities have been gone through. It is to be hoped that the new Executive Committee to be formed in January will take prompt measures in getting Trustees appointed.

SYLHET BRAHMO SAMAJ.

The Sylhet Brahmo Samaj was established in the year 1862. It has a mandir of its own in the heart of the town on a piece of land kindly made over by the local Zamindar. The former mandir having been found too small for its congregation, a new pucca building with corrugated iron roof has by the grace of God and through the kind help of the generous public been erected on the site. The construction of the new building is not yet complete; but the evening Divine Services and all other meetings are now held regularly in it, and we hope that by the grace of God all the work will be completed very soon.

Divine Services.

Divine Services were held regularly every evening. Special Divine Services were held in connection with the death anniversaries of Raja Ram Mohun Roy and Maharshi Devendranath Tagore and for termination of the great war.

Domestic Services.

Special Divine Services were held also on different domestic occasions.

We have to record with a heavy heart the death (on the 7th September) of our venerable friend Babu Nabagopal Datta, an active and energetic member of the Samaj. Special Divine Service was held in the mandir in connection with his adya Sradh ceremony.

Utsavs.

The Maghotsav was celebrated with enthusiasm. This year, by the grace God some of our fellow brothers in faith joined the utsav from different parts of the country to make it a success. Babus Raj-Chandra Chaudhuri from Patiala, Sivanath Datta with his life and Mrs. Saradamanjari Datta from Shillong and Babu Madhab Mitra from Srimangal joined the utsab. Some of the professors, students, and pleaders took part in the proceedings.

An utsab in connection with the anniversary of the Bengali New Year's Day was performed.

Institution.

Mahila Samity meets regularly once a month in different houses in rotation; Srimati Nalini Bala Chaudhuri usually performs divine service.

A Sunday School for children was held regularly in the house of Dr. Mahim Chandra Chaudhuri.

Youngmen's Association.

It was reorganised at the beginning of the year; it held its sittings twice only but one of its Sub-committees consisting of a few students meet every Saturday evening in the mandir and read theological books after a short service conducted by themselves. Two night schools have been started in the town by the association.

Sangat Sabha.

Very irregular in its sittings.

Members.

There are more than 40 members in the list and 4 anusthanic Brahmo families in the town.

Workers.

Late Babu Nabagopal Datta, Babus Mahimchandra Chaudhuri, Umeshchandra Chaudhuri, Janakinath Sen, Hridaynath Mazumdar and Mrs. Nalinibala Chaudhuri conducted divine service in the mandir as ministers.

Babu Gobindanaraygn Singh is the Secretary of the Samaj.

Missionaries and Lay Workers.

Babus Baradaprasanna Roy, Sivanath Datta, Rajchandra Chaudhuri, Mrs. Saradamai Datta, and Babu Rasiklal Datta, visited the place and conducted divine service in the mandir. Babu Baradaprasanna Roy held also a Kathakatha in the mandir.

TANGAIL BRAHMO SAMAJ.

Divine service was held regularly every Sunday in the Mandir ; special services were held on the New Year's Day and on the occasion of the Maghotsav. The anniversary of the foundation of the local Samaj was celebrated in the month of Jaistha ; Babus Krishakumar Mitra and Baradaprasanna Ray came from Calcutta to take part in the utsav ; there were lectures, divine services, kirtan and a children's gathering on the occasion. Babu Krishnakumar Mittra has been elected representative of the Samaj to sit on the General Committee of the S. B. Samaj, Calcutta for 1919.

Tarapada Ray,

TRIPURA BRAHMO SAMAJ.

The Tripura Brahmo Somaj was founded in 1853. It is the oldest Brahmo Samaj in East Bengal, Divine service is held every Sunday evening. Babus Rajaninath Nandy, Probodhchandra Sanyal

and Ray Bahadur Prasannakumar Das Gupta were appointed ministers last year. Babu Rajaninath Nandy genenally conducted service, Babu Probodhchandra Sannyal did occasionally. Babu Rajaninath Nandy was the Secretary and Babu Ramaniyakahti Singh Assistant Secretary.

Besides the Maghotsav and the annual utsav of of Samaj, there was in the Samaj Raja Rammohun Roy death anniversary meeting. The chief event of the last year's report is that the 28th sitting of the East Bengal Brahma Conference was held here ; some 150 Brahmo ladies and gentlemen attended the Conference. Pandit Sitanath Tattvabhushan of Calcutta was the President of the conference, Babu Rajaninath Nandy was the Chairman of the Reception Committee and Babu Ananga Mohan Ghosh was the Secretary. Some 400 ladjes and gentlemen attended the divine service and the meetings of the Conference daily.

The Brahmo Samaj sustained a great loss by the death of Babu Jatirindradas Mitra, an active and energetic member of the Samaj. There was another sad and almost tragic death. Mrs. Kumudini Das, B.A., Saraswati, came here to preside at the Ladies Conference, but she died here.

It is in the contemplation of the members to change the site of the Brahmo Mandir if a suitable rent free lands can be secured near the Dharma Sagar. The transfer of the mandir depends entirely on the kind help of H. H. the Maharaja of Tippera ; the members desire to approach His Highness.

Rajaninath Nandy,
Secretary.

PRINCIPLES OF BRAHMOISM.

(1) There is only one God, who is the Creator, Preserver and Saviour of this world. He is spirit ; He is infinite in power, wisdom, love, justice and holiness. He is omnipresent, eternal and blissful.

(2) The human soul is immortal, and capable of infinite progress, and is responsible to God for its doings.

(3) God is to be worshipped in spirit and in truth. Divine worship is necessary for attaining true felicity and salvation.

(4) To love God and carry out His will in all the concerns of life, constitute true worship.

(5) Prayer and dependence on God and a constant realisation of His presence, are the means of attaining spiritual growth.

(6) No created object is to be worshipped as God, nor is any person or book to be considered as infallible and the sole means of salvation ; but truth is to be reverently accepted from all scriptures and from the teachings of all persons without distinction of creed or country.

(7) The Fatherhood of God, the Brotherhood man and kindness to all living beings are the essence of true religion.

(8) God rewards virtue, and punishes sin. His punishments are remedial and not eternal.

(9) Cessation from sin accompanied by sincere repentance is the only atonement for it ; and union with God in Wisdom goodness and holiness is true salvation.

THE FORTY-SECOND
ANNUAL REPORT
of the
Sadharan Brahmo Samaj,
1919.

अनन्ताश्चिन्तयन्तो मां यजन्ताः युष्मासते ।

तेषां नित्याभियुक्तानां योगक्षेमं महायदृन् ॥

भगवद्गीता । ९ । २२

“Those who serve me with their thoughts fixed on me alone, and not on anything else, those who are thus ever devoted to me,—I undertake to maintain and provide for them.”

The *Bhagavadgita*, IX. 22.

This was a favourite *sloka* of our revered leader and minister, Pandit Sivanath Sastri, whose departure from this world is the chief event in the life of our Samaj during the year just closed, an event which has so deeply affected our thoughts and feelings during the last few months. It embodies also the faith that should guide every religious body like the Brahmo Samaj. In our own small way we, as such a body, have tried to work in the spirit of this faith, during the year, and the Lord has protected us and brought us help, sympathy and success, according to the measure of our faith and reliance on His mercy. With hearts filled with gratitude for all that we have received, and with contrition for all our shortcomings, we proceed to record the little work which, under God's blessings, we have been able to do during the year.

In Memory of the Departed.

In opening the year's record, it is our first and most sacred duty to notice the death of those of our friends and fellow-believers whom God in His wisdom has called away from their field of work here. Their noble struggle in the cause of truth and purity, their devotion and piety, their self-sacrificing zeal in the service of our Samaj, will for ever remain an inspiration to generations to come. First and foremost comes to our minds the name of our most beloved and revered leader and minister, the late Pandit Sivanath Sastri. After a protracted illness, he passed away on the 30th of September last, surrounded by his numerous friends and fellow-believers. By his demise, the Samaj has sustained an irreparable loss, a loss which is universally mourned here and abroad. He was one of the founders of the Sadharan Brahmo Samaj, and most of the institutions attached to it owe their origin to him. He was prominently connected with most of the activities for the political, social and moral uplift of the country. As to his services to the Brahmo Samaj, it may be said without exaggeration that he dedicated himself to it with a devotion and singleness of purpose rarely to be met with. His sound scholarship, high literary attainments, purity of life, sweetness of nature, breadth of views, devotion to duty, strength of character, love of humanity, and faith in God, made him a true leader of men. That he has drawn to the Brahmo Samaj hundreds of our countrymen by his life and piety, as well as by his eloquent speeches and graceful writings, goes without saying.

The cause of liberal religion has sustained a severe loss by the death of Rao Bahadur K. Veerasalingam Pantalu Garu, who was a great Telugu literateur, an ardent social reformer, and a devoted Brahmo. His labours extending over half a century have left a lasting and beneficial effect on the social and religious life of Southern India.

By the death of Babu Jadunath Chakravartti, at one time a missionary of the Brahmo Samaj of India, we have lost one of the founders of the S. B. Samaj, and for many years a minister of our congregation. He took a warm interest in our cause even after he had been incapacitated for active work owing to physical infirmity.

Babu Gurugovinda Chakravartti of Mymensingh at one time preached the message of our church with earnestness and vigour.

An experienced teacher and a well-known Bengali

writer, Babu Amar Chandra Dutta was an earnest and energetic worker at Mymensingh, where he identified himself with almost all kinds of beneficent activities.

In the death of Mr. V. N. Sivaya, Burma has lost an earnest and veteran Brahmo, who helped very largely in furthering the cause of our church.

Babu Jatramohan Sen passed away at Calcutta early in November last, after a long life of usefulness. His activities were mostly centred in Chittagong, where he was a universally esteemed leader and a great support to the cause of the Brahmo Samaj.

By the death of Mr. Ananda Mohan Datta, our Samaj has lost one of its oldest members. He was an experienced and devoted teacher, and a man of simple and unassuming habits.

A Mathematician of rare acumen, a man of straightforward character and unostentatious piety, Babu Kalimohan Ghosh devoted the latter days of his life to the work of the Brahmo Samaj in his own village of Rahaparah in Faridpur, where he has built a Brahma Mandir.

The Revd. Bhai Brajagopal Neogy, a devoted missionary of the New Dispensation Church, died in August, last. By his selfless services to the sick and the distressed and untiring missionary activity, he was a tower of strength to the cause which he served so long; although a Missionary of the Brahmo Samaj of India, he embraced many opportunities of co-operating with us.

Mrs. Labanyaprabha Sarkar, who died on the 22nd of November last, was one of the founders of our Sunday School at Calcutta and one of its teachers. She by her literary contributions has rendered valuable services to the cause of the Brahmo Samaj, and was a true helpmate to her husband, our Missionary, Babu Hemchandra Sarkar.

The Sadharan Brahmo Samaj was established in the year 1878, with the object of propagating the principles of Brahmoism, uniting under a common organisation all individuals and congregations holding these principles, and conducting all the business of the church on constitutional lines.

The total number of members on the list, including those elected during the year, stood at 1215, on the 31st December last. Besides these, there is a large number of men and women here and abroad, who are in sympathy with the aims and objects of our Samaj. Forty-nine of the Brahmo Samajes in India are either associated with or affiliated to our church; besides these, there are some

bodies both in India and outside of it, that are holding forth nearly the same principles, and doing almost the same work as the Sadharan Brahmo Samaj.

The General Committee which is the governing body of the Samaj, had as its members during the year 18 Representatives of the mofussil Samajes, 65 members elected from among the members of the S. B. Samaj, and 6 office-bearers.

The last annual meeting of the Samaj was held on the 23rd January, 1919, when the present General Committee was formed and the office-bearers were elected. At a special meeting of the General Committee held on the 5th February, 1919, the present Executive Committee was formed, and a plan of work for the new year adopted.

There were during the year, 7 meetings of the General, and 54 of the Executive Committee.

General Survey.

The year under review, like its predecessor, was a period of great suffering. Though the great world-war is happily now at an end, its after-effects in the shape of shortage of food materials and consequent high prices, coupled with the distress caused by the terrible cyclone in the eastern districts of Bengal, have continued to be felt heavily by our community, in common with the people of the country. Death too has been busy in carrying away among others, our most beloved missionary and leader, and thereby leaving us distinctly poorer. We offer our heart-felt condolences to the many bereaved families.

Some of our missionaries and workers have, as in the previous year, carried on their activities in several parts of India. Mr. Sudhirchandra Banerjee, for instance, worked in Bombay, Messrs. Subbukrishnaya, and Debendranath Mittra in Madras. Mr. Debendranath Mitra also visited some of the mission centres of the British and Foreign Unitarian Association in the Khasi Hills, which are now under our management. Babu Manmathanath Das was placed in charge of our mission in the Khasi Hills on the retiral of Babu Benode Behari Ray.

It is gratifying to note that there has been an accession to the number of our mission workers in the person of Babu Abinash Chandra Lahiri, B.A.

Our Samaj organised during the year, relief operations to carry help to the needy, who were severely affected by scarcity of food and cloth, and hard hit by the ravages

of the Cyclone. The generous response which the country made to the appeal of our Secretary, enabled us to do this work in the Districts of Bankura, Barisal, Dacca, Khulna, Faridpur. Mymensing in Bengal; and the Prarthana Samaj of Bombay organised relief work in Hyderabad in Deccan and in Calicut.

The daily evening service in the Samaj Mandir followed by readings from scriptures and conversation on religious topics, instituted year before last, has been continued under our esteemed friend Pandit Sitanath Tattvabhusan. It has been greatly appreciated and attended by increasing numbers.

A happy feature of the year's activities is the formation of an Association of our Brahmo ladies at Calcutta, for the purpose of participating more actively in the work of the Samaj. At present they meet fortnightly at the houses of the members, and hold divine service and conversation on religious subjects.

The Chotanagpur Girls' High School at Giridih, which has been doing excellent work under our control for over 5 years, is now passing through a serious crisis. It is a matter of great doubt whether in the present circumstances the Samaj will be able to continue further the management of this institution.

The Kasi Hills Mission has also been passing through troublous times of late; but the Executive Committee of the Sadharan Brahmo Samaj fully conscious of their responsibility, have been trying their best to set matters right.

The All-India Theistic Conference met at Amritsar during the last Christmas holidays.

The East Bengal Brahmo Conference had a very successful session at Sylhet in October last, under the presidency of our revered brother, Principal Herambachandra Maitra. Many of our friends from different parts of Bengal and Assam attended it.

We note with pleasure the gift to the Samaj from our friend Babu Mahesh Chandra Ghosh of Hazaribagh of his valuable collection of books worth about Rs. 8000. The library has been permitted by the Executive Committee to remain in the custody of the donor at his own request during his life-time.

Mission work.

The mission operations, which are rightly considered the most vital work of the Samaj, were carried on to the best of our abilities during the year. The agencies at

present in existence for the purpose are : I. (a) ordained missionaries who number 8, (b) 9 workers of the Sadhanashram (c) 62 members of the Sevakamandali ; II the two organs of the Samaj—the Tattwakamudi, a fortnightly in Bengali, and the Indian Messenger, an English weekly ; III the institutions affiliated to the Samaj—(a) the congregations at Calcutta and other places, (b) the Sadhanashram (c) the Students' Weekly Service, (d) the Sangat, (e) the Theological Institution, (f) the Sunday Moral Training schools &c.

Although the Samaj has a vast field of work before it, its operations extending all over India and Burma, we have to note with regret that our resources both in men and money are limited ; more workers and larger funds are needed to meet the demands coming in from all quarters. We are, however, thankful to God that in spite of our shortcomings, which are many and great, we have been enabled under His mercy to carry His message to the different parts of the country. Our missionaries and workers have been in Bombay, Madras, the Punjab, the United Provinces, Behar, Orissa, Chotanagpur, Assam, Burma and Bengal. A detailed account of the works done by some of them during the year is given below :—

In spite of continued ill health he took prominent part in connection with various utsavs and
 Pandit Navadwip Chandra Das. celebrations including the Maghtosav, the Bhadrotsav, the New Year's and Foundation day celebrations and the memorial services of the late Pandit Sivanath Sastri and also of Rajah Rammohun Roy. He also occasionally, conducted weekly Divine Service in the Prayer Hall as well as the daily service in the Sadhanashram and visited Brahmo families, acted as minister in domestic ceremonies. He visited Baniban, Chittagong and Cuttack.

He took part in the Maghotsav celebrations by helping in the singing of hymns and *Kritans*, delivering an address during the anniversary of the Sangat Sabha, and conducting divine service on one occasion. From March to June he was on a mission tour visiting the following places conducting divine service, singing hymns and delivering lectures :—Kushtea, Dacca, Kaoraid, Mymensing, Narundi, Gauhati, Dibrugarh, Tazpur, Kacharigaon, Bongaon, Goalpara, Dhubri, and Faridpur. He was invited to perform a *Sradh* ceremony at Purneah where he also conducted divine service in Brahmo families. He took part in the anniversary

celebration of the Kumarkhali and Rajshahi Brahmo Samajes. While at Calcutta he conducted divine service in the Prayer Hall of the Samaj, in the Bhawanipur Sammilani Samaj, in the Sadhnashram as well as in several Brahmo families. He also delivered two lectures in connection with the Students' Weekly Service and conducted the spiritual training class of the Sadhanashram, besides contributing many articles on religious subjects to our papers and taking part in religious discussions.

Most of the time during the year he was ill at his native village of Tili and could not therefore do any active mission work, beyond conducting divine service in the locality, and paying short visits to Calcutta, Dacca and Faridpur, where he conducted divine service and delivered lectures on some occasions.

He took part in the Maghotsav, occasionally conducted Sunday evening service in the Mandir, and in some domestic ceremonies. He visited Burdwan, Rampurhat, Contai, Bonomali Chatta, Bhowanichak, Chandiveth, Marishdaha, Belia, Santipur, Kalna and other places.

He took part in the meetings held in memory of Raja Rammohun Roy, Keshub Chunder Sen and Pandit Sivanath Sastri. His efforts were mainly directed towards the formation of a spiritual brotherhood, which is the greatest need of the Brahmo Samaj, and also for the establishment of regular family prayers.

He was in charge of the Sadhanashram during the year. Besides looking after the management of the Ashram and conducting its usual devotional functions, he conducted classes regularly for the candidates under training for mission work and had to carry on large correspondence with workers and friends in the mofussil. On account of failing health he could not undertake any long mission tour, but he went to Murshidabad, Contai and Kakina to take part in the anniversary Utsavs of the local Samajes. He also visited Jalpaiguri and Darjeeling Samajes. He worked as the Secretary of the Famine Relief Sub-Committee, All-India Brahmo Mission Committee and Sadhanashram Seva-Section.

Sevakmandali.

On the principle that every one of us has to do something for the cause of our Samaj, we welcome the services of every member. It is with a view to this, as well as to supplement the work of the missionaries who are so few in number, that the Sevakamandali has been organised since 1903. During the year under review the 62 members of the Sevakamandali worked, as in the previous year, at Bombay, Madras, Lahore, Lucknow, Agra, Mangalore, Benares, Patiala, Chittagong, Dehradun, Raipur, Dinajpur, Comilla, Barisal, Dacca, Faridpur, Giridih, Doochur, Hazaribagh, Shillong, Mymensing, Khasi Hills, Cuttack, Bankipur, Indore, Baranagore, Calcutta, Rangoon and other places. They conducted Divine Service, delivered addresses, held conversational meetings, visited families, wrote books, edited our papers, contributed articles to them and worked in connection with the several institutions of the Samaj.

Of the members of the Sevakamandali, the following gentlemen, who have devoted their whole time to the service of the Samaj, deserve special mention :—

He contributed many articles to the *Indian Messenger* and the *Tattvakaumudi*, and wrote a sketch in English of the life and teachings of Pandit Sivanath Sastri which has come out as a Maghotsav publication. He delivered public addresses in connection with the Theological Society, the Students' Weekly Service, the *Bhadrotsav*, and the Anniversary *Utsav* and the Bhowanipur Adi Brahmo Samaj and class lectures in the Sadhanasram and in the Theological Faculty of the City College. He conducted the Sunday evening service occasionally and the week day evening service in the Sadharan Brahmo Samaj Madir almost daily, spoke, some times giving readings from the Sastras, at almost all the conversational meetings following the latter. He also conducted service on some occasions at the Brahmo Sammilan Samaj at Bhowanipur, officiated as minister in many domestic *anusthans* and visited several families every month. He acted as the Secretary of the Ministers' meeting and the Samajic Sub-Committee. He met numerous inquirers at home and corresponded with many who made inquiries by letters on social and religious subjects.

In the first part of the year he took active part in the Moghotshav celebrated by the S. B. Samaj, delivered

a lecture and sang hymns in connection with the Anniversary of the S. B. Samaj; visited Babu Bhabasindhu Bhagalpore, Konnagar, Burdwan, Contai Datta and three of its villages, Brahmanberia Agartala, Rahapara (Faridpur), Bejgaon (Bikrampur) and Chittagong on various occasions. He also conducted divine service in the Sadhanashram and Bhowanipore Sanmilan Samaj and in the S. B. Samaj, sang hymns in the weekly divine service on several occasions; visited some families and conducted service and sang hymns in several domestic ceremonies; held *kathakata* meetings in some families in Calcutta and in the mofussil. For the last four months of the year under report he was on leave and was engaged in writing the biography of one of the founders of the Sadharan Brahmo Samaj.

Most of the time during the year he was occupied in doing famine relief work started by Babu Sudhir him under the auspices of the Bombay Chandra Banerji Prarthana Samaj. He started four centres at (1) Ahmednagar (Deccan) (2) Petlad (Guzerat) (3) Anereli and (4) Dhari (Kathiawar). In the last place he started a Poor House, where about 3000 persons were fed, clothed and housed. There were arrangements for daily religious instruction and kirtan in the Poor House, besides nearly 1000 persons were supplied with food and clothing. This relief work lasted more than six months—March to September. In connection with this famine relief work he visited almost the whole of Kathiawar, a portion of Guzerat and some parts of Ahmednagar. In all these places he tried to carry the message of the Brahmo Samaj. Everywhere he received sympathetic response, and willing co-operation from the local public. Besides doing the famine relief work he was able to visit Bombay, Poona, Telegaon and places associated with the great Marhatta Saint—Tukaram. He also visited Indore, Baroda, Vaso, Sojitra, Ahmedabad, Rajkot Dwarka, Junagad, Provas, Jeypur, Agra, Giridih Newadah and Gaya. He started two new congregations in Ahmednagar and consolidated the work of the congregation at Vaso started last year.

Sadhanasharm.

The record of the humble work of the Sadhanashram for the year has been overcast with gloom by the death

of its founder, Pandit Sivanath Sastri. In the year 1892, Pandit Sastri, having felt the need of a closely united brotherhood for the mission work of the Brahmo Samaj, established the Brahmo Sadhanashram and ever since nursed it with the devotion and solicitude of a mother. He had been its Superintendent till 1911, when owing to failing health he was compelled to resign the responsible charge of the Ashram, but continued to watch its work with unabated interest. Though, during the last one or two years, he could not take an active part in the ordinary work of the Ashram, his counsel and guidance were always available and were of inestimable value. His death is an irreparable loss to the Institution.

During the year under report Babu Hem Chandra Sarkar was in charge of the Sadhanashram. Besides the Ashram in Calcutta three Branch Ashrams were maintained at Lahore, Dacca, and Madras. The very important work of training future missionaries and workers has devolved on the Sadhanashram. Besides providing opportunities for devotional exercises, regular classes in philosophy, different scriptures and Brahmo literature, were held, and the students were also helped in the study of history, general literature, Bengali, Sanskrit and English according to their needs. Altogether there were seven candidates under training during the year. One of them, Mr. Lakshman R. Garu has been sent for further study to the Meadville Theological School of the United States, America. Mr. Gajanon Chitnis has gone to Bombay to begin work and Mr. M. Rammurti has been working in the Madras Presidency.

The members of the Sadhanashram in Calcutta helped in the work of the various institutions of the Sadharan Brahmo Samaj in Calcutta and also in its mission work in different parts of the country according to their opportunities. Devotional meetings were held regularly in the Ashram every morning and evening on week days. Every Wednesday evening a Sankirtan was organised in which many Brahmo friends joined. On the first Sunday of every English month, a monthly Utsab was held, in connection with which open air lectures in public squares and kirtans were arranged. The inmates of the Sadhanashram rendered help to Brahmo families in Calcutta to the best of their abilities.

The Lahore Branch was in charge of Bhai Sitaram, who as usual worked with exemplary devotion. His hands have been considerably strengthened by the accession of Bhai Prakash Lal, B.A., B.T., who was at Lahore during the

greater part of the year. They were helped in their work by some of the local Helpers. The members of the Ashram conducted divine service in the Punjab Brahmo Samaj, the Lahore Sadharan Brahmo samaj, and in Brahmo families. The Punjab Sadhanashram published a fortnightly Urdu journal called the *Brahma Pracharak*, and maintained a students' Lodge. The members of the Ashram visited on mission work Solon, Delhi, Karnal, Jammu, Sialkot, Chivinda, Rawalpindi, Peshawar, Mianwali, Ferozpur, Gugera, Okara, Bama, Dera Budhal.

The Madras Branch of the Sadhanashram, which was started towards the close of the year 1918, has worked vigorously with encouraging results. Divine service was held every morning in the Ashram and a montly .utsav was held at the beginning of almost every English month. There were special divine services in commemoration of the anniversaries of the birth of Mahammad, Jesus and Keshub Chandra Sen and of the death of Rammohun Roy. The *sradh* of Pandit Sivanath Sastri was performed on the 12th Nov. Two prayer unions have been started in George Town and Puruswakim, both of which held weekly divine service regularly on Saturdays and Sundays respectively. An organisation for youngmen under the name of The Youngmen's Brotherhood has been started. A Night School for Panchamas called the Veeresalingam Night School has been started at Perumbur. Principal Herambachandra Maitra's pamphlet on "Work and Worship" was published and distributed free. The Raja of Pithapuram with his usual generosity and interest in the work of the Brahmo Samaj, made a grant of Rs. 400 towards the expenses of the Ashram for the year.

THE SADHANASHRAM SEVA SECTION.

The various philanthropic activities of the Sadhanashram have been organised into a separate department or section under the name of the Sadhanashram Seva Section, which has been duly registerd. During the year under report, there were two institutions under it, viz, the Dacca Widows' Home, and the Society for the Improvement of the Backward classes.

The work of the Dacca Widows' Home was conducted by a local committee of which Mrs. P. K. Bose was Secretary. Mrs. Chinmoyee Das was the Superintendent of the Home, and she was helped by two lady teachers in the work of teaching ; there were fourteen widows in the Home during the year. The Bengal Government

helped the Home with a monthly grant of Rs 77. The Committee worked with great earnestness and succeeded in effecting considerable improvement in the Home during the year, for which they are entitled to our best thanks.

The Society for the Improvement of the Backward Classes is worked by a Managing Committee of which Lord Sinha was the President, and Kai Sahib Raj Mohan Das Secretary during the year. It has received a recurring grant of Rs 3000 a year and a non-recurring capital grant of Rs. 5000 from the Govt. of Bengal. Several public bodies and private individuals also helped the Society with munificent donations and subscriptions. The total income for the financial year 1918-1919 was Rs 13645-15 as, and total expenditure Rs. 7201-3-8. The number of schools at the close of the financial year was 231 with an aggregate of 8120 pupils, of whom 1453 were girls.

He was in Calcutta for a considerable part of the year in connection with the work of a new edition of the *Brahma Sangit*. He visited Giridih twice, and while there conducted service in the local Samaj and Brahmo families. He also visited Sylhet in connection with the East Bengal Brahmo Conference. Wherever he went he made himself useful by visiting Brahmo families, and in various other ways. He also contributed articles to the *Tattwakaumudi*.

He was in the Calcutta Ashram, assisting in its management. He conducted divine service in the Ashram, Brahmo Mandir and Brahmo families.

He was in charge of the Bankipur Ram Mohun Ray Seminary as its Secretary and Head master. He conducted divine service in the local congregation and acted as minister in Brahmo families.

He was at Giridih for about nine months, when he conducted the weekly divine service of the local Sadharan Brahmo Samaj, delivered lectures occasionally, officiated as minister in domestic ceremonies in many Brahmo families, and gave instruction to the children of the Sunday School. He visited Madhupur, Deoghur, Asansol, Ranchi, Cuttack, Mayurbhanja and Baniban on mission work during the year. While in Calcutta he conducted divine service in the Sadhanashram.

With the consent of the Ashram authorities he had been chiefly occupied with his own private work during the two previous years, and resumed the work of the Sadhanashram this year. He helped in the Cyclone relief work, and the work of the Depressed Classes Mission.

He was in charge of the Madras branch of the Sadhanashram. He visited Aska in January, when he delivered four or five lectures in the local Town Hall and conducted service in the Aska Prarthana Samaj twice. He visited Aska again in April, when he delivered two addresses, one in connection with the anniversary of the Samaj and the other in connection with the Ganjam District Theistic Conference. He also joined the anniversary celebrations of the Hyderabad Deccan Brahmo Samaj in the month of April. He visited Berhampore, where he performed a *Kathakata* on the life of *Sudama* and also visited Pithapuram, Rajahmundry and Cocanada. He visited Bangalore Cantonment and City Samajes in the month of September, where he conducted service and gave a *Kathakata* performance. He visited also Cuddalore and performed a *Namakaran* ceremony, besides conducting two other *Namakaranas*, one at Madras and the other at Aska. He visited Guntur also. Much of his time was taken up by the Sadhanashram work in the city of Madras. Besides conducting daily service in the Ashram and arranging for the monthly Utsav and other special services, he organised a youngmen's brotherhood, started a Night School for the Panchamas, and was responsible for the management of the Brahmo Samaj Reading Room. He in company with other youngmen organised a campaign of street preaching against the untouchability of the Panchamas. He visited a number of Brahmo families in the Andhradesa, took part in the Brahmo Gathering held at Kadium during the Christmas week.

He worked in connection with the Society for the Improvement of the Backward classes. During the first part of the year he worked with his head-quarters in Calcutta, when he inspected the schools of the Society in the Districts of the 24-Parganas and Jessore, managed the office of the Society, and collected subscriptions. In April he was transferred to Berash, one of the important centres of the Society, and since then has been working with Berash

as his head-quarters, inspecting the schools of the Society in the Tangail and Manikganj Sub-Divisions, and establishing new schools. At Berash he gave moral and religious instruction to the students of the local Sivanath M. E. School, held devotional and conversational meetings for the villagers. He worked strenuously for the benefit of the backward classes of the neighbourhood and his work has been much appreciated. He also helped in the cyclone relief work of the East Bengal Brahmo Samaj. While in Calcutta he conducted divine service in the Sadhanashram occasionally.

His work at Barisal consisted of divine service, sermon, and singing hymns on Sundays in the local Mandir, at weekly meetings and domestic ceremonies in several families, at the Maghotsav, the Bhadratsav, &c., and at the sittings of the Brahmikā Samaj (b) lectures, over twenty-five in number, in connection with the various *utsavs*, the Student's Weekly Service, and many other local associations, (c) editing the "Brahmabadi." He also worked at Calcutta, Dacca, Mymensing, Narayanganj, Patuakhali, Bagerhat, Khulna Kotalipara (in Faridpur), and Barthi (in Bakerganj). He was sent to Bankura to supervise the famine relief operations of the Sadharan Brahmo Samaj, in which connection he visited many villages, in the district. In November, he went to visit the Unitarian Mission centres in the Khasi and Jaintia Hills. He officiated as minister in

A social gathering was held on the 29th March in the compound of the Samaj Prayer Hall, when about 250 ladies and gentlemen were present, who took advantage of the opportunity to talk freely with one another and to cultivate the acquaintance of those who were personally unknown to them.

The Congregation suffered a great loss by the death of Pandit Sivanath Sastri ; and at a special meeting

of its Executive Committee the following resolution was passed:—"That the Committee record their profoundest sorrow at the passing away from his earthly life of their most beloved and revered minister, Pandit Sivanath Sastri on the afternoon of Tuesday, the 30th September last. Besides his other invaluable services to the Brahmo Samaj and the country, Pandit Sastri's long ministry of the Calcutta Congregation of the Samaj, ever since its foundation, in which he had the chief part, is a record of most able and inspiring work which resulted in the change and uplifting of thousands of hearts and in a steady growth of the numerical strength of the Congregation. His eloquence, his earnestness, his power of arousing the spiritual susceptibilities of people of all grades of culture and his concern for the spiritual as well as the temporal good of the members of the Congregation were unsurpassed in the history of spiritual ministration. The Committee pray most devoutly that his spirit may ever work in the life of the Congregation as a quickening and elevating power and that the departed soul may enjoy rest in the bosom of our Heavenly Father."

The work of the Library and Reading Room went on as usual and our thanks are due to the Calcutta Corporation for the annual grant of Rs. 75.

The S. B. Samaj performed the *Sradh* ceremony of Pandit Sivanath Sastri in the Prayer Hall on Sunday, Nov. 2. There was divine service at 8 A.M. conducted by Pandit Navadwip Chandra Das; after which Mrs. Hemlata Sarkar, the deceased's daughter, read a feeling account of her father. There was a meeting in the afternoon in which several speakers dwelt on the many-sided greatness of the departed minister and after the evening service, the minister preached a sermon on the life of our lamented leader. The Executive Committee sent a circular letter to the Brahmo Samajes all over India requesting them to arrange to hold a memorial service in their respective churches on the same day (Nov. 2) and if possible at the same hour. And the following among other places complied with their request:—Dacca, Mymensingh, Faridpur, Barisal, Chettagong, Noakhali, Comilla, Sylhet, Silchar, Dibrugarh, Bogra, Rajshahi, Dhubri, Kumarkhali, Jalpaiguri, Ranchi, Baranagar, Berhampur, Cuttack, Lucknow, Nalhati, Contai, Gauhati, Goalpara, Rampurhat, Giridih, Tezpur, Narayanganj, Murshidabad, Bangalore, Cochin, Behar, Dehradun, Guntur, Cocanada, Lahore, Bombay, Rawalpindi, Patiala, Baniban, Barama and Deoghar.

This mission is maintained out of the interest of the fund placed in the hands of the Executive Committee of the S. B. Samaj, by Mr. Sasipada Banerjee, in the year 1903 (in two Government Promissory Notes, Nos. 078298 and 078300 of 1854-53 of the face value of Rs- 1000 each. subsequently converted into one of Rs. 2000,—No. 021 550 of 1879) for preaching “practical religion and morality” among the workingmen at Baranagor.

Publications.

As the publications of the Samaj are a notable part of our mission work, helping us to carry its message far and wide, great importance is necessarily attached to them. The official organs of the Samaj are the *Indian Messenger*, an English weekly, and the *Tattvakaumudi*, a Bengali fortnightly; the former was edited by Babu Pratulchandra Soma and the latter by Babu Baradakanta Bose, during the year. Both these papers, as is inevitable in the case of propagandist organs, had to be conducted at a heavy deficit; abnormal rise in the price of paper and printing materials had no small share in adding to our difficulties; it is earnestly hoped that their Church papers will be more largely subscribed by the members of our Samaj, and their subscriptions should be paid more regularly.

Besides the above two, there were other papers all owned and conducted by some members of our Samaj, which have also greatly contributed towards the propagation of the principles of our church in different parts of the country. Our thanks are due to the editors and proprietors of the *Sevak*, a monthly magazine of the East Bengal Brahmo Conference, the *Brahmabadi* of Barisal, the *Brahmapracharak* of Lahore, the *Dharmasadhan* of Coconada and the *Suhodh Patrika* of Bombay.

Affiliated Institutions.

The Sangat met regularly every week in the Prayer Hall mainly for the discussion of devotional subjects. Since last year it has been practically merged into the daily conversational meetings held in the evening, five days in the week. Thus the scope and usefulness of the Sangat have been greatly extended.

The Sangat

The Students' Weekly Service celebrates its forty-first anniversary this year. It was started on the 27th of April, 1879, for promoting religious culture among the present generation of students (Annual Report, S. B. Samaj,

Students' Weekly
Service

1879). In those days the Service was "pre-eminently useful in stimulating religious enquiry in many minds and in giving an impetus to the cause of social reforms."

Since its foundation it has passed through various stages of growth and progress. For the first 20 years, discussion meetings used to be regularly organised, in which there were discussions on a very wide range of social and religious questions. The Service was remodelled in 1896, and greater emphasis began to be laid on Theological studies and questions of religious culture.

The institution was reorganised in 1902, and again in 1904, since when Temperance work has become an integral part of the activities of the Service. Prayer meetings and divine service, social gatherings and conversaziones and conferences have all along figured largely in the plan of the work.

During the year under review, there were 9 discussion meetings and 19 lectures (shown in Appendix A).

Social gatherings were organised, which were much appreciated by the members. Special efforts were made during this session to revive interest in discussion meetings. As in previous years, there were several memorial meetings organised by the Service. In addition to the Annual meeting, there were 2 special general meetings of the Service.

The Executive Committee met 11 times during the year. The Service has now 292 members, several of whom are ladies. 46 new members were elected during 1919.

Office Bearers—At the Annual meeting held on 28th July, the following office-bearers were elected for so long as the new constitution did not come into force. The new constitution was approved by the General Committee of the S. B. Samaj and a new election was made in December.

From July, 1919 to December, 1919.

President—Sir P. C. Ray, Kt., C.I.E., D.Sc., Ph.D.

Vice-President—Mr. Sukumar Ray, B.Sc.

Secretary—Mr. Prasanta Chandra Mahalanobis, B.A.
(Cantab.)

From December 1919 to July 1920.

President—Sir P. C. Roy, Kt.

Vice-President Mr. Sukumar Ray, B.Sc.

Treasurer—Mr. Prasanta Chandra Mahalanobis, B.A.,
(Cantab.)

Secretary—Mr. Hemendra Narayan Ray.

The new Form of Application for Membership, adopted by the S. W. S. on the 4th of Jan. 1919, was approved by

the Executive Committee of the S. B. Samaj and also by its General Committee in April last. Thus a long standing difficulty has finally been settled in a manner satisfactory to all.

The amended constitution received the sanction of the General Committee of the S. B. Samaj. The Executive Committee of the Service has earnestly taken up the work of reorganisation which is proceeding satisfactorily.

Fraternities :—An important feature of the amended constitution is the organisation of various fraternities. Three fraternities have already been constituted viz. social, devotional and educational. The social fraternity met once before the Puja Vacation and a plan of work was drawn up. In connection with the Educational fraternity 2 Study Circles have already been started, one for the study of Sociology and its application to modern Indian conditions under the guidance of Babu Bijoy Chandra Majumdar and another for the study of the works of Sir Rabindra Nath Tagore. Arrangements have been made for a fortnightly class on Emerson to be conducted by Principal H. C. Maitra. Arrangements have also been made for starting the work of a devotional fraternity which will meet every week. A Temperance fraternity will be started soon.

Permanent Fund. A permanent fund was created in August last. It is satisfactory to note that the total amount now stands at Rs. 900 invested in Government securities. In this connection our best thanks are due to Babu Sudhir Ch. Sen for his donation of Rs. 100 and also to our venerable friend, Sevavrata Sasipada Banerji, for a G. P. note of the face value of Rs. 600.

The Late Venerable Pandit Siva Nath Sastri :—

The S. W. S. has suffered an irreparable loss by the passing away of its beloved founder and leader the venerable Pandit S. N. Sastri. Under the auspices of the S. W. S. a special memorial meeting was held on Monday, the 3rd November, at the Prayer Hall of the Samaj, presided over by Sir P. C. Ray.

At a general meeting of the S. W. S., held on the 6th December, 1919, the following resolution of condolence was passed, all present standing :—

“Resolved that the S. W. S. deems it its sacred duty to place on record with all reverence and solemnity its profound sorrow at the passing away of its beloved founder and leader, the venerable Pandit Sivanath Sastri. A gifted poet and seeker of truth, a devoted worker and faithful servant of God, he lived an inspiring life of selfless

service which will live and be cherished in the grateful memory of generations to come."

The Students' Weekly Service would best justify its existence by ministering to the growing needs of the younger generation, specially of the Brahmo Samaj, and we have every hope that by utilising to the best advantage the growing spirit of earnestness and responsibility amongst its members, the tradition of the Service will be fully maintained.

The Sunday Moral Training School was founded about 40 years ago by Pandit Sivanath Sastri, with the help of a few ladies, for the moral and religious education of Brahmo children. The death, during the year, of Pandit Sivanath Sastri and of Mrs. Labanyaprabha Sarkar, has made it distinctly poorer. Among the founders and first teachers of the institution, she alone worked without interruption. In the midst of these and many other difficulties, the school was carried on throughout the year in the Brahmo Girls' School. There were 110 boys and girls on the rolls, at the close of the year. Miss Mrinmoyee Sen, M.A. Miss Hiranmoyee Sen, B.A., Miss Hemlata Sen, B.A., Miss Sakuntala Rao, B.A., Miss Pratibha Ray, B.A., Miss Mira Chatterjee, Babus Mathuranath Nandi, Lalit Mohan Das, Bepin Behari Chakravarti and Hemchandra Sarkar, worked as teachers. City Collegiate School.

The affairs of the School department—now accommodated in the spacious old College Building—are directly managed by a Sub Committee consisting of 5 members, working under the College Council.

The School has all along endeavoured not simply to qualify students for the University Examination, but also to impart wholesome moral instruction to them. Hours have been set apart for moral training in each class and suitable textbooks have been prescribed for the purpose. The City Union, a society attached to the school and the Ashabahini (the Band of Hope) meet on Saturdays. The day's work in class commences with a prayer in which both the teacher and the students join.

Certain special features have been introduced into the school since the commencement of the session that has just come to a close—e.g., the holding of English conversation classes for two hours daily by a European lady teacher, Drill and Carpentry Classes, besides regular lessons in Drawing and Music. A poor fund has also been started for helping poor meritorious boys.

The instructive staff consisting of 29 teachers, mostly Brahmos, met in conference several times during the year and discussed various subjects relating to the improvement of the School.

The numerical strength, on the 31st December last was 627 against 651 on the corresponding date of the preceding year. The all-round enhancement of the fees—ranging at present from Re. 1-8 in the lowest to Rs. 4 in the first four classes—has improved the financial position of the school to some extent.

38 boys sat for the matriculation examination, of whom 34 passed—23 in the first division, 10 in the second division and 1 in the third division. One boy got a Govt. Junior Scholarship of Rs. 10.

City Collegiate School, Mymensingh Branch.

The total number of boys on the rolls, on the 31st December, was 785 against 821 in the previous year. Owing to the establishment of two new schools in the town as well as of many in the District, the number of pupils has gone down in every school at Mymensingh.

The school had 30 teachers on its staff. Babu Avinash Chandra Lahiri, B.A., having been called away for mission work, Babu Aparna Charan Bhattacharji, M.A., was appointed Joint Head Master in February. Babu Ajitkumar Panerji, B.T., was another new arrival. The appointment of these two energetic Brahmo young men, which makes the number of Brahmo teachers 5, is calculated to be of much help in conducting the school on the lines indicated by the original promoters.

The most lamentable event during the year was the sudden death of Babu Amar Chandra Datta, who was one of the founders of the school and one of its energetic and devoted teachers and supporters.

86 students appeared at the last Matriculation Examination, of whom 55 passed, 34 in the First Division, 1 securing a third grade scholarship.

The school was visited by the Divisional Inspector of Schools, the Assistant Director of Public Instruction for Muhammadan Education, the Hon. Maharajadhiraj Bahadur of Burdwan, and the Hon. Sir Devaprasad Sarvadhikari. The visitors expressed general satisfaction at what they saw, and testified to the importance of the school.

The Brahmo Balika Sikshalaya.

This school was established in May, 1890, by some members of the Sadharan Brahmo Samaj, and is now under the control of a Managing Committee annually

appointed by the Executive Committee of the Samaj. The Committee during the year under report consisted of:—Sir K. G. Gupta, Principal Heramba Chandra Maitra, Prof. Pareshnath Sen, Dr. P. K. Acharji, Prof. S. C. Mahalanobis Mr. Harakanta Bose (up to April 26th) Mr. S. M. Bose (from April 27th) the Lady Principal, Miss. Hembala Sen (Lady Supdt.) and Lady Bose, Secretary (up to October) Mrs. S. C. Mukherjee, Secretary (from October.)

The aim of the institution is to combine religious and moral training with secular instruction, so as to help in forming the character of our girls and turn them into useful members of society.

Besides the usual courses of lectures, steps were taken to teach Hygiene to the girls in the Higher Classes. Our thanks are due to Dr. G. Bhatra, Deputy Sanitary Commissioner of Bengal, who kindly delivered a course of 12 profusely illustrated lectures, which were of great use to the students.

The staff consisted of 16 teachers, of whom 7 were graduates and one Music teacher. Mrs. Rajkumari Das, M.A., who resumed charge of the school in January after her return from England with a Teacher's Diploma, having been appointed to the Indian Educational Service, Miss Swarnalata Das, B.A., was appointed to succeed her. Miss Das, too, has been sent to England to secure a Diploma in Teaching and Miss Basanti Mitra, B.A. is now officiating as Lady Principal.

There were 305 students on the rolls, at the close of the session, (as against 333, in the previous year) including 2 Mahomedans, 10 Christians, 1 Khasia and 1 from Burma. Twelve girls appeared at the last Matriculation Examination, all of whom passed—8 in the First and 4 in the Second Division.

Three girls obtained Government scholarships, one of the first, one of the second and one of the third grade.

The Girl Guide movement has been introduced into the school in a modified form to suit Indian girls. Mrs. E. M. Patton kindly took charge of this work.

The school is in receipt of a monthly grant of Rs. 650 from Government. The Municipal grant of Rs. 1600 a year just covers the rates charged by the Corporation. The institution is in urgent need of additional accommodation for the hostel and classes owing to its gradual expansion.

Read the following letter No. $\frac{143-T}{5G-24-19}$ dated Ranchi, the 4th July, 1919 from Mr. G. Fawcus, Director of Public Instruction, Bihar and Orissa, to the Secretary, S. B. Samaj.

In acknowledging receipt of your letter of June 13th I have the honour to state that I have to-day had the pleasure of discussing the affairs of the Giridih Girls' High School with the present Secretary of the school.

2. The Samaj will no doubt agree with me that, so long as the school is controlled by one denomination, it is hardly reasonable that Government should pay the full cost *minus* the fee income, as it does in the case of many undenominational schools. It would seem to be reasonable in such cases that a considerable part of the cost should be met from the funds of the denomination controlling the school. This, however, is not the present case with the school at Giridih. Not only has the amount which the Samaj has been able to contribute to the school during the past years been comparatively small (I understand that it is considerably less than Rs. 100 a month), but the school is actually in debt. It seems to me, therefore, that if the Samaj wishes to retain the management of the school and to continue to receive a large Government grant it should in fairness be required to find a considerably

larger sum every month than it has hitherto contributed. If, however, the Samaj cannot undertake to do this, I would suggest that they should make the school over to a local committee of which the Sub-divisional Officer of Giridih should be ex-officio President. The first members of that committee might be chosen by the Sub-divisional Officer in such a way that not more than five, including teachers or other ex-officio members, should be members of any one denomination. If an arrangement of this kind is reached, I shall be happy to give the school a grant once more. Its success at examinations in the past makes me reluctant to take any action which might lead to its disappearance.

3. I may add that if the constitution of the committee were framed as you propose, i.e., if half the members of the committee were nominated by the Samaj, while the other members might or might not be Brahmos, I could scarcely regard the school as being other than denominational. It would almost inevitably be the case that at least one of the members not nominated by the Samaj would belong to the Brahmo community, while frequently both of the teachers on the committee might belong to that community. In this way the Brahmo community would have a clear majority on the committee.

Read the following letter No. 260 G.G.S. dated the 11th July, 1919 from the Secretary S. B. Samaj addressed to the Director of Public Instruction, Bihar and Orissa :
Sir,

I have the honour to acknowledge receipt of your letter No. 143-T dated Ranchi, the 4th July, 1919.
5G-24-19

with reference to your suggestion that Giridih Girls' High School should be made over to a local committee of which the Subdivisional Officer of Giridih should be ex-officio President, I am directed by my Committee to state, that they are fully prepared to make the school over to the Government or to any committee that may be formed by you.

Having regard to the fact that my Committee feel themselves unable to continue to bear the responsibility of maintaining the school without liberal assistance from the Government, we shall deem it a favour if you be good enough to take steps in the matter as early as practicable.

"That the General Committee of the Samaj deem it a sacred duty to place on record their profound grief at the passing away of their most beloved and revered leader, Pandit Sivanath Sastri, one of the founders of the Sadharan Brahmo Samaj, who, more than any other person, helped under Providence, to mould the life of the Samaj, and to make it the instrument of serving the noble cause of Brahmoism. His presence amongst his fellow-believers as an embodiment of unflinching devotion to truth and the spirit of self-sacrifice inspired by it, of zeal in the service of humanity and of the peace and strength derived from loyal worship, was a source of inspiration to them amidst the trials and struggles of life.

Nearly all the institutions of the Samaj owed their origin and, in an incalculable measure, their usefulness, to him. He carried the message of the Brahmo Samaj to the most distant corners of India, and also to England. As a man of letters he has enriched the literature of his country, and the hymnology of the Brahmo Samaj, by varied contributions of enduring value. His magnetic personality and inspiring eloquence operated as powerful forces in drawing hundreds to the fold of the Brahmo Samaj. He was in ardent sympathy with the aspirations of his countrymen for social and political advancement, and was one of the founders of the Indian Association. His home was always a refuge to helpless widows and orphans. His earthly career may be fitly summed up in the words that "he was ever willing to spend and be spent" in the service of God and humanity.

The resolution was carried in solemn silence, all present standing.

That the members of the Sadharan Brahmo Samaj in their Annual meeting assembled deem it a sacred duty to place on record their profound grief at the passing away of their most beloved and revered leader, Pandit Sivanath Sastri, one of the founders of the Brahmo Samaj

who, more than any other person helped, under Providence, to mould the life of the Samaj, and to make it the instrument of serving the noble cause of Brahmoism. His presence amongst his fellow-believers as an embodiment of unflinching devotion to truth and the spirit of self-sacrifice inspired by it, of zeal in the service of humanity, and of the peace and strength derived from loyal worship, was a source of inspiration to them amidst the trials and struggles of life. Nearly all the institutions of the Samaj owe their origin and, in an incalculable measure, their usefulness, to him. He carried the message of the Brahmo Samaj to the most distant corners of India, and also to England. As a man of letters he has enriched the literature of his country, and the hymnology of the Brahmo Samaj, by varied contributions of enduring value. His magnetic personality and inspiring eloquence operated as powerful forces in drawing hundreds to the fold of the Brahmo Samaj. He was in ardent sympathy with the aspirations of his countrymen for social and political advancement, and was one of the founders of the Indian Association. His home was always a refuge to helpless widows and orphans. His earthly career may be fitly summed up in the words that "he was ever willing to spend and be spent" in the service of God and humanity.

Carried in silence, all standing.

The President then delivered the following address :

ओं नमस्ते परं ब्रह्म नमस्ते परमात्मने ।

निर्गुणाय नमस्तुभ्यं सद्गुणाय नमोनमः ।

Salutation to the Praram Brahma, salutation to the Supreme Soul, salutation to Thee who are beyond attributes of matter, salutation to Thee again and again, O Thou the great Reality.

Sisters and Brothers,

On behalf of the Sadharan Brahmo Samaj, I welcome you cordially to the Annual meeting of the Samaj. Bombay, Madras and the Panjab have sent their devout sons and daughters to rejoice with us during this spiritual festival. Many a seeker after truth has come to make the Maghotsav a success. I thank them all from the bottom of my heart.

Since we met last, a year ago, we have suffered great and irreparable loss in the death of some of our most earnest and devout workers. We have lost our beloved leader Pandit Sivanath Sastri. He was the last of the band of the good and true men who founded the Sadharan Brahmo Samaj. His great and towering

personality was for more than 40 years a source of inspiration to the men and women of our country. We deeply mourn his loss, but our mourning would be a mockery if we did not learn from him the great lesson of his life—unswerving faith and complete self-surrender to the will of his Maker.

We have to mourn also the loss of Babu Jadunath Chakravarti at one time a missionary of the Brahmo Samaj of India, but who left that Church during the man-worship controversy. When the Sadharan Brahmo Samaj was founded he joined it and became one of its active members.

We have suffered another great loss in the death of Rao Bahadur K. Viresalingam Pantalu Garu of the Madras Presidency. He was a devout Brahmo social reformer, an inspiring writer and one of the makers of Telugu public life.

By the death of Sreemati Labanyaprava Sarker we have lost a good writer and teacher and an energetic worker of the Sunday Moral Training School.

We have suffered another great loss in the death of Babu Jatra Mohan Sen of Chittagang, who was a pillar of strength to our Samaj there.

The death of Babu Amar Chandra Datta, an elegant writer, a fluent speaker and an indefatigable worker, of Babu Guru Govinda Chakravarti who devoted the best part of his life to preaching Brahmoism among the rural population of Mymensing and Pabna districts, of Mr. V. Nama Sivaya of Rangoon, of Babu Kalimohan Ghosh of Rahapara in Faridpur and of Babu Ananda Mohan Datta, a veteran teacher of Barisal, has left a void in the life of our Samaj. Death has snatched away many ladies and gentlemen, boys and girls, from the bosom of their disconsolate parents, friends and relations. We pray with them. Such are the heavy losses which our community have suffered during the year.

In the death of Babu Brajagopal Niogy, a missionary of the Brahmo Samaj of India we have lost a friend and the Church a good worker.

A new spirit is moving on the face of the earth. The dreams of yesterday are becoming the facts of to-day. India has moved at a quicker pace than it ever moved before. A new era has dawned. The Reform Act will change the old order of things. Providence has used brother Satyendra Prasanna Sinha, a member of the Sadharan Brahmo Samaj, as one of His principal instruments in ushering it in for the good of our people.

At this critical time the Brahmo Samaj has a duty to perform. The Reform Act has given us certain rights

and privileges ; but who will bear the burden, unless there arise a band of honest, disinterested, dutiful and selfless men and women to make the Act a success ? The Brahmos should now come forward and following the great examples of Ram Mohan Roy, Ananda Mohan Bose, Dwarkanath Ganguli and Sivanath Sastri, inspire a spirit of mutual sympathy, mutual consideration and mutual sacrifice if we really desire national well-being.

The intellectual giants who are at the same time moral cowards are numerous. Their number is growing more and more. The educational and religious systems are responsible for this abnormal state of things. The old religions are decaying. During the last 50 years there have arisen a few religious reformers. The followers of one gave their sole attention to social reform and the spread of education. The followers of the others have devoted themselves to philanthropic works. Spiritual worship, from which life flows, is neglected. The Brahmo Samaj stands for spiritual worship of the one God. Social reform, educational propaganda, moral regeneration, and philanthropic activity are the natural outcome of spiritual worship. I therefore most humbly beseech the members of the Brahmo Samaj to give more emphasis in the coming year to congregational worship and individual direct communion with the Light and Life of our soul. If this is neglected death will be the sure consequence. I therefore with great respect and love ask the missionaries and ministers, preachers and teachers, office-bearers and members to show by their example that our corporate and individual spiritual life depends on congregational, family and individual worship.

The religion of the Brahmo Samaj is universal. It bears witness to the truth of Fatherhood of God and Brotherhood of man. This is the solution of all the great world-problems. The League of Nations is based on self-interest, the League of Religions is mostly Christian, the Declaration of the Independence of Spirits is not founded on a secure basis. They will not solve the problem of the strong against the weak nations, capital against labour, men against women, education against ignorance, the rich against the poor. An abiding faith in and a burning passion for a personal God who is the Father of Humanity is the one thing needful to end all struggle and strife.

Beloved sisters and brothers, these are the works before us. A strong missionary propaganda is necessary. A solid band of workers is required. Let us be of one mind. Let love and respect unite us all, old and young, men and women, to fulfil the great purpose for which God in His wisdom established the Brahmo Samaj in this country.

Brahma Kripāhi Kevalam.

Later on a pucca building was erected by Babu Krishnadayal Ray and some other members of the Sadharan Brahmo Samaj. About four years ago Babu Barada Prasanna Ray was deputed by the S. B. Samaj to enquire into the condition of the Samaj. He called a public meeting of the local Brahmos and sympathisers. It was then decided that efforts should be made to renew the weekly divine service. At the same time the then Magistrate of Rangpur, after an official enquiry held that the building was the property of the Brahmo Samaj.

Unfortunately it was not possible to hold regular weekly service, and gradually the building fell out of repair ; finally a local gentleman began to use it as his private property.

Where there is justice, there is success.

PRINCIPLES OF BRAHMOISM.

(1) There is only one God, who is the Creator, Preserver and Saviour of this world. He is spirit ; He is infinite in power, wisdom, love, justice and holiness. He is omnipresent, eternal and blissful.

(2) The human soul is immortal, and capable of infinite progress, and is responsible to God for its doings.

(3) God is to be worshipped in spirit and in truth. Divine worship is necessary for attaining true felicity and salvation.

(4) To love God and carry out His will in all the concerns of life, constitute true worship.

(5) Prayer and dependence on God and a constant realisation of His presence, are the means of attaining spiritual growth.

(6) No created object is to be worshipped as God, nor is any person or book to be considered as infallible and the sole means of salvation ; but truth is to be reverently accepted from all scriptures and from the teachings of all persons without distinction of creed or country.

(7) The Fatherhood of God, the Brotherhood of man and kindness to all living beings are the essence of true religion.

(8) God rewards virtue, and punishes sin. His punishments are remedial and not eternal.

(9) Cessation from sin accompanied by sincere repentance is the only atonement for it ; and union with God in wisdom goodness and holiness is true salvation.

THE FORTY-THIRD ANNUAL REPORT

of the
Sadharan Brahmo Samaj

1920

माह' वृत्त निराकुय्या' मा मा वृत्त निराकरोदनिराकरवमसु ।

—*Talabakaropanishad.*

"Brahman has not forsaken me, let me not forsake Brahman ; let Him be ever unforsaken by me."

The aim and ideal of the Brahmo Samaj is the worship in spirit and in truth of the one true God, to realise, by means of devout prayer and absolute dependence on Him, God's presence in all concerns of life and to serve our fellow-men to the best of our abilities.

There are moments of depression, as of elation, in the life of a church as of an individual, when we are apt to exclaim that "the struggle naught availeth"—"the labour and the wounds are vain", and to consider that "as things have been, they remain." In such moments of gloom and despair we must remember the poet's words :—"If hopes were dupes, fears may be liars."

* * *

"For while the tired waves, vainly breaking

"Seem here no painful inch to gain,

"Far back, through creeks and inlets making

"Comes silent, flooding in, the main.

"And not by eastern windows only,

"When daylight comes, comes in the light,

"In front, the sun climbs slow, how slowly,

"But westward, look, the land is bright."

The Brahmo Samaj is God's own church, and if our shortcomings, indifference and backsliding are great, His mercy is always greater. Above all, remembering the abundant grace and blessings which He has showered upon us and trusting that He never forsakes His people; let us proceed to place before our brothers and sisters the following record of the little work, which, under God's providence, we have been able to do during the year that is just closed.

In Memoriam.

Since we met last year, death has removed from amongst us some of our beloved and respected friends and fellow-believers, and their memory naturally comes to us to-day. Prominent among them occurs to our mind the name of Pandit Bhuvanmohan Kar of Dinajpur. His saintly life and unostentatious charity endeared him to every one who came in contact with him. He had chosen Dinajpur as the field of his quiet work. There he was universally loved and respected. He was a member of the Sadharan Brahmo Samaj as well as of its General Committee for many years. His memory will be ever cherished by the Brahmo public with love and affection.

By the death of Miss Subala Sarkar, the Samaj has lost a zealous worker for the Sunday Moral Training School of which she was for some time the Secretary and for many years a teacher.

Babu Deviprasanna Ray Chaudhuri was for many years a prominent worker in many spheres of activity, social, philanthropic and literary. His death is a great loss to the country. He was at one time a zealous worker of the Samaj.

General Survey.

The Sadharan Brahmo Samaj was established in the year 1878, with the object of propagating the principles of Brahmoism, uniting under a common organisation all individuals and congregations holding these principles, and conducting all the business of the church on constitutional lines.

The total number of members on the list, including those elected during the year, stood at 1194, on the 31st December last. Besides these, there is a large number of ladies and gentlemen, here and abroad, who are in sympathy with the aims and objects of our Samaj. Forty-nine of the Brahmo Samajes in India are either associated with or affiliated to our church; besides these, there are some bodies both in India and outside of it, that are holding forth nearly the same principles, and doing almost the same work as the Sadharan Brahmo Samaj.

The General Committee which is the governing body of the Samaj, had as its members during the year 16 Representatives of the mofussil Samajes, 65 members elected from among the members of the S. B. Samaj, and 7 office-bearers.

The last annual meeting of the Samaj was held on the

23rd January, 1920, when the present General Committee was formed and the office-bearers were elected. At a special meeting of the General Committee held on the 5th February, 1920, the present Executive Committee was formed, and a plan of work for the new year adopted.

There were during the year, 8 meetings of the General, and 44 meetings of the Executive Committee.

The year that is just closed, was, like several before it, a time of hardship and trouble. High prices consequent upon the economic ruin caused by the devastating world-war continue to make the life of the average man cheerless and hard. Death too has levied its usual toll on our community. We offer our sincerest condolences to the many bereaved families of our community.

Some of our missionaries and workers have, as in previous years, carried on their activities in several parts of India. Mr. Sudhir Chandra Banerji, for instance, worked in Bombay ; Messrs. Subbukrishnaya, and Deben-dranath Mitra in Madras. Babu Manmathanath Das was in charge of our mission in the Khasi Hills.

Of the activities of our Samaj during the year that is just over, special mention should be made of the efforts to perpetuate the memory of our lamented and revered leader and minister the late Pandit Sivanath Sastri. A strong Committee has been formed composed of representative men from the different parts of India, and up to now very promising response has been received to their appeal for funds from all quarters. The Committee are now in a position to commence operations on the proposed memorial which will take the shape of

1. A Public Library and a Reading Room conducted and administered by the Executive Committee of the Sadharan Brahmo Samaj or their nominee or nominees.

2. A Hall where the Trustees of the Shadharan Brahmo Samaj for the time being resident in Calcutta at the request of the Executive Committee of the Samaj may, at their discretion, allow lectures to be delivered, social or other gatherings to be held and all subjects to be discussed in a liberal spirit.

3. A suite of rooms and a sanctuary where the Executive Committee of the Sadharan Brahmo Samaj may permit missionaries of the said Samaj and Members of the institution of the said Samaj known as the Sadhanasram to reside and hold a daily worship of God in the manner laid down in the Deed of Trust of the said Samaj dated the 21st day of July 1880.

4. A number of rooms where the Executive Committee of the Sadharan Brahmo Samaj may permit

visitors to Calcutta who are either Brahmos or in sympathy with the Brahmo Samaj to reside and

5. Such other purposes as may be determined from time to time by the said Trustees without in any manner interfering with the purposes hereinbefore mentioned.

The ceremony of laying the foundation of the memorial buildings has been fixed to take place during this Maghotsav.

The daily evening service in the Samaj Mandir followed by readings from scriptures and conversation on religious topics, instituted three years ago, has been continued under our esteemed friend, Pandit Sitanath Tattvabhusan. Its popularity is evidenced by the increasing numbers it is attracting.

The association of our Brahmo ladies at Calcutta for the purpose of participating more actively in the work of the Samaj, continued to meet fortnightly at the houses of the members and to hold divine service and conversation on religious subjects.

The management of the Chotanagpur Girls' High School at Girdih, which had been doing very useful work, had to be given up from the commencement of the year under review owing to the unsympathetic attitude of the Education Department of Behar and Orissa and to other unfavourable circumstances.

Our mission in the Khasi Hills is still passing through a serious crisis. The Executive Committee sent two representatives, Babus Annadacharan Sen and Lalitmohan Das, to the Khasi Hills during the last summer in order to enquire into the condition and prospects of the Khasi Hills Mission and to persuade those who had seceded from the Mission to join it again. They submitted a most interesting report embodying many valuable suggestions, all of which have been accepted by the Committee. But our efforts towards setting matters right have, we regret to record, so far met with little success.

The mission work of the Brahmo Samaj is the most important of its activities. But though the work is important and the field extensive, the workers are few ; and many of them are getting past services owing to indisposition or old age. The recent serious and protracted illness of Babu Kasichandra Ghosal, from which he has only partially recovered, has practically confined him to bed. Others, again, owing to old age are not as vigorous as they were. We are, therefore, particularly happy to be able to announce an addition to the number of our ordained missionaries in the person of Babu

Bhabasindhu Datta, who had for several years been a worker of the Samaj, and whose ordination during the last Bhadrotsav is a notable event of the year.

It is gratifying to note that there has been an accession to the number of our mission workers. The Executive Committee have been able to utilize the services of the following gentlemen as mission workers :— Mr. Sivaprasad (Calicut), Mr. Mahendra Pattanaik (Madras), Mr. G. Y. Chitnis (Bombay) and Pandit Nirmal Chand (Lahore).

The acute and wide spread scarcity prevailing in Orissa called for relief and our Samaj did not fail to respond to the call. We deputed Babu Sudhira Chandra Banerji, one of our mission workers, to open a relief centre at Satpara near Lake Chilka in the district of Puri. He was latterly assisted by Babu Mahendra Pattanaik, and together they did good work there in relieving the sufferings of the distressed people. The Samaj spent about Rs. 6500 out of its Famine Fund for the purpose. The balance in our Famine Fund after this expenditure is Rs. 398-4-8. As famine is no rare occurrence in our poor country, which may be said to be at present always perilously on the verge of it owing to the prevailing high prices, we take this opportunity to earnestly appeal to the members and sympathisers of our Samaj to contribute liberally to this Fund, so that the Samaj may not be found unprepared to meet any sudden emergency of this nature. We received about Rs. 3400 by our last appeal. We hope to receive, as on all previous occasions, a speedy and generous response to this appeal also.

Babu Priyanath Bhattacharya has informed the Executive Committee that according to the last Will and Testament of his father, the late Pandit Sivanath Sastri, the proprietary right in the following books by Pandit Sastri has been vested in the Sadharan Brahmo Samaj :—

- (১) বক্তৃতাসম্বলক । (২) গৃহধর্ম । (৩) মাঘোৎসবের উপদেশ । (৪) মাঘোৎসবের বক্তৃতা । (৫) ব্রহ্মোপাসনা প্রণালী । (৬) জাতিভেদ । (৭) The New Dispensation and the Sadharan Brahmo Samaj.

We thankfully acknowledge this gift from our lamented and revered minister, who, we feel, not only served us in and with his life, but has not forgotten us even in death.

The annual gathering of the East Bengal Brahmo Conference met last year at Mymensingh under the presidency of our revered brothers Babus Sasibhusan Datta and Krishnakumar Mitra. There was a good muster of delegates from different parts of East Bengal and

Assam. Altogether the Conference had a very successful session.

Mission Work.

Great importance is very rightly attached to the mission operations of the Samaj, which is its vital work. The agencies at present employed for this purpose are.—I. (a) ordained missionaries whose number at present is 9, (b) 13 workers of the Sadhanasram, (c) 58 members of the Sevakmandali; II. The two organs of the Samaj—*The Tattwakaumudi*, a Bengali fortnightly, and *The Indian Messenger*, an English weekly; III. The institutions affiliated to the Samaj—(a) The congregations at Calcutta and other places, (b) The Sadhanasram, (c) The Students' Weekly Service, (d) The Sangat, (e) The Theological Institution, (f) The Sunday Moral Training School.

The field of work before us is indeed very vast—our operations extending all over India and even Burma. We wish they could be carried further and our message could be suitably and more effectively delivered to other parts of the world. But we have to acknowledge with great regret that our resources both in men and money are not only limited but quite inadequate. At the end of every year we are overcome with a sense of "the little done and the undone vast". For the last few years our insistent cry has been, 'larger funds and more workers.' We are finding it more and more difficult to meet the demands from all quarters with the resources at our command. We beg leave to invite the particular attention of the Brahmo public to the desirability and necessity of organising our mission work on a larger and more generous scale. We are, however, thankful to God for His mercy in enabling us, in spite of our many shortcomings and disabilities, to carry His message to the different parts of the country. Our missionaries and workers have visited Bombay, Madras, the Punjab, the United Provinces, Behar, Orissa, Chotanagpur, Assam, and Burma, besides the several parts of Bengal. An account of the work done by some of them is given in detail below.

Pandit Navadwip Chandra Das—Although prevented by old age and protracted ill health from undertaking any mission work outside Calcutta, he has during the year done much valuable work at the headquarters. He

took part in the Maghotsav celebrations of the Sadharan Brahmo Samaj, as well as the Bengali New Year's Day celebration, conducted the Sunday service in the Prayer Hall and the daily service at the Sadhanasram on many occasions, acted as minister in a large number of family prayer meetings and domestic ceremonies and visited a number of families.

Babu Sasibhusan Bose—He conducted the weekly divine service at the Orphanage and acted as minister in some domestic ceremonies. He visited every month, during the first quarter, Santipur and Kalna where he conducted divine service, held discussions on religious subjects and made arrangements for the spiritual and sanitary improvement of the people by means of public lectures. He is now engaged in writing the biography of a religious man. He visited a few Brahmo families and acted as minister in connection with some domestic ceremonies. He went to Kumarkhali and took part in the utsav of the local samaj. He also visited Santipur where he conducted divine service and preached the principles of the Brahmo Samaj.

Babu Nilmani Chakravarti—While in Calcutta, during the first quarter, he officiated as minister in some domestic ceremonies in Brahmo families, conducted weekly divine service once at the Sadharan Brahmo Samaj Prayer Hall and once at the Sangat and delivered a lecture on "Raja Ram Mohun Roy and Universal Religion" in connection with the last Maghotsav. He went to Kakina to take part in the local Maghotsav, where he conducted divine service on various occasions, delivered a lecture on the "Path to Spiritual Endeavour" and expounded passages from religious books. He took part in the celebration of the anniversary of the foundation of the Harinabhi Brahmo Samaj. At Bogra he conducted divine service on different occasions and delivered two lectures in connection with the Utsav of the local Brahmo Samaj. He conducted divine service also in some families and presided at the distribution of prizes to the girls of the school attached to the local Brahmo Samaj. At Faridpur he took part in the Utsav of the local Brahmo Samaj, delivering lectures and conducting divine service. While staying in the Khasi Hills for a month and a half during the second quarter, he took part in the anniversary of the Shella Brahmo Samaj and visited Shella also on another occasion. He conducted divine

service, delivered sermons and an address there. He visited Nongjiri where he conducted divine service, gave an address and initiated a woman into Brahmoism. He conducted divine service and distributed medicines whilst at Cherrapunji. At Shillong he conducted divine service at the Khasi Hills Brahmo Samaj. He went to Darjeeling for a change where he conducted the weekly service on Sunday. He has latterly been in poor health and living at Shillong and Cherrapunji.

Babu Gurudas Chakravarti as the Resident Minister of the E. B. Brahmo Samaj conducted regularly the congregational service of the Samaj on Sundays. He also conducted the service held every morning in the Mandir. He visited families and held prayer meetings in private houses and also acted as minister in domestic ceremonies. He acted as the Editor of the Sevak (Patrika) and regularly contributed to it. As President of the local Students' Weekly Service, he presided over its meetings and delivered lectures. He regularly prayed with the Sunday School students and teachers, and taught a class there. He presided at the Students' Sangat and Mahila Sangat and prayed with them. He also took part in other works of the Samaj, received visitors and carried on extensive correspondence which took up much of his time; he regularly went to Narayanganj and conducted service on Friday evening in the local Samaj Mandir. He took part in the anniversary celebration of the local Samaj and also in the Kesabchandra Sen memorial meeting. During the Maghotsav, he conducted divine service and delivered lectures at Dacca and then went to Calcutta where he took part in the Utsava, conducting service in the Sadharan Brahmo Samaj Prayer Hall, at the Bhowanipur Sammilan Brahmo Samaj and in the Sadhanasram. He delivered one lecture in connection with the Students' Weekly Service and held prayer meetings at private houses and took part in the deliberations of the Asram and the Samaj. He went to Mymensingh in April and stayed there for a week. He delivered a lecture, conducted divine service in the Mandir, taught in the Sunday school, presided at meetings at private houses. He went to Calcutta twice and stayed there for a fortnight. He conducted service at the Sadharan Brahmo Samaj Mandir, in the Asram and private houses. From the 3rd week of June to the 3rd week of July he was confined to bed on account of an attack of fever. He took part in the Bhadrotsava and in

the anniversary of the Students' Weekly Service. He again went to Mymensingh and took part in the East Bengal Brahma Conference. Then he visited Comilla, Chittagong and Kaoraid doing mission work. With his feeble health he was doing all he could for the Dacca congregation. Besides these he took part in the management of some philanthropic institutions.

Babu Kasi Chandra Ghosal—During the Maghotsav at Calcutta, he conducted divine service once and delivered a lecture at the anniversary of the Sangat, occasionally conducted divine service at the Sadhanasram and in one of its monthly Utsavs. He took part in the Sangat and in the daily evening service held in the Prayer Hall. He officiated as minister in a number of domestic ceremonies and in some family prayer meetings. Early in January he was sent to Rajshahi to take part in the anniversary celebrations of the Boalia Brahma Samaj, and in March he went out on a mission tour and visited Berhampur, Kusthea and Kumarkhali. He took part in the anniversary celebration of the Faridpur Brahma Samaj in the early part of April when, besides conducting divine service and delivering lectures, he held a discussion with the students of the schools and the college on religious topics. He went from there to Assam but came to Kakina to take part in the anniversary celebrations of the Kakina Brahma Samaj. He went back to Assam and visited Dhubri, Gauhati, Dibrugar and Tejpur conducting divine service, delivering lectures and holding religious discussions. Soon after his return from the mission tour in Assam he was attacked with apoplexy. We are glad to be able to say that he has been slowly progressing towards recovery.

Babu Hemchandra Sarkar—he was in charge of the Sadhanasram and in that connection had to be during the greater part of the year, in Calcutta, where besides looking after the work of the Sadhanasram, he tried to make himself useful to the work of the Sadharan Brahma Samaj. He conducted divine service, held classes for the *Sadhanarthi*s and visited Brahma families. He went on a mission tour to Southern India for over nearly three months in the course of which he visited Berhampore, Vizagapatam, Pithapuram, Cocanada, Rajahmundry, Bezvada, Madras, Tinnevely, Anasthanam, Puthapally, Aleppi, Calicut and Mangalore. He also visited Kalna, Murshidabad and Cuttack in the course of the year.

A considerable part of his time and attention was occupied by the work of the Sivanath Memorial Scheme. He spent about two months at Kurseong, for the benefit of his health, when he conducted a weekly public divine service.

Babu Abinashchandra Mazumder—He initiated Babu K. Babu Abinash Chandra Mazumdar. B. Mukerji and Mr. Premchand Dhavan into Brahmo Dharma ; performed the annual Sradh of Sevanand Sundar Singh and held family prayers on some special occasions. He was ill during most part of the year. He could not do any mission work on account of illness. He is engaged in translating into Bengali some Sikh scriptures.

Babu Bhabasindhu Datta—In the first part of the year he took active part in the Maghotsav of the Sadharan Brahmo Samaj, conducting services, singing hymns and delivering one speech. Then, being invited by the Secretary, East Bengal Brahmo Samaj, he went to take part in the Maghotshab there. Coming back from Dacca he went to Konnagar, Harinabhi, Bhagalpore and Bankura in connection with the anniversaries of the local samajes. Khasi Hills Brahmo Mission.

There are at present 12 Samajes in the different parts of the Khasi Hills. Five workers of whom 3 are permanent and 2 temporary, worked in different centres of the Mission. They conducted divine service, worked as teachers in schools managed by the mission and distributed medicine to the sick. There are 9 lower primary schools conducted by the mission, of which 4 were started during the year under report.

Babus Lalitmohan Das and Annadacharan Sen were deputed by the S. B. Samaj to study the condition of the Mission as has been mentioned before. They visited almost all the centres, held prayer meetings, delivered lectures and came in contact with the workers and members of the Brahmo Samajes by which the mission was highly benefited. Mrs. Sarada Manjari Datta on her way to Shillong from the Eastern Bengal Conference visited some of the Samajes and did some mission work among the members of the Brahmo Samajes which also was much appreciated.

Sevakmandali.

Every member of our community should consider himself a lay worker and must do what he can for the furtherance of the cause of our Church. The Samaj welcomes the services of every one of its members. It is for this reason as well as for supplementing the work of the missionaries who are so few in number, that the lay members of the Samaj doing mission and other work have been organised under the name of the Sevakmandali since 1903. During the year under report there were 58 members of the Mandali who worked, as in previous years, at different centres :—Agra, Bankipur, Baranagore, Barisal, Burma, Bombay, Calcutta, Chittagong, Comilla, Cuttack, Dacca, Deoghar, Dehradun, Dinajpur, Faridpur, Giridih, Hazaribagh, Khasi Hills, Indore, Lahore, Lucknow, Madras, Mangalore, Mymensingh, Patiala, Raigunge, Rangoon, and other places. They conducted divine service, delivered addresses, held conversational meetings, visited families, wrote books, edited papers, contributed articles to them and worked in connection with the several institutions of the Samaj.

Special mention should be made of the work of the following members of the Sevakmandali who have devoted their whole time to the service of the Samaj :—

He returned late in December ill from strain and worry from his work.

Sadhanasram.

In spite of various difficulties and discouragements the Brahmo Sadhanasram has, by the grace of God, been able to render considerable service to the cause of the Brahmo Samaj during the year. Early in the year most of the workers assembled at the headquarters in Calcutta on the occasion of the Maghotsav and spent a short time together in spiritual fellowship and conference about the new year's work. Babu Satis Chandra Chakravarti has permanently removed to Calcutta since the beginning of the year where he has been working as the Minister of the Bhowanipore Sammillan Samaj. Babu Hemendranath Datta also has permanently settled in Calcutta. Both of them have been helping in the work of the Asram. Babu Srirang Vehari Lal has been appointed Headmaster of the Rammohun Roy Seminary at Bankipore in the place of Babu Satis Chandra Chakravarti. The Rammohun Roy Seminary, a High School for boys, now affiliated to the Patna University, worked fairly satisfactorily during the year. A congregation associated with the Sadharan Brahmo Samaj was maintained and met regularly for divine service in the premises of the Rammohun Roy Seminary. Besides the work at Bankipur centre, three Branch Asrams were maintained during the year at Lahore, Dacca and Madras; a detailed account of the Branch Asrams will be found below.

Besides the regular Branch Asrams, permanent centres of work have been opened in Ganjam and Travancore from where good work has been done in the neighbouring places. Soon after the Maghotsav, Mr. Mahendra Pattanaik and Mr. Sivaprasad, who had been accepted as Candidate Workers on the 12th Magh last, were sent to work in Madras Presidency. Mr. Pattanaik worked in connection with the Madras Branch of the Sadhanasram for a few months and was afterwards transferred to Ganjam, where he worked with Berhampur as his headquarters. Mr. Sivaprasad after two years' sojourn in Northern India returned to the West Coast early in the year and has been working enthusiastically in Malabar and Travancore. As the result of his labours the nucleus of three promising Brahmo Samajes has been formed at Anasthanam, Pathupally and Mangalam in middle Travancore. Already thirty-three persons have been initiated into Brahmo Dharma and the foundation stone of a Brahmo Mandir has been laid at Anasthanam. The outlook in Travancore is very encouraging. Mr. R. Balkrishna Rao who had been working in the Ganjam District with much appreciation for the last few years removed to Vizagapatam about the middle of the last year as there were no workers in that district. He has already been able to form a Prarthana Samaj at Vizagapatam City. Weekly service is being held regularly there and the average attendance has risen steadily to from 10 to about 30. A Theistic Library and Reading Room called the Sivanath Library has recently been opened. Mr. Balkrishna Rao has also been visiting the neighbouring towns, and Vizagapatam promises to be no less fruitful a soil for our cause than the neighbouring districts. Mr. G. Y. Chitnis, who had been in the Sadhanasram for some time, has been working in Bombay. Besides teaching in the school of the Bombay Prarthana Samaj he tried to advance our cause in various ways. Mr. Lakshman R. Garu who was sent to the Meadville Theological School, America, in August, 1919, continued to make good progress there. Mr. Hariprasad of Ahmedabad, who was in the Asram under training for some time, returned to his native place early in the year and has been trying to further the cause of the Brahmo Samaj there. At the close of the year there were two *Sadhanarthis* under training in the Asram. Several others came in the course of the year and stayed for short periods, classes for the study of general theology, the Upanishads, the Gita and the Bible were held. The candidates were taught English and Bengali according to

their needs. Divine service was held daily in the morning ; in the evening also there were devotional meetings with hymns, prayer and meditation. There was a special Sankirtan on Wednesday evenings, in which many friends joined. On Saturday evenings, open air meetings with Sankirtan and addresses were held in the public squares of Calcutta throughout the year.

The Lahore Branch.

The Lahore Branch of the Sadhanasram, which had been started with a view to further the cause of the Brahmo Samaj in the Punjab and Sindh, has been gradually weakened by the passing away, one by one, of the workers who joined it at the beginning. Bhai Sitaram, with an exemplary devotion, has, however, still kept the fire burning. The Lahore Asram has a building of its own with a spacious hall and a suite of rooms. As there are not many workers in residence now, the rooms are being utilised as a hostel for students. During the year Bhai Ramkishan, Lala Prakas Lal, besides Bhai Sitaram, lived in the Asram during different periods. Weekly Divine Service was held in the Asram. The *Brahma Pracharak*, the Urdu fortnightly journal, which was being conducted by the Lahore Sadhanasram for many years past had to be discontinued in the course of the year for want of workers. As in previous years, the Lahore Branch could still supervise the work of the existing Brahmo Samajes in the Punjab and Beluchistan and organise missionary visits to several places in those provinces.

Dacca Sadhanasram.

Babu Gurudas Chakravarti was in charge of the Dacca Sadhanasram. Babu Abinashchandra Lahiri, a helper of the Sadhanasram, assisted in its work. During the year under report Babu Hari Narayan Sen removed to Dacca, and has been a source of much strength. Divine service was held every morning in the East Bengal Brahmo Samaj Mandir.

Madras Sadhanasram.

The branch of the Sadhanashram that had been started at Madras in 1919 was continued throughout the year under report. Mr. E. Subbukrishnaya remained in charge of it. Babu Debendranath Mitra was also at Madras during the greater part of the year. Mr. Mahendra Pattanaik was in the Madras Asram during the earlier part of the year. The Asram did not, however, make commensurate progress. Divine service was

conducted daily, though it had to be discontinued when all the workers happened to be away. The workers helped in the work of the Southern India Brahmo Samaj. Some work was done among students. Several mission tours in different parts of the Presidency were organised during the year.

Sadhanasram, Seva-section.

The Seva-section (the philanthropic department) of the Sadhanasram, which is registered under Act XXI of 1860 as a charitable organisation and is managed by a governing body, had two institutions under it during the year, viz. the Dacca Hindu Widows' Home and the Society for the Improvement of the Backward Classes, Bengal and Assam. Both the institutions made satisfactory progress during the year. The Dacca Widows' Home has been removed to a larger house in order to provide accommodation for the increasing number of applicants and to open a technical department. There were nineteen widows in the home at the close of the year, two of whom joined the Senior Vernacular Training class attached to the Eden H.E. School for girls, and the rest received education in the Home School. The Government of Bengal has increased the grant to the Home School to Rs. 150 from Rs. 77 a month, besides an additional grant of Rs 30 a month for the hostel. As soon as funds permit a technical department will be opened. The management of the Home is vested in a committee consisting of twelve ladies and gentlemen with Mrs. P. K. Bose as Secretary. The Home has been fortunate in securing the services of Mrs. Chinmoyee Das as Superintendent and of Miss Santilata Bose, who besides teaching in the Home School, looks after the management of the Home.

The Society for the Improvement of the Backward Classes, Dacca and Assam, made steady progress during the year. At the close of the financial year there were 329 schools under the Society with a total of 11,195 pupils of whom 2,760 were girls. The Society has been able to extend its work to Dhubri and Maulavi Bazar in Assam. It has got its schools in 14 districts in Bengal viz., Hughli, Khulna, Howrah, Nadia, 24-Perganas, Burdwan, Jessore, Birbhum, Tipperah, Noakhali, Barisal, Dacca, Mymensingh and Faridpur.

Babu Hari Narayan Sen, one of the Workers of the Sadhanasram, who has devoted himself to the work of the amelioration of the condition of the backward classes, laboured indefatigably throughout the year.

Besides visiting the schools of the Society, he organised meetings, delivered addresses, held conferences and in various other ways furthered the object of the Society. Rai Sahib Raj Mohun Das continued to be the Secretary of the Society and carried on its work with his usual devotion and earnestness. The total receipts during year were Rs. 17,032-12-6 and total expenditure Rs. 10,095-0-3.

The Carpets (Galichas)—Though urgently needed, their renewal has not yet been practicable owing to the very high prices at present demanded for such material. Cotton sheets for spreading over the old carpets are all that has been found possible to provide for the comfort of those using the carpets.

Special Donations—A donation of Rs. 50 each from Mrs. M. M. Bose and Mrs. Sarojmohan Bose, for which

the congregation is very grateful, has been of great help in its present condition of necessity.

Members—The number of members on the roll of the Congregation on 31st December last was 301.

Library—Except that the benches have been repaired, nothing has this year been added to the Library in the way of furniture. Books to the value of Rs. 42-4-0 have been recently purchased for the Library, while of the Rs. 75, the Municipal grant for 1919-20, Rs. 65-1-0 were spent on books, the remainder being spent on periodicals and magazines. Some more books, not locally available, have also been ordered from abroad through Messrs. Newman & Co., but these have not arrived yet. As for the Municipal grant of Rs. 75 for 1920-21, it has been applied for. The thanks of the Congregation are due to the Calcutta Corporation for this grant.

Income and Expenditure.—The receipts from 1st January to 31st December, 1920 are Rs. 1312-10-0, and Expenditure Rs. 1166-13-6, while the debts are—

(i) On account of the Library rent—Rs. 525 (from 1st April, 1919, to December, 1920).

(ii) On account of Electrical work done by Messrs N. N. and Ghose, Rs. 202.

Baranagore Working Men's Mission.

This Mission was organised by Mr. Sasipada Banerjee and it is maintained out of the interest of the fund (two G. P. Notes of Rs. 1000 each, subsequently converted into one of Rs. 2000) placed in the hands of the Executive Committee by Mr. Banerji in the year 1903, for preaching "practical religion and morality" among the workingmen of Baranagore. The work of the Mission is being continued with energy and Lay workers have visited the place frequently. The workingmen have been in great distress since the beginning of the war in Europe and many of them have gone away to different places in search of employment, which has reduced the number of those who attended the Service. From July 1920, Mr. Anathkrishna Seal has undertaken the work of visiting the place regularly almost every week and it is hoped there will soon be an improvement in the Service.

Lay Workers' Mission—Suburban Section.

This society was organised on the 17th July, 1917, with Mr. Krishna Kumar Mitra as President and Mr. Rajani Kanta De as Secretary, and has completed three years of its existence. The members visited Barnagore, Harinavi, Nimta, Howrah and Konnagar at intervals and held prayer meetings and *Kirtans*. Since 17th July, which is the beginning of the official new year of the society, attempt is being made to visit Barnagore every week and Mr. Anath Krishna Seal has undertaken the work for the year. Mr. Amrita Kumar Datta has also been trying to visit Harinavi more frequently. Mention should be made how Mr. Surjya Kumar Chatterjee in his old age (he is bordering on 80) and broken health, has always been trying to help the work of the mission at Harinavi.

Publications.

As the publications of the Samaj are a notable part of our mission work, helping us to carry its message far and wide, great importance is necessarily attached to them. The official organs of the Samaj are the *Indian Messenger*, an English weekly, and the *Tattvakaumudi*, a Bengali fortnightly; the former was edited by Babu Pratulchandra Som and the latter by Babu Baradakanta Bose, during the year. Both these papers, as is inevitable in the case of propagandist organs, had to be conducted at a heavy deficit; abnormal rise in the price of paper and printing materials had no small share in adding to our difficulties; it is earnestly hoped that their Church papers will be more largely subscribed by the members of our Samaj, and their subscriptions should be paid more regularly. Besides the above two, there were other papers all owned and conducted by some members of our Samaj, which have also greatly contributed towards the propagation of the principles of our church in different parts of the country. Our thanks are due to the editors and proprietors of the *Sevak*, a monthly magazine of the East Bengal Brahmo Conference, the *Brahmabadi* of Barisal, the *Dharmasadhan* of Cocanada and the *Subodh Patrika* of Bombay.

Affiliated Institutions.

The *Sangat* met in the Mandir every Tuesday and discussed various religious subjects chiefly devotional and practical. In a manner it has expanded into the weekday service and

conversation meetings, which were held regularly. On the completion of the second year of the commencement of this service, an *utsav* was held on the 27th May last. Pandit Sitanath Tattvabhushan and Dr. P. K. Acharji conducted service in the morning and evening respectively and Babu Krishna Kumar Mitra presided at a conference on "Sadhan" held in the afternoon. Babus Abinash Chandra Banerji, Lalitkumar Chakravarti and Barada-prasanna Ray spoke on the occasion.

The Students' Weekly Service celebrates its 42nd anniversary this year. It was started on the 27th of April 1879 by the late Pandit Sivanath Sastri and Mr. Ananda Mohan Bose for promoting religious culture among the present generation of Students (Vide Annual Report, S. B. Samaj, 1879). Since its foundation it has passed through various stages of growth and progress. For the first two years, discussion meetings used to be regularly organised in which social and religious questions of a very wide range were discussed. The Service was remodelled in 1895, greater emphasis began to be laid on theological studies and questions of religious culture. The institution was reorganised in 1902 and again in 1904, since when temperance work has become an integral part of the activities of the Service. Prayer meetings and divine services, social gatherings, conversations and conferences have all along figured largely in the plan of its work.

General work of the Service :—During the year under review there were lectures and discussion meetings. Social gatherings were also organized, which were much appreciated by the members. Special efforts were made during this session to revive interest in discussion meetings. As in previous years there were several memorial meetings organised by the Service. The Executive Committee met 12 times during the year. The Service has now 340 members. The 41st Anniversary of the S. W. S. was celebrated on Saturday, the 31st. January, 1920. The morning was devoted to divine service conducted by Mr. Satishchandra Chakravarti. At noon a conference was held under the presidency of Mr. Bijoychandra Mazumdar, in which several ladies and gentlemen took part. In the evening Sir P. C. Ray delivered a lecture on the "Past and Present" in Bengali.

A list of lectures and discussion meetings is given in the Appendix.

Office-bearers :—At the annual meeting held on the 17th July, the following office-bearers were elected for the Session 1920—21.

President :—Mr. Sukumar Ray, B.sc.

Vice-President :—Mr. Prasantachandra Mahalanobis, B.A. (Cantab)

Secretary :—Mr. Hemendranarayan Ray.

Treasurer :—Mr. Amiyakumar Sen, M.A.

The Fraternities—In accordance with the new constitution of the S. W. S. four Fraternities—Devotional, Social, Educational and Temperance—have been organised :

(1) The Devotional Fraternity—was in the charge of Mr. Amal Kumar Siddhanta. It met regularly once a week, except during the holidays. The works of Raja Rammohun Ray were regularly studied and interesting discussions on various religious topics were held.

(2) The Social Fraternity—was in charge of Mr. Asoke Chatterji.

(3) The Educational Fraternity—Mr. Amiya Kumar Sen was in charge of this Fraternity at first. He was succeeded by Mr. Satish Sen. The Fraternity organised two study circles—on literature and sociology—each meeting once a week at 210-2, Cornwallis Street. The attendance was large and regular and the members took keen interest, throughout the year, in the work done. Prof. B. C. Majumdar, Dr. Seal and Mr. Kshitimohan Sen among others, kindly encouraged the members by their frequent presence, and took active part in the discussions. In the earlier part of the year, Prof. B. C. Majumdar held regular classes on Sociology and towards the latter part, Dr. Seal gave highly interesting and instructive discourses on the evolution of art and literature, socialism in ancient India, the message of Rammohun in relation to human progress etc. Mr. Kshitimohan Sen gave an interesting account of the religious movements in mediæval India. The members regularly studied the works of Rabindranath Tagore with great interest and profit and discussed his message to mankind and contributions to modern thought and spiritual movements. Besides this, the members occasionally wrote papers on various topics which were read and discussed.

(4) The Temperance Fraternity—has been recently started. Mr. Jnananjan Neogi has been put in charge of it.

On the whole the work of the Fraternities has been

quite satisfactory and the interest taken by the members augurs well for the future.

We feel that the S. W. S. would best justify its existence by ministering to the growing needs of the younger generation, specially of the Brahmo Samaj, and we have every hope that by utilising to the best advantage the growing spirit of earnestness and responsibility amongst the members, the tradition of the Service will be fully maintained.

The Sunday Moral Training School was founded about 41 years ago by Pandit Sivanath Sastri with the help of a few ladies for the moral and religious education of the Brahmo children. The death, during the year, of Miss Subala Sarkar was a great loss to the institution. The work suffered a great deal during the year for want of regular workers. Miss Mrinmayi Sen, B.A., B.T. was Secretary to the Institution. The number on the rolls was 127. The classes were held at the Brahmo Girls' School. Miss Mrinmayi Sen, B.A., B.T., Mrs. Sarojini Datta, M.A., Miss Charulata Sen, Mrs. Susama Sen, Miss Sakuntala Rao, B.A., Miss Mira Chatterjee, Miss Niharkana Das, Babus Mathuranath Nandi, Hemchandra Sarkar, M.A., Bipinbehari Chakravarti, B.A., Sukumar Ray, B.Sc. and Lalitmohan Das, M.A., acted as teachers. The prize distribution was held last year during the Maghotsav, when Principal H. C. Maitra presided and Mrs. Maitra gave away the prizes.

Educational Work.

Diffusion of knowledge, which is considered by the Brahmo Samaj as an important and sacred work, has been carried on zealously since its foundation, by means of schools and colleges for boys and girls of all classes of people. City College School, Calcutta.

The affairs of the School department are directly managed by a Sub-Committee consisting of 5 members, working under the College Council.

The School has all along endeavoured not simply to qualify students for the University Examination, but also to impart wholesome moral instruction to them. Hours have been set apart for moral training in each class and suitable text-books have been prescribed for the purpose. The City Union, a society attached to the school and the Ashabahini (the Band of Hope) meet on Saturdays. The day's work in class commences with a prayer in which both the teacher and the students join.

Certain special features have been introduced into the school since its removal to the old college building—e.g., the holding of English conversation classes for two hours daily by a European lady teacher, Drill and Drawing classes, besides regular lessons in Music. A Poor Fund has also been started for helping poor meritorious boys.

The instructive staff consisting of 29 teachers, mostly Brahmos, met in conference several times during the year and discussed various subjects relating to the improvement of the School.

The numerical strength on the 31st December last was 614, against 627 on the corresponding date of the preceding year.

43 boys sat for the Matriculation Examination, of whom 39 passed—14 in the first division, 20 in the second division and 5 in the third division. One boy got a Government. Junior Scholarship of Rs. 10.

Auditors' report.

1. We have found cases of discrepancies between the vouchers and the entries in the Registers and cash balance and their details. In our opinion the Cash Book, vouchers and other Registers ought to be a little more carefully written up and a little more carefully checked by the office-bearers. The discrepancies have however, all been corrected in course of audit. From the nature of some of the discrepancies it appears that the daily Cash balances in hand were not regularly reconciled. This should invariably be done.

2. The accounts of books for sale were not kept properly. There should be a stock Account of Books to show receipt, issue and balance. At present the stock account is kept only for Brahmo Sangit. That was verified, and 9 copies of the book were found short.

3. The following points noticed by the auditors for 1919 and discussed in the Annual meeting of the year have not been attended to :

(a) The last part of item no. 3.—“Steps should be taken to realise the amount lying outstanding for a long time on Book Account. It is understood that a sum of not less than Rs. 300 is lying unrealised since 1913.

(b) The item no. 4. The details of Balances under ‘Deposits’ and Advances did not agree with the figures shown on the Balance sheet. Such discrepancies are very irregular. The causes should be carefully enquired into and necessary adjustments made during the current year to get them re-conciled. Amounts lying in the Deposit account since 1916 for which no claim is likely to be preferred should be written off to the General Fund with special sanction of the Executive Committee instead of unnecessarily increasing the balance. Amounts received for the purpose of creating permanent Funds and lying in deposit accounts for a long time should be transferred to that Fund without further delay.”

4. As a result of the auditors' remarks on items no. 7. of 1919 the sum of Rs. 200 was realised from Dr. M. L. Mitra as rent of his stable, but there is no account to show what balance is still due. It is understood that a monthly rent of Rs. 25 is re-coverable from the Calcutta Congregation for using the hall as Brahmo Samaj Library. But no amount is traceable to have been realised, nor is there any account to show the amount as out-standing.

This is regrettable.

5. The Trust Fund Securities were verified and found to be correct. It is gratifying to note that some of the securities heretofore in Government papers have been turned into stock certificates.

6. The Balance sheet has been compiled from the Books of the S. B. Samaj, but we cannot certify its correctness until—

(a) The balances shown on the Balance Sheet against the heads Deposits and Advances are verified by details in the Registers. The necessity of having it done has been emphasised upon for the last two years but unfortunately to very little purpose. As a consequence of this a sum of Rupees 12 as per voucher dated 31st March 1920 was paid to the Superintendent of the Sadhanasram twice without being detected until the payee voluntarily returned the amount stating that it was a double payment.

This state of things cannot be stopped until the balances are made to reconcile with the details.

(b) The accounts of the Famine and the Cyclone Funds showing the receipts and disbursements supported by the vouchers are submitted to show how the balances returned have been arrived at. A few notes supplied as accounts of the famine fund are quite inadequate.

A complete statement showing the amounts outstanding under different heads at the end of the year should be prepared just after the 31st of December every year and submitted to the auditors.

Auditors.

As directed by the Annual Meeting of the Samaj, we have examined the accounts with special reference to the remarks of the Auditors. We consider that there were no grounds for thinking that there were serious discrepancies in the accounts. The discrepancies were nominal and have been reconciled. We recommend that the accounts may be passed.

The President then delivered his address which runs thus :—Give, O God, purity, spirituality, unity and activity unto the Brahmo Samaj. We pray for Thy blessings upon our missions and mission workers stationed in different places. Preserve our family from the distracting influence of the world and let our children be brought up in Thy grace. Comfort the poor and distressed around us. We pray for our country that it may really become a holy land. Sisters and brothers,

It gives me great pleasure to extend to you a most hearty welcome. Accept my heartfelt thanks for your coming here at great sacrifice at this time of general distress in this country to inspire us with your presence at this spiritual festival of the Brahmo Samaj.

I see many old faces around me but during the year just ended we have lost many dear friends. Saint Bhuvanmohan Kar of Dinajpur who was loved and admired by people of all creeds and colours is no more. The Brahmos of old generation whose faith and piety made the name of the Brahmo Samaj, respected are gradually passing away. In Babus Prasantachandra Chaudhury, Krishnachandra De, Kali-prasanna Das, Miss Subala Sarkar, Mrs. Ranga Rao of Mangalore we have lost enthusiastic workers. many men and women have passed away creating a void in our community. May God give them peace in their new abode.

A great wave of unrest is passing over the world. Men are blindly following the impulse of the moment. Now is the time for the Brahmo Samaj to grasp the opportunities of service with courage and conviction.

But great are the difficulties that be set us. We should address ourselves with good-will to the problems which wait solution.

We are banded together for a special purpose which

is to worship God in spirit and to have a vision of divine humanity.

There is a tendency to lose sight of the most vital fact that the Brahmo Samaj is a church, not a mere association. We are suffering from an invasion of indifference to private and public worship. There are many homes where private worship is unknown. The religious influences in the home is unfortunately not always encouraging. The religious training of children suffers, as parents neglect to say their prayers at home and do not attend the place of public worship. The flood gate of the Infinite remains thus shut up for want of daily communion. Our collective strength cannot grow without worship in company of the faithful.

This is an age of icy materialism and cold cynicism. I look to the Brahmo Samaj for new light. I want to see amongst us men aglow with more generous enthusiasm and austere purity.

A new spirit possesses us at the time of the Maghotsav. If with good-will towards one another we apply ourselves to the work of the Samaj our difficulties will disappear at no distant time.

It was then announced that a special meeting of the General Committee would be held on February 10, 1921 to elect the Executive Committee of the year.

The next item for the consideration was the resolution of the Executive Committee regarding the election of Dr. Rabindra Nath Tagore as Honorary member of the Samaj.

The Secretary then read in this regard the recommendation of the Executive Committee dated 9th December 1921 as well as their resolution of the 6th January 1921, and on behalf of the executive Committee withdrew the resolution of the 9th December recommending the election of Dr. R. N. Tagore.

The President now explained that on a previous occasion a resolution was withdrawn by a member after having given notice of it, and permitted the Secretary to withdraw the resolution of the 9th December last.

But the President afterwards withdrew his ruling on the following suggestion by Mr. N. C. Sen being adopted by the meeting :—that the consideration of item No. 4 in the agenda (i.e. re, the election of Dr. Rabindra Nath Tagore) be postponed for one month to enable the Secretary to take legal opinion from Messrs. S. R. Dass, I. B. Sen, N. C. Sen, Kunja behary Biswas, Narendranath Bose, S. N. Haldar and P. Rai Chowdhury, on all the legal questions involved in this matter, for the consideration and discussion of the members of the Samaj.

The meeting was then adjourned to Saturday, the 26th Feb. 1921 at 6-30 p. m.

The Second adjourned annual meeting of the S. B. Somaj was held in the Prayer Hall of the Somaj on Saturday, the 26th February 1921, at 6-30 p. m.

Mr. K. K. Mitra was in the chair.

Mr. S. R. Dass read the following report of the Lawyers Committee :—

Being of opinion that it will not be to the best interest of the Samaj that the disputes which have been referred to us should be decided on technical legal grounds, we

suggested to those who appeared before us as representing the Executive Committee and those who have challenged their action that the question whether Dr. Rabindra Nath Tagore should or should not be elected an Honorary member of the Samaj should be referred to each and every member of the Samaj resident in India, whose name now appears in the Register of Members; that in the meantime the Executive Committee should withdraw their resolution of the 6th Januray conditionally on this report being accepted by the members at the adjourned annual meeting fixed for the 26th February 1921. And that the meeting fixed for the 26th February be adjourned to the 9th April or to such other date as may be agreed upon at that meeting. The votes recorded on such referendum by mofussil members and town members who are absent from town or are ill are to be taken as votes of such members at such adjourned meeting, the rest of the members will have to attend the meeting if they wish to record their votes. Should the majority of such votes be against such election the agenda 4, 5 & 6 are to be dropped and Dr. R. N. Tagore is to be taken as not elected. But if the majority be in favour of such election then Dr. R. N. Tagore is to be taken as elected.

As the said representatives agreed that our suggestion was a good solution of the disputes, we do not think it necessary to decide any of the legal questions referred to us and we accordingly do not decide any of them.

If this solution falls through and is not accepted by the members at the meeting of the Sadharan Brahmo Samaj fixed for the 26th inst, then all questions will stand in the position in which they were before the last adjournment.

The following resolution of the Executive Committee of Feb. 25, 1921 was also read :—

That the Executive committee accept the suggestion of Messrs. Kunja Behary Biswas, M.A.B.L., S. R. Dass, Bar-at Law, Narendranath Bose, M.A.B.L., I. B. Sen, M.A.B.L., Bar-at Law, S. N. Halder, Bar-at Law, N. C. Sen, Bar-at Law and P. Ray Chowdhury, Bar-at Law that the question whether Dr. Rabindra Nath Tagore should or should not be elected as Honorary Member of the Sadharan Brahmo Samaj be referred to each and every member of the Samaj. Resolved further that the Resolution dated the 6th January, 1921 withdrawing their recommendation dated the 9th December 1920 be cancelled conditionally on

the suggestion of the said gentlemen being accepted by the members at the meeting of the 26th February. Should the members refuse to accept the suggestion made by the said gentlemen at the adjourned annual meeting fixed for the 26th February, then this resolution is to be treated as a nullity.

Mr. Prasanta Chandra Mahalanobis then formally moved the following resolution :—

On the Report of the Committee appointed at the last meeting and with a view to avoid any discussion on the disputes which were referred to them, resolved, that the suggestions contained in the said report be adopted and that the meeting do stand adjourned till such date as may be fixed at this meeting.

Mr. Lalit Mohan Dass, M.A. seconded the resolution.

On the question of the date of the adjourned meeting being taken up for discussion Mr. P. C. Mahalanobis proposed and Mr. P. Rai Chowdhury seconded that the adjourned meeting be held on the 19th March 1921.

Mr. R. K. Guha moved an amendment that the meeting be held on the 9th April 1921. The amendment was lost and the resolution of Mr. P. C. Mahalanobis for holding the adjourned meeting on Saturday the 19th of March 1921 at 7 p. m. was carried.

The adjourned Annual Meeting of the 26th February having adopted the suggestion of the seven gentlemen to whom all legal questions had been referred on the 28th January last and the Executive Committee having cancelled their resolution of the 6th January, 1921 whereby they had withdrawn their recommendation of the 9th December 1920, and there being no constitutional difficulty now as to the election or otherwise of Dr. Rabindranath Tagore (as Honorary member) and with the concurrence of the Executive Committee, the members of the Sadharan Brahmo Samaj (at the adjourned Annual meeting) on the 6th February having referred to (all) the members for their opinion the question of the election of Dr. Rabindranath Tagore, the adjourned Annual Meeting will be held on Saturday the 19th March, 1921 at 6-30 p. m. where votes will be taken on the question either by replies in writing or upon personal attendance according to the rules of the Sadharan Brahmo Samaj as indicated in the letters already issued.

Mr. P. C. Mahalanobis proposed and Mr. Lalit Mohan Dass seconded that a Referendum Committee be formed to send letters (as drafted) to all the members of the Sadharan Brahmo Samaj and to receive their replies to them and to count the votes.

Mr. P. K. Rai Chowdhury proposed that the following gentlemen do form the Referendum Committee :—

Mr. Dwijendranath Bose proposed an amendment that the name of Mr. Hemendranarayan Rai be substituted for that of Mr. A. C. Rai. (carried).

(Carried).

Mr. P. C. Mahalanobis proposed and Mr. L. M. Dass seconded that the members of the Samaj offer their hearty thanks to the members of the Lawyers Committee for serving on the Committee as well as for the happy solution proposed by them.

(Carried unanimously)

The Third adjourned annual meeting of the S. B. Samaj was held on Saturday the 19th March at 7 P. M.

Babu Krishnakumar Mitra presided.

The proceedings commenced with a prayer. The President having read out the notice of the meeting informed the meeting that on the proposal of Mr. I. B. Sen it was resolved at the last meeting that a notice regarding the Referendum was to be published in the Indian Messenger, but he had come to know that the notice referred to above had been sent to individual members, which was irregular.

Mr. Prasanta Ch. Mahalanobis stated that the notice was sent to members under instructions from the Referendum Committee.

The President held that the Referendum Committee had

no right to issue such orders and that the action was irregular.

Mr. S. C. Ray asked the permission of the President to say a few words about the proposed election of Dr. Rabindra Nath Tagore as honorary member. The President referred the question to the meeting which decided by a majority of votes that Mr. Ray should not be allowed to speak.

Mr. P. C. Mahalanobis proposed and Mr. P. K. Rai Chowdhury seconded that Mr. A. C. Ray be elected, as a Scrutiniser. (Carried).

A ballot was then taken of the members present re.—the election of Dr. Rabindra Nath Tagore. The President then announced the result of the ballot and the Referendum as follows.

For the election of Rabindra Nath Tagore as honorary member 446 votes, and against 233.

Dr. Rabindra Nath Tagore was duly elected an Honorary member of the Somaj.

The following resolutions were then passed.

That this meeting conveys its best thanks to the members of the British and Foreign Unitarian Association of England for the interest they have uniformly manifested in the Brahmo Somaj by according cordial reception and fraternal help to its representatives who have visited that country from time to time and for the generous assistance they have always rendered to our cause in various ways, specially by providing a scholarship to enable Brahmo Theological students to go to England to study Theology and Philosophy at the Manchester New College, Oxford, and by sending representatives to work in India.

APPENDIX F.

The Maghotsav and other Utsavs. 1920.

The Maghotsav.—Our Great Annual festival, which lasted this year 16 days, was, as in previous years, celebrated by the Samaj, in the month of January, with due solemnity. Its varied programme afforded joy and life to the men and women, young and old, of our community ; and a number of our fellow-believers from distant parts of the country came here to join with us. The several institutions of the Samaj—the Congregation, the Sadhan-asram, the Sangat, the Theological Society, the Student's Weekly Service, the Youngmen's Association, &.—had special days for the celebration of the Utsav.

The opening service (Udbodhan) of the Utsav was conducted in the evening of 17th January by Pandit Navadwipchandra Das. From that day till the close of the Utsav there was every morning and evening, either divine service, a lecture or some other event, at the largely attended Prayer Hall of the Samaj. On 24th January, there was the Nagar Sankirtan in the afternoon, which starting from the College Square attracted, as it passed through the streets, a large number of people even from the orthodox communities ; and when the huge procession entered the already crowded Mandir in the evening, many had to go away disappointed for want of room ; the divine service that followed was conducted by Babu Krishnakumar Mitra.

The 11th of Magh being the anniversary of the foundation of Brahmo Samaj, there was on the day a whole-day Utsav. Men and women began to pour in from the early hours of the morning, and before dawn the spacious Mandir was full to overflowing. After the Ushakirtan which had gone on till 7 A.M., Principal Herambachandra Maitra sat on the pulpit and conducted the morning service. From 10 A.M., to 1 P.M. there was a respite to enable us to have our breakfast—a love feast provided for all by the Utsav Committee. From 1 p. m., there were readings from scriptures, given by Babus Lafitmohan Das and Satishchandra Chatterjee and at 4 P.M. Prof. Rajanikanta Guha conducted divine service in English.

After this, there were Sankirtans followed by the evening service conducted by Dr. P. K. Acharjee.

On the Ladies' day i. e. on the 23rd January Mrs. Hemlata Sarkar conducted the morning service in the Mandir exclusively for ladies, and divine service was also held at the same time for the public, in the hall of the City College.

The Children's Gathering, which is an occasion of great rejoicing for our children, was held on the 28th January. On the afternoon, they, finely appressed, assembled at the Prayer Hall, and presented a charming spectacle of life and hope. It does one's heart good to see so many of our blooming little children standing silently by their mothers engaged in prayers for their health and happiness. After Babus Amritlal Gupta, Sukumar Ray and Rajanikanta De had spoken in their usual entertaining manner a few words to the children, they were treated to a sumptuous feast provided for them annually on this occasion by Sir Nilratan Sircar.

A Garden party was, as in previous years, held after the Utsav. The late Mr. Butto Krishna Pal's Dum Dum garden was lent to us for the purpose by his generous son, to whom the best thanks of the Samaj are due. Towards the expenses of the Garden party the sons of the late Mr. H. Bose paid their father's annual donation of Rs. 250.

Utsavs—(i) The Bengali New Year's Day *utsav* was celebrated according to the following programme :—

Babu Lalitmohan Das conducted divine service in the evening of the 31st. Chaitra (13th April). The morning service of the Bengali New Year's Day (14th April) had for its minister Pandit Navadwip Chandra Das and the evening service Prof. Rajani Kanta Guha. Both of them dwelt on New Life in their sermons.

(ii) The forty-second anniversary of the foundation of the Sadharan Brahma Samaj was celebrated in the following manner :—

Saturday, May, 15, 1920 (1st Jyaishta)—Evening—Divine Service—Minister—Pandit Sitanath Tattva-bhushan.

Service by Prof. Rajanikanta Guha M. A., on “ধর্মের খোসা ও শাস” ; (The Kernal and the Husk of Religion) Sunday —6th Bhadra (22nd August) Morning—Usakirtan ; divine service ; minister—Principal Herambachandra Maitra M. A. GIRIDIH BRAHMO SAMAJ

By the Grace of the All-Merciful Lord, the Giridih Brahmo Samaj, then known as the Pachamba Brahmo Samaj, was established in the year 1874. It was chiefly through the energy and activities of some devout persons, who were sympathisers of the Brahmo Samaj, that the Samaj was founded. In the year 1882. a small tiled Mandir was built, on a piece of land at Giridih, kindly gifted rent-free by Tekait (Zemindar) Sidhanath Sing of Pachamba. In 1892 a Deed of Trust was executed and Mr. A. M. Bose, Bar-at-Law, Pandit Sivanath Sastri M. A., Babu Tinkori Bose, Babu Umesh Chandra Dutta, B. A., and Babu Ramlal Banerjee were appointed, the first Trustees of the Giridih Brahmo Samaj, and under certain trusts mentioned therein the properties of the Samaj were vested in the said Trustees. Babu Kunja Behari Biswas, M. A. B. L. has been appointed as a trustee. A constitution was drawn up in the year 1910. The Samaj was affiliated to the Sadharan Brahmo Samaj of Calcutta in the year 1917. At a meeting of the members of the Samaj held annually during the Anniversary Utsava in the month of Pousa,

GENERAL MEETINGS.

General meetings of members and sympathisers were held on the 24th January 1919 and on the 11th October.

BEREAVEMENT.

The year under Report was saddened by the death of the venerated leader of the Sadharan Brahmo Samaj, Calcutta, Pandit Sivanath Sastri, who was called away to his eternal home on September 30th. It is not easy to give adequate expression to our sense of the value of the manifold service rendered by our departed leader to the cause of the Theistic movement, not only in his own Presidency of Bengal, but throughout our country. Our loss is too great for words. Yet we feel deeply grateful to the Giver for our departed leader's long life, so fruitful in works of the noblest love, self-sacrifice and we are certain that the memory of his life and work will be a lasting inspiration to all those who call themselves Theists in this and also in other lands. According to the request made by the Sadharan Brahmo Samaj of Calcutta, whose Chief Minister he was, Memorial Services were held by our Samaj on the morning and evening of November 2nd. The latter service which was held in the Theosophical Society's Hall was presided over by our esteemed friend and sympathiser Mr. Baji Krishna Rao, B. A., B. L., who in the course of an impressive address on the social and spiritual significance of the Brahma movement spoke in touching terms of the self-devotion of the great departed soul.

In our congregation itself we have to record the death of Mrs. Mootiah, wife of our brother Mr. J. S. Mootiah.

RELIGIOUS RITES.

Two *Namkaran* ceremonies were performed during the year—one of the daughter of our brother Mr. Yelliah and the other of the son of our brother Mr. K. Mootiah. At both these our brother B. Ramayya officiated as minister.

During the year six persons were admitted to the fellowship of the Samaj by the usual ceremony of Initiation. Five were initiated on the 29th August, when Mr. Chandavarkar officiated as Minister and one was initiated on the 23rd November when Mr. Bhaggyareddy officiated as Minister.

The *Wedding* of our brother Sriman Mallesham was celebrated on Thursday the 1st of May according to the ritual prepared by our venerable leader Sir Ramkrishna Gopal Bhandarkar of Poona for the performance of Brahma marriages.

MAGHOTSAV DAY.

On the 24th of January the members and sympathisers spent the day together in the house of our brother in conversation and conference on social and religious questions.

ANNUAL UTSAV.

The Utsav opened on Friday the 25th April with a Devotional Meeting which was conducted by Mr. Subbukrishnaiah of Madras who prayed for the Divine presence at all the Meetings and in his sermon, after prayer showed the necessity for the sense of the Divine presence in all our activities, whether we call them religious or secular. In the evening a lecture on certain Aspects of the work of the Brahma Samaj was delivered by the same speaker under the Presidentship of Mr. N.G. Welinkar. The lecture showed how religion is the basis of all noble individual and social life and insisted on the need of Worship as the fountainhead and inspiration of all true social work. On Saturday evening Mr. Welinkar gave an instructive lecture on Religious Values, explaining the significance and worth of three religious graces in particular—humility, faith and peace of mind. The lecture was presided over by the Rev. F. T. Shipham of the Wesleyan Mission, Secunderabad. The President emphasised the fact that the world's work to be done truly and well requires faith in the Divine Father as the great inspirer and support in man's endeavour after the true and the

good. On Sunday evening the Chair was taken by our sister Mrs. Malannah. At this meeting there were two addresses on Indian Theism, one by Mr. G. A. Chandavarkar and the other by Mr. J. Mangiah, B. A., L. T. On Monday morning there was a largely attended Devotional meeting conducted by Pandit Gaya Pershad. This meeting was followed by a Conference of the members and friends of the Samaj presided over by Mr. G. B. Trivedi, B. A., Secretary of the Bombay Prarthana Samaj. It is a matter for great satisfaction that the Conference unanimously resolved that it was necessary to provide a Mandir for the Samaj. In order to make a practical beginning the members of the Samaj agreed to give one month's income, each, towards the realisation of the desired object and some of the sympathisers similarly agreed to contribute half a month's income towards the same. In the evening there was a crowded meeting presided over by Mr. Fakhruddin Ahmed Khan, B. A., Financial Secretary to H. E. H. the Nizam's Government. At this meeting there were speeches by representatives of four World-Religions,—Hinduism, Christianity, Islam and Zoroastrinism. Bhai Tabilram Lilaram spoke on Hinduism Rev. G. Brown, M. A., of the C. M. S. dwelt on the idea of a *suffering God*—of which the Christian faith was, he said, the embodiment. Mr. Hafiz Abdul Ali, Vakeel in a Urdu speech which was much admired spoke of Islam Mr. F. D. Mulla, M. A., Barrister-at-Law gave a scholarly discourse on Zoroastrinism. On Tuesday under the Presidentship of Mr. S. P. Kanga a very able and instructive lecture was delivered at Secunderabad by Mr. S. Rahimuddin, B. A., Principal of the Islamia High School, Secunderabad. His subject was "Work and Worship" and he showed in a striking and impressive manner how these were complimentary aspects of one great fact,—a life such as a spiritual being like man is meant to live. All the meetings were inspired and enlivened by the singing of Mr Pethe who though not a member of the Samaj willingly came forward to sing the hymns selected for each occasion and whose melodious voice brought much joy and inspiration to the audience. On Wednesday a largely attended and very successful ladies' gathering was held under the Presidentship of Begum Mrs. Khedive Jung. At this meeting which was organised by Mrs. Welinkar, the Joint Secretary of the Samaj, speeches on religious and social subjects were delivered in different Vernaculars and in English and the President summed up the different speeches in a most able and illuminating speech in Urdu. On Thursday at the conclusion

of the Utsav about 800 persons, men and women of all castes and creeds sat down to a dinner generously provided by our brother Mr. W. Seshia, whose liberal aid has been always extended to all good works undertaken by us. On Friday Harikirtan was performed in Telugu by Mr. Subbukrishnayah before a large audience. Thus ended this Utsav for the success of which we give the praise and glory to God.

LECTURES.

As in the previous year, a number of instructive Lectures were delivered under the auspices of the Samaj in the Theosophical Society's Hall. Those in connection with the Annual Utsav have been mentioned before. Besides these were the following :—

Date.	Lecturer.	Subject.	President.
15th Jan.	Mr. A. Venkatra- maniah. MA., L.T.	Universal Bro- ther hood." linkar	Mr. N. G. We MA.L.L.D.

donors and particularly to our beloved brother Mr. Seshiah who, as in former years, has given us generous help.

VISITS OF MISSIONARIES.

During the Utsav we had the pleasure of the presence in our midst of our beloved Missionary Mr. E. E. Subbukrishnaya, one of the founders of this Samaj and its first Minister. The service conducted by him during this time and his lectures were very helpful towards spiritual uplift and were much appreciated. We record, with pleasure and gratitude, the visit also during the Utsav, of our venerable brother Bhai Tahliram Lilaram whose age, piety and spiritual fervour did so much to instruct, encourage and inspire our small community and who, not content with travelling hither at his own expense, also made a donation to our Building Fund.

MEETINGS OF THE MANAGING COMMITTEE.

The Managing Committee met regularly from month to month and not only transacted the ordinary business of the Samaj but also gave careful consideration to special matters of importance. Many sites were inspected with a view to the proposed Samaj Building. We are sorry to record that until now no site has been discovered which whilst being within our means as regards price, is at the same time, adapted to our requirements. The Committee still continue their search.

The Committee submitted to the general body a revised draft of Rules on the important questions of (a) Ritual for Initiation, (b) Marriage Ritual, (c) Conditions of Admission to full membership. The Committee's recommendations on all these subjects were adopted at a general business meeting of members and sympathisers. Pursuant to the Resolution of the Conference held during the Annual Utsav, regarding a building for the Samaj, the Committee drew up an Appeal for Donations.

KUMARKHALI BRAHMO SAMAJ

The Samaj was established on the 30th Ashar, 1255 B. S. by the late Maharshi Devendranath Tagore.

It has a Pucca Mandir of its own constructed in the year 1278 Bs. It is now in need of repair and an appeal for funds will shortly be made.

Divine service was conducted every Sunday morning. The total number of members is 11 besides a few sympathisers. The Divine service is conducted by the Secretary and some other members.

There were special services on the following occasions.

- I. Bengali and English New years' days.
- II. In memory of Raja Rammohan Roy, of Maharshi Devendranath Tagore and of Revered Pandit Shivanath Sastri.
- III. The Bhadrotsav.
- IV. The Foundation day of the Samaj.
- v. The Maghotsav from 7th to 11th Magh.

The 71st anniversary of the Samaj commenced on the 23rd October and ended on the 27th. Babu Sasibhusan Bose, a Missionary of the Sadharan Brahmo Samaj and Babu Rajanikant De came down from Calcutta and conducted divine service, preached sermons and gave lectures in the Mandir and Bazar before a large gathering. Alms were distributed to the blind, lame and poor men. Babus Anathkrishnaseal and Niradakumar Das kindly joined the Utsav on their way back from the Mymensing Conference. A few ladies of the town attended the festival.

The Samaj has a landed property bequeathed by the late Babu Jogeshwar Kundu and the income derived from it is about Rs 30 per annum. It had at the local Post Office Savings Bank (account No. 13527) Rs 5-11-8 on the last day of the year under report and

in the "Permanent" Fund Rs 100 contributed by the late Srimati Annanda Moyi Dasi. This amount has been kept in deposit with Babu Atul Krishna Shaha, a Trustee of the Samaj at her own request and the annual interest of Rs 6-0-0 is spent during the anniversary in giving away alms to the really needy. Another Rs. 100 under the head "Library" is in deposit with Atul Babu at an interest of Rs. 4½ percent per annum. Rs. 79-10-9 of the General Fund is also with him i. e. in all Rs. 279-10-9. This year a sum of Rs. 6-8-3 has been deposited in the Post Office savings bank account No. 41124 under the head "Mission" fund.

The Samaj is associated with the Sadharan Brahmo Samaj and is under the management of 4 Trustees, namely, Principal Herambachandra Maitra M.A. of the City College Babu Akshayakumar Maitra B. L., C. Dwarkanath Pramanik
Secretary.

RANCHI BRAHMO SAMAJ.

The Samaj had 16 members and 4 sympathisers in the beginning of the year and 19 members and 4 sympathisers at its close.

In the annual meeting Babus Joykali Dutt and Hiralal Sarkar were elected Secretary and Asst. Secretary respectively.

Divine service was held regularly every Sunday in the Samaj Mandir. The average attendance was about 15.

As usual the Maghotsab was celebrated with great enthusiasm. It extended over 4 days. The most inter-

esting feature of the local maghātsab, for some years past, has been the holding of divine service at Santidham on Morapadi Hill, of Mr. J. N. Tagore, on one of the days of the Utsav. The hill is a charming place for *Sadhan*. It is a pity that on account of its distance from the town the local Brahmos can not often resort to the Hill for devotional purposes.

As in previous years a public meeting, in the local Union Club Hall, was held in the evening of the 27th September, to celebrate the anniversary of the death of Raja Rammohan Roy. Mr. S. N. Tagore (retired I. C. S.) presided over the meeting. Messrs K. P. Ghosh and J. K. Dutt addressed the meeting.

Special divine service was held in the Samaj Mandir on the 19th January 1920, in connection with the anniversary of the death of Maharshi Devendra Nath Tagore.

During the year the Samaj has purchased for a consideration of Rs 1000 the building of the local Girls' School which stands in the Samaj compound. The acquisition of this building has added considerably to the usefulness of the Samaj. The Samaj intends to convert it to a mission-house for missionaries who may have occasion to come to Ranchi for mission work.

The Samaj is in debt on account of the heavy outlay it had to make during the year. It will take a little time to place the Samaj on a sound financial footing.

It is painful to note that for lack of solidarity amongst the members of the Samaj, its influence on the General Public is not much felt.

PRINCIPLES OF BRAHMOISM.

(1) There is only one God, who is the Creator, Preserver and Saviour of this world. He is spirit ; He is infinite in power, wisdom, love, justice and holiness. He is omnipresent, eternal and blissful.

(2) The human soul is immortal, and capable of infinite progress, and is responsible to God for its doings.

(3) God is to be worshipped in spirit and in truth. Divine worship is necessary for attaining true felicity and salvation.

(4) To love God and carry out His will in all the concerns of life, constitute true worship.

(5) Prayer and dependence on God and a constant realisation of His presence, are the means of attaining spiritual growth.

(6) No created object is to be worshipped as God nor is any person or book to be considered as infallible and the sole means of salvation ; but truth is to be reverently accepted from all scriptures and from the teachings of all persons without distinction of creed or country.

(7) The Fatherhood of God, the Brotherhood man and kindness to all living beings are the essence of true religion.

(8) God rewards virtue, and punishes sin. His punishments are remedial and not eternal.

(9) Cessation from sin accompanied by sincere repentance is the only atonement for it ; and union with God in wisdom, goodness and holiness is true salvation.

**THE
FORTY-FOURTH ANNUAL REPORT
OF THE
SADHARAN BRAHMO SAMAJ.**

1921

Another year has just closed—with its trials, its difficulties, and its problems for the Sadharan Brahmo Samaj. We proceed to record below what limited amount of success it has been possible for us to achieve. Our Missionaries are breaking down in health. Our promising youths are being carried off by death. Grave problems confront us on many sides. Yet we must not lose hope. Our difficulties are great : but God's mercy is greater. We must, without fail, carry on our endeavours for the realisation of that end which God has ordained for us—and which is for each one among us to attain a truly devout life in the first place, and in the second place to show the country the way to the attainment of such life, *without relinquishing society* and while living in intimate contact with its affairs and concerns. May the great God give us the necessary zeal and enthusiasm, the necessary energy and strength ! May that fulness of inspiration descend from Him which would enable the Sadharan Brahmo Samaj to fulfil its mission to the world !

General Survey.

The Sadharan Brahmo Samaj was established in the year 1878, with the object of propagating the principles of Brahmoism, uniting under a common organisation all individuals and congregations holding these principles, and conducting all the business of the Church on constitutional lines. The total number of members on the list, including those elected during the year, stood at 1255 on the 31st of December 1921. Besides these, there is a large

with a view to foster spiritual concord and understanding and a closer relationship between them and the S. B. Samaj. While in Enland Principal Maitra conducted divine service in the London Brahmo Samaj every Sunday except when otherwise engaged. He gave an address on "The Unity of Great Minds" in the hall of the National Indian Association and another on "Idealism in Politics" in Caxton Hall. At the request of Unitarian friends he conducted service at the South Kentish Town and Wandsworth Unitarian churches in London. Besides, he visited Bristol in connection with the Rammohun Roy anniversary; on the 25th September last he preached two sermons there—one in the morning and another in the evening—at the Lewin's Mead Chapel and on the 27th he delivered an address at the Rajah's tomb. At the Rammohun Anniversary meeting which was held on the following Sunday in the Shakespeare Hut, London, both Sir Nilratan and Principal Maitra spoke. At Edinburgh he had two prayer meetings with Indian students. While coming back he gave an address on board the steamer to some of the passengers, on the mission of the Brahmo Samaj at their request.

Mission Work.

To propagate the principles of Brahmoism and to carry the message of the Brahmo Samaj far and near, is the most important item of work of the Sadharan Brahmo Samaj. To do it effectively the following agencies are in the main employed:—

- I. (a) The ordained Miasionaries, whose number is, at present 9.
- (b) 14 workers of the *Sadhanasram*.
- (c) 57 members of the *Sevak Mandali*.

II. The two organs of the Samaj—The *Tattwa Kaumudi*, a Bengali fortnightly and the *Indian Messenger*, an English weekly.

III. The following Institutions affiliated to the Samaj:—

- (a) The Congregation at Calcutta.
- (b) The *Sadhanāsram*.
- (c) The Students' Weekly Service.
- (d) The *Sangat*.
- (e) The Theological Society.
- (f) The Sunday Moral Training School.

IV. The Educational Institutions under the control of the Samaj.

We are, more than ever, conscious of the poverty of our resources in men and money, and at the close of the year under report, our hearts are now filled with sincere regret at the inadequacy of our response to the unceasing demand for spiritual help from different parts of this vast Continent. During the year our Missionaries, in spite of very many disadvantages under which they have had to labour, were able to visit Bombay, Madras, the United Provinces, the Punjab, Behar and Orissa, Chotanagpur, Assam and most of the important parts of Bengal.

The following is a detailed account of the work done during the year by our missionaries and mission workers :—

Pandit Navadwip Chandra Das was in very poor health during the year. Notwithstanding his illness and the infirmities of old age, he has done very valuable work. Wherever he has gone, his presence has been hailed with joy. He spent some months at Dacca where, besides conducting divine service occasionally in the Mandir, he officiated as minister in some domestic ceremonies and held conversations on religious subjects with earnest enquirers. While at Calcutta he was in the pulpit of the Prayer-hall on some occasions and conducted service in many families and the Sadhanasram. He also visited Mymensing and Tangail.

Babu Nilmani Chakravarti spent the whole year in the Khasi Hills, being generally in indifferent health; he took part in the utsavs and general Conferences of Brahmos and sympathisers held at Mowsmal, Wahlong, Mowstoh, Nongjiri and Cherrapunji, delivering sermons, and lectures. He initiated 12 persons into Brahmoism during the year, and conducted divine service occasionally at Cherrapunji and treated patients. He also acted as minister in domestic ceremonies and conducted divine service on the occasion of the Maghotsav, the Bhadrotsav, the New Year's Utsav, the Rajah Ram Mohun Roy Anniversary and the Anniversary of the Khasi Mission.

Babu Hem Chandra Sarkar was in charge of the Sadhanasram and had to be in Calcutta during the greater part of the year. The work of the Sadhanasram and the

Sivanath Memorial took up almost the whole of his time. In October and November he went out on a mission tour in the Panjab, the United Provinces and Behar, in the course of which he visited Lahore, Rawalpindi, Sealkot, Patiala, Nabha, Dehra Dun, Lucknow, Patna and Bishenpur. He also visited Dacca, Mymensingh, Murshidabad and Kurseong during the year. While in Calcutta, he conducted divine service in the Mandir, Sadhanasram and Brahmo families, and taught the *Sadhanarthis*.

holding Kathakata meetings and singing hymns ; he also conducted weekly service once in the Bhawanipore Sammilan Samaj ; with his Kirtan party he visited four different parts of the town ; conducted on some occasions the weekly service of the Sadharan Brahmo Samaj and sang hymns there on several occasions ; visited some families and conducted service in domestic ceremonies, delivered a speech in connection with the Students' Weekly Service and took active part in the daily Sangat held in the Sadharan Brahmo Samaj Mandir whenever he was in town ; during the greater part of the last quarter of the year he was ill and could not therefore leave the town for mission work.

Besides the ordained missionaries, the following gentlemen did mission work in different parts of the country :—

Babu Sudhir Chandra Banerji made a Mission tour in Behar and the United provinces where he preached Brahmoism by delivering lectures, conducting divine service and holding conversational meetings. He also visited Murshidabad and did some work there.

The Sevak Mandali.

It is an important Institution of the S. B. Samaj established in the year, 1903. The members of the Sevak Mandali are all lay-workers. They have, by conducting divine service, delivering lectures, holding conversational meetings writing books, editing newspapers and contributing articles to them, done very good work towards the furtherance of our cause in different

parts of India. There are at present 57 members of the Sevak Mandali, of whom Pandit Sitanath Tattwabhusan deserves special mention.

Pandit Sitanath Tattwabhusan was at Giridih for a little over a month in the beginning and in Pandit Sitanath Tattwabhusan. Calcutta for the rest of the year. Sadhanasram.

By the grace of God, the work of the Sadhanasram went on satisfactorily during the year, in spite of many difficulties and short-comings. Early in the year most of the workers assembled in Calcutta on the occasion of the Maghotsav and spent a few days together, with much mutual benefit. As usual, the Utsav of the Sadhanasram was observed on the 12th Magh, when Messrs. Manmatha Nath Das, R. Balakrishna Rao and Mahendra Pattanaik were accepted as Workers and Babus Amritakumar Datta and Anath Krishna Seal as Helpers. Later in the year and on the recommendation of the Superintendent of the Lahore Branch, Bhai Ramkrishna, who has long been associated with the Sadhanasram was appointed

a Worker and Srimati Arunkumari Guha and Sriman Sibrup Singh, daughter and son of the late Bhai Sundar Singh were accepted as Helpers. Thus during the year there were four new Workers. A new branch, under the name Himalayan Sadhanasram, was opened at Kurseong in May last. The Madras Branch was removed to Bangalore during the year, where it has been working more successfully.

After the celebration of the anniversary of the foundation of the Sadhanasram on 1st Feb., the Workers returned to their respective centres and began their work with renewed enthusiasm. There were four workers in Madras Presidency. In the extreme south, Mr. Sivaprasad tried to spread the message of the Brahmo Samaj with great earnestness from his head quarters in Travancore. Mr. Subbukrishnayya worked in the Central parts of the presidency with Madras as his head quarters during the earlier part of the year and subsequently at Bangalore. Mr. R. Balkrishna Rao with his usual devotion and steadfastness confined his labours to the two northernmost districts of Ganjam and Vizagapattam, Mr. Mahendra Pattanaik worked among the Oriya-speaking people of the Gunjam district during some parts of the year from his head quarters at Cuttack. In him we have got a wholetime worker for Utkal. Up in the Punjab, Bhai Sita Ram worked almost single-handed to the best of his ability. Our workers visited several places in Bengal and Assam and a few stations in Behar. But there are large areas and important places which remained unattended for paucity of workers.

At the head quarters, daily divine service was held throughout the year. Monthly Utsavs were observed on the 1st Sunday of every month. Open air meetings in the public squares of Calcutta were held during the first half of the year. There was only one candidate under training. There were also a few *Sadhanarthis* of whom Babu Satyabrata Rudra was initiated into Brahma Dharma. Mr. Lakshman R. Guru, who had been sent to Meadville Theological School for training completed his course of training there with distinction and has been sent to Harvard University for a further course of training.

Babu Adinath Chatterji was in Calcutta during the earlier part of the year, when he conducted divine service in the Mandir, the Sadhanasram and in Brahmo families. After the Maghotsav, he visited Midnapur, Bankura, Bogra, Dinajpur, Kakina Rangpur, and Berhampur,

In connection with the anniversary of the Rajsahi Brahmo Samaj, he delivered three lectures, which also were well attended. It is hoped that in course of time his endeavours will bear abiding fruits.

Daooa Sadhanasram.

The Asram work continued without break. Pandit Navadwip Chandra Das was there in the beginning of the year and contributed much to the devotional exercises. Babu Barada Prasanna Ray went there in December and strengthened the asram work. Every morning divine service was held and

Lahore Sadhan Asram.

Bhai Sita Ram was in charge of the Lahore Branch. He was helped by Bhai Ram Kishan in his work. The Students' Lodge connected with the Asram worked regularly. Weekly divine service was held in the Asram for the benefit of the students, mostly conducted by Bhai Ram Kishan, who is the Superintendent of the Boarding House.

Babu Hem Chandra Sarkar paid a visit to the Branch this year in October, and after a special divine service held in the Asram, he accepted Bhai Ram Kishan as a Worker and Sriman Sibrup Singh and Sreemati Arun Kumari Guha as Helpers.

He carried on a large correspondence with friends and sympathisers in the mufassil.

Himalayan Sadhanasram.

The Himalayan branch of the Sadhansaram was established at Kurseong on the 22nd May last with a view to provide opportunity to workers and Sadhan-arthi for quiet study and meditation in the midst of the beauty and grandeur of the Himalayas at intervals of their arduous labours. Such a place of retreat had long been thought of and has at last been secured by the mercy of God. During the year Babus Satis Chandra Chakravarti, Hemendranath Datta with their families, Kunja Lal Ghosh, Hem Chandra Sarkar, Govinda Chandra Sen, Secretary Dinajpur Brahmo Samaj, Mr. Mahendra Pattanaik, and Mr. A. Raman Bruthaehan stayed in the Asram for varying periods. Divine service was held daily and weekly congregational service was held on Sundays.

The Madras Branch continued to be in charge of Mr. B. Subbukrishniah who carried on its work to the best of his ability. During the earlier part of the year it was located in Madras city, but afterwards it was removed to Bangalore. Here as in Madras, Mr. Subbukrishniah had to work single-handed, but the members of the Local Samajes took advantage of his presence and utilised him fully. It may be hoped that at Bangalore the Asram will become increasingly useful.

Mr. E. Subbukrishniah worked in Southern India with his head-quarters at Madras during the earlier part of the year; and since May at Bangalore; while at Madras he conducted divine service in the Southern India Brahmo Samaj and paid visits to Berhampore, Pithapuram, Vizagapattam, Cocanada, Masulipattam, Guntur and Bangalore. Mr. R. Balkrishna Rao worked in the Ganjam and Vizagapattam districts of the Madras Presidency under the auspices of the Brahmo Andhra Mandali. During the first half of the year he had his head quarters at Vizagapattam, but during the latter half it was removed to Berhampore. He frequently visited the important places in both the districts, among which the following may be mentioned particularly :—Vizagapattam, Anakapalle, Chodavaram, Vizianagram, Pondwru, Sigadam, Chatrapur, Ichhapur Sompeta, Marawa, Aska and Palasa. The centres are Alleppy, Ainalor, Anarthan, Bangalam, Karuvetta, Kotar, Trivandram, Varkalai and Tuticorin. He addressed 55 public meetings, conducted 39 prayer meetings, held nearly 80 conversational parties and contributed twenty articles and letters to different vernacular papers and magazines. pathy of Mr. Srinivasa Rao, a high caste Brahmin of Varkalai, and got from him one acre of land for the erection of a Brahmo Mandir ; Rao Sahib V. Gopalam has made a donation of Rs. 100 for the purpose. Rao Bahadur V. V. Govindam has given Rupees 150 and two acres of land for building an asram.

Mr. Mahendra Pattanaik worked in Utkal, the Oriya speaking tracts of Orissa and Madras Presidency with his headquarters at Cuttack. During the year he visited :—Bhubaneswar, Puri, Sakshigopal, Delang, Jatni, Khurda, Balugaon, Banapur, Kalikota, Rambha, Sabilia, Ganjam, Chatrapur, Berhampore, Parlakimedi, Tekkali, Mandasa, Ichapur, Lathi, Arka, Dharakota, Sidhapur, Bodagada and Khargpur. He also contributed articles on religious and social subjects to Oriya papers. He spent a few weeks at the Himalayan Sadhanasram for study and *Sadhan*.

The Sadhanasram Seva Section.

The Sadhanasram Seva Section (the Philanthropic department of the Sadhanasram) had four institutions under it during the year viz., the Dacca Hindu Widows' Home, the Shillong Sebasram, the Utkal Orphanage and the Society for the Improvement of the Backward Classes, Bengal and Assam. All the institutions worked fairly satisfactorily during the year. At the close of the year there were 11 widows in the Dacca Widows' Home of whom some have been sent to the local Training School in the course

of the year. A Technical Department was opened during the year in which spinning and weaving are being taught to the inmates. The Government of Bengal continued its monthly grant of Rs. 150 for the School and of Rs. 30 for the Hostel. The Home has sustained a great loss by the resignation of Mrs. P. K. Bose, who carried on the work of the Home with great devotion and at considerable trouble and sacrifice as its Hony. Secretary for several years. Mrs. M. Datta has kindly undertaken the work of the Hony. Secretary.

The Shillong Sevasram.

The Shillong Sevasram is an orphanage for Khasi boys founded about ten years ago by Babu Manmatha-nath Das, a worker of the Sadhanasram. It had been affiliated to the Sadhanasram Seva Section but on account of some technical objections, it had to be dis-affiliated two years ago. At the beginning of the last year, it was formally made over to the Seva-Section with all its assets and liabilities. A managing committee was formed to carry on its work, but the committee being unable to undertake the burden, the Governing Body of the Seva-Section had to take over the responsibility on its own shoulders. There were seven orphans in the Asram. A few of the old boys also are staying in the Asram and helping in its work. With their help the technical department was carried on fairly well during the year. Four handlooms were worked, in which shirtings and jharans were woven, for which there was a good demand in the local market. Carpentry work was also carried on to a considerable extent. The agricultural farm maintained by the Sebasram also worked satisfactorily during the year, about 200 maunds of potatoes having been grown during the year, besides other agricultural produce. There was a little income from the technical department which, with the grant from the Seva-Section and occasional donation from generous persons, just kept the boys out of the clutches of starvation. As Shillong is a very costly place and local help is meagre, the Sebasram has always had a very hard struggle, but as its usefulness becomes better known, it is hoped it will be more adequately supported by the generous public.

Babu Manmath Nath Das worked among the Khasi people with his head quarters at Shillong, where he managed the Orphanage till the close of the month of August. He was also in charge of the Khasi Hills

Mission of the Sadharan Brahma Samaj. Since the beginning of the year under report he has started a monthly journal. He conducted divine service in the Khasi Hills Brahma Samaj and many other places in the district which he visited several times.

The Utkal Orphanage.

The Utkal Orphanage was started in December 1920 with 13 children brought from the Satpara Relief Centre in Puri District. Since then 2 of them have died and two have left the Asram without notice. Two girls have been taken charge of by Babu Taraprasad Ray of Tangail. But two more have also been added to the number.

The Asram is located in a rented house. Babu Kshetramohan Sahu of Ganjam with his wife has been in charge of the Asram from the very beginning.

The children are taught to read and write and have been given two spinning wheels for practice. The introduction of some other small industries is also in contemplation.

The total amount received during the year was Rs. 1246-1-0 and the total expenditure was Rs. 1112-5-0 leaving a balance of Rs. 133-12 in hand on the 31st December 1921. The average monthly subscription realised was about Rs. 20-0-0 only. The Seva-Section of the Calcutta Sadhanasram contributed Rs. 125-0 during the year in 3 instalments. Two bags of rice (3 maunds) were supplied by two gentlemen of the town. A local Zemindar supplied cloths for the children twice during the year and Babu Ramananda Chatterji of Calcutta sent a few blankets last year and paid Rs 8-0 this year for purchasing winter clothing ; to all of them the best thanks of the Committee are due.

The Society for the Improvement of the Backward Classes, Bengal and Assam.

The work of the Society for the Improvement of the Backward Classes, Bengal and Assam, went on steadily under the able guidance of its devoted Secretary, Rai Sahib Rajmohan Das. The Government of Bengal continued its generous grant.

There were 326 schools under the Society during the year with 12444 pupils of whom 9412 were boys and 3032 girls. The total income for the year with balance of the last year was Rs. 16801-3-1 and total expenditure 10949-1-3.

The Sadhanasram also has a High School at Patna

called the Rammohun Ray Seminary. It had about 350 boys on the rolls during the year. Mr. Sreerang Viharilal, M.A., a candidate worker of the Sadhanasram, was its Headmaster during the year. It is managed by a local committee with Babu Satishchandra Chakravarti as Secretary.

Babu Harinarayan Sen worked in connection with the Society for the Improvement of the Backward Classes, Bengal and Assam with his head quarters at Dacca. During the year he visited about 250 villages in the districts of Dacca, Mymensing, Faridpur and Comilla, where he inspected the old schools and established some new ones, delivered addresses for the benefit of the school children and general public on religious, moral, social, educational and sanitary subjects. His earnest and strenuous labours have done much to spread education among the backward classes and to improve their general condition. He spent the greater part of the year in the moffussil. During his short stay at Dacca at intervals, he conducted divine service in the East Bengal Brahmo Samaj, Dacca Sadhanasram, Narayanganj Brahmo Samaj and Brahmo families. On the occasion of the Maghotsav at Dacca he conducted divine service and delivered lectures.

The Bengali New Year's celebration, Birth Anniversary of the Sadharan Brahmo Samaj, the Bhadratsav and the anniversaries of the death of Raja Ram Mohan Roy and Pandit Sivanath Sastri ; and there has also been held in the Mandir every evening a service followed by conversation on devotional matters.

Lights and fans—The electric lights and fans in the Mandir have, at a cost of about Rs. 112-4-0, been repaired. Five new fans are urgently needed for the comfort of the Congregation.

The organ requires to be thoroughly repaired.

The Carpets :—It is gratifying to note that Dr. P. K. Acharji has made a gift of 5 new carpets (galichas) to the Congregation for which our best thanks are due to him.

Members :—The number of members on the rolls of the Congregation on 31st December last was 276.

Library :—No new articles of furniture have been purchased in the year under review. Out of the Municipal grant of Rs. 75 for 1920-21, Rs. 63-13 was spent on periodicals and magazines. The thanks of the Congregation are due to the Calcutta Corporation for this grant.

Baranagar Working-Men's Mission.

The Baranagar Working Men's Mission was organised by Mr. Sasipada Banerji who, in the year 1903 placed in the hands of the Executive Committee of the S. B. Samaj two G. P. notes of Rs. 1000 each, subsequently converted into one of Rs. 2000, the interest of which is spent in accordance with the wishes of the donor for preaching practical religion and morality among the working men of Baranagar. Its work has been carried on chiefly by the Lay Workers of our Samaj, who visited the place many times during the year under report. The attendance at the divine service held every week in the Mandir has, of late years, been very poor, owing to the removal of a large number of the working men from the place, under stress

Barnagore Working-men's Mission.

of poverty to seek employment elsewhere. The names of Babus Rajani Kanta De and Anath Krishna Seal deserve special mention in this connection.

Lay Workers' Mission—Suburban Section.

The Lay Workers' Mission—Suburban Section was organised in 1917 with Mr. Krishna Kumar Mitra as President and Mr. Rajani Kanta De as Secretary. The Mission has put in a record of good work during the year under report. The members visited Baranagar, Nimta, Harinabhi, Howrah, Bagnan, Sukchar, Konnagar, Krishnapur and Tangra and preached Brahmoism by holding divine service and kirtan, and delivering lectures. The principal feature of their work was kirtan which was very much appreciated by the people of the places visited by them. In this connection we have to mention, with sincere sorrow, the name of the late Babu Surya Kumar Chatterji who was an enthusiastic worker and a genuine helper.

Publications.

Our publications form a very important part of the Mission work of the Samaj, for through them the message of our church is carried far and wide. It has two organs—The *Indian Messenger*, an English weekly and the *Tattwa Kaumudi*, a Bengali fortnightly. During the year Babu Pratul Chandra Som was in the editorial charge of the former and Babu Barada Kanta Bose, B.A., of the latter. Besides the above two, there are other papers—such as the *Sevak*, a monthly journal of the E. B. Brahmo Conference, the *Brahmabadi* of Barisal, and the *Dharma Sadhan* of Cocanada, edited and owned by the members of our Samaj. They helped largely to propagate the principles of Brahmoism in different parts of the country.

Affiliated Institutions.

The Sangat met every Tuesday during the year and discussed various subjects relating to the theory and practice of our religion. The third Anniversary of the institution of a daily evening service in the Sadharan Brahmo Samaj Mandir was celebrated on Sunday, the 28th May, 1921. There was morning service on the occasion conducted by Pandit Sitanath Tattwabhusan. In the evening, after

a short service conducted by Babu Barada Prassanna Ray, addresses on Worship, Public and Private were delivered by Babus Krishna Kumar Mitra who presided, Abinas Chandra Banerji, Pratul Chandra Som and Pandit Sitanath Tattwabhushan. It is a matter of regret that the attendance at the daily evening service in the Mandir has not been as satisfactory as its organisers earnestly expected. Our best thanks are due to Pandit Sitanath Tattwabhushan, Babu Abinas Chandra Banerji and a few others who even under these discouraging circumstances carried on the work with great devotion.

The Sunday Moral Training School was founded about 42 years ago by Pandit Sivanath Sastri with the help of a few ladies, for the moral and religious education of the Brahmo children. During the year under report the work of the school was on the whole satisfactory. Miss Charulata Sen was the Secretary of the Institution. The following ladies and gentlemen acted as teachers during the year :—

- Mrs. Sarojini Datta, M.A.
- Miss Hiranmayi Sen, B.A., B.T.
- „ Nihar Kana Das.
- „ Priti Kana Biswas, B.A.
- „ Charulata Sen (Secretary)
- Babu Lalit Mohan Das, M.A.
- „ Bipin Bihari Chakravarti, B.A.

There were 100 pupils on the rolls on the 31st December last. The prize distribution of the school was held last year during the Maghotsav, when Mr. Krishna Kumar Mitra presided and Lady Bose gave away the prizes.

Soon after the death of Mrs. Labanyaprabha Sarkar, one of the founders and a lifelong worker of the Sunday Moral Training School, a Memorial Meeting was held under the auspices of the School, in which it was resolved to commemorate her services to the School and a committee with Miss Basanti Mitra as Secretary was appointed to give effect to the resolution. The Committee with the help of voluntary subscriptions from the old pupils of the Sunday Moral Training School has been able to prepare a portrait of the deceased lady which will be unveiled at the Mary Carpenter Hall on the occasion of the coming prize distribution of the Sunday Moral Training School.

The Students' Weekly Service was established in 1879 "to diffuse liberal ideas on social, moral and religious matters among the young men of Calcutta and the Suburbs, and to help them in forming their character according to theistic principles." During its existence the Service has gradually developed into an institution which seeks to promote the religious, intellectual and moral welfare of the student community in Calcutta and its suburbs. Its aims and endeavours include : (i) the promotion of the causes of Temperance and Purity in all departments of life, (ii) the cultivation of an earnest spirit of enquiry and an active interest in questions of social reform and progress and (iii) the quest, realisation and propagation of liberal principles and theistic ideals in life and conduct.

The Service has been recently reorganised for the more effective working of its constitution. With the sanction of the General Committee of the Samaj, reforms of a far-reaching character were introduced in 1919, into its constitution, which have made it possible to extend its work in many ways.

The Fraternities : The chief feature of this constitution was the provision which enabled the members to organise fraternities for the realisation of particular objects. Accordingly the following four fraternities were formed and they met regularly during the year under report.

The Devotional Fraternity : Was in charge of Mr. Amal Kumar Siddhanta M. A. (from Jan. to July) and Mr. Satis Chandra Sen, M. A. (from July to December). It met occasionally and discussions were held on such subjects as the efficacy of prayer etc.

The Educational Fraternity : was in charge of Mr. Satis Chandra Sen, M. A. (Jan. to July) and Mr. Niren Ray M. A. (July to Dec.). It met regularly throughout the year. The guests, among others were, Dr. Brajendranath Seal, Mr. Kshitimohan Sen, Mr. Upendranath Banerji (who spoke on "the social and political problems of the day") and Dr. Girindra Sekhar Bose (who gave an interesting discourse on "Psycho-analysis & dreams").

The Literary Fraternity : has been started this year and was in charge of Mr. Sudhir Chandra Chaudhuri, M. A. Weekly meetings were held regularly when members read poems, stories and articles. Mr. Charu Chandra Banerji, B. A., Mr. Manindra Lal Bose, B. A., and Mr. Sudhir Chaudhuri, B. A., read stories while Mr. Jiban-

may Ray, B. A. and Mr. Sudhir Chaudhuri, B. A., recited poems.

The Social Fraternity : The most remarkable development of the fraternity work has been the beginning of the activities of the Social Fraternity. It has at last succeeded in securing a room at 210/5 Cornwallis Street for holding meetings every week. It is ably managed by Miss Sita Chatterji, B. A. and the number of its members has risen to 63. Its meetings are largely attended, the fraternity having removed a long felt want. The members take a keen and lively interest in its proceedings. Papers are read and discussions follow, while games and light refreshments are also provided.

The Committee has, for some time past, been feeling the necessity of organising a fraternity to carry on such works as the establishment of Night Schools, famine relief, nursing and other forms of social service.

The general work of the S. W. Service was carried on regularly. The Annual General Meeting was held in July last when the following gentlemen were elected Office-bearers :—

1. Mr. Sukumar Ray (President).
2. „ Prasantachandra Mahalanobis (Vice-President).
3. „ Amiya Kumar Sen M. A. (Secretary).
4. „ Hemendranarayan Ray (Treasurer).

There were 20 Lectures and Discussion Meetings during the year under report. Social gatherings were also organised in which members took an active interest. The Committee met regularly and its meetings were fairly well attended. The number of members has increased from 340 to 530 during the year.

The 42nd Anniversary of the Service was held on the 20th January last, when Prof. Bijaychandra Majumdar delivered an instructive address on “জীবনপথের আলো” “The light in the path of life.”

A list of lectures and discussion meetings held during the year is given in the appendix.

Educational Work.

The Brahmo Samaj always looks upon the spread of knowledge as a very sacred work and an important part of its Mission. To achieve that end, it has, since its very foundation established schools and colleges for the education of boys and girls. A number of our members, both ladies and gentlemen have devoted their lives to the cause of education and have made teaching the vocation of their lives. The following educational institutions are under the control of the

S. B. Samaj :—The City College, the City College School, the Brahmo Balika Sikshalaya, and the Brahmo Boys' School.

Brahmo Samaj Education Society.

The Brahmo Samaj Education Society was established in 1905 under the name of "The City College Institution" with the object of "promoting the cause of education, in its highest and widest sense : to make that education, comprehending the training of the mind, heart and body and founded on theistic basis, conduce to the good of man and the glory of God". All members of the Sadharan Brahmo Samaj are eligible for membership of the Society. The number of members of the Society is at present 69. The following College and Schools are affiliated to the Society :—

- (1) City College
- (2) The City College School at Calcutta
- (3) Brahmo Boys' School
- (4) The City College School, Mymensing Branch

The authorities of many other schools have expressed their desire to have their schools affiliated to the Society ; but on account of the poor state of its funds, the authorities are hesitating to take the risk which an affiliation in the present state of affairs would imply. In the construction of the new City College buildings at 102-1 Amherst Street, the Society had to incur liabilities to the extent of over two lacs and ninety thousand rupees which have been reduced now to about two lacs and fifty thousand.

The annual reports of the educational institutions under the control of the S. B. Samaj are given below :—

City College School, Caloutta.

The affairs of the School department are directly managed by a Sub-Committee consisting of 5 members, working under the College Council.

The School has all along endeavoured not simply to qualify students for the University Examination, but also to impart wholesome moral instruction to them. Hours have been set apart for moral training in each class and suitable text-books have been prescribed for the purpose. The City Union, a society attached to the school and the Asabahini (the Band of Hope) meet on Saturdays. The day's work in class commences with a prayer in which both the teachers and the students join.

The Charity Fund has been reorganised and it has worked satisfactorily during the year.

The instructive staff consisting of 29 teachers, mostly Brahmos, met in conference several times during the year and discussed various subjects relating to the improvement of the School.

The numerical strength on the 31st December last was 598, against 614 on the corresponding date of the preceeding year.

46 boys sat for the Matriculation Examination, of whom 44 passed—27 in the first division, 15 in the second division and 2 in the third division. 3 boys (including a poor boy) got Government Junior Scholarships of Rs. 10 each.

A free school for poor students was opened in the middle of the year under report. The total number of students at the end of the year was 45.

In the training department, 18 girls appeared at the last annual examination, 9 for senior certificates and 9 for junior.

The staff consists of one Lady Principal, who is a B. T. and one Assistant Mistress, holder of a senior Certificate and a Matriculate. A teacher for hand-work was also appointed temporarily. The Government made a monthly grant of Rs. 500 for tuition and of Rs. 200 for hostel accommodation.

Brahmo Boys' School.

Brahmo Boys' Boarding and Day School was founded in the month of January, 1904 by the late Mr. Guru Charan Mahalanobis supported by a small band of devoted friends of the Sadharan Brahmo Samaj. The object of starting another H. E. School in this city where there were so many already existing, was to remove the long-felt want of a well-regulated institution where the boys might receive a systematic training in religious and moral principles along with an intellectual education in accordance with up-to-date methods. The School was principally meant for boys of the Brahmo Samaj, but admission was extended later on to boys of other denominations.

The following are a few special features of the School :

(1) Systematic religious and moral training is given to the boys.

(2) Attempts are regularly made to form the character of the students by teaching them, both in theory and practice sound principles of morality, and to create a pure spiritual atmosphere in the School. Boys are taught to attain a healthy manhood and to become useful members of society.

To achieve the above ends the following means and methods amongst other things are adopted :

(a) Regular classes are held to teach moral lessons and true religious principles to the boys by the Head Master and some of his assistant masters.

(b) A short divine service, consisting of hymns, prayer and a short sermon, is held every day just at the commencement of the work.

(c) Saturday meetings of the students in three separate groups under different presidents are regularly held to teach the boys how to write, debate, recite, sing and correctly express their ideas both in English and Bengali.

(d) Attempts are made through the School Library and the Common Room to create a taste for useful knowledge and independent study.

(e) Occasional excursions, utsavs, at-homes, social gatherings, sports and manly games are organised.

(f) Conferences of the teachers are held frequently and the general tone of instruction in the classes is adapted

to the high ideals of the healthy and harmonious development of intellectual, moral and spiritual faculties of the boys.

THE SCHOOL LIBRARY AND COMMON ROOM.

There are 2728 volumes in the School Library, of which 1552 are in English and 1176 in Bengali. 1076 books were issued during the year under report—364 to the teachers and 712 to the students. 1 Daily (English), 2 English monthlies, 3 Bengali monthlies and 1 Bengali weekly are subscribed for the use of the Common Room.

THE SCHOOL HOSTEL.

The Boarding department (located in the spacious rooms on the topflat of the School premises) is under the direct supervision of the Head Master who is resident there with 3 assistant workers. It is very gratifying to note that the hostel has been a field of very useful work amongst the boarders and a very fruitful soil for realising the great aims and ideals with which the school was founded. A daily divine service with a short sermon, the reading of religious books and holding of occasional lectures and, above all, the personal influence of the workers, go a great way towards forming the character of the boys and teaching them habits of cleanliness. There is a limited number of seats in the hostel. Many applications for admission into the hostel had to be refused during the year as all attempts to secure, a house big enough for the purpose were unsuccessful.

„ Raj Kumar Ray (representative of the teaching staff).

„ B. B. Chakravarti, B. A., Head Master, Ex-officio.

The teaching staff consists of 13 teachers, of whom 1 is an M. A., 1 a B. T. and 3 are B. A.'s with Mr. B. B. Chakravarti, B. A., as Head Master.

NUMERICAL STRENGTH.

There were 225 boys on the rolls of the school on the 31st March last, of whom 24 only were Brahmos, the rest being Hindus. There were 26 boarders in the school hostel of whom 5 were Brahmos.

RESULTS.

18 boys were sent up for the Matriculation Examination

last year of whom 15 were successful, 8 being placed in the 1st Division, 6 in the Second and 1 in the Third.

It may be noted that the school was not affected in the least by the last movement of strike amongst the students. The boys remained firm and faithful to the institution in the midst of great turmoil and trouble which at times threatened to carry them away.

PRINCIPLES OF BRAHMOISM

1. There is only one God, who is the Creator, Preserver and Saviour of this world. He is spirit. He is infinite in power, wisdom, love, justice and holiness. He is omnipresent, eternal and blissful.

2. The human soul is immortal, and capable of infinite progress, and is responsible to God for its doings.

3. God is to be worshipped in spirit and in truth. Divine worship is necessary for attaining true felicity and salvation.

4. To love God and carry out His will in all the concerns of life, constitute true worship.

5. Prayer and dependence on God and a constant realisation of His presence, are the means of attaining spiritual growth.

6. No created object is to be worshipped as God, nor is any person or book to be considered as infallible and the sole means of salvation ; but truth is to be reverently accepted from all scriptures and from the teachings of all persons without distinction of creed or country.

7. The Fatherhood of God, the Brotherhood of man and kindness to all living beings are the essence of true religion.

8. God rewards virtue, and punishes sin. His punishments are remedial and not eternal.

9. Cessation from sin accompanied by sincere repentance is the only atonement for it ; and union with God in wisdom, goodness and holiness is true salvation.

That effulgent immortal and all-seeing Person Who is in the firmament above ; that effulgent immortal and all seeing Person Who is in the self within ; It is by knowing him alone that man overcometh death. There is no other way to immortality.

It was a dispensation of God in the religious evolution of India that Raja Rammohan Roy founded the Brahmo Samaj, for the all-round regeneration of our beloved fatherland. The work before the Brahmo Samaj is vast and manifold, but our resources are poor and it is a melancholy tale that we have to narrate at the end of every year, of our failures in almost all the spheres of our activity. We have set before us lofty ideals for the betterment, not of Indian life only, but, of humanity at large. We have, however, to confess with regret that our efforts and endeavours are quite inadequate to and incommensurate with the actual needs. There are very few workers to carry the saving truths of this universal religion even to all important centres of Indian life. Yet we need not despair, because we trust that the Almighty ruler of the Universe will so ordain, that His work will go on, inspite of our failings and shortcomings. The year under review was not a prosperous one for us, yet we tried to do as much as lay in our power, in the various fields of our activity.

IN MEMORY OF THE DEPARTED.

Since we met last year, the Samaj has lost some very valued members and veteran workers, who loved the

Samaj whole-heartedly. In opening the year's record it is our first and most sacred duty to notice their deaths :—Mr. Kaliprasanna Bose, who was a missionary of the Samaj for many years, was remarkable for his sincerity, devoutness and zeal for the spread of the Brahmo religion.

By the death of Sir Narayan Ganesh Chandavarkar, we have lost an esteemed member, who by his life and utterances set an example that was of inestimable value in furthering the cause of the Brahmo Samaj. During his visit to Calcutta, he actively participated in the work of the Sadharan Brahmo Samaj and ever showed an eager desire to maintain and promote a spirit of active co-operation, between the Brahmo workers of Bengal and their brethren in Western India, which helped to create a true spirit of brotherhood among them.

The cause of the rights of women has sustained a severe loss by the death of Dr. Mrs. Kadambini Ganguli, who was for some years a member of the General Committee and of the Managing Committee of the Brahmo Balika Sikshalaya. She was the first lady graduate of the Calcutta University and the first Bengali lady physician with British qualifications. She was always ready to sympathise with others in distress. She was a strong advocate of the rights of women and always acted with great independence of spirit.

Mr. Chandramohan Biswas was a most revered and one of the oldest members of the Samaj. His staunch devotion to the cause of the Brahmo Samaj and his devout life endeared him alike to Brahmos and others.

Mr. Sukumar Ray Chowdhuri was snatched away from our midst in the very prime of youth. His death has created a void in the Brahmo community, —a void not likely to be filled up in near future. He served the Samaj as a minister of the Calcutta Congregation, for some years, as an Assistant Secretary of the Samaj and as a member of the General and the Executive Committees. He was a most promising young man. His many qualities of head and heart endeared him to the Brahmos in general and especially to the young men of the Samaj.

The Sadharan Brahmo Samaj was established in the year 1878, with the object of propagating the principles of Brahmoism, uniting under a common organisation all individuals and congregations holding these principles, and conducting all the business of the church on constitutional lines. Forty-nine of the Brahmo Samajes in India are either associated with, or affiliated to, our church and it is gratifying to note that the number of bodies both in India and outside of it, holding nearly the same principles and doing almost the same work as our Samaj, is increasing year by year.

The total number of members on the list on the 31st of December, 1923, was 1293.

Besides these, there is a large number of men and women here and abroad, who, though not members of our church, are in sympathy with it and "may be said to belong to it."

The last Annual Meeting of the members of the Sadharan Brahmo Samaj was held on the 23rd January, 1923, when the Annual Report for 1922 with the audited Accounts was adopted and the following Office-bearers were elected and the General Committee for the year was formed :—

Mr. P. K. Acharji M.A., M.B.—President.

„ Annadacharn Sen, B.A.—Secretary.

„ Prafullakumar Ray, B.Sc.	} Asst. Secretaries.
„ Sisirkumar Dutt	
„ Premankur De, M.B.	

„ Prabodhchandra Mahalanobis—Treasurer.

The General Committee, which is the governing body of the Samaj, consisted of 13 Representatives of the Samajes in the Muffasil, 65 members elected by the members of the Samaj from among themselves and the Office-bearers, who are ex-officio members of the Committee. During the year under report there were four ordinary quarterly meetings and one special meeting held on the 5th February, 1923, when the following members of the General Committee were elected members of the Executive Committee :—

Babu Krishnakumar Mitra, B.A.
 „ Lalitmohan Das, M.A.
 „ Baradakanta Basu, B.A.
 „ Satishchandra Chakravarty, M.A.
 „ Hemchandra Sarkar, M.A.
 „ Rajanikanta Guha, M.A.
 „ Satischandra Chatterji, M.A.
 „ Gurudas Chakravarti,
 „ Sasibhushan Dutt, M.A.
 „ Nibaranchandra Ray, M.A., B.L.
 „ Kunjabihari Biswas, M.A., B.L.
 „ Bhabasindhu Dutt.

Mr. Kunjabehari Biswas having resigned, Mr. Pratul Chandra Som was elected a member of the Executive Committee at the 3rd Quarterly meeting of the General Committee.

Besides the above, the office-bearers and Babu Hemendranath Dutta, elected by the missionaries as their Representative, formed the Executive Committee for the year. The Executive Committee held 41 sittings during the year under report.

Utsavas.—Besides the Maghotsav, three other utsavas were celebrated :—(1) the Bengali New Year's Day ; (2) the Foundation Day of the Sadharan Brahmo Samaj in the month of *Jaistha* and (3) the day in the month of *Bhadra* on which Raja Rammohan Ray inaugurated the public worship of one true God. Detailed programmes of these utsavas are given in the Appendix.

Rammohan Ray Anniversary.—The anniversary of the death of Raja Rammohan Ray was celebrated on Thursday, the 27th September, divine service being conducted at 7 A.M. in the Prayer Hall of the Samaj, by Babu Bhabasindhu Dutt. At 6-45 P.M. a memorial meeting was held in the Prayer Hall, Principal Herambachandra Maltra presiding on the occasion. Prof. Rajanikanta Guha and Mrs. Kumudini Bose spoke on the life and teachings of the Raja. Memorial meetings were also held at different places of the country.

Anniversary of the death of Pandit Sivanath Sastri.—The 4th anniversary of the death of Pandit Sivanath Sastri was observed on the 30th September, divine

service being conducted at the prayer Hall at 7th A.M by Babu Gurudas Chakravarty. At 5 P.M. a conference was held in the sanctuary of the Sadhanasram. A memorial meeting also was held on Monday, the 1st October, at 6-45 P.M. in the Prayer Hall under the presidency of Babu Krishnakumar Mitra, Prof. Rajanikanta Guha, Dr. P. Chatterji and Babu Satischandra Chakravarti delivered addresses.

Special Divine Service.—In view of the fierce conflicts between different sections of the Indian community in various parts of India, leading to the perpetration of atrocious crimes, the Executive Committee of the Sadharan Brahmo Samaj decided to hold a special divine service on the 23rd September and requested all adherents of the Brahmo Samaj throughout the country, to pray for divine grace and guidance. A special service was accordingly held in the Prayer Hall on that day at 6-45 P.M. Dr. P. K. Acharji acted as minister and preached a sermon suited to the occasion. Special divine service was also held in many other places.

Mission Work Extension Scheme :—A sub-committee with Babu Hemchandra Sarkar as Secretary was appointed to give practical effect to the scheme of Mission Work Extension adopted by the General Committee. It is much to be regretted that on the resignation of the office of Secretary to the Sub-committee by Babu Hemchandra Sarkar, no other member of the Committee could be induced to take up the duties of the Secretary. The scheme had, therefore, to be abandoned.

Khasi Hills Mission :—For various reasons, the Executive Committee has not yet been able to take in hand the question of reorganising the Khasi Hills Mission. Some of the Samajes in the Khasi Hills are managed by the local members themselves. Babu Prafulla Kumar Ray, Assistant Secretary, was deputed to visit the Brahmo Samajes in the Khasi Hills. He made arrangements for the repair of some of the prayer halls and submitted a report about the present condition of the *Samajes* in the Khasi Hills.

Revision of Rules of the Samaj :—Some time ago, the Executive Committee appointed a Sub-Committee for the revision of the Rules of the Samaj. We are glad to be able to say that the recommendations of the Sub-Com-

mittee were considered by the Executive Committee and will be submitted to the General Committee in due course.

The question of a paid Assistant Secretary :—The principle of appointing a paid wholtime Assistant Secretary was accepted by the last annual meeting of the Samaj and the Executive Committee was requested to make such amendmets and changes in the rules as might be necessary. The Committee have accordingly made provision for a paid Assistant Secretary in the Rules they propose to submit to the General Committee.

East Bengal Brahmo Conference :—The East Bengal Brahmo Conference met in autumn at Bezgaon, a village in the district of Dacca. It was a very successful gathering and reflected great credit on the organisers, of whom Rai Prasanna Kumar Das Gupta Bahadur was the chief. Several leading members of the Sadharan Brahmo Samaj took part in the proceedings. Mr. Sasibhushan Dutt M. A. was the Chairman of the Reception Committee and Principal Herambachandra Maitra presided over the deliberations of the Conference. Of the various matters discussed in the Conference, two were of very practical importance, namely, (1) religious education of our children ; (2) spiritual culture in Brahmo families.

Theistic Conference :—The All-India Theistic Conference met during Christmas holidays at Cocanada with Babu Benimadhav Das, M. A., as President.

Such gatherings of Brahmos and Theists are particularly serviceable in promoting brotherly feelings and co-operation.

Publications :—Our books and periodicals are of great service in the field of mission work, as they help us to carry the message of the Brahmo Samaj far and wide. The official organs of the Samaj—the Indian Messenger and the Tattwakaumudi were edited by Babu Pratul Chandra Som and Babu Baradakanta Basu respectively. During the absence of Babu Pratulchandra Som from Calcutta, a Board of Editors consisting of Principal Herambachandra Maitra, Babus Satischandra Chatterji, M. A., Brajasundar

Ray, M.A., Sarojendranath Ray, M.A., and Nirmal Chandra Chakravarti, M.A., was appointed to conduct the paper. For some years past, there has been no substantial addition to the number of subscribers and the papers had, therefore, to be conducted at a very heavy deficit.

Besides these two, the *Brahmabadi* of Barisal, the *Brāhma Pracharak* of Lahore, the *Dharma Sadhan* of Cocanada and the *Subodh Patrika* of Bombay have rendered valuable service to the cause of Brahmoism.

The thanks of the Samaj are due to the Editors and contributors of the above papers.

During the year under review, no books were published by the Samaj. It is, however, gratifying to note that some members of the Samaj have made valuable contributions to the spiritual literature of the Samaj. The following are some of the books that were published during the year:—*Religion and Modern India* by Mr. Satishchandra Roy, M. A.; *Dharmer Bhitti* by Babu Abinaschandra Lahiri, B.A.; *Brahma Darshan* by Babu Hemchandra Sarkar, M.A.; *Punyabati Nari* by Babu Amritlal Gupta; *Shikher Parichaya* by Babu Debendranath Mitra, B. A.; *Biswakarmar Susamachar* by Babu Harishchandra Datta, and *Krittan O Bandana* by Babu Manomohan Chakravarty.

A Conference of Brahmōs was held during the year to consider the financial condition of the Samaj. Some members volunteered their services for collecting subscription.

Mission Work.

The chief aim of the Sadharan Brahmo Samaj with all its institutions, being to spread the principles of Brahmoism far and near, a great importance is attached to mission-work. The agencies employed for the purpose are, (1) the ordained missionaries; (2) the workers of the Sadhanasram; (3) the members of the Sevakmandali and the Lay-workers' Mission; (4) the two organs of the Samaj, (5) the several institutions affiliated to the Samaj, such as the Congregation in Calcutta and other places, the Sadhanasram, the

Students' Weekly Service, the Sangat and the Theological Society &c.

The field of mission work is vast and the workers are but few in number and some of them are almost unfit for active service owing to either continued ill-health or old age. We are, therefore, very glad to note that Mr. E. Subbukrishnayya, who had been working as a mission worker for many years, was ordained as a missionary of the Samaj during the last Maghotsab. The Executive Committee has also decided to ordain Babu Satischandra Chakrabarti, M. A., as a missionary.

We have to confess that inspite of our humble efforts the mission work of the samaj has been done very inadequately. In the Punjab, one worker, who was not in good health, worked unsparingly, but he could visit only a few of the many important places, where there were ample opportunities for work. The United Provinces and the Central Provinces could not be attended to at all during the year. In Bombay, one of our workers worked with commendable earnestness. The work in the Madras Presidency was satisfactory, there being a good deal of activity both in the East and the West coast of the Presidency. At Bangalore there has been steady progress in the local Samaj under the ministration of Mr. E. Subbukrishnaya. We could not send any missionary to Behar. One of our workers worked in Orissa but his activities had to be confined to Cuttack only. Mission work was not carried on very satisfactorily in Bengal, though our workers visited some places in the province. The programme of work adopted at the beginning of the year, which was far from comprehensive, could not be fully carried out. Important places, where there was a crying need for missionary visits and more systematic work, were not visited at all. In Assam, however, fairly good work was done. It is gratifying to note that Babu Hemchandra Sarkar, inspite of his failing health, could undertake an extensive mission tour and visit most of the important centres of mission work in the Madras and Bombay presidencies.

The Ordained Missionaries.

Though broken down by age and illness, Pandit Navadwip Chandra Das did not spare himself in the service of the Brahmo Samaj. He took part in the proceedings of the Maghotsav, conducted divine service in the Sadhanasram, in the Prayer Hall of the S. B. Samaj and of the Giridih

Brahmo Samaj. Besides, he officiated as minister at several domestic ceremonies.

Babu Sasibhusan Bose took part in the proceedings of the Maghotsav, conducted divine service in the Mandir and in connection with some domestic ceremonies. He visited Baganchra, Contai, Banamali Chatta, Namkhana, Dhulian. He is engaged in writing a History of the Brahmo Samaj.

Babu Nilmani Chakravarti stayed at Cherapunji for most part of the year and worked mainly in Assam. He has not been keeping good health.

Babu Gurudas Chakravarty acted as the resident minister of the East Bengal Brahmo Samaj, Dacca, till April, when he generally conducted the Sunday service and took part in the Sangat, the Students' Weekly Service and the daily morning service held in the Mandir. He visited many families and held prayer meetings in some of them. He took part in the Maghotsav at Dacca and also afterwards in Calcutta. Owing to ill-health, he stayed at Kurseong and Darjeeling for about two months where he conducted service every Sunday and did other work. He came to Calcutta in June and has been staying here since then. Besides conducting Sunday service in the Mandir on several occasions, he conducted service and held conversational meetings in the Sadhanasram and was in charge of the Asram when the Superintendent was away on a mission tour. He visited several families, held prayer meetings and acted as minister at many domestic ceremonies. He carried on correspondence with Muffasil friends. He attended the Brahmo conference at Bejgaon and took part in its deliberations. He also regularly took the class on Theology every Thursday. He also gave religious instruction, and held prayer meetings every Wednesday in the Bethune College Boarding House and every Friday in the Hostel for Brahmo Girls. He initiated two youngmen into Brahmoism.

Babu Hemchandra Sarkar, M.A., was in charge of the Sadhanasram, which occupied most of his time and attention throughout the year. He had to remain in Calcutta during the greater part of the year. He could, however, arrange to visit Bombay twice and go on a mission tour in Southern India, in the

course of which he visited Cuttack, Berhampur, Pithapuram, Coconada, Rajamundry, Bezwada, Guntur, Nellore, Madras, Bangalore, Calicut, and Mangalore. He spent about two months at the Himalayan Sadhanasram. While in Calcutta, besides looking after the work of the Sadhanasram, he helped in the work of the various institutions of the Sadharan Brahmo Samaj. As the Secretary of the Mission-work sub-committee, he had to carry on an extensive correspondence with the workers and the Muffasil Samajes. The work of the Sivanath Memorial Scheme also engaged his time to some extent.

Babu Abinash Chandra Majumdar has been in indifferent health for a long time. In spite of ill health, Babu Abinash-chander Majumdar, he continued diligently the translation of the *Granth Saheb* into Bengali. While at Solon, he regularly distributed Homœopathic medicines. His translation of *Nanak-bani* appeared in several issues of the *Tattwa Koumudi*.

During the first part of the year Babu Bhabasindhu Dutt delivered two speeches, conducted divine service, sang hymns and led the Nagar Sankirtan in connection with the Maghotshav. He delivered a speech in the Bhowanipore Sammilan Samaj and held a *kathakata* meeting in Adi Brahmo Samaj at Bhowanipore; conducted weekly service on some and sang hymns on several occasions in the S. B. Samaj mandir; wrote two articles for the *Tattakaumudi*; conducted, on some occasions, the morning service and sankirtans regularly on Fridays in the Sadhanashram; and took active part in the daily Sangat held in the S. B. Samaj mandir; conducted weekly service on some occasions in the institution called the Devalaya; held prayer meetings in different quarters of the town; officiated as minister in some domestic ceremonies, and visited some families. Besides all this, he visited Bankura, Contai, Faridpore, Midnapore, Purnea, Burdwan, Giridih, Harinabhi Krishnagar, Andul and Barahanagar.

During the year Mr. E. Subbukrishnaya visited Rajahmundry, Coconada, Pithapuram, Calcutta, Nawadah, Gaya, Patna, Chattrapur, Berhampore, Ichchapur, Muslipatam, Madras, Cuddalore, Cochin, Trivendrum, Tinnavelly, Madura, Shimoga and delivered lectures at almost all the places. He conducted service, visited the Brahmo families, officiated at domestic ceremonies, initia-

ted six persons into Brahmo Dharma and solemnized three Brahmo marriages. He worked as the Secretary of the Youngmen's Brotherhood, and organised a number of lectures on religious and social subjects, managed the depressed classes schools, also acted as the Secretary of the Widows' Home. While at head-quarters, he conducted service at the Bangalore Cantonment Brahmo Samaj, and occasionally visited the city Samaj as well.

Sadhanashram.

The work of the Sadhanasram made fair progress during the year under report. Early in the year most of the workers came to Calcutta from various parts of the country, on the occasion of the Maghotsav, and spent some weeks together in prayer and spiritual fellowship. Some of the workers met together again in summer at the Himalayan Sadhanasram at Kurseong. Special attention was paid throughout the year to the two most important objects of the Sadhanasram, namely, Sadhan and Mission work. The members of the Sadhanashram have, in view of the crying need, felt it incumbent on themselves to undertake in all humility the task of strengthening and extending the mission work relying on the mercy of God. They are trying to secure and train a number of new mission workers and to raise necessary funds for the purpose. It is gratifying to note that their humble efforts have met with warm response from many quarters. Already a number of *Sadhanarthis* have associated themselves with the Sadhanasram with a view to prepare themselves for the service of the Brahmo Samaj. In the course of the year Mr. G. Y. Chitnis of Bombay and Babu Ashakumar Banerjee, M. A., of Calcutta, have been taken in as candidate-workers of the Sadhanasram, and Mr. P. L. Narayana of Rajamundri has been elected a worker and Mr. D. G. Vaidya of Bombay, Mr. and Mrs. T. N. Sarma of Rajamandri, Mr. Viswanath Kar, Mr. Ramkrishna Rao, Mr. Narayana Pani B. A., of Cuttack and Mr. T. Rammurti, B. A., of Rajamundri and Rao Shaheb Dr. A. Gopalam of Calicutt and Babu

Shyamacharan Sen of Chittagong have been accepted as helpers. Two branches have been opened at Cuttack and Rajamundri under the names of the Utkal Brahmo Sadanashram and Andhra Brahmo Sadhanasram, respectively. Babu Gurudas Chakravarty has come to Calcutta from Dacca and his presence and spiritual ministration have been of great help to the Sadhanasram. Babu Adinath Chatterjee was also in the Calcutta Asram during the most part of the year, and though in ill-health his presence was an inspiration to the inmates. Pandit Navadwip Chandra Das had to be away under medical advice for a considerable part of the year. Babu Amritlal Gupta spent several weeks on different occasions during the year. Babu Satis Chandra Chakravarty rendered considerable help to the work of the Sadhanasram during the year inspite of his engrossing duty in Bhowanipore as the resident minister of the Sammilan Brahmo Samaj. Babu Amar Chandra Bhattacharya resided in the Asram throughout the year. Our old worker Mr. V. R. Shinde came to Calcutta towards the close of the year after an interval of many years and has been staying in the Asram. The consecration of the new sanctuary in the Sivanath Memorial buildings early in the year has greatly facilitated the work of the Asram. Besides the daily devotional meetings of the Asram, many important meetings and conferences were held in the sanctuary. The ministers' conference was, except on a few occasions, held here on Wednesday evenings. Two meetings for young men and ladies were held on Monday and Thursday evenings pretty regularly. Special Sankirtans were held on Friday evenings. Monthly Utsavas were held on the first Sunday of every month and occasionally on the first day of the month. Divine service was held daily in the morning on weekdays and there were readings with expositions and discussions on religious subjects everyday in the afternoon. Sevakmandali.

The number of ordained missionaries and mission workers being quite inadequate for the spiritual ministration of the Brahmo Samajes scattered in different parts of India, the services of the lay members of the Samaj are always required to supplement the work of the missionaries. The Executive Committee of the Sadharan Brahmo Samaj, therefore, considered it necessary to organise the work of the lay workers and the Sevakamandali was founded in the year 1903. In the year under report there were 58 members working at the following centres :—Calcutta, Baranagore, Cherapunji, Pabna, Dehradun, Chittagong, Raigunge, Mymensing, Patiala, Shillong, Hazaribag, Barisal, Comilla, Faridpur, Dacca, Lahore, Giridih, Indore, and Cuttack.

For some time past the roof of the Prayer Hall has been badly in need of repairs and the electric connection has in consequence been unsatisfactory. A Committee has been formed for the purpose of raising funds for removing these defects. But it is a matter of regret that our appeal for subscription has not yet met with generous response. With the small sum we have so far been able to realise, the electric installation has been overhauled and some new punkhas have been purchased.

With the addition of new books purchased during year the Library has now in its stock 2854 volumes. The amount of Rs.81-5-6 has been spent on the purchase of new books and periodicals ; and our thanks are due to the Corporation of Calcutta for the grant of Rs. 75 towards the upkeep of the Library.

The Theological Society.

The Theological Society was founded in 1894, with the object of discussing questions relating to Theology and the connected problems of ethics and metaphysics from the eastern as well as the western points of view. It is much to be regretted that owing mainly to the continued ill-health of Pandit Sitanath Tattwabhusan and the absence of Babu Pratulchandra Som from Calcutta only two lectures in connection with the Society could be organised during the year under report. The anniversary of the Society was celebrated on the 5th Magh, when Pandit Sitanath Tattwabhusan delivered an address.

It is worthy of note that the Theological Faculty founded in connection with the City College has removed a longfelt want, and the attempts of the promoters of the Faculty deserve the best thanks of the Samaj.

Relief Work.

The Flood Relief operations in the Northern Bengal begun in October 1922, continued to the first quarter of the year under report. We had centres of work at Adamdighi, Singra, Tejnandi, Bandhai Khara &c. where doles of rice, fodder and bran for cattle, blankets, pieces of old and new cloth, guernsey frocks and seed grain were distributed and some houses were built for the houseless. Babu Krishna Kumar Mitra, Rai Sahib Raj Mohan Das, Babus Barada Kanta Basu, Dhanapati Nath Das, Nirmal Chandra Chakravarty, Sarojendra Nath Ray, Prakas Chandra Basu, Prafulla Kumar Ray, Hara Kumar Guha, Devendra Kumar Mitra, and a large number of young men worked in this connection.

A small sum of money was sent by the Executive Committee in aid of the relief of the people of Chandpur who suffered a great deal on account of the sudden outbreak of a malignant type of malarious fever. Messrs.

B. K. Paul & Co. helped the Committee with a large quantity of medicine, sago and barley &c. Our thanks are due to the donors and also to Babu Pyarimohan Dutt who worked on our behalf among the fever-stricken people.

Hearing of the terrible havoc caused by the recent cyclone in the East Coast of Madras, the Executive Committee has organised relief work in the Ganjam district. Mr. R. Balakrishna Rao has been placed in charge of the operation. The work is not as yet over.

A Committee with Dr. P. K. Acharji as President and Babu Ishan Chandra Ray, B.A. as Secretary was formed for the purpose of organising social work in the Brahmo Samaj. The workers of this Committee helped in nursing the sick in some families.

The grateful acknowledgments of the Samaj are due to the ladies and gentlemen who contributed to the Relief Fund or worked in connection with the Relief work.

The Sadhanasram has a philanthropic department as the Seva Section. In pursuance of the threefold ideal of the Sadhanasram, the workers have been engaged in various kinds of humanitarian works, some of which have developed into permanent institutions. During the year, there were three such institutions affiliated to the Seva Section, namely, (1) Dacca Widows' Home (2) Utkal Orphanage, and (3) The Society for the Improvement of the Backward Classes, Bengal and Assam.

The Dacca Hindu Widows' Home.

The work of the Hindu Widows' Home was carried on by a local Managing Committee of which Mrs. P. K. Bose was the President. Dr. and Mrs. N. C. Roy were appointed Treasurer and Secretary respectively and they took up the work of the Home with great enthusiasm, but on account of ill health of Dr. Roy they had to give up the work. There were 16 widows in the Home at the close of the year. There is an M. E. School attached to the Home where the inmates receive education up to the middle English standard. They are given training in weaving and tailoring in the Home. The Government of Bengal gave a monthly grant for the mainte-

nance of the school. The authorities of the National Fund sanctioned a grant for the Weaving School. The Home had to pay a large amount monthly for rent. A local habitation of its own will greatly facilitate the work of the Home. Attempts are being made to collect funds for the purpose.

The Utkal Orphanage.

The Utkal orphanage at Cuttack was managed by the local committee of which Mr. Viswanath Kar was the President and Mr. Mahendra Pattanayak, the Secretary. Mr. Pattanayak also worked as the Superintendent for the greater part of the year. There were 11 children in the orphanage during the year. The older children were sent to school and the younger ones were given elementary education at home. They are also taught spinning. Daily prayers are held in the Orphanage. Mr. Narayan Pani B. A. rendered valuable service to the Orphanage. For want of funds the Orphanage could not be developed. It was only through the continuous efforts of Mr. Viswanath Kar that even the urgent and bare necessities of the orphanage could be provided for.

Society for Backward Classes.

The work of the Society for the Improvement of the Backward Classes went on very satisfactorily during the year. Rai sahib Rajmohan Das continued to be its Secretary and Babu Harinarayan Sen, one of the workers of the Sadhanasram, devoted himself entirely to this work.

The total number of schools of all classes supported by the Society on the 31st March 1923, was 404, against 393 in the previous year. 35 schools were closed during the year for various reasons and 46 new experimental schools were added, the total being now 88 experimental schools which will have to be aided by the Society, when they attain stability. The Society has schools in the following 20 districts of Bengal and Assam :—24 Paraganas, Nadia, Khulna, Jessore, Burdwan, Birbhum, Hugli, Howrah, Midnapur, Bankura, Rajshahi, Pabna, Dacca, Mymensing, Barisal, Faridpore, Noakhali, Tipperah, Sylhet and Dhubri. The number of pupils on the roll was 14,989 against 14,024 in the previous year. Of these 4,621 were Namasudras, 3,047 were Mahomedan cultivators, 659 Podes, 510 Muchies and the rest of other castes. Of the total number, 10,925 were boys and 4,064 were girls. The average number of pupils in a boys' school was 36·7 and, in girls' 37·9. The increase

especially in the number as well as average attendance of the girls is remarkable.

The High school noted above is situated at Mushiahati, the centre of 96 villages peopled wholly by the Namshudra cultivators. It is a monument of their keen desire for higher education and their hard struggle for it. Returning from their daily labour, they worked late at night and succeeded in making a *lac* and a half of bricks for the school.

Of the 270 Boys' Primary Schools, about 50, having over 40 pupils each, were selected this year for improvement by the addition to the staff of each school of a matriculate or higher Guru-training passed Pundit.

Written Examinations with printed questions are now held for the Lower and Upper Primary standards. There were this year 30 centres for such Examinations in 14 districts. Out of 924 pupils who appeared, 60 boys and 18 girls passed, and were awarded certificates of merit.

The Society award^y scholarships to bonafide village girls i.e., who have never before gone out of their villages, for continuing their education in M. E. or H. E. Schools. In pursuance of this scheme, two Namasudra girls from the Jessore district have been given scholarships for studying at the M. E. School at Baniban.

The Minister of Education of Bengal kindly granted this year Rs.6225 for recurring and Rs.12,229 for capital expenditure. The total receipts during the year was Rs. 34,541-1-5 against Rs. 19,544-1-0 during the last year. The main item of expenditure viz., grants to schools was this year Rs. 10,213-9-3 against Rs. 3,369 of the last year. The total of other items was Rs. 4555-5-0 against Rs. 2998-12-3 of the last year.

Rai Sahib Rajmohan Das, the Secretary, deserves a very warm congratulation on his having secured the sympathy and co-operation of all classess of people in the country for this noble and sacred cause of uplift.

Educational Work.

The Sadharan Brahmo Samaj has always held that intellectual culture is essential for the growth and development of spiritual life in the community. It has there-

fore considered it a sacred duty to make earnest efforts for the spread of education. The following report of the various educational institutions directly or indirectly connected with the Samaj shows that they have in their own way done a great service to the cause of our church.

The following educational institutions, which though not directly under the Samaj are owned and managed by Brahmos, did useful work in forming the character of a large number of young people:—(1) East Bengal Institution, Dacca, (2) Town Victoria School, Cuttuck and (3) Baniban Girls' M. E. School.

On the closing day of the Session, there were 323 students on the roll as against 349 of the previous year. Of these, 235 were children of orthodox Hindu parents, 4 Mahomedans, and 5 Christians.

The daily work of the School begins with a hymn and a short prayer. The progress of the classes is tested by means of monthly and annual examinations.

Brahmo Samaj Hostels for Girl Students.

In view of the fact that the Bethune College Hostel and the Brahmo Samaj Hostel for Girl students could not provide accommodation for the large number of students seeking admission in hostels, the Executive Committee authorised the Managing Committee of the Brahmo Samaj Hostel for Girl students to open another hostel, which was started in July last and the Government of Bengal sanctioned a monthly grant-in-aid of Rs. 300 and also a capital grant of Rs. 2,500. There were 23 and 20 boarders respectively in them. Dr. Prankrishna Acharji was the Secretary.

Brahmo Samaj Education Society.

1. City College.

City School was founded on January 6, 1879. The F. A. classes were opened in 1881, and the B. A. classes in 1884. Thus within five years of the establishment of the school, the institution developed into a first-grade College. A building was erected at 13, Mirzapur Street, and was opened by Lord Ripon in December, 1883. Mr. A. M. Bose, proprietor of the institution, made over the buildings to a body of trustees in 1888. In January, 1908, the College was placed under the control of a Society, registered under Act XXI of 1860 called 'The City College Institution', which is now known as the "Brahmo Samaj Education Society". It is the object of the Society "to promote the cause of education in its highest and widest sense, to make that education—comprehending the training of the mind, heart and body, and founded on a Theistic basis—conduce to the good of man and the glory of God,"

The college prepares students for the B. A. Examination, in English (Pass and Honours), Sanskrit (Pass and Honours), Philosophy (Pass and Honours), Persian, History (Pass and Honours) and Political Philosophy; for the B. Sc. Examination in Mathematics (Pass and Honours), Physics and Chemistry; and for the Intermediate Examinations in Arts and Science, in English, Sanskrit, Persian, Logic, History, Mathematics, Chemistry and Physics.

Members of the staff contribute to the Fund at the rate of an anna per rupee of their salaries and the institution contributes at the rate of half an anna. In March, 1923, forty nine members of the College staff and twenty-nine of the School contributed to the Fund. Subscribers are allowed to borrow money from the Fund for some specified purposes only. They have to pay interest on the sums advanced to them at the rate of 6 p. c. per annum. Pensions have been granted to a few employees for long and meritorious service.

It ought to be noted that the College is mainly, but not exclusively, dependent upon the fees paid by students. Since the foundation of the institution Rs. 91,161-15-3 has been contributed to its funds by donors and subscribers.

A number of free studentships is given to poor and meritorious students. Students belonging to depressed classes are given preference in the matter of concessions. The amount of concession during the last Session was about Rs. 7000.

With a view to fostering a spirit of healthy rivalry among the students and making the College examinations attractive, twenty scholarships, (ten of five rupees per month for the intermediate classes, and ten of six rupees per month for the senior classes) tenable for six months, are awarded on the results of the College examinations.

Besides the above scholarships, three other scholarships are awarded to deserving students out of the interest accruing from the funds placed in the hands of the Council for that purpose :—

(1) Two A. M. Bose Scholarships of Rs. 10 and Rs. 5 per month respectively, founded by Mr. S. M. Bose in memory of his father.

(2) One Satyendramohan Bose Scholarship of Rs. 5 per month founded by the late Mr. H. Bose in memory of his brother.

A Medical Officer is engaged by the College Council to look after the health of the boarders of the attached messes and hostels and to attend them during illness. A teacher of gymnastics has been appointed for the students of the College and a gymnasium has been set up. The students of this college take special interest in football. City College School.

The affairs of the school department are directly managed by a Sub-Committee consisting of 5 members, working under the College Council.

The School has all along endeavoured not only to qualify students for the University Examination, but also to impart wholesome moral instruction to them. Hours have been set apart for moral training in each

Class and suitable text-books have been prescribed for the purpose. The City Union and Asabahini (the Band of Hope) a society attached to the school, meets on Saturdays. The day's work in the class commences with a prayer in which both the teachers and the students join. Drill, Drawing and Music classes were held.

The instructive staff consisting of 28 teachers, mostly Brahmos, met in conference several times during the year and discussed various subjects relating to the improvement of the School.

The numerical strength on the 31st December last was 596 against 595, on the corresponding date of the preceding year. 47 boys sat for the Matriculation Examination of whom 43 passed, 29 in the first division, and 14 in the second. One boy got a Government junior Scholarship of Rs. 10 and another boy a Government Mahomedan Junior Scholarship of the same value.

The Mymensingh Branch of the City Collegiate School.

During the year under report, the numerical position of the school improved satisfactorily, the number on the rolls on the 31st December being 554. It is gratifying to note that despite many difficulties and disadvantages the school occupies the foremost place as regards number in the whole district.

The total number of teachers during the year was 21, the number of Brahmo members on the staff being as in the previous year only 3.

The total income of the school from fees etc. during the year was Rs. 15,313-11-2, the expenditure amounting to Rs. 13,613-7-0.

The apparent surplus had, however, to be spent very largely in clearing old liabilities, particularly in liquidating a portion of old debts and paying interest thereon, as also in effecting big repairs. For this reason, the outstanding financial stringency of the school continued practically unabated, so much so that the work of the school had to be managed under a high pressure, many needed improvements of the school, being held over for want of funds.

The school suffered very heavy losses on account of earthquake and fire. The damages caused by the earthquake to this institution were certainly the heaviest in the town and the school had for a period to be held away from its own premises. The financial difficulties of the school have been aggravated very seriously and endeavours are being made to raise funds by issuing an appeal to the public and by applying to the government for a special grant.

For the last Matriculation Examination the school sent up 61 candidates out of 65 students on the rolls and inspite of various disturbances through which this school along with several others had passed on account of the continuance of the non-co-operation movement in this part of the province, the institution achieved fairly good results at the University Examination. 45 students passed, 1 securing a scholarship.

(2) The Brahmo Boys' School.

The Brahmo Boys' Boarding and Day School has, through the blessings of God, completed the 20th year of its existence.

The Managing Committee consists of the following members :—

- Sir Nilratan Sarker, Kt, (President)
 Professor Prasanta Chandra Mahalanobis, M.A.
 (Cantab) Secretary.
- Babu Krishna Kumar Mitra, B.A.
 „ Pares Nath Sen, B.A.
 „ Hara Kanta Bose, B.A.
 „ Prabodh Chandra Mahalanobis.
 „ Lalit Mohan Dass, M A.
 „ Bamandas Mazumdar (Representative of the
 teaching Staff).
 „ Bepin Behary Chakraverti, B.A. Headmaster
 (Ex. officio.)

The teaching staff consists of 12 teachers of whom 2 are M. A.'s, 1 B. T., 3 B. A.'s, 2 F. A. passed and 3 Matric passed gentlemen, 1 Third year Normal Training passed Pandit.

There were on the 31st December, 195 boys on the rolls of whom 29 were Brahmos. 19 boys were sent up for the University examination of whom 15 passed, 12 being placed in the First Division and 3 in the Second.

The amount standing to the credit of the Provident Fund on the 31st December, 1923 was Rs. 1406-4-10.

There are altogether 3815 volumes in the School Library —(2024 English and 1791 Bengali and Sanskrit). During the year under review, 312 books were issued to the teachers and 755 to the boys.

Finance.

The financial condition of the Samaj will appear from the audited accounts. The following figures are taken from the Budget passed by the Executive Committee for 1923 :—

	Receipts.	Disbursements.	Difference.
General Fund	13,286-0-0	12,250-12-0	+ 1035-4-0

Total	22,985-11-0	27,316-12-0	- 4331-1-0

The following are the actuals obtained from the audited accounts for the current year :—

	RECEIPTS			DISBURSEMENT			DIFFERENCE		
General Fund	18296	1	8	11699	15	0	+6596	2	8
(including Rs. 6000 from B. M. Press)

	30637	15	11	27189	14	9	+3448	1	2

In the previous year the amounts under the same five heads were as follows :—

	RECEIPTS			DISBURSEMENTS			DIFFERENCE		
General Fund	14471	3	0	12245	8	0	+2225	11	0
(including Rs. 2000 from B. M. Press)

	24881	11	0	26451	12	0	-1570	1	0

It is clear from the above statements that though the financial position of the Samaj was slightly better in the previous year, no appreciable increase took place in the Receipts under several heads.

The Trust Funds with the Samaj amounts to Rs. 2,36,553-12-9; the face value of G. P. Notes in the custody of the Samaj is Rs. 2,12,100-0-0; and other investments with the closing balance amounts to Rs. 33538-14-3. Besides these, the Samaj has invested in land nearly Rs. 21,000.

We have to admit with very great regret that inspite of the humble efforts of the office-bearers and some of our friends in Calcutta and the *muffasil*, who had very kindly undertaken to collect subscriptions for the Samaj, the financial position of the Samaj did not improve as it should have done.

We beg to invite the attention of the members and supporters of the Samaj to the fact that we are passing through a state of financial embarrassment, which is becoming more and more acute every day. It is hardly necessary for us to state that

efficiency of work depends largely on liberal financial support. Owing to the absence of such support, we find our activities hampered and year after year, we have to place a very discouraging report of our failures and short comings before our members. Our mission operations are not being carried on with the vigor which the fulfilment of our aims demands. The income of the Samaj has been diminishing under some heads during the last few years, while the expenditure has been going up rapidly and we are consequently approaching a financial crisis. We see no other means of tiding over the critical situation which has thus arisen, than appeal to the generosity of our friends and supporters. We, therefore, most earnestly request the members of our Samaj to pay off their dues, which we regret to have to say, have, in many cases, gone on accumulating for years. We also request them to increase their annual subscription, and to get themselves enrolled as subscribers to our organs viz. the Indian Messenger and the Tattwakaumudi. We further appeal to all our members and supporters to contribute a small percentage of the expenditure incurred in connection with *sradhs*, marriages and other ceremonies as donations to the Samaj funds. It may be stated that we are cutting down expenses whenever practicable. The scale of remuneration to our missionaries and workers is much below what it ought to be in these days of high prices.

We trust that the financial condition of the Samaj will engage the serious attention of all our members and they will be ready to assist us liberally in a spirit of genuine self-sacrifice.

New Funds.

The Committee accepted with thanks the custody of the following Funds :—

(1) Drinkwater Bethune Fund :—Miss Jyotirmayi Ganguly, Principal, Brahmo Girls' School, made over to the Samaj (on behalf of the students of the Brahmo Girls' School and other friends) one $\frac{3}{4}$ per cent Government Security of the nominal value of Rs. 400/- —the interest of which is to be paid to the Brahmo Girls' School for

awarding a scholarship to a poor girl. The Fund is to be named Drinkwater Bethune Fund.

(2) Hemangini Banerji Fund :—Mr. John D. But for the year under review the accounts as audited may be passed, subject to the observation, that a detailed account be obtained for the relief fund from Dr. P. K. Acharjya. The other notes submitted by Mr. Bibhuti Bhushan Sarkar appear to be too trifling to call for a notice.

BANGALORE CANTONMENT BRAHMO SAMAJ.

(Otc. 1922, to Sept. 1923)

The Samaj deeply mourns the unexpected demise on the 14th May, 1923, of Sir Narayan Chandavarkar, who had come to Bangalore for recouping his health after his arduous labours as the President of the Bombay Legislative Council. Although he was not a member of the Bangalore Cantonment Brahmo Samaj, he took a great interest in its progress. The Samaj held a Memorial Service just after his death, and passed a resolution in appreciation of his life and character.

Another member in the person of Mr. V. Muthusawmy Doss, L.M.S., who had been connected with the Samaj for over 12 years, passed away on the 15th January, 1923, quite unexpectedly after a short illness. He was the first person among the Panchama Community, who had appreciated the saving message of the Brahmo Samaj and taken the fullest advantage of the fellowship extended to them by the broad and catholic principles of the Brotherhood of Man without any reference to one's caste. He was also the first man in that community, who had raised himself to the high position of a district Medical and Sanitary Officer in the Mysore State and tried to serve his fellow brethren to the best of his abilities and opportunities.

MEMBERS AND SYMPATHISERS.

There were 59 members and sympathisers, including two honorary members, on the roll on the 30th September, 1923, of whom 12 were ladies.

BRAHMO MISSIONARY.

Mr. E. Besides conducting services in the Cantonment Samaj and officiating at marriages, initiations and domestic ceremonies, he acted as the Secretary of the Young Men's Brotherhood and the Bachammal Widows' Home Association. He had also the charge of the Widows Home, and the Depressed Class Mission Schools under the Young Men's Brotherhood.

VISITORS.

Sir Narayan Chandavarkar was our first visitor during the year. Besides him, we had the pleasure of welcoming in our midst, as our fellow worshippers, Sir Krishna Govinda Gupta, Babu Hem Chandra Sarkar, M.A., and Miss Sakuntala Rao, M. A., from Calcutta, and Mr. and Mrs. P. Lakshmi Narayana from Rajamundry.

Mr. Sarkar who is a Missionary of the Sadharan Brahmo Samaj came, accompanied by his daughter, Miss Sakuntala Rao, on a mission tour in Southern India. During his stay, he conducted service in the Samaj and in the local Sadhanashram and took part in the public meeting held in connection with the Raja Ram Mohan Roy anniversary. He also visited some of the Brahmo families and stimulated the activities of the Brahmo Samaj in Bangalore.

ANNIVERSARY CELEBRATIONS.

The Magotsav and the Bhadrotsav were celebrated during the year, between the 24th and 28th January and on the 19th and 20th August, respectively. The 90th Anniversary of the death of Raja Ram Mohan Roy was celebrated on the 27th September, by holding a public meeting in the City Y. M. C. A. Hall under the presidency of Sir Krishna Govinda Gupta, K C. S. I. In the morning there was a divine service in the Brahma Mandir conducted by Mr. M. Singh.

CONGREGATIONAL SERVICES.

During the year under review, 53 weekly divine services and Special Services were held in the Brahma Mandir; and they were attended by 1634 worshippers, which gives an average attendance of 27 per service. We had the hearty co-operation of ladies, not only in the matter of attendance, but also in that of singing hymns at these services. The special services referred to, were in connection with the Maghotsav, the Bhadrotsav or the initiation of members and the two following :—

(1) An *In Memoriam* Service held in honour of the late Sir Narayan Chandavarkar, Kt., L. L. D., on the 16th May, 1923, when Mr. E. Subbukrishnaiya conducted service and Messrs. Shankaranarayan Rao, M. A., B. L., K. N. Dewal and M. Mahadeva Mudaliar, M. A. spoke about the salient features in the life of the departed soul.

(2) A Special Service held on the 11th November, 1922, to dedicate the newly put up pulpit of rosewood ornamental work, in memory of the late Mrs. Bachammal Balasundaram Mudaliar, at a cost of about Rs. 450 subscribed by her friends and admirers. About 80 persons attended the service which was conducted by Mr. E. Subbukrishnaiya.

Besides Mr E. Subbukrishnaiya, Messrs. A. I. Seshachalam Mudaliar, M. Mahadeva Mudaliar M. A., M. N. Singh, P. S. Lakshminarasu, B. A., B. L., P. S. Mani and V. Chellapillai Naidu conducted the congregational services. Among the visitors, Messrs. H. C. Sarkar, M. A., S. P. Y. Surendranath Voegeli Arya, M. A., B. D., S. T. M., P. Lakshminarayana and Mrs. Lakshminarayana also helped us in this direction.

The following two ladies and two gentlemen were initiated into Brahma Dharma by Mr. E. Subbukrishnaiya, during the year :—

- (1) Miss Sanjeevi Bai on 22nd April, 1923.
- (2) Miss Visalakshi Bai on 6th May, 1923.
- (3) Mr. S. V. Samaj, Bar-at-Law, on 20th May 1923.
- (4) Mr. J. P. David, B. Sc., on 23rd May, 1923.

YOUNG MEN'S BROTHERHOOD:—This is an institution affiliated to the Brahmo Samaj. Besides organising lectures on various subjects relating to religion, social reform, education and health, the Brotherhood undertook to conduct the schools managed by the Depressed Class Mission Society of India, when the latter gave them up for want of funds. Subsequently, the Brotherhood also found it difficult to manage all the schools and had to close four of them for the same reason.

BHARAT MAHILA SAMAJ:—This is another institution affiliated to the Brahmo Samaj. The institution could not show much progress during the year for want of proper persons to act as Office-bearers. However, two special meetings were held in connection with the Maghotsav and Bhadratsav celebrations. A lecture in English was delivered at the end of the year by Miss Sakuntala Devi, M.A., on "The One Thing Needful," which was presided over by Mrs. D.S.Herrick and it was largely attended by Hindu, Brahmo and Christian ladies.

BACHAMMAL WIDOWS HOME ASSOCIATION:—This is another institution in which the Brahmo Samaj is interested though not affiliated to it. This institution was started last year with the special object of providing shelter for young helpless widows, with a view to bring about remarriages for them. By God's grace, the institution has been able to secure three inmates, of whom two have come from Pithapuram and one from the Kolar Gold Fields. They have been placed in the home of Mr. and Mrs. E. Subbu Krishnaiya and an allowance of Rs 10 a month is granted for each of them towards their maintenance and Rs. 10 as house rent. So far, one gentleman has agreed to become a supporter paying Rs. 500. 13 persons have enlisted themselves as Life Members paying Rs. 100, each and 31 persons as Ordinary Members paying Rs. 1 per month. The monthly income of the institution at present is about Rs. 45 and if its resources increase it will be possible to extend the scope of its work. It is hoped that a large number of people will be able to extend their help to this institution so that we may increase its usefulness.

SUBEDAR MAJOR APPAVU PILLAY'S GIRLS SCHOOL:—This school which is under the direct manage-

ment of the Brahmo Samaj serves a useful purpose by providing free education to the poorer classes living in the locality. It is an elementary school with the first five classes. At present, three vernaculars are taught, viz., Tamil, Telugu and Kannada ; and lessons are also given in Drawing, Clay-modelling, Sewing, Knitting and other occupations, such as, stick or bangle laying etc. Both the strength and the attendance have increased a great deal since last year. The total strength on the rolls, on the 30th September, 1923, was 116 consisting of 74 girls and 42 small boys. As it is found difficult for three teachers to manage the present strength of the school, arrangements are being made to appoint a fourth teacher.

CONCLUSTON

The activities of the year in the different institutions may be considered to be fair on the whole. What is needed at the present juncture, is more organized work. We hope and devoutly pray that the great God who has in His infinite mercy enabled us to extend our work so far will not leave us helpless without providing the necessary stimulus in the new office-bearers to pay more concentrated attention to this matter and achieve the desired object in the coming year.

The year was a very unlucky one. Many devout Brahmos like Messrs. N. Vasappa, Laxman and H. Baboo passed away. A few of our sisters like Mrs. Shanta Bai, Miss Lulavashy Bai. Mrs. Kalyani Bai and Mrs. Netravathy also left us for ever. While sincerely sympathising with the families of these deceased, we gratefully record the services rendered to the Samaj by these brothers and sisters who have left us.

Babu deserve our special thanks for discharging the duties of minister for greater part of the year.

Two missionaries and one worker graced us with their presence and were very useful to us. They were Mr. Hemchandra Sarkar, Mr. Devendranath Mitra of Madras, and Mr. Devendra

Chandra Dutt. Mr. Hemchandra Sarkar was mostly instrumental in making the last anniversary celebrations successful. Our sisters considered it a great privilege to have his adopted daughter Miss Sakuntala Rao, M.A. in their midst during the anniversary week. Our thanks are due to these respected visitors and to Brother N. J. Suvarna and Sister Devi Bai for their assistance in affording shelter and lodging to the missionaries.

Our affiliated institutions have been working on well. The Sangath Sabha has been kept up with much effort. The Sunday School has been revived. Our Sisters of the Brahmica Sabha are making admirable efforts to co-operate with us in the work and realised a decent sum from the "Ananda Bazar", which they held during the anniversary of 1922. Both the Social Gathering and the variety entertainment which were held under the guidance of the Brahmica Sabha were a splendid success.

There were four Namakaran ceremonies during the year. Attendance at service was steady and good.

REMARKS.

1. Discrepancies have been noticed between vouchers and their posting in the Cash Book in the following cases.

(a) Receipt voucher No. 253 dated 5-3-23 showed that a sum of Rs. 2 was received from Babu Charuchandra Bose, Calcutta, but in the Cash Book, a sum of Re 1 has been credited, thereby affecting cash by Re 1. This shows that cash balances are not regularly verified by actual count which is objectionable. The deficit has, however, been made good on the 31st December after being pointed out by the auditor.

(b) Paid voucher No 180 dated 16-3-23 shows that a sum of -14- was recovered from Babu Gurudas Chakravarty his from allowance for the month of February on account of price of books ; but not credited to the Book account. An enquiry should be made as to the name of book sold, and the amount credited in the current year's account.

2. About a sum of Rs. 100 on account of rent has not been realised. It is hoped this will be done this year.

The Trust Fund Securities and cash with the Treasurer have been examined and found to be in order. A large amount of cash was found with him. It is desirable that no cash in excess of ordinary requirements should be in hand of the Treasurer.

3. The amounts showing balances under Deposits and Advances on the Balance Sheet could not be verified, with the detailed registers,

4. A sum of Rs. 1500 has been found to be returned by the Treasurer, flood Relief fund as balance, An account showing the total receipts, disbursements, and the total balance should be forthcoming. An attempt should be made to have it done in the current year and recorded in the Office.

Auditor.

PRINCIPLES OF BRAHMOISM

1. There is only one God, who is the Creator, Preserver and Saviour of this world. He is spirit. He is infinite in power, wisdom, love, justice and holiness. He is omnipresent, eternal and blissful.

2. The human soul is immortal, and capable of infinite progress, and is responsible to God for its doings.

3. God is to be worshipped in spirit and in truth. Divine worship is necessary for attaining true felicity and salvation.

4. To love God and carry out His will in all the concerns of life, constitute true worship.

5. Prayer and dependence on God and a constant realisation of His presence, are the means of attaining spiritual growth.

6. No created object is to be worshipped as God, nor is any person or book to be considered as infallible and the sole means of salvation ; but truth is to be reverently accepted from all scriptures and from the teachings of all persons without distinction of creed or country.

7. The Fatherhood of God, the Brotherhood of man and kindness to all living beings are the essence of true religion.

8. God rewards virtue, and punishes sin. His punishments are remedial and not eternal.

9. Cessation from sin accompanied by sincere repentance is the only atonement for it ; and union with God in wisdom, goodness and holiness is true salvation.

The Forty-seventh
ANNUAL REPORT
of the
Sadharan Brahmo Samaj.

एको वक्ष्यौ सर्वभूतान्तरात्मा

एकं रूपं बहुधा यः करोति ।

तमात्मस्थं येऽनुपश्यन्ति धीराः-

स्तेषां मुखं शाश्वतं नेतरिषाम् ॥

The one Ruler, the Inner Self of all creatures, who make his one form manifold—those wise men who perceive him in themselves, obtain everlasting happiness, and not others. *(Kathopanishad, II. 2. 12.)*

One who sees the Absolute, cannot remain enclosed in his small individuality but must feel after a larger life, —entering in love, sympathy and co-operation into the lives of others,—an ever increasing number of persons. His vision of unity will minimise his sense of difference and he will subordinate the latter to the former.

The modern *Rishi*, Raja Rammohan Ray, was led by the same spirit in founding the Brahmo Samaj. The fundamental unity of religions in recognising a supreme object of worship led him to give a subordinate place to differences of doctrine and practice, due mostly to local and historical accidents. He called upon all the different peoples of this country to unite in the worship of God and in living a life consistent with such worship. He conceived such a union as the very basis of both national and international life. All the peoples of the world are very slowly waking up to the truth and grandeur of this idea.

On us, who saw this light so early through the divine grace, lies the great responsibility of

acting up to it in our individual, domestic and social life. At the end of a year, we have to ask ourselves how far we have realised the ideal so revealed—how far we have loved others, identified ourselves with the joys and sorrows of others and co-operated with them in establishing the *Brahmaloka*—the kingdom of heaven—on earth? While thanking God for the small measure of success we have achieved, we are weighed down by the consciousness of contrast between our ideal and our achievement. The disproportion between the greatness of our ideal and the smallness of our achievement fills us with sorrow. It is in this humbled spirit, and not in a spirit of jubilation, that we proceed to lay before the Samaj and the country the following imperfect record of our humble work during the last year.

IN MEMORIUM

Since we met last year, the hand of death has been busy amongst us and some of those, who, with the faith and spirit of self-sacrifice so needful for the fulfilment of the mission of the Brahmo Samaj, helped to mould the life of the church by precept as well as by example, have passed away from our midst. Their noble struggles in the cause of truth and purity, their devotion and piety, their self-less life and indomitable enthusiasm in the service of the church, will for ever remain an inspiration to generations to come. Their memory naturally comes to us today. Prominent among them occurs to our mind the name of our venerable missionary and minister Pandit Navadwipchandra Das. He passed away at 6-30 A. M. on the 10th of Magh—the day on which he was to conduct divine service in connection with the *Utsav* of the Calcutta Congregation at 7 A.M. He had come from Giridih to take part in the *Maghotsav* and though he had been seriously ill for some time, nobody expected that the end was so near. He served the Samaj with a loyalty and devotion unsurpassed in the annals of the Brahmo Samaj. His life and work as a spiritual leader of the Samaj may be very appropriately said to have been a noble embodiment of the truth that love is the greatest thing in the world. All Brahmo homes have been filled with gloom by the sad event, which has been felt to be a severe personal affliction by nearly all members of the community, for he rejoiced with them when they rejoiced, and wept with them when they wept.

By the death of Babu Sasipada Banerji the Samaj has lost one of its first members and an earliest adherent of the Brahmo movement. He served his mother country in various ways. Temperance, the amelioration of the condition of the labouring classes—especially those of his native village—promotion of harmony among the followers of different religions and the re-marriage of Hindu widows, are some of the great causes for which he laboured with great energy and steadfastness. He served the Brahmo Samaj, as long as his strength permitted, in various capacities, especially as a member of the General and the Executive Committee. He was a devout worshipper of God and met the various vicissitudes of life with remarkable fortitude and resignation.

Though we mourn the loss of our leaders and workers who have left us, we are cheered by the belief that in spirit they are still with us and by the hope that God will, in His own time, raise men to fill up the gaps.

When the Sadharan Brahmo Samaj was established forty-seven years ago, it was intended to be a central organisation serving as a bond of union among the Brahmo Samajes in the different parts of the country, for the realisation in life and the propagation of the saving truths of Brahmoism and conducting the business of the Church on constitutional lines. It is a matter of the deepest thankfulness that the Samaj has been able to unite under a common organisation a large number of congregations and individuals. Forty-six Brahmo Samajes in India are either associated with, or affiliated to, our church and it is gratifying to note that the number of bodies both in India and outside of it, holding nearly the same principles and doing almost the same work as our Samaj, is increasing year by year.

The institutions and activities of the Sadharan Brahmo Samaj, of which the following is a brief account for the year just closed, may be arranged under three general heads, namely, Mission Work, Education, and Social Service. The ultimate aim of our organisation, with all its institutions, is the consolidation and spread of our common faith. Our mission work is, therefore, that sphere of our operations to which we attach the greatest importance.

The agencies for mission work at the disposal of the Samaj are—the ordained missionaries, the *Sadhanasram*,

the *Sevakamandali*, the Layworkers' Mission, the Baranagore Workingmen's Mission, the Calcutta Congregation of the Sadharan Brahmo Samaj, the Theological Society, the Sangat Sava, the Daily Divine Service, the Students' Weekly Service, the Sunday Moral Training School, the Organs of the Samaj and the Books published by the Samaj.

The Samaj has a vast field of work before it, but its resources in men and money are very limited. We are more than ever conscious of the inadequacy of our response to the unceasing demand for spiritual help from different parts of the country.

The mission work of the Sadharan Brahmo Samaj sustained an irreparable loss by the death of our veteran missionary Pandit Navadwipchandra Das. To our great regret Babu Bhabsindhu Dutt, one of our ordained missionaries, resigned during the year. A notable event was the ordination of Babu Satischandra Chakravarty as a missionary of the Sadharan Brahmo Samaj. Mr. V. R. Shinde, who for many years had been mainly occupied with work among the Depressed Classes, became available for direct mission work of the Sadharan Brahmo Samaj, from the beginning of the year. He has been deputed to carry on mission work in the West Coast of the Madras Presidency, with Mangalore as his headquarters. The East Bengal Brahmo Conference has made financial provision for two workers for North Bengal and Assam. Babu Abinashchandra Lahiri has been deputed to work in North Bengal and the Brahmaputra Valley with Dhubri as his headquarters and Babu Manmathanath Das in the Surma Valley districts. The visit of Dr. W. A. Drummond as a Representative of the International Congress of Liberal Religions and of the British and Foreign Unitarian Association, London, early in the year, has strengthened the bond of union between the theists of the East and the West.

Mission Work.

Babu Sasibhushan Basu suffered from illness for about three months. He took part in the proceedings of the *Maghotsar*, conducted divine service in connection with the Calcutta Congregation and acted as minister in several domestic cere-

monies. He visited the following places, where he preached the principles of our Church by conducting divine service, delivering addresses and holding conversational meetings : - Contai, Santipur, Rampurhat, Banamalichatta, Marisdaha. He also took part in the deliberations of the East Bengal Brahmo Conference held at Dhubri and conducted divine service in that connection.

Babu Hemchandra Sarkar acted as the Superintendent of the *Sadhanasram*, the growing responsibilities of which engrossed all his time and energy. Besides holding regular classes and conversational meetings for the *Sadhanarthi*s, he had to carry on a very large correspondence with workers and sympathisers in the moffusil. He went on a mission tour in Southern India, in the course of which he visited Pithapuram, Coconada, Rajamundry, Berhampore, Gopalpore, Cuttack and Balasore. He also visited Murshidabad.

Babu Gurudas Chakravarti conducted divine service in the *Mandir* several Sundays, visited many families and officiated as minister at several domestic ceremonies. He also conducted the daily morning service in the *Sadhanasram* on several occasions, taught the workers under training and took part in the other engagements of the *Asram*. He conducted service once a week at the Bethune College and Brahmo Girls' Boarding Houses and at one of the Brahmo Samaj Hostels for Girl Students. He also took part in the *Maghotsava* and other *Utsavs* of the Samaj. Occasionally, he conducted service in

the Sammilan Brahmo Samaj and at the newly started Syambazar Brahmo Samaj. He took part in the celebration of the *utsav* of the Prarthana Samaj at Entally. Babu Abinaschandra Mazumder has been in indifferent health for the last few years. He was, however, able to act as minister in many domestic ceremonies. He also distributed Homoeopathic medicine to persons who come to him for treatment. He is engaged in translating some Sikh scriptures into Bengali.

Mr. E. Subbukrishnaiya visited the following places among others :—Hyderabad Deccan, Cocanada, Pithapuram, Berhampur, Musalipatam, Guntur, Nellore, Jennali, Bapatla, Vinukonda, Narsarafet, Ballery, Belgaum, besides, a few centres of our activities in the Punjab, such as Lahore, Sialkot, Rawalpindi and Peshwar and preached the principles of our church in various ways. He organised a mission tour in company with two other mission-workers and visited about thirty villages in the Guntur and Nellore districts. He also visited Madras, Calcutta and Cuddalore. While in Bangalore, he regularly conducted divine service at the Cantonment Brahmo Samaj every alternate Sunday, besides visiting the City Samaj, almost regularly during the last quarter of the year.

Babu Satischandra Chakravarty, who was ordained in April, 1924, was in charge of the Sammilan Brahmo Samaj, Bhawanipur, as its resident minister. Besides conducting the weekly congregational service and the work of the various institutions attached to the Samaj, he had to officiate as minister in many domestic ceremonies. He also conducted divine service, generally once a month, in connection with the Calcutta Congregation of the Sadharan Brahmo Samaj. He held a conversational meeting for youngmen and a class for the study of "*Brahmo Dharma*" in the *Sadhanasram*. He spent some time at Kurseong, where he held weekly prayer and conversation meetings at his house, besides, conducting divine service occasionally at the Brahmo Samaj. He took part in the East Bengal Brahmo Conference at

Dhubri and presided over the youngmen's meetings there. Besides Kurseong and Dhubri, he visited Gauhati, Cuttack and Patna (twice) and did some mission work in all these places. He also made some contributions to the *Tattva-karmudi*.

While at Dacca Babu Abinaschandra Lahiri (missionary on probation) took part in the proceedings of the local Brahmo Samaj and officiated as minister in connection with many domestic ceremonies and family prayer-meetings. He visited the following places and preached the principles of our church by conducting divine service, delivering addresses and holding conversational meetings :—Nowgong, Tejpur, Barjuli, Taragali, Mymensingh, Bogra, Gauripur, Dhubri, Goalpara, Chittagong, Cooch-behar, Calcutta and Narayanganj.

Sadhanasram.

The *Sadhanasram*, which was founded in 1892 by the late Pandit Sivanath Sastri, with the object of practising and preaching Brahmoism and carrying on the service of humanity, has now six branches at Lahore, Dacca, Bangalore, Berhampur (Ganjam), Narsapur and Kurseong, and two permanent centres of work at Chittagong and Bankura, besides the central one in Calcutta. From these centres its workers work all over India. The Missionwork Extension Scheme, which had been inaugurated in 1923, as mentioned in the last year's report, made satisfactory progress during the year. At the beginning of the year there were eleven candidates under training for mission work, all of whom except one are still so engaged. One of these Mr. A. B. Das has been sent to Manchester College, Oxford, for further training. Babu Asakumar Banerji, M. A. and Mr. N. Jagannath Rao B. L. have been helping in the mission work of the S. B. Samaj. Five new candidates for missionwork have been admitted for training during the year. Besides the ordinary devotional meetings and exercises, regular classes were held for the candidates under training. Babu Gurudas Chakravarty, Pandit Sitanath Tattvabhushan, Babu Hemochandra Sarkar, Babu Satischandra Chakravarty and Prof. Sarojkumar Das conducted these classes. Babu Surendrasasi Gupta, Mr. A. B. Das, Rao Shaheb A. Gopalan and Babu Purnachandra Chakravarty

were taken as candidate-workers and Mr. P. Kunhi Raman, Mrs. P. Rohini and Mrs. Sundaramma were taken as helpers.

Lahore Sadhanasram—A branch *Sadhanasram* established at Lahore greatly strengthened and extended the work of the Brahmo Samaj in the Punjab, Sindh and Beluchistan. Its activities have been considerably crippled for want of sufficient number of workers. There are at present only two workers attached to this *Asram* viz., Bhai Sitaram and Bhai Ramkishan. Bhai Sita Ram travelled on mission work in the Punjab. He spent a considerable part of the year, on different occasions, at Sialkot, in consequence of which the congregation has greatly improved and a new room has been added to the Samaj building. The workers conducted service at the Lahore Samaj. Weekly meetings were held in the *Sadhanasram* on Saturdays, for the benefit of the boarders of the Hostel attached to the *Asram*, mostly conducted by Bhai Ram Kishan. The *Brahma Pracharak*, an Urdu fortnightly conducted by the *Asram*, which had been suspended for some time and revived last year, has been taken over by the *Sadhanasram*. Since then the number of subscribers increased. It has now a wide circulation, having subscribers in Sindh, Beluchistan, Burma, Basra, Bagdad, Africa and Singapur. The *Asram* has a large two-storied building of its own, utilised at present for a students' Lodge maintained by the *Asram*.

Dacca Sadhanasram—The *Dacca Sadhanasram*, which has been in existence for several years, has suffered for want of a permanent resident worker during the present year. Babu Baradaprasanna Ray, who was in charge of the *Asram* in the previous year, left Dacca early in the year, but the daily divine service was kept up by a few helpers. Babu Gurudas Chakravarty and Babu Amritlal Gupta visited Dacca on several occasions and conducted divine service during their stay.

Madras Branch—The Madras branch was located at Bangalore, as in the previous year. Mr. E. Subbukrishnaiya was in charge of it. Divine service was held daily throughout the year, in which some ladies and gentlemen joined. The *Asram* may be said to have contributed its mite to the growth of Brahmo spiritual atmosphere at the place, but for want of more workers the *Asram* could not be developed as intended.

The Himalayan *Sadhanasram*, which was established with a view to provide for workers facilities for spending some time in quiet prayer and meditation on the Himalayas, is situated at Kurseong. A spacious house at a very convenient site has been secured for the purpose. During the year several workers and *Sadhanarthis* availed themselves of the opportunity. Daily divine service and devotional meetings were held from April to December. Congregational divine service was held regularly every Sunday evening.

The Utkal Brahmo *Sadhanasram* was located at Cuttack during the earlier part of the year. It was removed to Berhampur (Ganjam) on the 1st October and Mr. R. Balkrishna Rao was appointed Superintendent. Daily divine service and devotional meetings were held in the *Asram*. At Berhampur it seems to have found a more useful career. Besides Mr. Balkrishna Rao and his wife, who is a helper of the *Sadhanasram*, Mr. N. Jagannath Rao has been attached to the Utkal branch and several local Brahmos are helping in its work.

The Andhra *Sadhanasram* was started in 1923. During the earlier part of the year it was located at Rajahmundry with Mr. P. L. Narayana as the Superintendent. Later on it was removed to Narsapur. Though there has not been much progress, prayer meetings were held every day, both in the morning and evening, when religious books were also read. Besides, twelve of Maharshi's sermons were translated and printed and a series of lectures on *Brahmo Dharma* were delivered in the local Town Hall, which were largely attended by the public.

Babu Adinath Chatterji was in Calcutta *Asram* during the greater part of the year. Besides conducting divine service in the Prayer Hall and the *Sadhanasram*, he officiated as minister in many domestic ceremonies. He wrote and published two books.

Babu Amritlal Gupta was at Gridih for about six months, where he conducted divine service in the Prayer Hall, and in connection with several domestic ceremonies and family prayer meetings. He visited many families and worked in connection with the local Sunday Moral Training school. He

stayed at Dacca for about four months and worked as the minister of the East Bengal Brahmo Samaj and besides conducting divine service in the Prayer Hall, he officiated as minister in many domestic ceremonies. He also visited a large number of families, gave some addresses before the Students' Weekly Service and worked in connection with the Sunday School. He also officiated as minister in the Gandaria Brahmo Samaj. He visited the following places and preached the principles of Brahmoism : -- Patna, Gaya, Mymensing, Narayangunge and Kaoraid. While at Calcutta he took part in the proceedings of the *Maghotsar*. He wrote and published a book for children.

Babu Baradaprasanna Ray took part in the proceedings of *Maghotsar* at Dacca. He visited many families and officiated as minister in several domestic ceremonies. He visited the following places and preached Brahmoism by holding divine service and *Kathhakatha* and giving addresses :—Dacca, Khilgaon, Naraingunge, Mymensing, Serajgunj, Tangail, Khulna, Maliat, Kakina, Rungpur, Bhagalpore, Moonghyr, Patna, Gaya. Bankipur, Chapra, Kirnabar and Calcutta.

Babu Hemendranath Dutt worked among the *Nama-sudras* and occasionally conducted divine service in the *Sadhanasram*.

Babu Manomohan Chakravarty took part in the proceedings of the *Maghotsar* and other *utsars* of the Barisal Samaj, acted as a minister of the Samaj and also in connection with family prayer-meetings. He worked in connection with Students' Weekly Service, *Upasak Sangha*, *Brahmo Bandhu Sava* and visited many families. He edited and managed *Brahmabadi*. He went to Dacca and stayed there for two months and acted as the minister of the East Bengal Brahmo Samaj, when he conducted divine service, sang songs and held religious discourses there. He also visited Calcutta, Khulna and Bagerhat and preached the principles of our church in various ways.

Babu Harinarayan Sen worked in connection with the Society for the Improvement of the Backward classes, Bengal and Assam. When he visited schools in the *Muffisil*, he tried to preach Brahmoism by holding conversational meetings.

Bhai Sitaram was in charge of the Lahore *Sadhanasram* and worked with his usual earnestness throughout the year. He came to Calcutta to join the *Maghotsav* and there he took part in the *Sadhanasram* meetings. On his way back he halted at Delhi, Patiala, Ambala, Kot, Kapura and Firozepur, where he conducted family prayer meetings.

Mr. R. Balakrishna Rao worked regularly for the Berhampore, Chhatrapur, Ichchapur Samajes and occasionally at Golabandha, Sonapur, Surla and Boyarani; visited Tanga-
 napalli, Nuapada, Purushottampur, Jaganathpore, Palligumula, Mandasha, Golantra on many occasions and addressed public gatherings. He worked in connection with the cyclone and flood relief work, in the Sonepet Taluk of Ganjam. He worked as the president of the "*Patitaparan Samiti*," among untouchables and took part in the Theistic Conference, held at Kalingpad; visited Vizag twice and attended Pithapuram Thiestic Camp. He worked as Superintendent of the "*Utkal Sadhanasram*"; since its transfer to Berhampore.

Bhai Ram Kishan stayed at Lahore during the year, except for 2 months in the first quarter, when he was in Calcutta, where he joined *Maghotsav* meetings and *Asram* daily service. He went with Babu A. K. Banerjee on a mission tour in Murshidabad, where he delivered some lectures in Urdu. He worked as the Superintendent of the Hostel attached to the *Asram*. He conducted Sunday service at Lahore Samaj and in many families. He officiated at several *anusthans* and conducted Saturday meetings at the Lahore *Asram*.

Mr. Sivaprasad worked in the West Coast of the Madras Presidency, with Calicut as his head-
 quarters. He performed the work of a resident minister of the Calicut Samaj and also visited a large number of places during the year, of which the following are the most important:—Ernakulam, Shertallai, Vaikom, Cochin, Trichur, Shornar, Quilon, Alleppy, Trivandrum in the South and Telli-cherry, Mahe, Cannanore, Mangalore and Bombay in the north. He took part in the anniversary of the Mangalore Samaj and also of the Depressed Classes Mission, Poona and delivered some lectures there. He organised a tour for Mr. V. R. Shinde for the West Coast and translated all his lectures

and sermons into Malayalam. He also published during the year two booklets on Brahmo principles.

Secy. to the Bankura Brahmo Samaj, conducting daily and weekly service in the *Mandir*, delivering lectures, holding *Upanishad* class, Sunday school and conversational meetings, managing the Night school, *Utsavas* and anniversaries. He delivered two lectures at the Zilla school, and a few Lantern lectures. He visited Midnapur, Chaibasa, Ranchi, Giridih and Vishnupur, and during these visits conducted divine service, delivered lectures, held conversational meetings and visited several families. He contributed a few articles to some papers and completed the biography of General Booth.

Early in the year Babu Debendranath Mitra stayed in Madras and worked in connection with the Southern India Brahmo Samaj, Madras. He conducted the daily divine service and devotional meetings of the *Asram* frequently and went on steadily with the work of rendering Brahmo books from Bengali into Telegu. During the year he published twelve sermons of Maharshi Devendranath Tagore in two volumes. He also published a revised edition of *Brahmo Dharma* in Telegu. He went on an extensive mission tour along with others in the districts of Guntur and Nellore, in the course of which he visited some forty places, where public addresses were delivered and divine service held.

Towards the close of the year he had to go to Poona and Belgaum in connection with the work of the Depressed Classes Mission and also visited Kolahpur where he delivered public addresses.

Sevakmandaly.

The number of ordained missionaries and mission-workers being quite inadequate for the spiritual ministrations of the Brahmo Samajes scattered over different parts of India, the services of the lay members of the Samaj are always required to supplement the work of the missionaries. The Executive Committee of the Sadharan Brahmo Samaj, therefore, considered it necessary to organise the work of the lay workers and the *Sevakamandali* was founded in the year 1903. In the year under report there were 58 members working at the following centres :—Calcutta, Baranagore, Cherapunji, Pabna, Dehradun, Chittagong, Raigunge, Mymensing, Patiala, Shillong, Hazaribag, Barisal, Comilla, Faridpur, Dacca, Lahore, Giridih, Indore, and Cuttack.

Pandit Sitanath	Tattvabhushan was incapacitated for
Pandit Sitanath	work for a few weeks in February
Tattvabhushan.	and December last owing to two successive
	operations on his eyes. He took part

in the last *Mughotsav*, conducted Sunday service and daily service in the Prayer Hall on many occasions and contributed good many articles to the Samaj Organs and some other papers. He also delivered addresses at the Theological Society and short discourses at the Daily Service, besides giving many readings in connection with it. He delivered a course of lecture on the theistic evidences and another on Vedic literature at the *Sadhanasram* and taught the

daily *Upanishad* and *Gita* classes attached to it. He also officiated at one initiation and some domestic ceremonies.

Lay Workers' Mission.

The Layworkers' Mission was organised by the Executive Committee on the 16th February, 1922, with the object of organising divine service and meetings in different quarters of Calcutta and visiting Samajes in its neighbourhood. As usual, it organised prayer-meetings, open air lectures and religious discourses accompanied by *Sankirtan*, almost every Tuesday, in various localities of Calcutta. A special feature of the year's work was the organisation of Magic Lantern lectures about the lives of the leaders of the Brahmo Samaj. Outside Calcutta, lectures were delivered at Kalighat, Kidderpur, Ultadanga, Dhubri, Kakina, Rungpur, Dinajpur, Bogra, and Kumarkhali.

Our thanks are due to all those gentlemen who helped the mission by delivering addresses and conducting divine service and *Sankirtan*.

The Baranagore Working Men's Mission.

The mission is maintained out of the interest of the funds placed in the hands of the Executive Committee by the late Mr. Sasipada Banerji in the year 1903, (two Government Promissory Notes of the face value of Rs. 1000/- each) for preaching practical religion and morality among the working men of Baranagore. Babus Rameschandra Mukerji, Devendranath Mitra, B.A. and Asakumar Banerji, M.A., visited the place occasionally and conducted divine service and delivered addresses.

Calcutta Congregation.

The annual meeting of the Congregation was held on the 29th February 1924, when the following office-bearers were elected for the year :— Prof. Rajani Kanta Guha, M.A., Secretary, and Messrs. Saratchandra Sarker, Rameschandra Mukerji and Nirmalchandra Chakravarti, M.A., assistant Secretaries.

The following ladies and gentlemen were appointed ministers by the Executive Committee of the Sadharan Brahmo Samaj, on the nomination of the Congregation :— Pandit Sitanath Tattvabhushan, Babu Krishnakumar Mitra, Dr. Prankrishna Acharji, Principal Herambachandra Maitra, Babus Gurudas Chakravarti, Sasibhushan Basu, Adinath Chatterji, Satischandra Chakravarty, Rajanikanta Guha, Hemchandra Sarkar, Lalitmohan Das, Bhabasindhu Datta, Srischandra Ray, Baradakanta Basu, Satischandra Chatterji, Annadacharan Sen, Priyanath Bhattacharji, Pratulchandra Som, Rameschandra Mukerji, Amritalal Gupta, Mathuranath Nandi, Baradaprasanna Ray, Prasannakumar Das Gupta, Mrs. Kamini Ray, and Mrs. Susila Basu.

There was also held in the *mandir*, every evening, a short service followed by readings from scriptures and conversation. Divine service was held on the following occasions :— The Bengali New year's Day celebrations, the anniversary of the foundation of the Sadharan Brahmo Samaj, the *Bhadrotsar* and the anniversaries of the death of Raja Rammohan Ray and Pandit Sivanath Sastri.

The Congregation has sustained an irreparable loss by the death of its venerable minister Pandit Navadwipchandra Das.

The number of members on the 31st December last was 230.

Three new fans were purchased during the year with the special donations received for the purpose from Mrs. M. M. Bose and Mr. Saratkumar Sinha.

It is a matter for regret that it has not yet been possible to take up the work of repairs to the roof of the *mandir* for want of funds.

With the addition of new books purchased during the year, the library has in its stock 2,874 volumes. Our thanks are due to the Calcutta Corporation for the grant of Rs. 75/- towards the up-keep of the Library.

The total income, including the opening balance and the total expenditure amounted to Rs. 1,927-2-6 and Rs. 1,919-7-3 respectively against Rs. 1,305-10-3 and Rs. 1,277-11-9 in the preceding year. The year closed with a balance of Rs. 7-11-3.

The Theological Society, the Sangat and the Daily Service.

These three have practically become one institution for the last seven years. A short service in the evening, with two hymns, is followed by an address, a short discourse or a reading, and a conversation follows on the subject thus introduced. The subjects are mostly of a practical nature, but they are often philosophical, social or biographical. Besides the annual address of the Theological Society on 'The two Currents of Theology' (দুই ধারা) by Pandit Sitanath Tattvabhushan, the same lecturer gave two lectures in English on "The Evidences of Theism". He also delivered eighteen short discourses in Bengali. The subjects of the discourses are given in the Appendix.

The services were conducted by Pandit Sitanath Tattvabhushan, Babus Pratulchandra Som, Bipinbihari Pal, Baradaprasanna Roy and Harischandra Datta. The hymns were sung mostly by Babus Bhavasindhu Datta and Abinaschandra Das. The readings were given by Pandit Sitanath Tattvabhushan and Babu Pratulchandra Som. The former read from the *Upanishads* and the *Gita Prapurti* and the latter from the *Brahmo Dharma-Granthu*, the *Brahmagitopanishad* and Christian Mystic literature. The members of the Daily service held an *Utsav* on the 24th May last, on the occasion of the sixth anniversary of the Service. It consisted of a service in the morning and a conference in the evening. They also held a memorial meeting on the 11th March last, in honour of the late Babu Abinaschandra Banerjee, who was a leading member of the Service and the *Sangat*.

Students' Weekly Service.

The Students' Weekly Service was founded in the year 1879, with the object of diffusing liberal ideas on social moral and religious matters among the youngmen

of Calcutta and its suburb and helping them in the formation of their character according to theistic principles. The aims and endeavours of the Service are :—

(i) The promotion of the cause of temperance and purity in all aspects of life, social and individual.

(ii) The cultivation of an earnest spirit of enquiry and an active interest in questions of social reform and progress.

(iii) The quest, realisation and propagation of liberal principles and theistic ideals of life and conduct.

(iv) The organisation of various activities for the furtherance of the cause of the Service.

During the year under review, there were ten lectures, seven memorial meetings and two divine services, a detailed list of which is given in Appendix. The anniversary *Utsav* of the Service was celebrated on the 19th January, when Mr. Bipinchandra Pal delivered a lecture on the "Problem of the Age."

During the last *Bhadrotsab* a conference of youngmen was held in the Prayer hall, Mrs. K. N. Ray, B.A. presiding. Some young ladies and gentlemen read very interesting papers on the 'Ideal of Life' and many others spoke on the subject. A discussion meeting of the members was held on one occasion, when a general discussion about the 'Duties of youngmen towards their church' took place. Many outsiders took part in it. Besides Saturday meetings, the members of the Students' Weekly Service, in order to promote mutual relationship among their own members, met regularly every Sunday in the Library room of the Samaj, where various subjects were discussed and members present took keen interest in them. It is gratifying to note that the present office-bearers are trying their best to see the members, in their houses and it is expected that this course, if continued, will bring a new life to the Service. Two social gatherings of the members were held in the Mary Carpenter hall. A *kirtan* also was organised. The Committee met 9 times.

The Service suffered a great loss by the death of Pandit Navadwipchandra Das and Mr. Sasipada Banerjee. The latter, in furtherance of its cause, had created a permanent Fund, the interest of which is spent in holding discussion meetings.

There were five fraternities, each standing for a particular sphere of activity. None of them are active now. The

total number of members on the list on the 31st Dec. 1923 was 573 and 42 new members were elected during the year. The financial condition of the Service was satisfactory.

At the annual meeting held in July last, the following gentlemen were elected office-bearers for the session 1924-25.

Vice-President—Mr. Prafullakumar Roy.

Treasurer—Mr. Amiyakumar Datta.

Secretary—Mr. Birendrakumar Roy.

Sunday Moral Training School.

The Institution was founded nearly 45 years ago by the late Pandit Sivanath Sastri with the help of a few ladies, for the moral and spiritual elevation of the children of the Brahmo Samaj. It has been doing good work since that time. But its work is often hampered by the paucity of workers. The main school is held at the Brahmo Girls' school premises. It has got a branch school, which is held in the Sivanath Memorial Building. The work of the schools went on as usual during the year. The classes were held regularly every Sunday morning, except during the holidays. The prize-giving ceremony was held in January, 1924. Dr. Sir Prafullachandra Ray, K.T., D.Sc., presided and Mrs. S. C. Mookerji gave away the prizes. There were 122 students in the main school during the year. The teaching staff consisted of Miss Mrinmayi Sen, M.A., Miss Charulata Sen, Miss Suniti Gupta, B.T., Babus Lalitmohan Das, M.A., and Bipinbihari Chakravarty, B.A. At the branch school there were 57 students. The teaching staff consisted of Mrs. Sukriti Choudhury, Mrs. Sudevi Mukerji, Miss Prabha Majumder, Miss Bibhati Ghosal, Babus Harakanta Basu, B.A., and Bhujendranath Mitra. Music was taught by Miss Bibhati Ghosal, Mrs. Sudevi Mukerji and Babu Harakanta Basu. Under the auspices of the Branch school an entertainment, consisting of music and recitations, was held in the compound of the Sivanath Memorial Building. Miss Charulata Sen is the Secretary to the Institution.

Organs and other publications of the Samaj.

Our books and periodicals are of great service in the field of mission work, as they help us to carry the message of the Brahmo Samaj far and wide. The official organs of the Samaj—the Indian Messenger and the Tattwakaumudi—were edited by Babu Pratulchandra Som and Babu Baradakanta Basu respectively, to whom our sincere thanks are due.

The following books were published by the Samaj during the year :—

1. উদার ধর্মবার্তা by Babu Adinath Chatterji.
2. A Manual of Brahmo Ritual and Devotions by Pandit Sitanath Tattvabhushan.
3. ব্রাদার লরেন্সের পত্রাবলী by Babu Himansuprakas Ray.
4. মহতী বাণী—Selections from the Bengali works of Raja Rammohan Ray.

The best thanks of the Samaj are due to the authors of the books.

Social Service-

During the year under report 7 blind persons, 10 widows, 6 students (including three girls) Charity Fund. and 4 poor families received regular, and a widow, 2 students, and 2 poor families, occasional help out of the Fund. The receipts from donations and interests on Trust Funds and Savings Bank Deposits amounted to Rs. 354-14-6 and the expenditure Rs. 353-0-0. The balance in hand at the beginning of the year was Rs. 385-11-0 and that at the end Rs. 387-9-6. Babu Baradakanta Basu acted as Secretary.

Relief operation in the district of Ganjam was commenced last year and continued in the first quarter Relief Work. of the year under report. The following is a short account of the receipts and expenditure. We offer our best thanks to the donors and workers,

Hearing of the devastating flood in Southern India, the Executive Committee sent a sum of Rupees five hundred to Rai Bahadur A. Gopalan for relief work in Malabar. An appeal was issued for funds. Rs. 449-9-9, was received.

A fire broke out in a certain quarter of Bankura, which made many poor people homeless. The Committee sent Rs. 50. to Babu Surendrasasi Gupta for distribution among the sufferers.

The *Sadhanasram* has a *Seva* section or philanthropic department. The workers of the *Sadhanasram* had, from time to time, to undertake various kinds of humanitarian work, some of which gradually developed into permanent Institutions. There were five such during the year under report, viz. the Society for the Improvement of Backward classes, Bengal and Assam, The Dacca Hindu Widows' Home, The Utkal Orphanage, The Kerala Brahmo *Seva-Sadan* and the Navadwip *Seva Sangha*.

The Society for the Improvement of Backward classes, Bengal and Assam, continued to work satisfactorily under the direction of its energetic Secretary, Rai Sahab Rajmohan Das. One of the workers of the *Sadhanasram*, Babu Harinarayan Sen, devoted his whole time and energy to its service. At the close of the official year on 31st March 1924, it had 362 schools with a total of 14,161 children scattered over twenty districts of Bengal and Assam. Of the 362 schools one was a High School, ten Middle English Schools and the rest Primary Schools. Of the total number of 14,161 pupils, 10,763 are boys and 3,398 girls. The total expenditure of the Society during the year was Rs 17,544.

The Dacca Hindu Widows' Home, had 18 widows at the close of the year. They received literary and vocational

training according to their capacity. It is at present located in a rented house. Efforts are being made to secure a house of its own.

The Utkal Orphanage was at Cuttack. At the beginning of the year there were five boys and five girls. But as it was felt undesirable to keep the boys and girls together, the girls were sent to some other institutions and private families in April last and there were only five boys left in the Orphanage. In July last, the Orphanage itself collapsed owing to certain unfortunate circumstances.

The Kerala *Seva-sadan* consisted of a group of philanthropic Institutions viz., a primary school, an Orphanage and a Charitable Dispensary, founded and conducted by Rai Saheb A. Gopalan, at Calicut. At the beginning of the year, he made them over to the *Sadhanasram Seva* Section.

The Navadwip *Seva Sangha* was started on the occasion of the last anniversary of the *Sadhanasram* in February in commemoration of the late venerated Pandit Navadwip-chandra Das, with the object of helping the needy and distressed. Though much work has not been done yet, the members could render a little service to some Brahmo families in Calcutta.

The workers of the *Asram* also rendered some service in relief of distress caused by cyclone and flood in Ganjam and Malabar.

Educational Work.

Since its foundation the Brahmo Samaj has considered diffusion of knowledge as its sacred duty. Many of our members, both ladies and gentlemen, have devoted themselves to the cause of education and made it their life's vocation. The Samaj has directly under its control a High English school for girls with a boarding-house attached to it and two girls' hostels for college students. The Brahmo Samaj Education Society organised in 1905, has under its control City College—a first grade College with two schools, one at Calcutta and the other at Mymensing—and the Brahmo Boys' Boarding and Day school.

Besides these, the following educational institutions, which, though not directly under the Samaj, are owned and managed by Brahmos, did useful work in

forming the character of a large number of young people :—East Bengal Institution, Dacca, Town Victoria School, Cuttack, Rammohan Ray Seminary, Patna, Baniban Girls' M. E. School, Rammohan Ray Girls' School, Lahore and Rammohan Roy Ragged School, Madras.

Brahmo Balika Sikshalaya.

The School was founded in May, 1890, by some members of the Sadharan Brahmo Samaj, headed by the late Pandit Sivanath Sastri, as it was keenly felt that the existing system of purely secular education was inadequate for the development of character. The University curriculum is followed. But the aim of the founders of the school was to supplement this with religious and moral instruction.

The School prepares candidates for the Matriculation of the Calcutta University : instruction is also given in music, drawing, sewing, cooking, Hygiene and First Aid, so as to make the girls useful members of society.

Our thanks are due to Capt. Nibaranchandra Mitra for kindly delivering a course of lectures on Hygiene and First Aid.

The Managing Committee of the School for 1923, consisted of the following ladies and gentlemen :—Principal H. Maitra, Dr. Prankrishna Acharya, Mr. Krishnakumar Mitra, Mr. Nibaranchandra Ray, Mr. S. M. Bose (Assistant Secretary), Mr. Amiyakumar Sen, Mrs. Purnima Basak, the Lady Principal, Mrs. Kiranbala Banerji (teachers' representative), Mrs. S. C. Mukerji and Lady Bose (Secretary).

The staff consisted of 21 teachers, all of them except two being ladies.

There were 385 students on the rolls on the 31st December, as against 323 on the same date of the previous year. Of these, 314 were children of orthodox Hindu parents, four Mahomedans and ten Christians.

The daily work of the School begins with a hymn and a short prayer.

Nineteen girls appeared at the Matriculation Examination held in 1924, all of whom passed, 16 being placed in the first and three in the second division. Three girls obtained scholarships.

Attached to the School, there is a Training Department, which prepares girls for the Senior and Junior Teachership Certificate Examinations. The Government grants six Senior Stipends of Rs. 12 and eight Junior Stipends of Rs. 10 per month. For the expenses of the Training Department the Government is pleased to make a monthly grant of Rs. 500, and for the Hostel attached to this Department one of Rs. 200.

The School hostel can accommodate only 70 girls, and there is always a great demand for seats.

The health of the boarders was very kindly looked after by Dr. Girindrasekhar Bose, MD., B.Sc., who always gave his services ungrudgingly.

The distribution of prizes to successful candidates of the Session closing in December, 1923, was held on the 16th February, 1924, and was presided over by the Hon'ble Sir Hugh Stephenson and Lady Mukerjea kindly gave away the prizes.

The School is maintained by means of fees, subscriptions, donations and grants-in-aid from the Government and the Corporation of Calcutta. The Municipal grant of Rs. 1, 000 is, however, insufficient to cover the rates, which now amount to Rs. 2,200.

Brahmo Samaj Hostels for Girl Students.

In view of the fact that the Bethune College Hostel and the Brahmo Samaj Hostel for Girl students could not provide accommodation for the large number of students seeking admission into hostels, the Executive Committee authorised the Managing Committee of the Brahmo Samaj Hostel for Girl students to open another hostel, last year.

During the year under report there were two hostels for College girls,—one with 28 and the other with 30 seats for boarders. Even these were not found sufficient for all the candidates and many had to be refused admission for want of accommodation. Both the hostels are in receipt of grants-in-aid from the Government. There were 58 boarders in them. Dr. Prankrishna Acharji was the Secretary.

Brahmo Samaj Education Society

City College.

City School was founded on January 6, 1879. The F. A. classes were opened in 1881, and the B. A. classes in 1884. Thus within five years of the establishment of the school, the institution developed into a first-grade college. A building was erected at 13, Mirzapur Street, and was opened by Lord Ripon in December, 1883. Mr. A. M. Bose, proprietor of the institution, made over the buildings to a body of trustees in 1888. In January, 1905, the College was placed under the control of a Society, registered under Act XXI of 1860, called the "City College Institution", which is now known as the "Brahmo Samaj Education Society". It is the object of the Society "to promote the cause of education in its highest and widest sense, to make the education—comprehending the training of the mind, heart and body, and founded on a Theistic basis—conduce to the good of man and the glory of God".

The College prepares students for the B. A. Examination, in English (Pass and Honours), Sanskrit (Pass and Honours), Philosophy (Pass and Honours), Persian, History (Pass and Honours), and Political Philosophy; for the B. Sc. Examination in Mathematics (Pass and Honours), Physics and Chemistry; and for the Intermediate Examinations in Arts and Science, in English,

Sanskrit, Persian, Logic, History, Mathematics, Chemistry and Physics.

The number of students on the rolls, on the 31st August, 1924, was 2,059 as against 1,945 on the same date in 1923, comprising 586 in the I. A. classes, 301 in B. A. classes, 988 in the I. Sc. classes and 184 in the B. Sc. classes.

The total strength of the college staff in September 1924, consisted of 20 Professors, 9 Lecturers, one Moulavi, 7 Tutors, 12 Demonstrators, a Librarian and an Assistant Librarian. The office staff consisted of a Head clerk, a Cashier, a Typist, an Accountant, three clerks, a Store-keeper and a Care-taker.

Dr. Hiralal Halder has been serving the College as an Honorary Professor for the last six years.

GOVERNING BODY:—The institution is under the control of a body known as the Council, which is now composed as follows:—

There is a Charity Fund attached to the college for the benefit of poor students, which is contributed to mainly by the members of the staff. A sum of Rs. 174-12-0 was spent out of the Fund during the session, 1923-1924.

THE THEOLOGICAL FACULTY:—The Faculty settled a programme of lectures at the commencement of the session and classes were held till the college closed for the summer vacation. But during the year under

review its activities could not be continued for want of a requisite number of capable teachers, as many of those who worked last year have either left the city or been disabled by ill-health. The scheme, however, has not been abandoned. It will be revived if the College can avail itself of the services of some competent lecturers.

PROVIDENT FUND :—In January, 1915, a Provident Fund was created for the purpose of making some provision, on retirement or death, for the employees of the College and School or their families. Members of the staff contribute to the Fund at the rate of an anna per rupee of their salaries and the institution contributes at the rate of half an anna. In May, 1924, 55 members of the College staff and 29 of the School contributed to the Fund. Subscribers are allowed to borrow money from the Fund for some specified purposes only. They have to pay interest on the sums advanced to them at the rate of 6 p. c. per annum. The amount standing to the credit of the Fund on the 31st May, 1924, was Rs. 90,141-0-8 invested as follows :—

(1) War Bonds, War Loans, Postal	
Certificates etc.	Rs. 83,132-7-8
(2) With the College	1,242-0-0

Total	84,374-7-8

Pensions have been granted to a few employees for long and meritorious service.

It ought to be noted that the college is mainly, but not exclusively, dependent upon the fees paid by students. Since the foundation of the institution Rs. 92,996-7-6 has been contributed to its funds by donors and subscribers. A number of free studentships is given to poor and meritorious students. Students belonging to depressed classes are given preference in the matter of concessions. The amount of concession during the last session was about Rs. 7,000/-

With a view to fostering a spirit of healthy rivalry among the students and making the College Examinations attractive, twenty scholarships, (ten of rupees five per month for the Intermediate classes, and ten of six

rupees per month for the senior classes) tenable for six months, are awarded on the results of the College examinations.

Besides the above scholarships, three other scholarships are awarded to deserving students, out of the interest accruing from the funds placed in the hands of the Council for that purpose :—

1. Two A. M. Bose scholarships of Rs. 10 and Rs. 5 per month respectively, founded by Mr. S. M. Bose in memory of his father.

2. One Satyendramohan Bose scholarship of Rs 5. per month founded by the late Mr. H. Bose in memory of his brother.

With the object of encouraging students to study good books outside the University curriculum, the college awarded five book prizes, two to B.A. and B.Sc. and three to I. A. and I. Sc. students, on the result of examinations held to test their knowledge.

A medical officer is engaged by the College Council, to look after the health of the boarders of the attached hostels and messes and to attend them during illness. A teacher of gymnastics has been appointed for the students of the college and a gymnasium has been set up. The students of this college take special interest in football and cricket. The athletic department has been considerably improved since last year, and the gymnasium has been strengthened with the addition of a training class in boxing and *Jijutsu*. As regards cricket the City College team has proved to be the strongest college team of the season. The College football team played for the Krishnagar shield and the Wheeler Memorial shield at Krishnagar and Berhampur respectively, with a very good result. Arrangements have been made for hockey and tennis games.

Regular lectures on Theology, the *Bhagavadgita*, the *Upanishads*, and Natural Religion were given by two professors up to April, 1924, after which they could not be continued for want of capable teachers. Lectures on moral and religious subjects are often given in the College hall. Divine service is held every Sunday at the Rammohan Roy Hostel, it being conducted by the Principal, or some member of the Council or staff. Divine service is also conducted in the College hall on the day of the re-opening of the College after a long vacation. On the 6th of January, the anniversary of the foundation of the institution, divine service is held in the College hall in the morning, after which light refreshments are provided for the students and guests.

City College School, Calcutta.

The affairs of the school department are directly managed by a Sub-Committee consisting of 5 members, working under the College Council.

The School has all along endeavoured not only to qualify students for the University Examination, but also to impart wholesome moral instruction to them. Hours have been set apart for moral training in each Class and suitable text-books have been prescribed for the purpose. The City Union and *Asabahini* (the Band of Hope), a society attached to the school, meets on Saturdays. The day's work in the class commences with a prayer in which both the teachers and the students join. Drill, Drawing and Music classes are held.

The instructive staff consisting of 30 teachers, mostly Brahmos, met in conference several times during the year and discussed various subjects relating to the improvement of the School.

The numerical strength of the School on the 31st December last was 618 against 596 on the corresponding date of the preceding year. 49 boys sat for the Matriculation Examination of whom 41 passed, 26 in the first 11 in the second and 4 in the 3rd Division.

City College School, Mymensingh.

During the year under report the number on the rolls was 517 as against 545 in the preceding year, there being a decrease of 28. This falling off in number is, however, a common feature of the generality of High Schools in many districts of Eastern Bengal, owing to a variety of untoward circumstances. But it is note-worthy that the numerical strength of the school is the highest this year too in the district of Mymensingh.

The total income from fees, fines, etc, during the year was Rs. 17,652. 11 a. 4 p. and the expenditure Rs. 17,733. 11 a. 6 p. Owing partly to the decrease in the receipts, corresponding with the relative shrinkage of its numerical magnitude but very largely to the abnormal pressure on the funds of the school caused by the work of repair and reconstruction of the school buildings severely damaged by earthquake and fire, the financial condition of the school has been extremely unfavourable. Even with the help of an advance of Rs. 1000 by the City College Council and a loan of Rs 2000 raised locally together with a sum of Rs. 501 from donations to the building fund, the repair work could be but partially completed, the amount already spent in this connection being Rs. 4,484. 7a. 9p. In addition to an outstanding liability of nearly Rs. 1,850, a futher approximate sum of Rs. 1,835 will be required to reconstruct the big verandah in front of the main building and to undertake some minor repairs yet left undone. On account of this abnormal financial stress, the school has had to be run amid many difficulties and disadvantages. Not only has it suffered in a perceptible degree for want of sufficient accommodation but the work has had to be managed by a staff not quite commensurate with the actual requirements of the school. Many needed improvements have been held over for want of funds and it is of the utmost importance that some effective means should be found, to relieve in a measure the very great financial pressure, the school is smarting under.

There were 21 members on the teaching staff, one having left towards the end of the year. As in the preceding year, there were only 3 Brahmo teachers, including the Headmaster, in the school.

The results of the Matriculation Examination have been to its credit. Out of 62 candidates selected for the University Examination 56 came out successful,

37 in the 1st division 17 in the 2nd and the rest in the 3rd and one of the successful students secured a second grade scholarship.

Brahmo Boys' School

The managing Committee consists of the following gentlemen :—

1. Prof. S. C. Mahalanobis, B.Sc. (Edin), F.R.S.E.
—President.
2. „ P. C. Mahalanobis, B.Sc. (Cal), M.A. (Cantab),
—Secretary.
3. „ Satischandra Chatterjee, M.A.
4. „ Brajasundar Ray, M.A., B.L.
5. „ Nibaranchandra Ray, M.A., B.L.
6. Mr. Annadacharan Sen, B.A.
7. „ Asoke Chatterjee, B.A. (Cantab)
8. „ Bamandas Mazumdar—Representative of the
teaching staff.
9. „ Bipinbihari Chakravarti, B.A., Head Master.

The teaching staff consists of 12 teachers of whom 2 are M. A's. 1 B.T., 3 B. A's., 2 F. A's. 3 Matriculation passed and 1 Third year Normal training passed.

There were 214 boys on the rolls on the 31st March last, of whom 34 only were Brahmos.

14 boys were sent up. All of them passed—12 were placed in the first division, 1 in the second and 1 in the third.

The Government grant of Rs. 140 a month (Rs. 125 for the school and Rs. 15 for the hostel) was renewed for another 3 years.

The amount standing to the credit of the Provident Fund, which was started 3 years ago for the benefit of the employees of the school, is Rs. 1,800-6-2.

In the school library there are altogether 3,815 volumes of useful literature. During the year under review 908 books were issued to the boys and 340 to the teachers.

The school enjoys affiliation in all the subjects prescribed by the University, except Hygiene.

The School Hostel is located on the top flat of the school building and is under the direct supervision of the Headmaster who is resident there with another teacher, Babu Nibaranchandra Bera, as Assistant Superintendent. There were 19 boarders on the rolls of the hostel on the

31st March last, of whom 7 were Brahmos. A short divine service is conducted by the Headmaster, both morning and evening in the hostel. The boys met regularly on Saturdays in two batches, under their respective presidents, for the purpose of debates, speeches, recitations, essays etc. Besides these, there is a small fraternity of the boys of the lower classes, called *Satsanga*, which holds its meetings on Sundays in the afternoon.

The *Maghotsav* and the foundation Day were celebrated in the school with usual rejoicings and the boys had their annual outings with their teachers.

The teachers met almost every month to discuss important matters and compare notes with one another about the school and the boys.

Earnest endeavours are constantly made to keep up, to some extent at least, the lofty ideals of the school and to create a pure moral and intellectual atmosphere in and around it. Regular classes are held for moral instruction. But it is much to be regretted that for want of a play-ground proper attention cannot be paid to the physical well-being of the boys. The work of the school begins with a short divine service accompanied with hymns and sermons, conducted by the Headmaster.

Other Business.

As usual, the new year began with the annual festival, the *Maghotsav*, which commenced on the 15th January with prayers in Brahmo households and students' lodges for the welfare of the Brahmo Samaj and closed on the 29th January.

As in previous years, the Lord of the *Utsav* called up his servants to herald the advent of the *Utsav* and during the whole month of *Pous* the *Ushakirtan* party carried the message from door to door, awakening people to get ready for the *Utsav*. Though the death of *Pandit Navadwipchandra Das* had cast a gloom over the rejoicings of the *utsav*, yet his spirit seemed to have been hovering over the spiritual atmosphere of the season.

Besides the *Maghotsav*, three other *utsavs* were celebrated in connection with the following :—(1) The Bengali New Year's day ; (2) The Foundation Day of the Sadharan Brahmo Samaj in the month of *Jaistha* and (3) the *Bhadrotsav* day in the month of *Bhadra*, on which Raja Rammohan Ray inaugurated the public worship of one true God. Detailed programme of these *Utsavs* are given in the Appendix.

Rammohan Ray Anniversary—The anniversary of the death of Raja Rammohan Ray was celebrated as follows :—In the morning of the 27th September, divine service was held in the Prayer Hall of the Samaj, Dr. Prankrishna Acharji acting as minister. In the evening a public meeting was held in the *Mandir*, over which Principal Herambachandra Maitra presided. Babus Kshitindranath Tagore, Benimadhab Das and Prof. Rajanikanta Guha addressed the meeting.

Anniversary of the death of *Pandit Sivanath Sastri*—The anniversary of the death of *Pandit Sivanath Sastri* was observed according to the following programme :—In the morning of the 30th September divine service was conducted in the *Mandir* by Babu Gurudas Chakravarty. In the evening there was a public meeting in the Prayer Hall, presided over by Dr. Sir P. C. Ray. Babus Gurudas Chakravarty, Satischandra Chakravarty, Amritlal Gupta and Bipinchandra Pal were the speakers.

In memory of *Pandit Navadwipchandra Das*—The *Sradh* ceremony of *Pandit Navadwipchandra Das* was solemnised on Sunday, the 10th February. Early in the

morning there was *Ushakirtan*, and at 8 A.M. divine service was held, Dr. Prankrishna Acharya and Principal Herambachandra Maitra officiating as ministers. Babu Satischandra Chakravarty gave readings from the *Upanishads*. A Memorial meeting was held at 3-30 P. M. in the Prayer Hall. Dr. Prankrishna Acharji presided on the occasion. Babus Gopalchandra Guha, Bhabasindhu Dutt, Subinoy Ray, Gaganchandra Hom, Gurudas Chakravarty and *Srimati* Hemlata Sarkar addressed the meeting. In the evening there was divine service, which was conducted by Babu Lalitmohan Das.

An oil-painting of the *Pandit*, the gift of *Srimati* Sukhada Nag, has been placed in the Hall of the Brahmo Samaj Library. The Memorial Committee, of which Dr. Prankrishna Acharji, M. A., M. B., and Babu Baradakanta Basu, B. A., are the Secretaries, has issued an appeal for funds for the creation of a Permanent Mission Fund and for making provision for the relief of distressed Brahmo families. The Fund has been created with G. P. notes for Rs. 600 and more than Rupees four thousand has been promised.

The ladies too organised a meeting to perpetuate the memory of our venerable missionary and *Srimati* Kshirod-basini Mitra has been able to collect more than two thousand rupees.

Visit of Dr. Drummond—Rev. Dr. W. H. Drummond, D.D., LL.D., Secretary, International Congress of Free Religious Liberals and Workers, accompanied by his wife arrived at Calcutta on the 5th February. They were accorded a hearty welcome by the elders of our church at Outramghat. He gave an address on "Religion and Mission Work" in the Prayer Hall of the Samaj on the 7th February and another on "The Youth Movement in Europe," on the 9th February, in connection with the Students' Weekly Service. The members of the three sections of the Brahmo Samaj were at home to Dr. and Mrs. Drummond in the lawn of the Brahmo Girls' School on the 13th February. Our revered guest visited all our educational institutions and evinced great interest in the Brahmo Samaj movement. He also visited most of the centres of Brahmo activities.

A new Congregation—Arrangement has been made for holding a congregational service on Saturdays in Syambazar.

East Bengal Brahma Conference—The East Bengal Brahma Conference was held at Dhubri in the first week of October last. Dr. Prankrishna Acharya presided. The Conference was a success and reflected great credit on the organisers. Babu Atulananda Das was the Chairman of the Reception Committee. Of the various matters discussed in the Conference two were of great practical importance, namely, *Sadhan* and Mission-work in Assam. Subscriptions and donations for maintaining two missionaries for the Surma and Brahmaputra Valleys of Assam were promised.

There was also a Youngmen's Conference. Babu Satis-chandra Chakravarty presided over the deliberations of this conference. There was also a meeting exclusively for ladies, *Srimati* Kamini Ray, B.A. acting as President of the meeting.

Such gatherings of Brahmos is sure to promote brotherly feelings and co-operation.

KHASI HILLS MISSIONS.

As we said in our last annual report, the Executive Committee has not yet been able, for various reasons, to take in hand the question of organising the Khasi Hills Mission. Some of the Samajes in the Khasi Hills are managed by the members themselves.

Revision of Rules of the Samaj—The General Committee met several times to consider the recommendations in regard to the changes in the Rules of the Samaj and we are glad to record that they have completed their work. The recommendations of the General Committee will be laid before the next annual meeting.

Gift of Books—The Samaj has thankfully accepted the Copy-right of the following books from their author Babu Adinath Chatterje :—(1) প্রকৃতি চর্চা, (2) প্রশান্তি কল, (3) আত্মবিশ্লেষণের বিশেষত্ব, (4) বিধান, (5) সাধন প্রশস্ত, (6) উদার ধর্মবাহিত।

Estate of the late Sitanath Bakshi—The late Babu Sitanath Bakshi of Arasini, in the District of Midnapur, left, under certain conditions, his estate worth about four thousand Rupees, by a will to the Sadharan Brahma Samaj, appointing the Secretary of the Samaj the sole Executor. Probate has been granted by the District Judge of Midnapur. Steps are being taken for the management of the property. Babu Rasiklal Dutt has been working as Hony. Supdt. of the Estate, to whom the best thanks of the Samaj are due.

Annual meeting—The last Annual Meeting of the members of the Sadharan Brahmo Samaj was held on the 23rd January, 1924, when the Annual Report for 1923 with the audited Accounts was adopted and the following Office-bearers were elected and the General Committee for the year was formed :—

During the year under report there were four ordinary quarterly meetings and two special meetings.

The names of the members of the General Committee are given in the Appendix.

New Funds.

The Committee accepted with thanks the custody of the following Funds :—

(1) *Induprabha Chatterjee Fund*:—Babu Jitendra-kumar Biswas made over to the Samaj the sum of Rs. 200 for the creation of a permanent Fund, in memory of his sister late Mrs. Induprabha Chatterjee ; the interest is to be paid annually to the *Sadhanasram*.

(3) *Navadwipchandra Memorial Fund*:—has been created with G. P. notes for Rs. 600, as the first instalment ; the interest is to be paid to the Mission Fund.

The following additions were made to the old Funds:—

(1) Rs. 100 to the Dwijadas Biswas Fund ; (2) Rs. 200 to the Anandamohan Bose Fund ; (3) Rs. 100 to the Swarnaprabha Bose Fund ; (4) Rs. 500 to the Prabhatkumar Dinda Fund and (5) Rs. 27-6-3 to the *Balya-dan* Fund.

Finance

The financial position of the Samaj will appear from the audited Accounts. The following figures are taken from the Budget passed by the Executive Committee for 1924 :—

	Receipts.	Disbursements.	Difference.
General Fund	14,211-0-0	11,65-0-0	+ 2,596-0-0
Mission Fund	7,089-0-0	9,080-0-0	- 1,991-0-0
Indian Messenger	1,425-0-0	3,140-0-0	- 1,715-0-0
Tattwa Kaumudi	725-0-0	1,027-0-0	- 302-0-0
Books	1,265-0-0	955-0-0	+ 310-0-0
Total	24,715-0-0.	25,817-0-0.	- 1102-0-0.

The following are the actuals obtained from the audited accounts for the current year :—

	Receipts.	Disbursements.	Difference.
General Fund	24,140 0 8	18,371 6 9	+5,768 9 11
(including Rs. 3000 from B. M. Press),			
Mission Funds	9,912 11 6	10,442 9 6	-529 14 0
Indian Messenger	1,464 4 0	3,129 4 3	-1,665 0 3
Tattwa Kaumudi	704 9 0	1,021 11 3	-317 2 3
Books	696 2 9	906 0 6	-209 13 9
	36,917-11-11.	33,871-0-3.	+3,046-11-8.

In the previous year the amounts under the same five heads were as follows :—

	RECEIPTS	DISBURSEMENT	DIFFERENCE
General Fund	18,296 1 8	11,699 15 0	+6,596 2 8
(Including Rs. 6,300 from B. M. Press)			
Mission Fund	8,571 11 3	10,560 9 9	-1,988 14 6*
Indian Messenger	1,723 7 0	3,152 10 9	-1,429 3 9
Tattwakaumudi	826 3 0	1,041 2 0	-214 15 0
Books	1,220 9 0	735 9 3	+484 15 9
	30,637 15 11	27,189 14 9	+3,448 1 2

The Trust Funds with the Samaj amounts to Rs. 2,38,781-3-0 ; the face value of G. P. Notes in the custody of the Samaj is Rs. 2, 23, 900-0-0 ; and other investments with the closing balance amounts to Rs. 37,686 3-8. Besides these, the Samaj has invested in land nearly Rs. 21,000.

It is clear from the above statements and the figures printed in Appendix O, and P, that the income of the Samaj under the head Indian Messenger and Tattwakau-mudi has been diminishing during the last few years, while the expenditure has been increasing steadily. The organs of the Samaj cannot be expected to be self-supporting, but the deficit might have been considerably reduced, if our papers had received that amount of support from our members which they deserve.

Turning to the Mission Fund, we find that the deficit has been considerably less in the current year. The decrease is, however, accounted for by the fact that at the latter end of the year, the Samaj received a princely donation of Rs. 2,000 from the Maharaja of Pithapuram on the occasion of the celebration of the senior Rajkumar's birthday.

The Accounts show a net surplus of Rs. 3,046-11-8 which roughly represents the difference between items Nos. 6 and 9 on the Receipts and the Expenditure side

respectively, under the General Fund. So this surplus is more apparent than real.

The Brahmo Mission Press, which contributed to the Samaj Fund Rs. 6,000 last year, could pay Rs. 3,000 only this year and this also out of the previous year's outstanding. The financial condition of the Press should be seriously considered by the Samaj.

On the whole, as we said in our last report, the Samaj is passing through a state of financial embarrassment, which is becoming more and more acute every day. We trust that the financial condition of the Samaj will engage the immediate attention of our members.

“The General Committee of the Sadharan Brahmo Samaj consider it a sacred duty, to place on record their deep grief at, and their sense of the incalculable loss the Samaj has suffered by, the death of its venerable missionary and minister Pandit Navadvipchandra Das, who served the Samaj with a loyalty and devotion unsurpassed in the annals of the Brahmo Samaj for years. Without a household of his own he loved the Samaj with a fervour and depth of attachment not excelled in the most intimate relationships of life. His life and work as a spiritual leader of the Samaj may be very appropriately said to have been a noble embodiment of the truth that love is the greatest thing in the world. All Brahmo homes have been filled with gloom by the sad event which has been felt to be a severe personal affliction by nearly all members of the community, for he rejoiced with them when they rejoiced and wept with them when they wept. As a missionary his guiding principle was to act with perfect loyalty to the constitution of the Sadharan Brahmo Samaj and never to say ‘No’ when his services were asked for by any person or any Samaj. He undertook mission tours and visited distressed families even

when he needed perfect rest owing to the state of his health. His ministrations were marked by a clearness of spiritual vision and depth of inward experience which is rare among us."

At this stage Dr. P. K. Acharji, the President of the Samaj, arrived and Dr. B. L. Choudhury vacated the chair. The following gentlemen were elected members of the Executive Committee for the year 1924 by a majority of votes.

The Presidential Address :—The President then delivered his annual address reviewing the work of the Samaj during the last session. In the course of his address he referred to the excellent work that the Samaj had done in the past and the lead it always gave in every question of public interest, social, educational, religious and political. He then proceeded to find out the reasons why there was at present an apparent stagnation of life in the Brahmo Samaj movement. He was of opinion that this stagnation was more due to want of "spiritual ferment" than to lack of organisation. Without men, real men spiritually uplifted, no work was possible and therefore the one thing needful was the spiritual consolidation of the Sadharan Brahmo Samaj. He suggested some steps for the realisation of this ideal. According to him :—

1. The *Sadhanaram* should be strengthened and broadened.
2. The ministers both in the town and the moffasil should lay greater stress on their own spiritual exercises than upon preparation of sermons.
3. The singing in large congregations should be improved.
4. The missionaries and lay workers should more frequently visit moffasil Samajes.
5. The workers should meet as often as possible to exchange their ideas and to pray.
6. Girls' Hostels should receive greater attention in regard to religious instruction and study than now.

7. Parents should at all costs set apart some time for religious conversation with their children.

8. Brahmos in general should aim at propagating their religion by life and work.

In conclusion he appealed to the members to pray earnestly and fervently for themselves and their fellow-believers and he was sure that God would listen to their prayer and bring about a spiritual regeneration in the beloved Samaj.

About half the number repre-

sented non-members and the other half may be said to have been drawn from about 10 Brahmo families. Ladies continued to join the service in large numbers and as usual co-operated with the ministers by singing hymns.

Of the 56 services conducted in the Samaj, 17 were by Mr. E. Subbukrishnaiya, 33 by the Lay Ministers of the Samaj, 4 by distinguished visitors and 2 by the City Samaj members.

Somanatha Rao of Pithapuram. A group photo was also taken on the occasion.

Institutions :—Subedar Major Appavu Pillay's Girls' School is an institution whose management has been entrusted to the Brahmo Samaj. It is a free elementary school intended for the backward classes. The school was maintained during the year in its normal condition, the three vernaculars taught being Tamil, Telugu and Kannada. A few of the pupils in the higher classes received tuition in English also. As it was found difficult to manage the increased strength of the school with 8 teachers, a fourth one was appointed during the year on the suggestion of the Sub Assistant Inspector of Schools. The total strength of the school at the end of the year in all the 5 classes stood at 105, viz, 67 girls and 38 little boys, and the average attendance was 84. A small garden was laid up in the school premises during the year.

The *Bharata Mahila Samaj* and the *Young Men's*

Brotherhood are institutions in which the Brahmo Samaj is interested, being affiliated to it. Efforts were made during the year to re-invigorate these institutions, which had suffered to some extent both in strength and activity.

The *Bharata Mahila Samaj* met 8 times in the year when lectures were delivered on "*Desa Seva*" by Mrs. Singamma ; "Positin of Women in India—Past and Present" by Miss Sarada Bai Rama Rao ; "Responsibilities of Women" by Miss Annapoornam Swami : "Female Education" by Mrs. Ratnavati Daniel ; "Mother's Love" by Mrs Jayalakshamma Chellapillai Naidu ; "Training of Children" by Mrs. Gnanadeepam Amrit ; "Benefit of Family Life" by Swami Chidananda Paramahansa and "Gulliver's Travels" with lantern slides by Mr. P. S. Lakshminarasu, B.A., B.L. On one of these occasions, viz, during the *Maghotsar* meeting, a tea party was also held after the close of the meeting. There were 13 members on the roll at the end of the year. The President Mrs. N. Lalita Bai Subba Rao resigned in the latter part of the year and her place was not filled in pending re-election of office-bearers for the subsequent year which was not far off.

The Young Men's Brotherhood had its strength brought up to 36 at the end of the year, composed of 11 Senior members, 4 Junior members and 21 Student members. About 20 public lectures and students' meetings were held, besides 3 lantern lectures given by Mr. P. S. Lakshminarasu, B.A., B.L., the students' meetings being generally concerned with prayers, debates recitations and choice readings. Indoor games were introduced as well as a Badminton Court opened by the Vice-President Mr. C. S. Naidu, in connection with which the student members were invested with badges by Mrs M. Mahadeva Mudaliar and Mrs. P. S. Lakshminarasu. Social gatherings were organised on the occasion of the annual and half-yearly general meetings. In aid of the Depressed Class Mission Schools, a concert was arranged in the City V. M. C. A. Hall and house to house collection was made on the *Deepavali* and the *Pongal* days by some of the members. In the Reading Room, the *Daily Express* (loaned by Mr. M. Kothandaram Naidu) and the *Guardian* and the *Treasure Chest* (lent by Mr. P. S. Lakshminarasu) were placed, together with a few weeklies and monthlies received by the Brahmo Samaj.

Of the Depressed Class Mission Schools, the Tannery Road Day and the Night School had to be maintained by the Brotherhood during the year under report, out of funds

raised from the public in the form of donations and subscriptions, the Government grant-in-aid covering only about half the cost. A sum of Rs. 584 3-3 was accordingly collected from the public and the schools maintained in as best a condition as possible. Special attention was paid to teach Hygiene with slides and to make the pupils clean in their dress and habits. Physical Culture was provided under the supervision of the Drill Instructor deputed by the Sub-Assistant Inspector of Schools. Scout Troop and Cub Pack were formed. Weekly religious and moral classes were started. Dr. W. H. Drummond, Dr. Miss Kashibai Nowrange Lt. Col. Skipwith, Mr. and Mrs. N. Subba Rao, Mrs. D. N. Sirur, Rao Bahadur P. R. Vengu Iyer and Messrs. V. R. Shinde and K. G. Patade of the Poona Depressed Class Mission visited the school and found the work done to be satisfactory. The pupils were entertained by the Social Club of the Baldwin High School, the Buddhist Association, and the Brahma Samaj during the *Maghotsav*, while refreshments were provided in the school by Dr. W. H. Drummond and Mrs. D. N. Sirur. The total strength and average attendance at the end of the year were as follows :—

	Total strength.	Average attendance.
Day School ...	88	47
Night School ...	25	18

The Bachannal Widows' Home is another institution in which also the Brahma Samaj is interested, though not affiliated to it, inasmuch as the institution is named after a Brahma lady and was originally founded by the Brahma Samaj itself. A complete report regarding this institution is proposed to be drawn up and issued separately this year. Hence the usual brief report concerning the institution is not incorporated here.

*General and Committee Meetings :—*There was the usual General Meeting on the 18th October 1923, when the annual report and accounts were adopted and the office-bearers and members of the Managing Committee were elected.

The Managing Committee met 8 times during the year to transact the ordinary business of the Samaj.

*Finance :—*The receipts and expenditure of the Samaj and the connected institutions for the year ending 30th September 1924 are given in the statement of audited accounts. The total receipts of the Samaj, including the bank deposits and the balance in hand at the

commencement of the year, amounted to Rs. 1,978-2-3 and the expenditure to Rs. 732 14-6, leaving a balance of Rs. 1,245-3-9 as noted below :—

Gifts—The only item that can be mentioned under this head during the year is the sum of Rs 50 (referred to above) received from Mr. D. N. Sirur, the Managing Director of the Mysore Spinning and Manufacturing Company, Limited, and the son-in-law of the late Sir Narayan Chandavarkar.

BANIBAN BRAHMO SAMAJ.

Divine service was conducted regularly every Sunday morning. Divine service was also held on Bengali New-year's Day, *Maghotsav* and *Bhadrotsav* days and on the death anniversary days of Raja Ram Mohan Ray and Pandit Sivanath Sastri.

The anniversary of the Samaj was celebrated in the month of *Jaistha*.

Sangaths were held occasionally in the Samaj *mandir*.

The Samaj has a plot of land and a building of its own and is managed by a committee elected every year. The Baniban Girls' M. E. School is under its direct control. The School has an excellent two-storied building. The upper story is used as a hostel attached to the school. Girls from different parts of Bengal are residing in the hostel. Two girls appeared at the special M. E. Scholarship Examination last year and both of them got scholarships of Rs. 5 each per month for 4 years, having secured the 1st and 2nd places among the girls of the Presidency and Burdwan Divisions. A plot of land to the north of the school has been acquired for the school. Baniban is a small Brahmo colony consisting of twenty families at present.

Anangamohan Roy,
Secretary.

BANKIPUR BRAHMO SAMAJ.

Through the boundless grace of God, the Bankipur Sadharan Brahmo Samaj completes another year of its existence. The Samaj owed its origin to a small brotherhood formed in 1896 under the name of Bankipur *Sadhan-asram* for the purpose of worshipping one God. The Brahmos and Brahmo sympathisers combined themselves into a formal constitution, known at the time as the Bankipur Brahmo congregation, on April 30, 1896. On the 21st December, 1914, the *anusthanik* Brahmos of Bankipur belonging to the Sadharan Brahmo Samaj organised themselves into a Samaj, called the Bankipur Sadharan Brahmo Samaj, to which the organisation formerly known as the Bankipur Brahmo congregation made over all its rights and functions, the Samaj retaining an attached congregation, which any person having sympathy with its aims and objects might join as a member.

Branch Samaj :—A branch Brahmo Samaj was started in the new town in the year 1920 for the convenience of Brahmo friends living in that quarter of the town, the divine service being conducted regularly in the different Brahmo houses of the place.

Distinguished visitors :—The year under report has been fruitful and important from various standpoints. Rev. Gurudas Chakravarty, Rev. Satishchandra Chakravarty, Babus Amritlal Gupta and Baradaprasanna Ray were in our midst at different times of the year and conducted divine service, both in the Samaj and in some Brahmo families. Babu Baradaprasanna Ray gave interesting "*kathhakathas*" and visited almost all the Brahmo families here. Rev. Gurudas Chakravarty delivered a public lecture on "Peace on earth" in the Behar Young Mens' institution, whereof he was one of the founders and the first Secretary. Amrita Babu gave moral discourses to the boys of the Rammohan Roy Seminary. Besides these, we had for a couple of days Dr. Drummond of the Unitarian Church in our midst, when he visited the Rammohan Roy Seminary, delivered two lectures, met and held discourses with the local Brahmos.

Ministers and office-bearers :—Babu Sriranga Vehari Lal, Babu Srischandra Chakravarty, Babu Binodbihari Ghosh, Babu Mahendrakumar Sen, Babu Surendramohan Guha, Babu Aswinikumar Basu, and Rai Sahib Upendra Mohan Sen conducted divine service in the Samaj. Babu

Sriranga Vihari Lal worked as the Secretary and Lala Santinarain Gupta as the Assistant Secretary.

Utsavas The Samaj celebrated its *Maghotsav* and *Rhadrotsav* as usual conjointly with the Bankipur Brahmo Samaj (i.e. the local New Dispensation Church) and held a meeting on the death anniversary day of Rammohan Roy. The *Adya Sradh* ceremony of the late Pandit Navadwip-chandra Das and the death anniversary of the late Pandit Sivanath Sastri were also duly celebrated in the Samaj.

The members of the Samaj also joined in the following celebrations of special interest :—

- (a) The death anniversary of Devi Aghorkamini.
- (b) The death anniversary of Babu Prakaschandra Roy,
- (c) Four social gatherings organised by the local Brahmos under the name of "The Purnima Sammilan",
- (d) The birth anniversary of Jesus Christ held at the house of Prof. N. Neogi of the Patna college.

Domestic events—There were three births, a son to Babu Subimal Sarkar and daughters to Babus Srischandra Chakravarty and Aswinikumar Basu.

Numerical Strength—Six new members were elected during the year, the total numerical strength now being 40.

Rammohan Roy Seminary :—The Rammohan Roy Seminary has had a prosperous career throughout the year, the numerical strength rising to 425 in Dec. 1921, while many more students had to be sent away disappointed for want of accommodation. Two vacancies among the senior teachers occurred during the year, and we had the pleasure of being enabled to engage the services of two more Brahmo teachers, whose number on the teaching staff is now 7 out of a total of eighteen. The results of the University Examinations have always been satisfactory and as many as 12 boys secured scholarships in 4 years. One of the most important and memorable events of the year has been the acceptance by the school Committee of the new site on the Khajanchi Road, acquired for the school by the Government and a sum of Rs. 46,000 offered as the price of the old buildings, which are being taken over by the Behar Medical College. But we are much afraid that the sum offered by the Government will not be adequate to the requirements of the school. Then again, for some time past, we have keenly felt the want of a suitable hall for conducting the weekly divine service, which has so long been conducted in one of the Class rooms of the Seminary, for want of a more suitable place. So it is our heart-felt desire to have a separate hall in the School.

compound, with a marble bust of Raja Rammohan Roy, which may be set apart for the purpose. Handicapped as we are, efforts are being made towards this direction and we appeal to all our brethren, friends and sympathisers for help equal to the great task we have in hand.

The profit of the *Jyot* is about Rs. 37 a year. Besides this there is a permanent Fund of Rs. 100 gifted by late Annadasundari Dasi, the interest of which is added to the charity fund of the *Utsav*, and another fund of Rs. 100 for the library, the interest of which is 4½ per cent per annum.

Closing Balance

We have examined the above Receipts and Charges and we certify them to be correct subject to the remarks that a few discrepancies have been found between the vouchers and the Cash Book resulting in a net decrease of as. 0-10-6 (annas ten and six pies) in the cash balance. This has, however been adjusted in the accounts on the 31st December, 1924. A few vouchers for the 1st quarter of the year have also been found wanting. Steps should be taken to prevent the recurrence of such irregularities in future.

BRAHMO MOTTOS

एकमेवाद्वितीयम् ।

One only without a second.

God is the Supreme Reality ; He is all-wise and infinite

ब्रह्मकृपाहि केवलम् ।

God's mercy alone availeth.

धर्मश्चर, धर्मात् परमास्ति ।

PRINCIPLES OF BRAHMOISM

1. There is only one God, who is the Creator, Preserver and Saviour of this world. He is spirit. He is infinite in power, wisdom, love, justice and holiness. He is omnipresent, eternal and blissful.

2. The human soul is immortal, and capable of infinite progress, and is responsible to God for its doings.

3. God is to be worshipped in spirit and in truth. Divine worship is necessary for attaining true felicity and salvation.

4. To love God and carry out His will in all the concerns of life, constitute true worship.

5. Prayer and dependence on God and a constant realisation of His presence, are the means of attaining spiritual growth.

6. No created object is to be worshipped as God, nor is any person or book to be considered as infallible and the sole means of salvation ; but truth is to be reverently accepted from all scriptures and from the teachings of all persons without distinction of creed or country.

7. The Fatherhood of God, the Brotherhood of man and kindness to all living beings are the essence of true religion.

8. God rewards virtue and punishes sin. His punishment is remedial and not eternal.

9. Cessation from sin accompanied by sincere repentance is the only atonement for it ; and union with God in wisdom, goodness and holiness is true salvation.

The Forty-eighth ANNUAL REPORT

**of the
Sadharan Brahmo Samaj.
(1925)**

As we review our work during the year that has closed, we are humbled by the thought that what we have been able to do falls far below our aspirations and the expectations of our friends and supporters. There is no religious body in the world whose aims are more comprehensive than those of the Brahmo Samaj, and we do not know if there is any, whose resources are so limited as ours. But we must measure our success neither by numbers nor by the distances travelled by our missionaries and workers. Our ideals are meeting with more and more support on the part of enlightened minds in different countries; and in our own land, so far as our own community is concerned, we have by the grace of God been able to face boldly and to solve such social problems as are perplexing the best minds among the rest of our countrymen—problems on the solution of which, as is being recognised by increasing numbers and frankly declared by many, depends the peace and well-being of this vast country. It is only by faith in the Fatherhood of God and the brotherhood of all men that strife between different races and the adherents of different creeds can be brought to an end. And it is a source of great encouragement to us that this fundamental principle of our noble faith is pressing itself for acceptance on many minds, nominally outside the pale of our body, who are in spirit with us. None could deny that the teachings of the Brahmo Samaj have immeasurably helped to widen the outlook and liberalise the spirit of vast numbers of our countrymen belonging to all sections of society. But it is disheartening to find that the bulk of the people are clinging to outworn creeds and to customs and usages

that seriously hinder the progress of humanity. May the All-Merciful God, who has hitherto sustained our strength and given us zealous workers, forgive our failings and bless our endeavours for the enlightenment of humanity more and more! May He inspire us all with zeal and loyalty in the service of truth and righteousness!

IN MEMORY OF THE DEPARTED.

In opening the year's record, it is our first and most sacred duty to notice the passing away of those of our friends and fellow-believers whom God, in His benign dispensation, has called away from the field of their work in this world. Their noble endeavours in the cause of truth and purity, their devotion and piety, their self-sacrificing zeal in the service of our Church, will, for ever, remain an inspiration to us. "Not lost but gone before" is our consolation. The name that is uppermost in our mind is that of our beloved missionary, Babu Abinaschandra Majumdar, who was a tower of strength to the Brahmo Samaj in the Punjab. He worked with vigour and enthusiasm for the propagation of our faith and principles. His devout spirit, his amiable disposition, his sweetness of temper, his many-sided activities endeared him to all that knew him. As a missionary, as a philanthropic worker, as a fearless champion of the cause of righteousness he will be remembered by all.

By the death of our venerable fellow-believer Dr. Sir Ramkrishna Gopal Bhandarkar, an honorary member of the Sadharan Brahmo Samaj, the Brahmo Samaj has lost a leader whose personality, devout life and profound scholarship were of the highest value in promoting the cause of our faith. He was a saint and a sage and his death has removed the strongest pillar of the Prarthana Samajes in western India.

In Babu Kalimohan Das, the minister and missionary of the Barisal Brahmo Samaj, we have lost a devout spirit whose life was "a ceaseless hymn to the Lord." Wealth and earthly position he had none. But as a true servant of God, he possessed the inestimable treasure of Faith, Hope and Charity and lived a peaceful and pious life inspite of the distressing circumstances he had to pass through.

Rai Sahab Kasiram was an earnest and devout worker in the cause of the Brahmo Samaj in the Punjab. His memory will ever be cherished with love by his friends and fellow-believers.

In Babu Nandalal Sen the Brahmo Samaj has lost an ardent and devout worker in Sind. He entered on mission work early in life and made Sind the field of his activities. He was universally respected for his simple and saintly life, and his devotion and zeal in the cause of the Brahmo Samaj.

By the death of Babu Kamalakanta Brahmadas we have lost a devotee who lived for God and God alone. He was not known to the outside public but his piety and devotion to the service of man and his simple life of sacrifice won for him the love and respect of all who came in contact with him.

Babu Tincawri Bose was the life and soul of the Giridih Brahmo Samaj. His quiet piety and earnest spirit were behind other workers whom he put before himself and inspired by his zeal. In him the Brahmo Samaj has lost a true and silent worker.

By the death of Babu Jyotirindranath Tagore the Samaj has lost a genuine Brahmo of the old type. His versatile genius, great literary powers, his amiable nature and his enthusiasm for the cause of the Brahmo Samaj will ever be cherished with great esteem by his fellow-believers.

The Brahmo Samaj has lost a good worker in the cause of female education in Miss Radharani Lahiri. Her life and character exerted a healthy influence upon those who came in contact with her.

Besides these the shadow of death was cast upon many other families of our Samaj with whom we express our sincerest sympathy. May the departed enjoy the peace that God has reserved for them.

The Sadharan Brahmo Samaj was established in 1878 with a view to propagate the principles of Brahmoism in India and abroad, to help men and women of all races to worship God in spirit and truth, to attain spiritual life and to do His will in every concern of life. It seeks to unite under a common organisation all individuals and

congregations holding these principles and conducting all the business of the church on constitutional lines.

Including the twenty new members elected during the year under review, the Samaj had, on the 31st December 1925, 1308 members on the list; besides these there is a large number of men and women, here and abroad, who, though not members of the Samaj, are in sympathy with its aims and objects. Fortynine of the Brahmo Samajes in India are either associated with or affiliated to our church. Seventeen Samajes sent their representatives to the General Committee of the Samaj and it is gratifying to note that the number of theistic bodies both in India and outside of it, holding nearly the same principles and doing almost the same work as our Samaj, is increasing year by year.

The institutions and activities of the Sadharan Brahmo Samaj may be arranged under three general heads, namely, Mission Work, Social Service and Education. The ultimate aim of our organisation, with all its institutions, is the consolidation and spread of our common faith. Our mission work is, therefore, that sphere of our operations to which we attach the greatest importance.

I. Mission Work.

The agencies employed for the purpose are, (1) the ordained missionaries; (2) the workers of the *Sadhanasram*; (3) the members of the *Sevakmandali* and the Lay-workers' Mission; (4) the two organs of the Samaj; (5) the several institutions affiliated to the Samaj, such as the Congregations in Calcutta and other places, the Baranagore Workingmen's Mission, the Theological Society, the *Sangat Sabha*, the Daily Divine Service, the Students' Weekly Service, the Sunday Moral Training School, and the books published by the Samaj.

The Samaj has a vast field of work before it, but its resources in men and money are very limited. We are more than ever conscious of the inadequacy of our response to the unceasing demand for spiritual help from different parts of the country.

The Sadharan Brahmo Samaj sustained an irreparable loss in the death of Babu Abinaschandra Majumdar who had, for a very long time, been working with single-minded devotion as a missionary of the Sadharan Brahmo Samaj

in the Punjab. Though during the last few years he was in indifferent health yet his very presence was an inspiration to other workers. His manysided activities had endeared him to all classes of the people of the Punjab and the whole province now mourns his death. Of the few missionaries and mission workers left to us, several, again, are almost unfit for active work owing to continued ill-health and old age, so that inspite of the efforts of the Committee, the mission work of the Samaj could not be carried on satisfactorily.

Though our workers and Missionaries visited many places yet the programme of work adopted at the beginning of the year, which was itself far from being comprehensive, could not be fully carried out. Important centres of trade and culture, badly needing the spiritual ministration of missionaries and mission workers, could not be visited at all, and even those places which were visited could not, for paucity of workers, be fully organised as centres of mission activities. We, therefore, appeal to the members and well-wishers of the Samaj to consider the situation carefully and suggest necessary steps for the organisation of our mission work.

Our missionaries and workers, however, did good work in Bengal, Assam, Orissa, Madras and the Punjab. They also visited some places in the United Provinces of Agra and Oudh, Behar, Sindh and Bombay, though we could not depute any missionary, specially to make any of these provinces his field of activities. It is much to be regretted that our resources both in men and money compelled us to neglect our duties towards those parts of India.

The situation, dark though it be, is not without a ray of hope. During the year under report the members of the Samaj, specially of East and North Bengal, evinced considerable interest in mission work. Great enthusiasm in favour of raising funds for mission work was shown in the last East Bengal Brahmo Conference.

We are very glad to note that Babu Satischandra Chakravarty, M. A., who had, for a long time, been a worker under the Sadhanasram, was ordained as a missionary of the Samaj during the last *Maghotsav*. The Executive Committee have also decided to ordain Babu Abinaschandra Lahiri, B. A., as a missionary during the present *Maghotsav*.

3. Sevakmandali.

The number of ordained missionaries and mission workers being quite inadequate for the spiritual ministration of the Brahmo Samajes scattered in different parts of India, the services of the lay members of the Samaj are always required to supplement the work of the missionaries. The Executive Committee of the Sadharan Brahmo Samaj, therefore, considered it necessary to organise the work of the lay workers and the Sevakamandali was founded in the year 1903. Its members have, since then, been doing valuable work by conducting divine service, delivering addresses, holding conversational meetings, writing books,

editing papers and in various other ways. Bose as President and Mrs. Santilata Kar as Secretary. There is one M. E. School attached to the home for the education of its inmates. Besides literary education there are provisions for vocational training, such as weaving, tailoring etc.

3. The *Kerala Seva Sadan* is a philanthropic organisation located at Cruthiare near Calicut. It was started

by Rai Saheb A. Gopalan and made over to the *Sadhanasram Seva* Section with all its assets and liabilities. There is a Free Primary School with a building of its own. There were about 80 students on its roll during the year. There is also a free dispensary. There is a building for an orphanage, but at present there is only one orphan. Rai Saheb A. Gopalan worked as the Secretary of the Institution.

4. The *Navadwip Seva-Sangha* could give some help to patients and families in distress in Calcutta.

III. Educational Work.

Since its foundation the Brahmo Samaj has considered the diffusion of knowledge as its sacred duty. Many of our members, both ladies and gentlemen, have devoted themselves to the cause of education and made it their life's vocation. The Samaj has directly under its control a High English School for girls with a boarding-house attached to it and two girls' hostels for college students. The Brahmo Samaj Education Society, organised in 1905, has under its control the City College—a first grade College with two schools, one at Calcutta and the other at Mymensing—and the Brahmo Boys' Boarding and Day School.

Besides these, the following educational institutions which, though not directly under the Samaj, are owned and managed by Brahmos, did useful work in forming the character of a large number of young people :—the East Bengal Institution, Dacca ; Town Victoria School, Cuttack ; Rammohun Ray Seminary, Patna ; Girls' M. E. School, Baniban ; Rammohan Ray Girls' School, Lahore and Rammohan Ray Ragged School, Madras.

1. Brahmo Balika Sikshalaya.

The school was founded in May 1890, by some members of the Sadharan Brahmo Samaj, headed by the late Pandit Sivanath Sastri, as it was keenly felt that the existing system of purely secular education was inadequate for the development of character. The University curriculum is followed ; but the aim of the founders of the school was to supplement this with religious and moral instruction. The school prepares candidates for the Matriculation Examination

of the Calcutta University ; instruction is also given in music, drawing, cooking, hygiene and first aid, so as to make the girls useful members of Society. Our thanks are due to Captain Nibaranchandra Mitra for kindly delivering a course of lectures on Hygiene and First Aid. The Managing Committee of the school for 1925 consisted of the following ladies and gentlemen :—Babu Herambachandra Maitra M.A., Babu Amiyakumar Sen M. A., Sreemati Nalini Bose B. A., Mr. S. M. Bose (Asst. Secy.), Sreemati Purnima Basak, B.A. B.T., The Lady Principal (ex-officio), Mrs. S. C. Mukherji, Lady Bose, (Secretary), Dr. Prankrishna Acharyya M.A., M.B., Babu Krishnakumar Mitra, and Sreemati Kiranbala Banerji. The staff consisted of 21 teachers, all of whom except 3, were lady teachers. There were 381 students on the roll on the 31st December, 1925, as against 385 on the same date of the previous year. Of these 371 were children of orthodox Hindu parents, 4 Mahomedans and 6 Christians.

The daily work of the school begins with a hymn and a short prayer.

21 girls appeared at the Matriculation Examination held in 1925, of whom 20 passed, 18 being placed in the First Division and 2 in the Second Division. 5 girls obtained Government scholarships and Miss Madhuri Sarkar and Miss Pratiba Sanyal obtained Durgamohan scholarships.

Attached to the school there is a Training Department, which prepares girls for the Senior and Junior Teachership Certificate Examinations. The Government grants 6 Senior stipends of Rs. 12 and 8 Junior stipends of Rs. 10 per month. For the expenses of the Training Department, the Government was pleased to make a monthly grant of Rs. 700.

The school hostel can accommodate only 70 boarders and there is always a great demand for seats.

The health of the boarders was very kindly looked after by Dr. Girindrasekhar Bose, M.D., B.Sc., who always gave his services ungrudgingly. Our thanks are due to him.

The distribution of the prizes to successful candidates of the session closing in December, 1924, was held on the 15th January, 1925, and was presided over by Sir William Currie, Kt., M.L.C., and Mrs. J. N. Gupta gave away the prizes.

The school is maintained by means of fees, subscriptions, donations and grants in aid from the Government and the Corporation of Calcutta.

2. Brahmo Samaj Hostels for Girl Students.

In 1915, a hostel was started under the auspices of the Executive Committee of the Sadharan Brahmo Samaj to provide accommodation for girls from the Muffussil, who found it difficult to obtain admission to the Bethune College Hostel. In 1923, it was found that both the Bethune College Hostel and the Brahmo Samaj Hostel for girl students could not meet the demand for admission and accordingly, the Executive Committee authorised the Managing Committee of the institution to open another hostel which was started in July 1923.

Both of them worked well during the year under report and arrangements were made for regular religious instruction and divine service. The demand for seats was so great that though they contained 58 seats, still many candidates had to be refused admission for want of accommodation. As in the previous year

they were both aided by the Government. The second hostel was sanctioned for two years only but as the construction of the proposed Bethune College Hostel building has not as yet been taken up, the Director of Public Instruction has recommended the continuance of its grant for a further period of two years. Dr. Prankrishna Acharji was the Secretary.

3. Brahmo Samaj Education Society.

City College.

City School was founded on January 6, 1879. The F. A., classes were opened in 1881, and the B. A., in 1884. Thus within five years of the establishment of the school, the institution developed into a first-grade college. A building was erected at 13, Mirzapur Street, and was opened by Lord Ripon in December, 1883. Mr. A. M. Bose, proprietor of the Institution, made over the buildings to a body of trustees in 1888. In January, 1905, the College was placed under the control of a society, registered under Act XXI of 1860, called the "City College Institution", which is now known as the "Brahmo Samaj Education Society". It is the object of the Society "to promote the cause of education in its highest and widest sense, to make that education—comprehending the training of the mind, heart and body, and founded on a Theistic basis—conduce to the good of man and the glory of God".

The College prepares students for the B.A. Examination in English (Pass and Honours), Sanskrit (Pass and Honours), Philosophy (Pass and Honours.) Persian, History (Pass and Honours), and Political Philosophy; for the B. Sc. Examination in Mathematics (Pass and Honours). Physics, and Chemistry (Pass and Honours); and for the Intermediate Examinations in Arts and Science, in English, Sanskrit, Persian, Logic, History, Mathematics, Chemistry and Physics.

The number of students on the rolls on the 31st August, 1925, was 1985 as against 2059 on the same date in 1924, comprising 439 in the I. A. classes, 336 in the B. A. classes, 989 in the I. Sc. classes, and 221 in the B. Sc. classes.

The College staff in September, 1925 consisted of 19 professors, 10 lecturers, 1 Maulavi, 7 tutors, 17 demonstrators, 1 librarian and 1 assistant librarian. The office staff consisted of a head clerk, a cashier, a typist, an accountant, three clerks, a storekeeper and a care-taker.

Dr. Hiralal Halder and Prof. W. C. Wordsworth, M.A., C.I.E., late Director of Public Instruction, Bengal, have been serving the College as Honorary Professors.

There is a Charity Fund attached to the College for the benefit of the poor students which is contributed to mainly by the members of the staff. A sum of Rs. 378-14-3 was spent out of the fund during the session 1924-25.

PROVIDENT FUND.—In January, 1915, a Provident Fund was created for the purpose of making some provision on retirement or death, for the employees of the College and

School or their families. Members of the staff contribute to the fund at the rate of an anna per rupee of their salaries and the Institution contributes at the rate of half an anna. In December, 1925, 71 members of the College staff including menials and 29 of the School contributed to the Fund. Subscribers are allowed to borrow money from the Fund for some specified purposes only. They have to pay interest on the sums advanced to them at the rate of 6 per cent per annum. The amount standing to the credit of the Fund on the 31st December, 1925, was Rs. 1,11,770-2-6 invested as follows.—

(1) War Bonds, War Loans, Postal Certificates etc.	Rs. 1,01,417-9-6
(2) Advanced as loans to the mem- bers contributing to the Fund	Rs. 10,352-9 0
<hr/>	
Grand Total	Rs. 1,11,770-2-6

Pensions have been granted to a few employees for long and meritorious service. It ought to be noted that the College is mainly, but not exclusively, dependent upon the fees paid by students. Since the foundation of the institution Rs. 93,634-15-3 has been contributed to its funds by donors and subscribers.

A number of free studentships is given to poor and meritorious students, students belonging to depressed classes being given preference. The amount remitted during the last session was about Rs. 3,396 in respect of tuition fees, besides which some 20 students were admitted free to messes and hostels attached to the College.

With a view to fostering a spirit of healthy rivalry among students and making the College examinations attractive, 20 scholarships, ten of Rs. 5 per month for the Intermediate classes and ten of Rs. 6 per month for the senior classes, tenable for six months, are awarded on the results of the College examinations. Two more scholarships of the value of Rs. 15 per month are granted to students of the 3rd year (B. A. and B Sc.) classes who being sent up to the Intermediate Examinations from this College, secure at least 75 per cent of marks therein.

Besides the above scholarships, three other scholarships are awarded to deserving students out of the interest accruing from the funds placed in the hands of the Council for that purpose as noted below :—

(1) Two A. M. Bose scholarships of Rs. 10 and Rs. 5 per month respectively, founded by Mr. S. M. Bose in memory of his father.

(2) One Satyendramohan Bose scholarship of Rs. 5 per month founded by the late Mr. H. Bose in memory of his brother.

A Medical Officer has been engaged by the College Council to look after the health of the boarders of the attached messes and hostels and to attend them during illness.

A teacher of gymnastics has been appointed for the students of the College and a gymnasium has been set up. The students of the College take special interest in football and cricket. The athletic department has been considerably improved since 1923, and the gymnasium has been strengthened by the addition of a training class in boxing and jiu-jit-su. Every year before the Pooja holidays there is a performance of gymnastics in which feats of strength and skill are exhibited by the students of the College. As regards cricket, the City College team has proved the strongest College team of the season.

Lectures on moral and religious subjects are often given in the College hall. Divine service is held every Sunday at the Rammohan Ray Hostel, it being conducted by the Principal or some member of the Council or staff. Divine service is also conducted in the College hall on the day of re-opening of the College after a long vacation. On the 6th January, the anniversary of the foundation of the Institution, divine service is held in the College hall in the morning, after which light refreshments are provided for the students.

The College was visited during the last session by Mr. J. A. Richey, Educational Commissioner, and by the Hon'ble Sir Ewart Greaves, Vice Chancellor, Calcutta University, both of whom expressed great satisfaction at finding the College well-equipped and efficiently staffed.

But the academic debts of the College as they actually stood on the 31st December of the year under report. The discrepancy that was pointed out in the year comes to an end on the 31st May when the session ends. The discrepancy that was pointed out in the annual meeting was due to a mixing up of the academic year with the calendar year in the statement drawn up by the College office. This

In the session 1923-24 (from June, 1923 to May 1924) the outstanding loan was shown to be Rs. 2,10,650. This was the amount of the debts of the College on 31st December, 1924. But on the 31st May, 1924, the debts amounted to Rs. 2,19,650. Hence the discrepancy to which the attention of the College authorities was drawn. City College School, Calcutta.

The affairs of the school department are directly managed by a Sub-Committee consisting of 5 members, working under the College Council.

The School has all along endeavoured not only to qualify students for the University Examination, but also to impart wholesome moral instruction to them. Hours have been set apart for moral training in each class and suitable text-books have been prescribed for the purpose. The City Union and *Asabahini* (the Band of Hope), a society attached to the school, meets on Saturdays. The day's work in the class commences with a prayer in which both the teachers and the students join. Drill, Drawing and Music classes are held.

The instructive staff consisting of 30 teachers, mostly Brahmos, met in conference several times during the year and discussed various subjects relating to the improvement of the School.

The numerical strength of the School on the 31st December last was 640 against 618 on the corresponding date of the preceding year. 51 boys, sat for the Matriculation Examination of whom 48 passed, 29 in the first and 19 in the second Division.

One of the successful Mahomedan students secured a special Scholarship.

City Collegiate School, 'Mymensingh Branch.

During the year under report the numerical position of the school was quite favourable, the number of pupils on the roll having risen to 578 from 512, the number in the preceding year. The school thus continued to maintain its old popularity by its record of the highest numerical strength among the High Schools of the district towards the educational advancement of which the institution has undoubtedly contributed very largely.

Out of 58 students who were sent up for the last Matriculation Examination 37 were successful, 27 having passed in the First Division, 7 in the Second and 3 in the Third.

Mr. W. E. Griffith, Inspector of Schools of the Dacca Division, visited the School in April and Babu Krishnakumar Mitra of the Calcutta City College Council in August, both of whom evinced very keen interest in the welfare of the institution and made valuable suggestions for its improvement.

As in the preceding years the school was financially in a bad way this year too, there having been recurring deficits for many a month. Some of the repairs of the heavy damages done by earthquake and fire could not be effected or completed for want of funds and some of the improvements contemplated by the Head Master and the Committee had to be held over for extreme financial stringency. The question, therefore, of relieving to some extent, this heavy financial stress has been engaging the serious attention of the authorities of the school.

The total income of the school from fees and fines during the year amounted to Rs. 14,577. 13as. 5ps. and the expenditure came up to Rs. 14,582. 12as. 2ps, showing a deficit of Rs. 4. 14 as. 9 ps.

Much useful work is being done through the Library and Common Room of the School.

The School is affiliated in all the subjects prescribed by the University except Hygiene, although steps have been taken to teach the subject as a compulsory one up to the 3rd class of the School.

Great attention is paid to the religious and moral training of the boys. Before the day's work begins, a short

divine service is conducted by the Headmaster in which the whole school including the teachers joins. The day's work in the hostel begins at 5-30 A. M. with a short divine service conducted by the superintendent.

There is a Students' Association which aims at helping the boys to speak and write English and also their mother tongue, and to learn many useful and interesting things, such as recitation etc.

The Manuscript Magazine called 'Sathi' was, as in the previous year, edited by Mr. Bamandas Mazumdar, the Senior Vernacular teacher and managed by the boys of the upper classes of the School. There is an Athletic Club in the School—the principal games the boys play are Football and Cricket.

The teachers met almost every month, sometimes oftener to discuss important matters about the School and to compare notes with one another regarding the ways and means for helping the boys of this institution in the best possible way.

There were 14 boarders on the roll of the hostel on the 31st August, of them 5 only were Brahmos. The Maghotsav and the foundation day were celebrated in the School with the usual rejoicing and the boys had their annual outings with their teachers.

IV. Other Business.

Maghotsav :—As usual, the new year began with the annual festival, the *Maghotsav*, which commenced on the 15th January with prayers in Brahmo households and students' lodges for the welfare of the Brahmo Samaj and came to an end on the 29th January. During the whole month of Pous the *Ushakirtan* Party carried the message of the *Utsav* from door to door, awakening people to get ready for the *Utsav*. Brahmos and sympathisers from different places came to Calcutta to take part in the *Utsav*.

Besides the *Maghotsav*, three other *utsavs* were celebrated in connection with—(1) The Bengali New Year's Day (2) The Foundation day of the Sadharan Brahmo Samaj in the month of *Jaistha* (3) and the *Bhadrot-sav* to commemorate the inauguration of the public worship of the one true God by Raja Rammohan Ray.

[Detailed programmes of these *utsavs* are given in the Appendix]

Raja Rammohan Ray Anniversary :—The 27th of September having fallen on a Sunday, the celebration of Raja Rammohan Ray anniversary by the Sadharan Brahmo Samaj was this year confined to Divine Service held in the Mandir both in the morning and the evening. Babu Baradaprasanna Ray conducted the morning service and Pandit Sitanath Tattwabhusan the evening service.

The Committee met twice and adopted programmes.

The East Bengal Brahmo Conference—The 35th Session of the East Bengal Brahmo Conference held at Dacca on the 27th, 28th, 29th and the 30th September was a success. It began with the Rammohan day and ended with the anniversary of Pandit Sivanath Sastri's death, on both of which occasions there were memorial services and

meetings. The Conference dealt with a varied programme. It lacked no enthusiasm in lectures, debates and discussions upon many topics of theological and social importance. Sj. Manomohan Chakravarty of Barisal was invited to take the chair. On account of the unavoidable absence of Rai Bahadur Prasannakumar Das Gupta owing to illness on the eve of the Conference, Mr. R. K. Dass Bar-at-Law acted as the Chairman of the Reception Committee. The Sunday School, Moral Training in the High Schools conducted by the Brahmo Samaj, the Chhatra Samaj and other topics came up for discussion. The difficulties of imparting moral training in schools and colleges were discussed by various gentlemen.

A mission fund for carrying on mission work in North Bengal and Assam was started and met with an enthusiastic response. Arrangements were also made for the establishment of a Brahmo Youngmen's Association with its branches in the principal cities of the Province.

The North Bengal Brahmo Conference—A conference of Brahmos was held at the Kurseong Brahmo Samaj from the 6th to the 9th June under the presidency of Mrs. Hemlata Sarkar. The discussion centred round the question of vigorous mission work in North Bengal and the establishment of a permanent organisation to co-ordinate the activities of the Brahmo Samajes in North Bengal and to further the cause of Brahmoism in that area. It was resolved to form an organisation called the North Bengal Brahmo Mission to co-operate with the Sadharan Brahmo Samaj by (a) strengthening the existing Brahmo Samajes ; (b) starting new Brahmo Samajes ; (c) promoting closer fellowship among the Brahmos and Brahmo Samajes in North Bengal ; (d) and carrying on organised mission work among the Brahmo Samajes in North Bengal.

It was further resolved that to carry out these objects the mission would try to secure the services of whole time missionaries with their headquarters at convenient centres in North Bengal, and those of lay workers available within the area ; organise occasional gatherings at different places ; and distribute Brahmo tracts and literature.

Khasi Hills Mission—The General Committee at its First Quarterly meeting held on the 29th April 1925, passed the following resolution:—

“In view of the general disorganization of the Khasi

Hills Mission, resulting in the closing of certain Samajes in the Khasi Hills and the reported negotiation for the sale at least of one of the *Mandirs*, as well as the drifting back of several Khasi Brahmos to their old superstitious religious practices and observances and the rumour that the Khasi Brahmos are going to join other religious persuasions resolved that the Executive Committee of the Sadharan Brahmo Samaj be requested to make efforts towards the revival and re-organisation of the Khasi Hills Mission as early as practicable.

Resolved further that in giving effect to the above resolution the Executive Committee be requested to act in consultation with persons vitally interested in the Khasi Hills Mission and competent to advise them in the matter.

The Executive Committee at a meeting held on the 7th May 1925, appointed a sub-committee consisting of the following gentlemen to recommend steps for carrying out the above resolutions of the General Committee :—

Babu Sasibhushan Datta, M.A.

„ Lalitmohan Das, M.A.

„ Rameschandra Mukherji.

„ Rajanikanta Guha, M.A.

„ Gurudas Chakravarty—Secretary.

The Reorganisation Sub-Committee submitted the following report on the 12th November, 1925. The report was signed by all the members except Babu Lalitmohan Das who sent a letter to the Secretary of the Sub-Committee setting forth his views on the subject.

I. Resolved that in the opinion of this Committee an earnest effort should be made to reorganise the mission under a missionary or mission worker who has had nothing to do with the factions and disputes among the Khasis and their friends and leaders and who may be expected to act with perfect freedom from bias. His headquarters should be at Shillong and he should work with a small local Committee.

II. Resolved that the Committee suggest the name of Babu Surendrasasi Gupta to work there.

The Executive Committee at a meeting held on the 19th November, 1925, adopted the following resolution :—

Resolved that the Executive Committee cordially accept the principle on which the resolution is based, but find themselves unable to give effect to it, unless they can find a

suitable person, as Babu Surendrasasi Gupta whose name has been suggested by the sub-committee is unable to take charge of the mission.

The report of the Committee came up for consideration before the Fourth Quarterly meeting of the General Committee which adopted the following resolution :—

That having regard to the fact that the letter of Babu Lalitmohan Das was not before the Executive Committee when it considered the report of the Khasi Hills Mission Re-organisation Sub-Committee, the Executive Committee be requested to consider it along with the report of the Sub-Committee and proceed in the matter after considering both aspects of the question. The matter is still under the consideration of the Executive Committee.

The Estate of the late Sitanath Bakshi—The late Babu Sitanath Bakshi of Arasini, in the District of Midnapur left, by a will under certain conditions, his estate worth about four thousand Rupees, to the Sadharan Brahmo Samaj, appointing the Secretary of the Samaj the sole Executor. Probate has been granted by the District Judge of Midnapur, Babu Rasiklal Dutt, to whom the best thanks of the Samaj are due, has been working as Hony. Supdt. of the Estate.

The financial condition of the Samaj will appear from the audited accounts submitted for adoption. The following figures are taken from the Budget passed by the Executive Committee for the year 1925.

The following are the actuals obtained from the audited accounts for the current year :—

	RECEIPTS.	DISBURSEMENT.	DIFFERENCE.

In the previous year the amounts under the same five heads were as follows :—

	<hr/> 36,917 11 11	<hr/> 33,871 0 3	<hr/> + 3,046 11 8

From the above figures it is clear that the income of the Samaj is diminishing year by year and we beg to invite the attention of the members and supporters of the Samaj to the fact that we are passing through a state of financial embarrassment, which is becoming more and more acute every day. It is hardly necessary for us to state that efficiency of work depends largely on liberal financial support. Owing to the absence of such support, we find our activities hampered and year after year we have to place a very discouraging report of our failures and shortcomings before our members. Our mission operations are not being carried on with the vigour which the fulfilment

of our aims demands. The income of the Samaj has been diminishing under some heads during the last few years, while the expenditure has been going up rapidly and we are consequently approaching a financial crisis. We see no other means of tiding over the critical situation which has thus arisen, than appeal to the generosity of our friends and supporters. We, therefore, most earnestly request the members of our Samaj to pay off their dues, which we regret to have to say, have, in many cases, gone on accumulating for years. We also request them to increase their annual subscriptions, and to get themselves enrolled as subscribers to our organs viz. the *Indian Messenger* and the *Tattva-kaumudi*. We further appeal to all our members and supporters to contribute a small percentage of the expenditure incurred in connection with *śradhs* marriages and other ceremonies as donations to the Samaj funds.

Resolved that the Sadharan Brahmo Samaj in annual meeting assembled deem it their duty to place on record the feeling of profound regret with which they have heard of the death of their venerable fellow-believer and co-worker Babu Abinashchandra Mazumdar who worked as a missionary of the Sadharan Brahmo Samaj and was a tower of strength to its cause. He worked with unsurpassed vigour and energy for the propagation of its faith and principles so long as he enjoyed health and strength ; and though for many years past he was broken in health he retained spiritual fervour and enthusiastic devotion to the cause of truth and righteousness till the very last. It is hardly possible to form an adequate estimate of the loss the Brahmo Samaj has suffered by his disappearance from our midst and his absence will be most keenly felt by all, especially those who had the privilege of coming in close contact with him. His many-sided activities have left an enduring example of loyal service which will continue to inspire those who knew with what indefatigable zeal he worked as a missionary, as a philanthropist and a fearless champion of the cause of righteousness.

Resolved that the members of the S. B. Samaj assembled at the annual meeting place on record their deep sense of

the loss sustained by the Brahmo Community by the death of the venerable Dwijendranath Tagore. His child-like simplicity, unostentatious piety, deep erudition endeared him to successive generations of Brahmos. He helped the propagation of Brahmoism by his writings which always maintained a high level of excellence. It is a matter for consolation to them that he died full of years and in complete possession of his intellectual powers.

late Babu Sasipada Banerji, who passed away on the 15th idem. Mr. E. Subbukrishnaiya officiated as minister on the occasion, when Dr. Brajendra Nath Seal delivered a short address and Sir Albion Banerji read a short sketch of the life of his father and made a touching reference to the deceased whose loss we all deplore.

(2) The sixth death anniversary of Rao Bahadur Viresalingam Pantulu, the pioneer social reformer of Southern India, was celebrated on the 30th May 1925 by holding a public meeting in the Prayer Hall of the Samaj under the presidency of Rao Bahadur Dr. C. Trivedi, B.A., addressed the meeting giving a life sketch of the reformer and pointing out that his was a heroic life worthy of imitation and that our reverence and admiration for him could be shown by helping the local Widows' Home which is but a continuation of the work started by him.

(3) To celebrate the 92nd death anniversary of Raja Kammohan Roy, a public meeting was held on the 28th September 1925 in the City Y. M. C. A., Hall with Lt., Col. P. A., Skipwith in the chair. Mr. P. N. Pranatharthi-haran, M. A., L. T., Srimati R. Kalyanamma, Rao Bahadur Dr. C. B. Rama Rao, B.A., M.D., and Mr. Mahomed Haief, B.A., B.L., spoke on the occasion. A life sketch of the Raja was given and eloquent tributes were paid to the memory of the great reformer to the effect that the Raja was also a political ambassador in the time of the East India Company besides a great hero in social reform, a redeemer of India from the curse of Satee and the founder of the Theistic Church in India.

Initiations.—Sriman Rangaswamy Manickam was initiated into Brahmo Dharma during the year. Mr. P. S. Mani officiated as Minister on the occasion.

Library.—The Library requires to be developed in order to make the Reading Room attached to the Viresalingam Memorial Hall more useful. As a first step towards this end, the purchase of 3 almirahs or book-cases was sanctioned during the year from the Memorial Fund.

Gifts.—Dewan Bahadur Sir R. Venkata Ratnam Naidu, Vice-Chancellor, Madras University, made a gift to the

Samaj of several books, which were accepted with thanks.

Our thanks are also due to Mrs. N. Lalita Bai Subba Rao for presenting the Samaj with 4 ornamental mottos to be hung up in the Prayer Hall.

Contributions from the Samaj—As usual, a grant of Rs. 50 was made to Subedar Major Appavu Pillay's Girls' School. This grant has been given every year since the date of the revival of the school in September 1916.

In response to the appeal issued by the Sadharan Brahmo Samaj of Calcutta, a sum of Rs. 4 was collected and remitted towards the South India Flood Relief Fund.

General and Committee Meetings.—The annual General Meeting was held on the 8th November 1924 when the annual report for 1924 with the accounts was adopted and the Office-bearers and members of the Managing Committee elected.

There were during the year 9 meetings of the Managing Committee for the disposal of the ordinary business of the Samaj.

Institutions.—1. Subedar Major Appavu Pillay's Girls' School is an institution whose management has been entrusted to the Brahmo Samaj. It is a free elementary school intended for the backward classes. The school was maintained during the year in its normal condition, the three vernaculars taught being Tamil, Telegu and Kannada. The total strength of the school at the end of the year in all the 5 classes stood at 79, viz., 50 girls and 29 little boys and the average attendance was 76. The staff consisted of 4 teachers and a conductress, costing Rs. 91 per month.

2. The Bharat Mahila Samaj :—It is regretted that this Association practically did nothing during the year. The only item that may be mentioned is a Harikatha performance by Mr. E. Subbukrishnaiya, carried out as a part of the Maghotsav programme on the 22nd January 1925, when the ladies met for once in the year.

3. The Young Men's Brotherhood :—This Association had, during the year under report, more of athletic activities besides the usual literary and social gatherings all of which have been helpful to bring together several

young men and to foster a spirit of service and brotherhood. It is hoped in the years to come this Brotherhood Association will become a potent factor in the Samaj activities to train young men in a spirit of sacrifice, service and devotion.

The Depressed Class Schools on the Tannery Road under the management of the Young Men's Brotherhood were kindly looked after by Mr. P. S. Lakshminarasu, B. A., B. L., during the year. It is encouraging to learn from the school report already published that the schools have been an efficient medium of elevating the depressed classes, which is the greatest need of the present day.

Finance :—The receipts and expenditure of the Samaj as well as the connected institutions for the year ending 30th September 1925 are shown in the statement of accounts given in Appendix A.

General Fund :—The receipts and expenditure under this head have been balanced. But a sum of Rs. 50 has yet to be transferred to the Chandavarkar Fund and Rs. 5 refunded to the Building Repairs Fund being the loan obtained therefrom. There was therefore a deficit of Rs. 55 under this head during the year.

Viresalingam Memorial Fund :—There were no receipts during the year under this head. An expenditure of Rs. 124 was incurred chiefly on getting Bromide enlargements of Messrs. A. Narrainswamy Mudaliar and K. Viresalingam Pantulu to be placed in the Memorial Hall and 3 almirahs or book-cases ordered for the Library. A sum of Rs. 200 was also loaned to the Subedar Major Appavu Pillay's girls' School to meet the deficit there.

Subedar Major Appavu Pillay's Girls' School Fund :—A sum of Rs. 200 had to be obtained on loan from the Viresalingam Memorial Fund to meet the deficit under this head. As it is becoming more and more difficult to meet the demands of the school from the limited resources available, it is considered desirable that the Managing Committee be requested to take steps to settle about the present financial condition. In the meantime, an increased grant for 1925-26 has been applied for from the Education Department.

Building Repairs Fund :—This is a new fund formed during the year. The offertories at the weekly congregations will be credited to this fund. The amount available for building repairs at the end of the year was Rs. 46.

Chandavarkar Fund :—With a view to invest the amount available under this head at a favourable rate of interest, two loan bonds at $6\frac{1}{4}$ per cent interest were purchased during the year at Rs. 99/8 per bond. Subsequently, the bonds were resold and the money was invested in the Post Office Savings Bank as a temporary measure pending its reinvestment in a more favourable concern.

BANKIPUR SADHARAN BRAHMO SAMAJ.

The Samaj owed its origin to a small brotherhood formed in 1896 under the name of Bankipur Sadhanasram for the purpose of worshipping one God. The Brahmos and Brahmo sympathisers combined themselves into a formal constitution, known at the time as the Bankipur Brahmo Congregation, on April 30, 1896. On the 21st December 1914, the Anusthanik Brahmos of Bankipur belonging to the Sadharan Brahmo Samaj organised themselves into a Samaj called the Bankipur Sadharan Brahmo Samaj, to which the organisation formerly known as the Bankipur Brahmo Congregation made over all its rights and functions, the Samaj retaining an attached congregation which any person having sympathy with its aims and objects might join as a member.

The annual meeting of its general members, (numbering about 60 including 12 females) was held on the 8th February, 1925 when the annual report and accounts for the previous year were read and accepted; the ministers and office-bearers, for the year 1925, as named below were elected and an Executive Committee, with ten members excluding the office-bearers, was formed :—

„ Manmathamohan Das	Secretary.
with three Assistants.	
„ Binoybhusan Gupta	Treasurer.

3. The Executive Committee had 11 sittings during the year.

4. Divine Service was regularly held both in the morning and in the evening on every Sunday.

The attendance ordinarily varied from 5 to 20 in the morning and 25 to 100 in the evening, (which was unusually large on special occasions), of whom about 75 per cent., were Brahmo sympathisers. The services were usually conducted by the local elected ministers and at times by Mr. P. K. Acharyya, Babus Barada-prasanna Roy and Lalitmohan Das of Calcutta and Lalitkumar Chakravarty of Pirojpur, during their short stay here.

It is a matter of great sorrow that Asst. Minister, Rai Bahadur Harakissore Biswas suddenly died at Dacca on the 21st July, 1915.

5. Utsabs :—Four Utsabs were celebrated during the year as usual viz :—

(a) Maghotsab for 11 days besides Usakirtan for some days more.

(b) Bengali New Year's Day Utsab for 3 days.

(c) Birthday Utsab of the Samaj, for 4 days.

(d) Bhadratsab for 2 days.

The songs, sermons and lectures and other interesting functions during the utsab were particularly impressive.

6. Memorial Services were performed in honour of our departed great Pioneers, viz.—Brahmanada Keshabchandra Sen on the 8th January, 1925, Maharshi Debendranath on the 6th Magh, Raja Kammohan on the 17th and the 27th September, and Acharya Sivanath on the 30th September 1925.

7. Mission Work :—The first missionary of the Samaj, the late Reverend Kalimohan Das became invalid by age and infirmity for the last few years and was passing his days in prayer and meditation. He passed away on the 1st October, 1925 when he was a grand old man of 85.

The present missionary Reverend Manomohan Chakravarty, now also the minister in chief, has been doing the mission work of the Samaj right earnestly.

Institutions.

The Brahmo Samaj has had several Institutions under it, which are named below with their works noted against each.

1. The Students' Weekly Service had 13 sittings, including special ones, held in memory of the late Iswarchandra Vidyasagar, Ramtanu Lahiri, Anandamohan Bose and Girishchandra Mazumdar the ideal men of our country.

2. Brahmika Samaj, had 4 sittings only which were usually conducted by the ladies.

3. Brahmabandhu Sava had 10 sittings only and dealt with interesting discourses; Sj. Satyananda Das acted as its Secretary.

4. Brahmamayee Bhaban :—The liabilities for constructing this building, amounting to more than Rs. 1,200, have still to be cleared up.

(1) The library and reading room are located in the Hall of this building. The Indian Messenger, তত্ত্ববোধিনী পত্রিকা and ব্রহ্মবাদী were received gratis or with

small subscriptions. It is contemplated to purchase all the books published by Brahmo Samajes which were lost or never bought. Certain rules have been framed during the year, but for want of funds regular working could not continue.

(9) The Anandamayee Charitable (Homeo) Dispensary, is also located in its second room. Dr. Kalinath Ghosh, out of his philanthropic spirit continued to take up the charge of the institution, founded in May 1923, till the end of the year under report. Patients of different kinds, numbering 4441, including 2558 old cases, were given Medicines and, in cases of extreme poverty, sago, barley, *misri*, and even cash money, and old clothes were supplied by anonymous donors, through the generous doctor. Rs. 177-5-9 only was spent, in all for the institution during 1925, which was chiefly met from the monthly subscriptions of Rs. 5 and Rs. 3, kind by paidly the "Anandamayee Trust Fund" and the Local Bar Library,—including other occasional donations, which are quite inadequate for maintaining such a useful institution, appeals for public help were issued from time to time. A trifling sum only could be paid to the doctor as remuneration which should be suitably increased.

KUMARKHALI BRAHMO SAMAJ.

The first principles of Brahmoism were explained to some of the influential gentlemen of Kumarkhali in the palatial building known as Shital-kotha by Maharshi Debendranath Tagore who was then here to look after his Zemindari business for a few days. The first congregational meeting was held on the 30th Asadh, 1255 B. S. corresponding to the 16th June, 1848 by Pandit Dayalchand Siromoni, sent by the Rev. Maharshi.

The Samaj has a *pakka mandir* of its own in the heart of the town but it requires thorough repairs. Sometimes ago an appeal was made through the "Indian Messenger" but no response was received, no active steps have yet been taken.

No utsavs were held in the year 1925 owing to non-realisation of rents of the Jyot bequeathed by the late Jogneswar Kundu who was then the Secretary of the Samaj. The profit of the Jyot is about Rs. 3 a year. Besides this there is a permanent fund of Rs. 100 gifted by the late Annadasundari Dasi, the interest of which is added to the Charity fund of the utsab and another fund of Rs. 100 under the name of the Library fund, the interest of which is 4½ per cent. per. annum. Owing to the absence of Baboo Radharaman Saha and Atulkrishna Saha no regular weekly service was conducted during the year under Report though occasional services were held when one of them was present. I am glad to report that my Committee is earnestly trying its best to make better arrangements for the collection of rents, to re-establish the weekly service and, also, to observe the Anniversary Utsab from the coming year.

The Samaj is associated with the Sadharan Brahmo Samaj of Calcutta. The weekly organ the "Indian

Messenger" and the fortnightly organ "Tatva-Kaumudi" are kindly supplied to the Samaj free of cost. The Samaj has a library, but no new books were added to it during the year.

„ N. Srinivas—Assistant Secretary.

„ M. Prasanna Kumar—Assistant Secretary.

„ M. Ramappa—Secretary, Relief Fund.

„ M. Narasappa—Superintendent, Samskara Bhumi

„ M. Anantha—Librarian.

In the course of the year Mr. N. T. Venktappa resigned his office as Secretary owing to ill health and Mr. N. Srinivas was elected in his place. Mr. Prasanna Kumar proceeded to Madras to prosecute his studies and Mr. M. Anantha was elected an assistant Secretary in his place. Besides the President, the Vice-president, the Secretaries and the Treasurer, the following members formed the executive committee during the year :—

Messrs G. Krishna Rao

„ K. Sadasiva Rao

„ M. Babu

„ M. Ramappa

Messrs. Rai Sahib K. Ranga Rao, M. Babu, K. Laskshmana, G. Krishna Rao, N. T. Venktappa and M. Narasappa conducted the weekly services by turn and otherwise served as ministers to the Samaj.

Rai Saheb K. Ranga Rao having resigned his place as marriage Registrar, Mr. U. Manjappa Retired Dy. Collector was appointed in his place by the Government. Mr. Ranga Rao who held the office as marriage Registrar, ever since the creation of the post in Mangalore in 1903, worked gratuitously and gave whatever income he derived therefrom to the Samaj and the local Depressed Class Mission.

Atma Vidya Sadhak—Sanghat Sabha—This is a training ground for our young men who have also formed a volunteer corps among themselves. They rendered invaluable help to the Samaj in our festivities, ceremonies and in times of need. They work under the immediate supervision of our respected Vice-President Mr. Manjappa. We have our future hope on this band of young men. Mr. N. B. Bhaskar was the Secretary of the Sabha and Mr. M. Anantha, the Treasurer during the year.

Brahmica Sabha—Our sisters are doing silent work in this Sabha independently. They conduct service by turns and discuss religious matters in the Sabha. During the year under report they made a present of a nice table lamp for the use of the Samaj. Mrs. M. Shashama was the Secretary and Mrs. Parvathi Bai, the Treasurer during the year under report.

Initiation, marriages etc.—During the year under report there were two marriages, one initiation and one Jatakarma ceremony. Weekly Divine Service in the mandir was held very regularly. Special services were also held on the occasion of the death anniversaries of the late revered leaders Raja Rammohan Roy, Ullal Raghunathayya and N. Arasappa. A social gathering also was arranged on the anniversary day of our late revered President Ullal Raghunathayya and it was attended by several non-Brahmos of different sects.

Finance—The opening balance was Rs. 3397-10-10, and the total receipts during the year was Rs. 1705-1-11 raising the total at the end of the year to Rs. 5102-12-9. Total expenditure during the year was Rs. 1182 6-5, leaving a balance of Rs. 3920-6-4 at the end of the year.

General Fund—The General Fund has slightly increased owing to the generosity of the members and well-wishers.

The Samaj donated Rs. 100 to the Calicut Samaj, Rs. 15 to the Tattvabhushan Purse Fund and Rs. 5 to the Navadwipchandra Mission Fund.

Relief Fund.—Two students, one reading in F. L. Class and one in the intermediate class, were given aid from this fund to prosecute their studies. Also two widows were given small help by the grant of monthly stipends.

The presence of a resident missionary here for fostering our spiritual growth and expanding the usefulness of the Samaj had been a long felt want. Revd. V. R. Shinde who was kindly deputed here by the parent Samaj of Calcutta, early in 1924, left this place for Poona in April 1925 and did not return. During the last anniversary of the Samaj, owing to the absence and illness of some of our leading members, we had to indent on the services of Revd. E. Subbukrishnayya of Bangalore who did very useful work during his short stay here. We pray that the Calcutta Sadharan Brahma Samaj will arrange to depute a missionary to this place ere long.

Our sincere thanks are due to Revd. Mr. H. A. Popley of Madras who had kindly prepared a scheme of missionary work for us and to Mr. Kallal Raghawan of Spectator Press, Calicut for kindly supplying us with printed copies of the scheme which were circulated among the leading Brahmos in India. A copy of the scheme was submitted to the Sadharan Brahma Samaj, Calcutta with our remarks and suggestions. We hope that the scheme will receive the sympathetic consideration at the hands of the Calcutta Samaj.

The Samaj also thanks Mr. M. Babu B. A. L. T., for publishing a pamphlet in Canarese on the principles of Brahma Dharma and hopes that he would likewise be able to finish his short sketches on the lives of our departed leaders, Messrs. U. Raghunathayya and N. Anasappa and publish them before the next anniversary of the Samaj.

N. T. Venktappa,
Secretary.

Regular services were held and hymns were sung on every Sunday at the Samaj. Besides special services were performed on the New Year's day and on other particular occasions. The annual Utsab was celebrated from the 22nd to the 24th of the month of Jaistha. On those days we had Usha Kirtans, hymns, services preachings, discussions and a children's gathering at the samaj; and lectures and recitals were delivered at the local Ramesh Hall. Mr. Baradprasanna Roy held discourses on the Sadhana and Nirvana of Buddha and Prof. Khargasingha Ghosh delivered lectures.

TEJPUR BRAHMO SAMAJ.

The Samaj is in a miserable state at present. It consists of 3 families. Two of these three families live in tea gardens away from the Samaj and only occasion-

ally join at prayer at the time of utsabs of the Samaj. A few strangers occasionally attended the Sunday services. The last Maghotsab was continued for 4 days and was attended by several ladies and gentlemen of the Hindu Community. Divine services were held in the Samaj by Mr D. N. Mitra in the month of April, by Mr A. C. Lahiri in May and by Mr. B. P. Ray in Nov. Mr. Lahiri delivered lecture on the glory of the Hindu civilisation and Mr B. P. Roy held recitals on Buddha's Sadhana and Nirvana, performed divine services and discussed religious topics at the house of a local pleader.

ULTADANGA BRAHMO SAMAJ.

The late Babu Kanailal Sen made a free gift of five and a half cottahs of land for erection of a Brahma Mandir and a Pracharasram by a Trust-Deed registered on the 10th November, 1919. The trustees are named below :—

- Dr. Prankrishna Acharyya, M.A., M.B.
- Babu Hridaykrishna De, M.A. (Secy. from Dec. 1924).
- „ Benimadhav Das, M.A.
- „ Dhirendranath Sen, B.L. (upto 24th August 1922.)
- „ Panchanan Sen.
- „ Kanailal Sen, (Secretary upto 24th Nov. 1924.)
- „ Anathkrishna Seal, (from 24th August, 1922.)

The foundation-stones of the Brahma Mandir and Pracharasram (named Brajagopal Asram) were laid on the 27th August 1921 by Babus Krishnakumar Mitra and Kamakshyacharan Pandopadhyaya respectively. Babu Kanailal Sen nearly finished the brickwork of the Mandir and Asram entirely at his own expense. After his demise, the Mandir was nearly completed with the help of public donations ; in this connection we have incurred some debt amounting to about Rs. 890.

The Opening Ceremony of the Mandir was duly celebrated on the 24th December, 1924. After Rev. Hem-chandra Sircar, M.A. had opened the Mandir, Babu Benimadhav Das M.A. conducted the first divine service and Babu Lalitmohan Das M.A. delivered the first sermon on

"Agni-Pariksha." In the evening, Babu Anathkrishna Seal delivered a magic lantern lecture on "Raja Ram-mohun—His Religion."

Sradh of Kanailal Sen:—On the 25th December, 1924, a Sankirtan party led by Babu Amritakumar Dutt started from Maniktala Bridge and proceeded by Muraripuker Road to the Mandir. Dr. P. K. Acharyya performed the Sradh of the late Babu Kanailal Sen, who departed from this world on the 24th November, 1924. His eldest son, Babu Asutosh Sen read out a life-sketch of his father. Then Dr. Kamakshyacharan Banerji solemnly buried the ashes of the deceased with a touching prayer. In the evening, a condolence meeting was held under the presidency of Principal Khudiram Bose; amongst other speakers Pundit Gosthavihari Halder gave a description of the life of this hero of many charities.

At a meeting of the Trustees held on 17th December 1924, Babu Hridayakrishna De was appointed Secretary in the place of late Babu Kanailal Sen and Babu Anathkrishna Seal and Subodhkumar Das were appointed as Assistant-Secretaries.

Since 28th December 1924, divine service was duly conducted every Sunday. We offer our thanks to those gentlemen and ladies who served as ministers or sang hymns.

The Kanailal Sen Charitable Dispensary was started on the 7th June 1925. At present homeopathic medicines are distributed gratis every morning. We are much obliged to Dr. Manmathanath Ghosh H.M.B., for his voluntary services and during his absence for about two months, our friend Dr. Bhabataran Bhar H.M.B. kindly carried on the work. The dispensary is managed by an Executive Committee consisting of 14 members, of which Babu Benimadhav Das, M.A. is the President, Babus Chandranath Mitra, M.A. and Adharchandra Das are Vice-President and Babus Hridayakrishna De and Subodhkumar Das are Secretary and Assistant Secretary respectively.

Since July 1925, a moral training school was conducted on Sunday afternoons.

The following meetings were held in the Mandir :—

1. The Annual Meeting of Naba Bidhan Trust, President—Maharani Sucharu Devi, 15th March, 1925.
2. Magic Lantern Lecture on Disease and Remedy by Dr. Nisikanta Basu, 18th April, 1925.

3. Magic Lantern Lecture on Health and Hygiene by Pandit Saroda Prasad Veda Sastri (Health Association Ward 29) the 21st November, 1925.

4. Besides these meetings, a prayer meeting was organised in Jnly last, in a rice-mill at Daspara Uta-dingi.

The first Anniversary was celebrated in the following manner :—

24th Dec. 1925 :—In the morning, after Nagar-sankirtan, Dr. P. K. Acharyya M. A., M. B. conducted service which was followed by a love-feast. In the evening, Pandit Sarodaprasad Veda-sastri expounded sastras, then Babu Benimadhab Das M. A. officiated as minister and president in the 1st memorial meeting of late Babu Kanailal Sen.

25th Dec. 1925 :—In the morning Babu Hazarilal Bhar conducted service and in the afternoon Babu Anathkrishna Seal showed magic lantern pictures in connection with the Utsab of Niti-Vidyalaya. The children were then treated with sweets and oranges. After dusk, Babu Bhabasindhu Dutt gave a *Kathakata* on "Nimai-sannyas", which charmed the audiences.

26th Dec.—In the evening, Babu Anathkrishna Seal delivered an interesting lecture on social welfare with the help of magic lantern.

Hridayakrishna De,

We have examined the account with vouchers and certify them to be correct subject to the following remarks.

REMARKS :—

(1) An amount of Rs. 93-6-6 (vide Bill No. 823 for Rs. 57-13-6 and Bill No. 644 for Rs. 16-4-0 and three more Bills amounting to Rs. 19-4-0) have been realised by the late Manager but not credited in the cash book.

(2) Another amount of Rs. 71 (vide Bill No. 775 from Ashutosh Library, could not be realised owing to the fact that the late Manager purchased paper of about the same value, from the party concerned

(3) As regards old stock, the value seems to be unreasonable. An amount of Rs. 8500 instead of Rs. 13,087-0-0 is the reasonable value of the old stock. The balance sheet should be adjusted accordingly.

BRAHMO MOTTOS

एकमेवाद्वितीयम् ।

One only without a second.

सत्यं ज्ञानमनन्तं ब्रह्म ।

God is the Supreme Reality ; He is all-wise and infinite.

ब्रह्मकृपाहि केवलम् ।

God's mercy alone availeth.

सत्यमेव जयते ।

Truth alone triumphs.

धर्मश्चर, धर्मात् परमास्ति ।

Practise religion, there is nothing higher than religion.

यतोधर्मस्तो जयः ।

Where there is justice, there is success.

PRINCIPLES OF BRAHMOISM

1. There is only one God, who is the Creator, Preserver and Saviour of this world. He is spirit. He is infinite in power, wisdom, love, justice and holiness. He is omnipresent, eternal and blissful.

2. The human soul is immortal, and capable of infinite progress, and is responsible to God for its doings.

3. God is to be worshipped in spirit and in truth. Divine worship is necessary for attaining true felicity and salvation.

4. To love God and carry out His will in all the concerns of life, constitute true worship.

5. Prayer and dependence on God and a constant realisation of His presence, are the means of attaining spiritual growth.

6. No created object is to be worshipped as God, nor is any person or book to be considered as infallible and the sole means of salvation ; but truth is to be reverently accepted from all scriptures and from the teachings of all persons without distinction of creed or country.

7. The Fatherhood of God, the Brotherhood of man and kindness to all living beings are the essence of true religion.

8. God rewards virtue and punishes sin. His punishment is remedial and not eternal.

9. Cessation from sin accompanied by sincere repentance is the only atonement for it ; and union with God in wisdom, goodness and holiness is true salvation.

“That alone is delightful, that alone is attractive and ever new, that alone affords lasting and intense joy to the heart, that alone dries up men's ocean of sorrow, in which the praise of the Most Glorious is sung. He who has got the unselfish love of God,—in him the divine powers dwell with all good qualities. How can great qualities exist in him who does not love God,—whose desires lead him astray to unreal things ?”

These beautiful verses embody the ideal of the Brahma Samaj. In the first verse the author speaks of his own great work, but what he says in praise of it applies to all pious lives. A life which is a perpetual

hymn to the glory of God,—in which the worship of God and the doing of his will are ever-delightful, is the ideal of every true Bráhma and of the Bráhma Samaj as a body. And we believe that in such a life, lived either by an individual or a body, “the divine powers dwell with all qualities.” The Brahma Samaj is a religious body. Aiming at a thorough reform and regeneration of the individual and of society in all respects. And it believes that this can be achieved only by a life of piety and purity. It grieves at the folly which thinks that true reform can be achieved by those who are not faithful to God,—whose desires, in the language of the authority quoted above, lead them astray to unreal things. However, at the end of every year, we, who have been, in the mysterious providence of God, chosen to lead the party of reform in this country, feel bowed down by a feeling of our unworthiness, and by the smallness of our success. But we are buoyed up by the thought that God’s choice cannot be wrong, and that his mercy alone availeth, —“*Brahma-kṛipá hi kevalam.*” We trust in Him who, in spite of our unworthiness, has called us to this great task.

IN MEMORIAM.

In reviewing our activities during the year under report, it is our sacred yet painful duty first to refer to the passing away of many members and sympathisers of our Samaj. Not only some old and venerable persons who had been towers of strength to us are no more with us, but many promising young men and young women who were the future hopes of their relations and friends and also of the community, were called away in the midst of their activity to other spheres of existence and work. May these deaths serve as occasions of new spiritual awakening to us all, and may God grant peace to the afflicted and the bereaved.

Among the friends whose deaths we mourn, the memories of Sir K. G. Gupta, Dr. D. Bose and Babu Bhubanmohan Sen stand uppermost in our minds. Sir K. G. Gupta was a sincere and generous supporter of our movement, and by his unflinching loyalty to our

church and creed raised himself in our estimation. He was a strong advocate of the All India Mission, and generously contributed to its Fund. Dr. D. Bose was a true believer. His quiet life of beneficent work and ardent piety will ever be an inspiration to devout souls. Babu Bhubanmohan Sen, a distinguished educationist and reformer, has left us an example which we shall do well to remember. His piety and devotion to God deeply influenced those who came in contact with him. Babu Bhagwanchandra Mukherjee was one of the foundation members of the S. B. Samaj and was marked by a spirit of deep devotion.

The Sadharan Brahmo Samaj was founded in 1878 with a view to propagate the principles of Brahmoism in India as well as in other countries, and thus to establish the worship of one God in truth and spirit and a brotherhood among men, putting an end to all unjust distinctions. It further seeks to unite under a common organisation all "individuals and congregations holding these principles and conducting the business of their church on constitutional lines." It is a matter of gratification to see that organisations very similar in nature, though not in perfect accord with us, are springing up all around and the Brahmo ideas and ideals are leavening the thoughts and stimulating the activities of our fellow countrymen. Therefore the number of professed Brahmos is no measure of our real strength in the country. On the 31st of December, 1926, there were 1398 members in our list and forty-seven Samajes associated with, and two Samajes affiliated to, our church, and eighteen Samajes sent representatives to sit on the General Committee.

It is an admitted fact that liberal ideas in religion are being encouraged everywhere by the modern scientific spirit of enquiry and investigation and consequently liberal and rational views are being accepted in the most unexpected quarters. Not only India, but the whole world is a field for our work. "The harvest is truly plenteous, but the labourers are few." We pray to the Lord to send forth more workers.

Our activities may be grouped under three heads :

I. Spiritual, II. Social and III. Educational. The agencies and the institutions that are utilised for doing these three classes of work are sketched below.

I. SPIRITUAL WORK.

Mission Work.

General Survey—Mission work is the most important part of the activities of the Sadharan Brahmo Samaj and we employ the following agencies for this purpose, viz., (1) Ordained Missionaries and Mission Workers (2) Workers of the Sadhanasram (3) the members of the Sevak Mandali (Lay Workers' Mission) (4) the two Organs of the Samaj (5) and the following institutions affiliated to the Samaj; viz., The Calcutta Congregation, the Baranagore Workingmen's Mission; The Sangat Sabha; the Theological Society; the Daily Divine Service; The Students' Weekly Service; Dharma-Sikshalaya; the Sangit Vidyalaya; the Sunday Moral Training School; The Brahmo Bandhu Sabha; the Brahmo Young Men's Association; the Bharat Mahila Samiti.

At the beginning of the year the Executive Committee in consultation with the Missionaries and the Mission workers draw up a programme and allot the work among the missionaries in such a way that they may attend to the calls for spiritual ministration from different quarters. Our missionaries visited during the year under report Assam, North Bengal, East Bengal, West Bengal, Bihar, the United Provinces, Madras, Orissa, Bombay, Punjab and Sindh. But more frequent visits are necessary to keep up the spirit of the congregations at different places and to spread our faith among Non-Brahmos. In Madras, Punjab, Bengal and Assam good work was done. In Assam some Assamese tribes, the Kabhas in particular, are evincing a great interest in the faith and principles of the Brahmo Samaj. In Burma the Kangoon Brahmo Samaj has been working vigorously. It is gratifying to report that Babu Abinashchandra Lahiri, B.A., who had been a Mission Worker for a long time was ordained as a missionary of the Samaj. It is a pleasure also

to report that a new worker, Mr. Prakashlal, B.T., of Lahore, was recently accepted as a Mission Worker by the Executive Committee of our Samaj ; Mr. G. Y. Chitnis also, who had gone to receive training in England two years ago, came back and resumed his work in Bombay in August last.

It may be added here that the Executive Committee of the S. B. Samaj pay to the workers of the Sadhanasram allowances and pecuniary help as they do to their own missionaries and mission workers.

The prospects of mission work are hopeful at this place. At Mangalore there are about 40 Brahmo families, who are very earnest in their devotion. Rai Shahab Ranga Rao is the leading spirit of the place. Tinnevely also is a good centre for work. At Coimbatore the Brahmo Samaj has got a *Mandir* and the late Mr. S. P. A class is held on Saturday in the afternoon in the gallery of the Prayer Hall under the supervision of Babu Surendranath Banerjee, a well-known musician. The average attendance is 7 or 8. The School is maintained by fees paid by the students and donations made by some generous members of our Samaj.

The Brahmobandhu Sabha—was revived and some four sittings were held.

The Sunday Moral Training School.

The Sunday Moral Training School was started almost simultaneously with the foundation of the Sadharan Brahmo Samaj, with the object of imparting instruction to boys and girls that might help the steady growth and development of their moral and spiritual nature. It continued to do its work as usual during the year. The main School was held at the Brahmo Girls' School premises on Sundays in the morning. It consisted of six classes. The number of students on the 31st of December was 113. The teaching staff consisted of Miss Charulata Sen, (Secretary), Miss Mrinmayi Sen, M.A., Miss Niharkana Das, Mrs. Basanti Chakravarti, B.A., Babus La itmohun Das, M.A., Bipinbehari Chakravarti, B.A., Aparna-charan Bhattacharya, M.A., Surendramohan Datta, M.A., B.T., and Subinay Ray. A. Like all church organs both have to be run at a deficit, but this pecuniary loss is amply compensated by their work. They materially help the cause of the Brahmo Samaj by carrying its message far and wide. Babu Sasibhusan Bose brought out a revised edition of his *Life of Raja Rammohun Ray*; Babu Gurudas Chakravarty published a new book, called "*Jiban Prasanga o Prarthana*"; Pandit Sitanath Tattwabhusan brought out an edition of the *Chhandyagyoponishat*, and Krishna and the Puranas; Babu Amar Chandra Bhattacharjee published a book "*Muktirpath*" by name. Midnapur Flood Relief Work.

By the middle of August the Executive Committee hearing of the great floods that had rendered hundreds of people homeless and helpless in the villages near Baniban, sent Mr. Amulyakumar Sen with Rs. 50 to give some relief to the distressed people. Immediately after this, they heard of the devastating floods that had inundated about 400 square miles in the district of Midnapur and caused indescribable sufferings to about 3,00,000 people. Consequently a committee called the Midnapur Flood Relief Committee was formed with Babu Lalitmohan Das as secretary, and an appeal for subscription was issued in the Indian Messenger and other papers. But Babu Lalitmohan Das owing to ill health and family troubles, resigned the office of the Secretary, and Dr. P. K. Acharji kindly stepped into his place, and earnestly worked as secretary to the Flood Relief Committee. The Students' Weekly Service, some members of the Calcutta Sadhanasram and the Principal, some professors and many students of the City College heartily co-operated with the S. B. Samaj by collecting funds and by working as volunteers in the affected area for giving relief to the suffering people. In response to a letter from Babu Anangamohan Ray of Baniban for some more help, we sent another sum of Rs. 50 to Baniban.

As regards the relief that we could give to the distressed people of Midnapur, it may be briefly stated that our first batch of volunteers reached the area on the 28th August under the leadership of Prof. U. N. Ball. Our workers fixed their base of operations at Erinch, a village on the Hjjle canal with two sub-centres at Jukhia and Devichak, Or

union in the Khajuri thana and one in the Bhagabanpur thana were allotted to them. The Executive Committee sanctioned Rs. 1,000 from the Famine Fund of the S. B. Samaj. Our work continued upto the middle of November, Sir P. C. Roy helped us materially with money and cloth both old and new. Our thanks are due to our friends and sympathisers who generously contributed to our funds and enabled us to do the work

Brief Account of the Flood-Relief work.

Dr. P. K. Acharji, Secretary to the Flood Relief Committee, submitted an account to the office of the Samaj from which it appears that he collected Rs. 3408 and spent Rs. 2664 and he deposited the balance Rs. 744 to the S. B. office. At the Samaj office was received Rs. 5,289-11-0 and Rs. 4,921-13-2 was spent. Through the office of the Flood Relief Committee located at 24-1, Cornwallis Street Rs. 2,383-5-7½ was collected of which Sir P. C. Ray contributed Rs. 1,478 from the Central Relief Fund with 200 maunds of rice and cloths both old and new. Bhawanipur Porabazar Relief Committee also kindly supplied 102 maunds of rice and 120 pieces of new cloth.

We distributed about 1200 maunds of rice, besides one bale of new cloths and about 500 pieces of old cloth. Our total expenditure came up to about Rs. 9,000.

III. Educational Work

Since its foundation the Brahmo Samaj has considered the diffusion of knowledge as a sacred duty. Many of our members, both ladies and gentlemen, have devoted themselves to the cause of education and made it their life's vocation. The Samaj has directly under its control a High English School for girls with a boarding-house attached to it and two girls' hostels for college students. The Brahmo Samaj Education Society, organised in 1905, has under its control the City College—a first grade College with two schools, one at Calcutta and the other at Mymensing.

Besides these, the following educational institutions, which, though not directly under the Samaj, are owned and managed by Brahmos, did useful work in forming the character of a large number of young people:—The Brahmo Boys' Day and Boarding School The East Bengal Institution, Dacca; Town Victoria School, Cuttack;

Rammohun Roy Seminary, Patna ; Girls' M. E. School, Banibin ; Rammohun Roy Girls' School, Lahore, Brahmo Girls' School, Contai and Rammohun Roy Ragged School, Madras.

Brahmo Balika Shikshalaya.

The school was founded in May 1890, by some members of the Sadharan Brahmo Samaj, headed by the late Pandit Sivanath Sastri, as it was keenly felt that the existing system of purely secular education was inadequate for the development of character. The University curriculum is followed. But the aim of the founders of the school was to supplement this with religious and moral instruction.

The school prepares candidates for the Matriculation Examination of the Calcutta University ; instruction is also given in music, drawing, Hygiene and First Aid, so as to make the girls useful members of society.

The Managing Committee of the school for 1926, consisted of the following ladies and gentlemen :—

Principal Herambachandra Maitra, Dr. Prankrishna Acharya, Mr. Krishnakumar Mitra, Mrs. D. M. Bose, Mr. S. M. Bose, (Assistant Secretary), Mr. Annadacharan Sen, Mrs. Purnima Basak, the Lady Principal, Miss Charulata Sen (teachers' representative), Mrs. S. C. Mukherji (who also was Secretary for some time during the absence of Lady Bose in Europe) and Lady Bose (Secretary).

The staff consisted of 17 teachers, of whom 8 were graduates and one Music teacher.

There were 351 students on the rolls at the close of the session, as against 377 of the previous year) including 4 Mahomedans and 4 Christians.

The daily work of the school begins with a hymn and a short prayer.

In 1926, 21 girls appeared at the Matriculation Examination, of whom ten passed in the First, six in the Second, and one in the Third Division, two girls obtaining Government Scholarships of Rs. 10 each. Two Scholarships of Rs. 10 each have been awarded by the late Babu Durgamohon Das and placed in the hands of the University to be given in order of merit to two girls who intend to continue their studies in the Bethune College after having passed the Matriculation Examination from the Brahmo Girls' School.

Attached to the school, there is a Training Department, which prepares girls for the Senior and Teachership Certificate Examination. The Government grants 6 Senior stipends of Rs. 12 and 9 Junior stipends of Rs. 10 per month. For the expenses of the Training Department the Government is pleased to make a monthly grant of Rs. 700. The result of the Training Department is as follows :—

Senior—passed 4 out of 5.

Junior— „ 6 „ „ 9.

The school hostel can accommodate only 60 girls, and there is always a great demand for seats.

The health of the boarders, was very keenly looked after by Dr. Anilkumar Sen. A systematic medical examination is being held with a view to improve their physique.

The distribution of the prizes to successful candidates of the session closing in December, 1925 and 1926, was held on the 23rd December 1926 and was presided over by Mr. B. L. Mitter and Mrs. J. H. Lindsay gave away the prizes.

The school is maintained by means of fees, subscriptions, donations and grants-in-aid from the Government and the Corporation of Calcutta.

The old Hostel Building of the School being inadequate, unsatisfactory and insanitary, it was repeatedly condemned by the Inspectress of Schools. So an application for grant to construct a new hostel was made and pending sanction the old hostel was demolished, and temporary structures put up for accommodating the school and the boarders. The plans and estimates for the new hostel prepared by the Managing Committee have been passed by the Government and have obtained the administrative approval of the finance department and early sanction of a substantial grant is expected, so that the new building may be ready this year.

The City School was founded on January 6, 1879. The F. A., classes were opened in 1881, and the B. A., in 1884. Thus within five years of the establishment of the school, the Institution developed into a first-grade college. In January, 1905, the college was placed under the control of a Society, registered under Act XXI of 1860, called the "City college Institution", which is now known as the "Brahmo Samaj Education Society". It is the object of the Society "to promote the cause of education in its highest and widest sense, to make that education—comprehending the training of the mind, heart and body, and founded on a Theistic basis—conduce to the good of man and the glory of God".

Brahmo Samaj Hostels for Girl Students.

In 1915 a hostel was started under the auspices of the Executive Committee of the Sadharan Brahmo Samaj to provide accommodation for girls from the mufasil, who

found it difficult to obtain admission into the Bethune College Hostel. Mr. S. C. Mahalanobis was the Secretary. In 1923 it was found that both the Bethune College Hostel and the Brahmo Samaj Hostel for girl students could not meet the demand for admission and accordingly the Executive Committee authorised the Managing Committee of the institution to open another hostel. It was started in July 1923 for 2 years, and the Government sanctioned a grant-in-aid for that period only. But the construction of the proposed Bethune College Hostel building not having been yet taken up, the Government continued the grant for a further period of two years. Both the hostels worked as usual during the year under report. There were arrangements for regular religious instruction and divine service. As in previous years the demand for seats was so great in the beginning of the session, that though they contained 58 seats, many candidates had to be refused admission for want of accommodation. Some vacancies occurred in the latter part of the session. Among the inmates some attended the Scottish Churches College and Post Graduate classes of the University. Dr. Prankrishna Acharji was the Secretary.

IV. Other Business.

Maghotsav: The year began with the celebration of our most important festival, the Maghotsav, during which friends and sympathisers congregated at Calcutta and enjoyed the spiritual feast that was provided by the ministers, missionaries and the lecturers. For the whole month of Paush the Ushakirtan Party sang hymns along the various streets and lanes of the town, awakening the citizens to the call of the Utsav and the season of prayer.

Besides the Maghotsav, three other Utsavs, viz, the Bengali New Year's Day, the Foundation Day of the Sadharan Brahmo Samaj and the Bhadratsav were celebrated during the year. Detailed programmes of all these Utsavs are given in the Appendices.

The Anniversaries of the death of Raja Rammohan Roy, Pandit Sivanath Sastri and of Pandit Navadwipchandra Das were duly observed. There was divine service in the morning of the 27th September at the Prayer Hall and a public meeting at the Albert Hall in celebration of the Raja's death anniversary and Pandit Sastri's death anniversary was celebrated by divine service and a public meeting held at the Mandir on the 30th September.

In honour of Pandit Navadwipchandra Das's memory a meeting was held on the 10th Magh in the afternoon.

The Executive Committee received and offered cordial welcome to three distinguished visitors during the year. They were Dewan Bahadur Sir Venkataratnam, the Maharaja of Pithapuram and Rev. Mr. R. S. Loring of the U.S.A.

Sivanath Memorial Building :—The work of building the Memorial was resumed in December and it has been progressing.

Navadwip Memorial Fund—During the year Rs. 400 was added to the Fund.

Brahmo Mission Press—A theft was committed at the Brahmo Mission Press during the Durgapooja vacation. The manager reported that seven maunds of type etc. had been stolen and the price of the property might be about Rs. 200. The Executive Committee on hearing of this added the names of Babus Upendrachandra Sarker, Santoshkumar Lahiri and Adharchandra Bose to those of the members of the Press Sub-committee which had hitherto consisted of the Secretary (ex-officio), and Babus Prabodhchandra Maholanobis and Profullakumar Roy, for the purpose of enquiring into the theft and to give suggestions for the improvement of the Press.

One Rupee and three Rupee Funds :—As in the Budget that was submitted to the General Committee in March last it was shown that there would be a deficit of about Rs. 3000 and as by the reports and the accounts submitted in the first and second quarterly meetings of the General Committee this apprehension was confirmed, the Executive Committee started a Rupee and a Three Rupee Fund and an appeal was issued in the Indian Messenger to that effect but as the Flood Relief Work in Midnapur diverted the attention of the Committee, nothing practically could be done till the month of November. By the efforts of some members of the General Committee Rs. 238 was collected by the end of December.

Khasi Hills Mission.—The report of the sub-committee appointed at the first quarterly meeting of the General Committee held on the 29th April, 1925, and referred back to the Executive Committee by the fourth quarterly meeting of the General Committee of the same year, was considered by the Executive Committee of the year under report, which passed a resolution adhering to their resolution passed at a meeting of the Committee held on 19-11-25, the purport of which may be stated thus : The Executive

Committee was unable to revive the Khasi Hills Mission and place it under a worker who was completely dissociated from the controversy at Khasi Hills for want of a suitable person to carry on the mission work there.

East Bengal Conference—The 36th session of the East Bengal Brahma Conference was held at Mymensing on the 13th 14th and 15th October 1926, under the presidency of Principal Herambachandra Maitra, M. A. The Reception Committee with Babu Krishnakumar Mitra as Chairman and Babu Srinath Chanda and Dr. Bepinbehari Sen as Secretaries made suitable arrangements for the residence of the delegates in the City Collegiate School, whereas the deliberations, divine service and lectures were held in the Mymensing Brahma Samaj Mandir. Over one hundred delegates, ladies and gentlemen, came from different parts of Bengal, Assam and Behar to join the Conference. Among other things the Conference adopted a resolution urging on the necessity of a Brahma Marriage Act.

The following were the subjects which engaged the attention of the Conference :

Worship and Devotion; Mission work of the Brahma Samaj, Brahma Marriages, Students' Weekly Service and the Sunday Moral Training Schools and how to improve them. Indigent Brahma Family Relief Fund, Publication of Brahma Tracts, and Miscellaneous.

The Conference made arrangements to continue its Mission Work for the next year.

Centenary Committee—Arrangements for the celebration of the Centenary of the Brahma Samaj in 1928 steadily progressed during this year. The Centenary Committee met several times in the course of the year. The programme of work which had been adopted was being gradually developed. The work of the publication Committee made good progress. Several unpublished writings of Raja Rammohan Roy were secured and they will in due time be incorporated into the work of the Rajah. Three volumes of Brahma classics for the Centenary Edition have already been sent to the press. Encouraging response was received from England and America intimating warm sympathy and earnest co-operation with the Centenary Work. Dr. Samuel Elliot, President of the American Unitarian Association, Dr. F. C. Southworth, President Midville Theological Institution

and Dr. W. H. Drummond have already signified their desire to be present on the occasion of the celebration of the Centenary. A committee consisting of members of three sections of the Brahmo Samaj has been formed to make arrangements for celebration of the Centenary in Calcutta and Brahmo and Prarthana Samajes in Muffasil have been requested to form local Committees. An appeal over the signature of the representatives of Brahmo and Prarthana Samajes all over the country for a sum of Rupees one lac to meet the required expenses has been issued and subscriptions have been collected.

The Executive Committee—A special meeting of the General Committee was held on the 5th February when the following members of the General Committee were elected to constitute the Executive Committee for 1926.

- Babu Baradakanta Bose, B.A.
- Dr. B. L. Choudhary, D.Sc.

I. was elected secretary and Babu Annadacharan Sen was elected a member of the General Committee in his place. The New Rules: In the last Annual Meeting the New Revised Rules of the Samaj were passed and under the orders of the General Committee they were published and put into force. It was under Rule 6 (Kha) that 365 letters were issued to those members who had been defaulters for more than two years requesting them to pay their subscription in arrears, but it is regrettable to report that there were very few responses.

The Second Quarterly Meeting of the General Committee of the Sadharan Brahma Samaj.

The Second Quarterly Meeting of the General Committee was held in the Prayer Hall, the Sadharan Brahma Samaj on Wednesday, the 28th July, 1926, at 7-30 p.m.

Present:—Pandit Sitanath Tattvabhushan (in the chair) Ray Prasannakumar Das Gupta Bahadur, Babus Baradakanta Bose, Amiyakumar Sen, Sisir kumar Dutt, Lalitmohan Das, Hemchandra Sarkar, Rajanikanta Guha, Parbatinath Dutt, Srischandra Ray, Pratulchandra Som, Bepinbehari Chakravarty, Upendranath Ball, Prabodhchandra Mohalanobis, Abinashchandra Lahiri, Prabhatprakash Banerjee and Brajasundar Ray.

The meeting commenced with a prayer.

The Proceedings of the previous meetings were read and confirmed.

The Second Quarterly Report copies of which had been previously circulated among the members was taken as read.

Babu Sisirkumar Dutt proposed and Rai Bahadur Prasannakumar Das Gupta seconded that the Report be adopted subject to such verbal additions and alterations as might be deemed necessary.

The President invited the members present to make observations on the report.

Babu Amiyakumar Sen pointed out that in comparison with the corresponding period of the preceeding year the receipts under the head "sudscription" (General Fund, Mission Fund, Tattwakaumudi and Indian Messenger) during the last six months had increased by Rs. 412. 15as. and during the last Quarter the total income had increased by Rs. 702. The decrease in expenditure during the last six months amounted similarly to Rs. 772. 10as. 6p. This decrease was, however, due not to any permanent but occasional retrenchments effected; and the deficit of Rs. 2000 budgetted for this year could not be met unless

special efforts were made to collect subscriptions and donations. In this connection he referred to the unsatisfactory state of the "donation" item of the Mission Fund. On an average of the last six years the annual donation under this head should be Rs. 1500, but during the last six months only Rs. 386. 8as. had been received. This amount was less by Rs. 248 8as. than the amount received during the corresponding period of the last year. If the missionaries, mission-workers and the elders of the samaj did not pay sufficient attention to this item the financial condition of the Samaj for this year would become worse. He also informed the meeting that arrangements were being made for a "rupee" and a "three-rupee" fund for wiping out the deficit and requested the co-operation of all members for successfully raising this amount. Members were requested to communicate to him their suggestions regarding the Fund. Babu Lalitmohan Das was of opinion that special efforts should be made to get donations to the Mission Fund in connection with domestic ceremonies.

Babu Upendranath Ball said that a fuller account of the work of the different institutions of the Samaj should be given in the Quarterly Reports and Babu Hemchandra Sarcar requested that the proceedings of the General Committee should be reported upon more fully. The Secretary, Babu Brajasuudar Ray, replied briefly to the suggestions made.

The report was then adopted 'Nem Con.'

BANGALORE CANTONMENT BRAHMA SAMAJ.

We thank God that with the year under review our Samaj which was established on the 2nd September 1866 has completed its 60th year. We are conscious of the fact that during this long period our work has not been adequate enough. We hope and pray that in the years to come we may be helped by the Almighty to carry out His Mission.

"Om Brahma Kripaki Kevalam."

In Memoriam—With deep regret, we place on record the great losses our Samaj has sustained during the year.

(1) Mrs. Jayalakshmamma, the beloved wife of Mr. V. Chellapilai Naidu, passed on the 23rd December 1925 after a protracted illness. She was an *anustanic* Brahmo and she usually took part in the Samaj choir. As the Assistant Secretary of the Bharata Mahila Samaj and the Superintendent of the Bachmmal Widows Home for some time, she did useful work.

(2) Sir Krishna Gupta passed away on the 26th March 1926 at Calcutta. He was one of our distinguished visitors to the Samaj, who took a great interest in our work and joined us in worship during his summer sojourns in Bangalore.

May their souls rest in peace !

Trustees.—The Trustees appointed for the Brahmo Mandir presented by Dharma Ratnakara Rai Bahadur A. Narayanswamy Mudaliar are life members and as such, Messrs. M. Singaravelu Mudaliar, T. Rajagopaul Naidu, P. Kesavalu Naidu, A. I. Sesachalam Mudaliar and V. Balasundaram Mudaliar continued to be the Trustees during the year.

Managing Committee.—The Managing Committee of the year consisted of—*Secretary*—Mr. V. Balasundaram Mudaliar ; *Assistant Secretary*—Mr. S. Yoganarasimiah ; *Treasurer*—Mr. M. Kothandaram Naidu ; *Committee Members*—Mr. A. M. Sen, M. Sc., M. A., M. E., F. G. S. ; Mr. P. S. Lakshminarasu, B. A. B. L. ;

Mr. N. Maindappa, B. A. L. T.; Mr. V. Muniswamy; Mr. V. Brahmanānda Raj; Mr. Roy H. B. Krishnyya; and Mrs. Saradambal Manickam Mudaliar.

Members and Sympathisers.—There were 45 members and sympathisers, including the two honorary members on the roll. Of these, 4 were ladies. Mr. B. V. Narayana Reddy M. A., was enrolled during the year.

Ministers.—The following officiated as ministers during the year under report :—Dewan Bahadur Sir R. Venkata Ratnam Naidu, M. A.; Mr. M. Mahadeva Mudaliar, M. A.; Mr. B. V. Narayana Reddy, M. A.; Mr. T. Sankar Singh, M. A.; Mr. T. A. Purusotham, M. A.; Mr. P. M. Somasundaram Pillai, M. A.; Mr. P. S. Lakshminarasu, B. A, B. L.; Mr. S. Vairavanath, B. A.; Mr. P. S. Mani; Mr. A. I. Seshachelam Mudaliar; Mr. V. Brahmanānda Raj; Mr. S. Yoganarasimiah; Mr. M. Anappa; Mr. G. Nagayya; Mr. V. Chellapillai Naidu; Swami Brahmanānda; Mr. E. Subbukrishnaiya; Mrs. Rajasekari Reddi and Miss Balasundaram (now Mrs. Leela Vairabanath).

The unique feature of the year under review was that nearly all of the above mentioned ministers were lay ministers. The absence of an ordained minister was a stimulus to recruit lay ministers from among the members of the Samaj as well as those who were outside the fold. The Samaj has been able to enlist the sympathy and hearty co-operation of the intelligentsia outside the Brahmo Samaj by welcoming such to join in the Fellowship of Spiritual Worship and also to lead the congregations in prayer meetings. The growth of opinion in the matter of selecting ministers has prevailed and tended towards the welcome admission of worthy men irrespective of religious differences, provided that such men accept unstintingly the crowning principle, viz., Fatherhood of God and Brotherhood of Man, and do not offend the doctrines of Brahmoism. We earnestly hope this expansion will be approved by all sister Samajes.

Congregations.—The weekly Divine services numbered 52 besides five special services in connection with the Magotsav and the Bhadratsav celebrations. The total number of worshippers amounted to 1630 or an average of 29 per gathering. It is to be regretted that the members of the Brahmo Samaj have not been regular in their attendance at prayer meetings. We earnestly appeal to them not to forget the importance of their attendance of such meetings.

Memorial services were held in honour of the late Queen Alexandra, Sir, Krishna Gupta, Rao Bahadur Kailasam Pillai and Mrs. Jayalakshmamma Chellapillai Naidu.

Family Services and Anusthans.—In connection with the fourth Srāddha of the late Mrs. Bachammal Balasundaram Mudaliar, prayers were offered at the Samadhi and Family service was held under the auspices of the Bachammal Widows Home.

Public Memorial Meetings.—(1) The seventh anniversary memorial of Rao Bahadur Viresalingam Pantulu, the pioneer social reformer of Southern India, was celebrated on the 30th May 1926 by holding a public meeting in the Samaj with Mr. A. Seshagiri Rao, B. A. B. L., District Munsiff, Masulipatam, in the chair. Miss S. R. Sharada Bai and Mr. S. Vairavanath, B. A., addressed the meeting.

(2) The 93rd anniversary of Raja Rammohan Roy was celebrated by holding a public meeting in the Central College Hall under the distinguished presidency of the Rt. Hon'ble V. S. Srinivasa Sastri, P. C. Mr. S. Vairavanath B. A., opened the function with a prayer. The Rt. Hon'ble V. S. Srinivasa Sastri, P. C., Rev. W. H. Thrope, B. A., Brahmachari Rishikula Krishnamurthi, Srimati B. Indramma, B. A., Mr. S. Vairavanath, B. A., and Mr. K. H. Ramayya, B. A., Bat-at-law, addressed the gathering and paid their tributes in glowing terms to the memory of the illustrious son of India and the founder of the Brahma Samaj. The meeting was largely attended by the intelligentsia. Mr. A. M. Sen, M. Sc., proposed a vote of thanks to the Chair and the speakers.

(2) Four managing committee meetings to transact business from time to time.

Institutions :—The Subedar Major Appavu Pillay's Girls' School—The total strength of the school at the end of the year was 84 (58 girls and 26 boys) as against 79 in the previous year. The average attendance was 81. This was a free elementary school hitherto. Owing to the inadequacy of the funds for the maintenance of the institution, the levy of a small fee on such of the pupils as were able to pay was introduced during the year. The teaching staff was reduced to three as against four of last year. The loan of Rs. 200 obtained from the Viresalingam Memorial Fund to meet the deficit in 1925 is yet to be repaid.

The Depressed Class School which was under the management of the Young Men's Brotherhood had to be handed over to a new management formed by Mr. Devarao Sivaram, the President of the Mysore Chamber of Commerce.

Finance :—The following points concerning the accounts might be mentioned :—

General Fund :—The net balance under this head at the end of the year was only four annas. A sum of Rs. 50 has yet to be transferred to the Chandavarkar Fund and a loan of Rs. 10 taken from the Building Repair Fund has yet to be repaid. If these pending adjustments be taken into account, the net result will be deficit of Rs. 59-12-0 which has to be made good in the succeeding years.

Mission Fund :—There being no ordained minister attached to the Samaj, the Mission Fund was closed and the balance of Rs. 24-4-0 at its credit was transferred to the General Fund.

Viresalingam Memorial Fund :—The balance at the credit of this fund as shown in the year's account is Rs. 598-8-8. It will be Rs. 798-8-8 when the loan of Rs. 200 given to the Subedar Major Appavu Pillay's Girls School is repaid.

General :—It has been proposed that a Stock Register of the articles of the Samaj (buildings included) showing their values should be opened and duly maintained. This has been done accordingly.

Of the items contemplated in the Viresalingam Memorial programme, the Mission House and an inscription bearing the names of the larger donors have yet to be put up. As the balance of the collections will not cover even a fourth of the cost of the Mission House, attempts are being made to get it done by a separate donor, if possible. The inscription will be put up when the Mission House is built.

Two Bromide enlargements of late Rai Bahadur A. Narayanasawmy Mudaliar and late Rao Bahadur K. Viresalingam Pantulu have been made at a cost of Rs. 67, to be unveiled in the Viresalingam Memorial Hall.

Our Thanks :—We offer our sincerest thanks to Mr. T. M S. Subramaniam, Certified Auditor, for his audit of the Samaj accounts this year also.

Branmo Samaj Sylhet.

TANGAIL BRAHMO SAMAJ.

Weekly divine service was regularly held every Sunday. The Samaj also celebrated its Maghotsav and New Year's day Utsav. The 35th Anniversary Utsav of the Samaj was celebrated from 21st—25 Jaistha. Babus Krishnakumar Mitra, Baradaprasanna Ray, Maheschandra Chakravarti, Debendranath Bhattacharyya and Mrs. Hemlata Bhattacharyya came here and took part in the Utsav by conducting divine service and delivering lectures in the mandir and in the local Rameschandra Hall.

Taraprasad Ray, *Secretary.*

TEZPUR BRAHMO SAMAJ.

The present Mandir was consecrated on 7th Magh 1321 B. S. (1885 A. D.). The condition of the Samaj is far from satisfactory owing to the absence of an adequate number of annusthanic Brahmos. There is only one Brahmo Family in the town. The mandir has been repaired thoroughly with the help of the employees of the local Tea gardens (both Europeans and Indians). The Maghotsav was celebrated as usual, and during the utsav one Assamese young man Babu Golokohandra Saikia was initiated into Brahmoism.

Weekly service is held every Sunday evening. The Samaj is now affiliated to the Sadharan Brahmo Samaj, Calcutta.

L. K. Barakakati, *Secretary.*

Brajasundar Roy
 Secretary, Sadharan Brohmo Samaj
 January 21, 1927

In auditing the accounts of the S. B. Samaj the following points were noticed.

1. Books :—

The accounts of books for sale have not been properly kept. There is no stockbook showing receipts, issues and balances in hand to guard against unauthorised issue of books. But I know personally that formerly a stockbook was maintained for Brahma Sangit and some other books. It is not understood why this was discontinued.

The sale accounts of books sold during the Maghotsab could not be scrutinised, because no cash-memo was issued, as it is the practice in the office. In previous years, of course, when books in the stall were sold by outsiders, issue of cash memo was not necessary, because books were received and returned by them under clear receipts, and they were responsible for the price of books they retained. In absence of any stockbook, the balances of books in hand, before and after the Maghotsab sale, could not be verified. Hence the correctness of the amount accounted for as sale proceeds cannot be vouched.

2. Miscellaneous Advance Account :—

In the detailed register of this account only Rs. 787-7-0 has been brought forward as the opening balances, whereas Rs. 19,418-7-0 was shown as the closing balance of 1925 in the balance sheet. This is most irregular and wrong. Out of the above balance a sum of Rs. 50 advanced to Mr. P. K. Ray for reception of Dr. Drummond, lying outstanding since 1924, was adjusted in December, 1926 by debit to General Fund under the orders of the Ex-Committee, although no account showing details of expenditure was produced. This sort of adjustment without any account of expenditure is objectionable from audit point of view.

The balance shown in the Balance sheet under this head, should agree with the total balance of the details of the register. But it is seen that balance is not struck off even. The result is, that mistakes in posting remain undetected. Instances are given below :—

Rs. 30—paid by Babu Herañbachandra Maitra on 5-5-26 and 8-6-26 as deposit to the Navadwip Memorial Fund was credited to Miscellaneous advance account from which the Balance Sheet is prepared. The balance sheet showing the balance in hand as 18,875-0-9 is not verified with detailed register.

3. Deposit Miscellaneous Account :—

In the detailed register of this account only Rs. 24,705-7-3 was brought forward as the opening balance whereas Rs. 35,771-11-6 was shown as the closing balance of 1925 in the balance sheet. This is irregular and wrong. The balance shown in the balance sheet under this head should agree with the total balance of the detailed register. The balance sheet showing the balance under this head as Rs. 31,511-0-3 is not verified with the detailed register. .

Out of this balance, one item Rs. 170 has been brought forward from 1924. This amount represents the sale proceeds of books sold during the Maghotsav of 1924, deposited by Mr. P. K. Ray (Mullick) and was credited to deposit account pending subsequent adjustment by credit to book account on receipt of the sale account of books and the balance money from the stall-keepers. But neither any adjustment has been carried out nor the balance deposited as yet. The balance amount must be a heavy one as the amounts of two years preceding are much larger, as will be seen from the figures below :—

Years	Rs.	As.	P.
1922	430	9	6
1923	267	15	9
1924	170	0	0
1925	333	8	0
1926	330	6	6

The reasons for this serious omission should have been investigated long ago, and the responsibility found. But since that was not done then, it should be done now. The amount should be recovered from the person or persons responsible and the outstanding in deposit account cleared.

4. Flood Relief Fund :—

Collections were made for flood relief work mainly by (a) Dr. P. K. Acharjee (Secretary) (b) Mr. P. K. Ray (Asst. Secy) (c) Mr. Lalitmohan Das and (d) Mr. Brajasundar Ray. The amounts collected by the last named two gentlemen were deposited with the S. B. Samaj Books and the money was drawn therefrom to meet the necessary expenses of the works opened at Midnapore.

It is understood that Dr. P. K. Acharjee spent Rs. 2385 out of his collection for purchase of rice and gave Rs. 79 to the workers and deposited the balance with the S. B. Samaj. But Mr. P. K. Ray did not deposit the whole of his collections, as he stated that Rs. 251-7 3 was the balance to pay. It is improper to keep the money with him till after the 31st. December, 1926. The amount should be deposited with the S. B. Samaj immediately and accounted for in the accounts for 1926, since the flood-relief work was closed on the 28th November, 1926. It is no use deferring the adjustments till 1927.

5. A. Flood relief work at Midnapore.

In the abstract account of the flood relief work at Midnapore furnished by Mr. P. K. Ray the following accounts have been shown :—

Receipts	Disbursements	Balance
Rs. 5400-4-2.	Rs. 5803-3-9.	—Rs. 398 4-10
		(to be paid).
		i.e. debt cleared from his own pocket.
		(b)

But after audit of the flood relief work account the figures come to as below :—

Receipts	Disbursement	Balance
Rs. 5850-4-2.	Rs. 5743-0-9.	Rs. 106-11-2 ;

because Rs. 10 Rs. 35 and Rs. 400 paid by Dr. P. K. Acharjee to Babus Harakumar Guha, Madhusudan Sen and in part payment of one bill for rice respectively, do not appear to have been included in the receipts shown by Mr. P. K. Ray ; and the expenditure of Rs. 60 appear to have been shown twice, once under voucher No. 54 and again under voucher No. 80. It is understood that Rs. 398-4-10 shown by Mr. P. K. Roy as debt has already been drawn from Samaj books. If I am correct, Rs. 505-0-0 seem to be refundable by him. In case, the amount be refunded as I have shown above, it should be accounted for, in accounts for 1926.

5. B. *The following vouchers are not in order :—*

(i) Voucher No. 6 dated 21-10-26 for 628.

A stamped receipt for 579-5-9 for cost of rice and Rs. 26-6-0 for cost of 50 bags mentioned in the bill should be produced. The certificate of payment by one Babu Umeschandra Ghorai is not sufficient.

(ii) Vouchers No. 16 and 17 dated 1-9-26 and 31-8-26 the Rs. 2 and Rs. 13-13-6 should be countersigned by Babu Lalit-mohan Das in token of his receipt of the stamp etc. stated to have been supplied to him.

(iii) Voucher No. 48 dated 15-9-26 for Rs. 4.

This is only an acknowledgement of money by Mr. J. Dutta, the particulars of expenditure should be stated.

(iv) Voucher No. 80 dated 21-10-26 for Rs. 60.

This is only an acknowledgement of money taken by a worker. This amount was accounted for, as expenditure under voucher no. 54 dated 27. 10. 26. This item of expenditure appears to have been shown twice.

(v) Voucher No. 75 dated 25-9-26 for Rs. 49 :—a chit for purchase of Rice, Dal and Ghee etc. should be produced from the supplier.

(vi) Voucher No. 78—Part item—Rs. 147 purchase of rice :—a receipt from the vendor is wanted.

(vii) Voucher No. 79 dated 20-11-26 for Rs. 375 :—This is only an acknowledgement of money by Babu Harakumar Guha for purchase of cloth ; an account showing purchase of cloths supported by original receipt from supplier should be produced.

(viii) Voucher No. 81 dated 5. 10. 26. for Rs. 17-12-0.

A receipt or chit from the supplier for purchase of rice in original should be produced.

(ix) Voucher No. 82 dated 11-10-26 for Rs. 60 :—

This is only an acknowledgement of money by a worker Babu Jyotsnakumar Dutt. Detailed statement of expenditure with vouchers should be produced.

(x) Voucher No. 83, dated 17-9-26 for Rs. 55 :—

This is only an acknowledgement of money by a worker, (Babu D. C. Ghosh). A detailed statement of expenditure with vouchers should be produced.

(xi) Voucher No. 78, dated 19-11-26.

The loading and unloading charges for 200 mds. of rice from Bhagabanpur to Deriadighi and Erinchhi amounting to Rs. 28 9-6 are not understood, as no purchase of rice traceable subsequent to 20-10-26.

5. C. *Some remark should be furnished on the following points :—*

(i) What became of the 304 new bags purchased at Rs. 151-6-0 for carrying rice? They should have been sold at reduced price and the value deposited with the samaj books during 1926.

(ii) What became of the big torch light bought at Rs. 8? This should have been sold at reduced price and the value deposited with the samaj account during 1926.

(iii) Rs. 12-8-0 was paid shown as deposit under voucher No. 54. A remark was made in the voucher that the amount was refundable on presenting the receipt. What became of the amount after refund? This should be credited to flood relief fund account of the samaj in 1926.

(iv) The alluminum utensils, stove etc., purchased under vouchers No. 56, 57 and 65 at Rs. 39-5-0 should be deposited with Samaj Account or sold at reduced rate.

5. D. *Charity Fund Accounts :—*

Lots of money are deposited in the books of Samaj as donations for Charity Fund. The amounts are made over to the Secretary, Charity Section, but their final disposal is not known to anybody else except the Secretary himself. It was arranged therefore that the accounts should be audited; but unfortunately no facility was given to me to audit those accounts.

5. E. *Utsav Fund*

It is noticed that deficits of utsav fund are met from the Samaj fund. Surplus accounts are also deposited with the Samaj accounts. It is desirable therefore that the Secretary, Utsav Committee should furnish an account showing the total receipts, expenditure and balance (surplus or deficit). The expenditure should be supported by vouchers and original receipts as stated above. The account should be audited also.

6. *General Fund Vouchers.*

The following vouchers in support of purchase of flowers during Bhadrotsav, Children's Gathering and Anniversaries of the Death of Raja Rammohun Ray and Pandit Shivanath, Sastri presumably from the Municipal Market are not in order. Original receipts from the vendors should be produced.

Voucher No. 752 dated 2-10-26 :—Rs. 5.

Voucher No. 806 " 11-10-26 :—Rs. 8-10.

7. The amount shown in the Brahmo Mission Press Account, as lying with S. B. Samaj as deposit, does not agree with that

shown in the S. B. Samaj. The reason is that the sum of Rs. 250 drawn by the Press Manager on the 22nd June, 1926 was not accounted for in the Samaj Books as debit to Deposit account. It is not understood how the cash balances have agreed all along. This is most serious.

8. The state of work in the office, on the whole, is not satisfactory.

9. From the above, it is clear that the accounts are not in order.

Auditor.

**Report of the Sub-Committee appointed to enquire into
and report on the Audit Report for 1926**

To

The Secretary, Sadharan Brahmo Samaj.

Sir,

We, the undersigned members of the Sub-Committee appointed on the 22nd January, 1927, to enquire into and report on the Audit Report for 1926, beg to submit the following for your consideration:—

1. *Books*—No stock book for the publication of the Samaj was kept for the year. For sound accountancy it is absolutely necessary that such a book should be kept and entries made into it regularly. The system of issuing cash memos concerning all sales should be insisted upon more strictly than it has been so far.

2 & 3. We have been informed that the Finance Sub-Committee formed in January 1926 has been working to draw up a detailed statement of the Deposit and Advance Accounts of the Samaj. We believe that with the provision of an additional hand on the staff this work should be completed within six months. We are of opinion that this completed statement should be placed before the Second Quarterly Meeting of the General Committee of this year.

The sum of Rs. 50 advanced to Mr. P. K. Ray for the reception of Dr. Drummond should be covered by a suitable voucher,

The mistake regarding Rs. 30 paid by Mr. Herambachandra Maitra having been set right, it is not necessary to dwell on it here.

Rs. 170 brought forward from 1924—A sum of Rs. 32-12-6 is still due from Mr. P. K. Ray (Mullik) or his surety Mr. Anathkrishna Seal. Steps should be taken to recover this sum for the final adjustment of this account.

4. *Midnapur Flood Relief Accounts*—No day to day account was kept of the Midnapore Flood Relief Fund. The final account was submitted on the 31st December, 1926 although the relief work was discontinued towards the end of November, 1926. The absence of the daily accounts and the postponement of the drawing up of a detailed and full statement have presented difficulties to the work of adjustment and verification. It is not at all desirable that accounts of public monies should be kept in a slipshod manner. We are of opinion that the authorities of the Samaj should see that in future all funds collected in their name, be properly and regularly accounted for. We are also of opinion that the auditor's remarks regarding the deposit in the Samaj office, of all amounts collected are quite correct. All such collections ought to be credited in the Samaj books.

5A. Voucher No. 80 having been cancelled and the sum of Rs. 60 refunded, this account may now be considered as adjusted.

Re. the amount of Rs. 400 paid by Dr. P. K. Acharyya in part payment of one bill for rice:—A demand for Rs. 1950 6 9p. was made by the Bengal Canning and Condiment Co. Ltd., and Mr. Prafullakumar Ray paid Rs. 1500 as part payment on Bills No. 252R, 261R, 271R, 275R, on 29-9-26 and arranged for the part payment by Dr. P. K. Acharyya, of Rs. 400 on 30-9-26. This sum was paid by Dr. P. K. Acharyya by cheque directly to the party concerned. Mr. P. K. Ray merely paid the balance of all the bills viz. Rs. 50-6-9p, on 11-10-26. The fact that, later on, Mr. P. K. Ray showed the full amount among disbursements made by himself, was due to his having neglected to keep daily accounts and arranging to have the final account drawn up from vouchers and bills without consulting Dr. P. K. Acharyya. The fact that he drew a sum of Rs. 398-4-10 from the Samaj as his due while really he owed Rs. 106-11-2

to the Samaj has been explained as due to oversight as according to his accounts the sum was due to him. Such oversight, however, is not desirable in a responsible officer dealing with public funds. Mr. P. K. Ray has since refunded the sum overdrawn by himself, through Dr. P. K. Acharyya. As the amount was refunded after the Flood Relief Accounts had been audited, it ought to have been paid direct to the Samaj Office instead of being paid to Dr. P. K. Acharyya.

Re. Rs. 10 and Rs. 35 :—Dr. P. K. Acharyya paid these sums to Messrs. Harakumar Guha and Madhusudhan Sen for expenditure at the centre of work. The whole of the expenses incurred at the centres of work being included in Mr. P. K. Ray's account, these sums ought to have been credited back to the Fund. As such, these are refundable and Mr. P. K. Roy has, since, refunded them

5B. (i) Voucher No. 6.—Necessary mudi bill provided.

(ii) Vouchers No. 16, 17—Certified by Babu Lalitmohan Das.

(iii) Voucher No. 41—Necessary bills submitted.

(iv) Voucher No. 80—Cancelled, amount adjusted.

(v) Voucher No. 75—Mudi bill for rice bought at the Relief Centre not yet provided.

(vi) Voucher No. 78—part item Rs. 147—Receipt for rice bought at the relief centre outstanding.

(vii) Voucher No. 79—Necessary bills produced.

(viii) Voucher No. 81—A certificate by Babu Madhusudan Sen supporting the purchase of 2 mds. of rice produced.

(ix) Voucher No. 82—Voucher showing details supplied.

(x) Voucher No. 81—not yet produced.

(xi) Voucher No. 78—part item Rs. 28-9-6. Money was spent for loading and unloading 200 mds. of rice supplied by Dr. P. C. Ray (Midnapore Relief Committee).

(xii) Voucher for Rs. 30 paid to Jatindramohan Bose for passage to Benares—a detailed voucher should be produced.

(xiii) Voucher for Rs. 760 paid by Dr. P. K. Acharya was mislaid; a statement from Babu Sudhir-kumar Bose regarding details of expenses should be produced.

Steps should be taken to procure these vouchers which have not, as yet, been submitted by the officers responsible for them.

5C.

I, II, IV. We are informed that the materials in question are lying with Mr. Pearimohan Dutta, officer in charge of the relief centre, at the Sadhana-shram. Efforts are being made to sell them.

5C.

III. Rs. 12-8 less annas 4 (M. O. Commission) have been received from Geonkhali and deposited at the Samaj office.

5D. *Charity Fund Accounts*—already sent to the auditor for audit.

5E. *Utsav Fund*—This is a suggestion with which we are not concerned.

7. The sum of Rs. 250 was paid from the Treasurer's private fund afterwards, and it was, withdrawn from the Samaj funds.

The accounts of the various funds under the control of the Sadharan Brahmo Samaj should be kept according to some general form based on definite principles; considerable difficulty has been experienced in auditing and verifying the accounts as they stand at present.

We have examined the accounts with vouchers and certify them to be correct. Subject to the following remarks.

Remarks.

1. Rupees 116-4-0 out of Rs. 202-6-6 pies remain still to be realised from Babu B. P. Roy, late Manager. Every effort should be made to realise the sum within the current year.
2. It is curious that deposit money is decreasing gradually and still profit is being shown. The amount under deposit was Rs. 15007-14-3 pies last year and this year it comes to Rs. 13,464-5-0.
3. The establishment charges of Rs. 7000 against work of Rs. 12000 seem too heavy. The attention of the Press authorities is drawn.
4. The following are the old outstandings lying for a very long time. The Executive Committee should take steps to realise them as early as possible.

THE SECRETARY, SADHARAN BRAHMO SAMAJ.**

DEAR SIR,

I shall feel obliged if you kindly enlist my name as a member of the S. B. Samaj.

I believe in the existence of God, in the immortality and eternal progress of the human soul, in the necessity of worship; and on the other hand, I do not believe any created object or person to be God, or a mediator between God and the human soul for its salvation, nor consider any person or book as infallible and as the only means of salvation.

2. I am in sympathy with the object of the Sadharan Brahmo Samaj and am prepared to help it, to the best of my ability, in the furtherance of its object.

[Object.—To worship the One True God in love and service, to propagate the principles of Brahmoism, to help Brahmos and others in the attainment of higher spiritual life and in their general welfare, and to conduct the business of the church in a constitutional method.]

3. I am earnestly trying to improve my character and to worship God regularly.

4. I am prepared to perform all domestic and other ceremonies in accordance with the principles of Brahmoism, discarding idolatry and the distinction of caste.

“O Lord, those who neglect to cultivate love to thee, which is the way to the supreme good, and take pains to acquire mere knowledge, for them pain alone is in store, and nothing else, as for those who thresh empty husk. O thou infinite and immutable One, many aspirants in this country who consecrated their activities to thee, knew thee by their piety, acquired by their actions and flowing from hearing thy praise, and thus easily reached the supreme goal assigned by thee”

The *Bhāgavatam*, X. 10. 4, 5.

IN MEMORIAM.

The year that is over has witnessed the passing of so many members and sympathisers of the Sadharan Brahma Samaj, that it has cast a gloom over the whole community. Not only old and experienced workers were cut off in the midst of their struggle, but young men and young women, who might be expected to shoulder the burdens of their elders, were snatched away before they blossomed here. May God grant consolation to the bereaved families.

In this connection we must specially refer to the death of our revered missionary Babu Gurudas Chakravarti. "He was the first worker of the Sadhana-sram which he joined immediately after its establishment in 1892 and after years of strenuous service in the mission field was ordained as a missionary of the Samaj in 1906. His services as a missionary for more than twenty years helped the furtherance of our cause in an incalculable measure, and the example of devotion to the aims and the ideals of the Brahma Samaj, as well as of fervent faith in its principles which he set before us all, will continue to be a source of strength and inspiration for a long time to come."

The death of Babu Chandikishore Kushari, one of the oldest members of the S. B. Samaj, is another great loss. "He devoted himself whole-heartedly to the realisation of the Brahma ideal in his life and to the service of his fellow religionists and countrymen in various ways."

The death of Babu Srigopal Chakravarti, M.A., Headmaster, City College School, is another blow to the Samaj. "He was one of the most devout and dutiful members of the Samaj and served it as a member of the General Committee and as a minister of the Calcutta Congregation. He rendered signal service as the Headmaster of the City College School for more than eleven years. His exemplary life exerted a wholesome influence on all who came in contact with him."

Dr. J. Estlin Carpenter, though not a member of our Samaj, was a great friend and helper of the cause of Brahminism. In him we have lost "a renowned

scholar, and an eminent Unitarian minister. He was a sincere friend of the Brahma Samaj and took a deep and active interest in its cause as well as in individual Brahmas visiting England from time to time. By his death not only the Unitarian Church of England but the cause of liberal religion all over the world has sustained a great loss".

The Sadharan Brahma Samaj was founded in 1878 with a view to propagate the principles of Brahmanism in India as well as in other lands, and thus to establish the worship of one God in spirit and in truth and a brotherhood among men, putting an end to all unjust distinctions of caste and colour. It further seeks to unite under a common organisation all "individuals and congregations holding these principles and conducting the business of their churches on constitutional lines."

It is surely a matter of congratulation to us that liberal ideas are spreading in India as well as elsewhere and thus the ideas and the ideals of the Brahma Samaj are enlisting more and more adherents, and are meeting with acceptance in the most unexpected quarters. The work of social reform as well as philanthropic work are being carried on by various organisations that agree with us in many essential principles, though they may not be in accord with us in all things. Hence, though on the list are to be found only 1037 members as belonging to our Samaj, there are more Brahmas in the country than within our community. As years roll on, the influence of the great Raja Rammohun Roy in all the spheres of activity of our educated countrymen is being felt more and more. We wish that we were more earnest and zealous in our work and had greater resources in men and money.

Our activities may be grouped under three heads :
I. Spiritual ; II. Social ; and III. Educational.

I. Spiritual Work.

Mission Work.

General Survey—Mission Work is the most essential part of the activities of the Sadharan Brahma Samaj, and we employ the following agencies for this purpose, viz., (1) ordained missionaries, and mission workers (2) workers of the Sadhanasram (3) the members of the Sevak Mandali (Lay Workers' Mission); (4) two organs of the Samaj; (5) and the following institutions; viz., the Calcutta Congregation and the Daily Divine Service; the Baranagore Working Men's Mission, the Sangat Sabha; the Theological Society; the Students' Weekly Service; the Dharma Shikshalaya, the Sunday Moral Training School; the Brahma Bandhu Sava, the Brahma Young Men's Association, and the Bharat Mohila Samiti.

At the beginning of the year the Executive Committee in consultation with the Missionaries and the Mission Workers drew up a programme and allotted work to each of them, so that the different provinces might get some attention from our missionaries. On account of the paucity of our workers, all calls for spiritual ministration could not be attended to. Our workers visited, during the year, Assam, North Bengal, East Bengal, West Bengal, Bihar, Orissa, Madras, Bombay the Punjab and also the United Provinces and Burma.

It may be added in this connection that the Executive Committee sanctioned some money as travelling expenses to be paid to two workers of the Sevak Mandali for doing some mission work in the Chittagong Division and in the towns of Northern India.

It is a matter of satisfaction to report that the Khasi Hills Mission was revived in September last and placed in charge of Babu Nilmani Chakravarti.

Ordained Missionaries.

Babu Sasibhushan Bose—was not in good health, yet he did some work and completed

Babu Sasibhushan Bose. the "History of the Brahma Samaj" in Bengali. He also officiated at some domestic ceremonies.

Babu Nilmani Chakravarti—took part in the Maghotsav celebration at Shillong and at Kakina. He then visited Rangpur, Mymensingh, Dacca and did mission work by delivering lectures, conducting service and holding conversational meetings. He visited Shillong several times and conducted service both at the Mandir and at private houses. He took part in the Eastern Bengal Brahma Conference held at Dibrugarh in October and made himself useful in various ways, and visited Digboi also, where he delivered a lecture. At Cherrapunji, his headquarters, he conducted divine service at the local Samaj Mandir and was in charge of the revived Khasi Hills Mission. He distributed medicines to the poor. He initiated three persons into Brahmaism and visited Shella, Nongwar, Mowlong, and did Mission Work. He was in indifferent health off and on.

Babu Hemchandra Sarkar, M.A., was in poor health throughout the year and could not work as much as he would like. In the beginning of the year he was in Southern India where he took part in the consecration ceremony of the Mandirs of Ipuripalam and Cocanada Brahma Samajes. He also visited Madras, Hyderabad, Gantur, Rajamundry, Cherala and Pithapuram. He returned to Calcutta towards the end of February with impaired vision, on account of which he could not go out of Calcutta again. He utilised his enforced stay in Calcutta in completing some literary work in which he had been engaged for sometime past. During the year under report he published a volume in Bengali called "Gaudiya Vaishnava Dharma and Sri Chaitanya Deb" and is engaged in writing a number of books which are likely to be published about the time of the Centenary of the Brahma Samaj. He has also written and published a pamphlet in English "The Place of Brahma Samaj Among the Religions of the World" and another "Rammohun Roy, the Father of Modern India." He had to devote considerable time and energy to the work of the Brahma Samaj Centenary in connection with which he had to carry on extensive correspondence within and outside India. The

Sivanath memorial work also engaged his attention. While in Calcutta he conducted Divine Service in the Sadhanasram, at the Samaj Mandir, and at some family residences.

Mr. E. Subbukrishnaya—worked with Coimbatore as his head-quarters. He visited Bombay to take part in the Diamond Jubilee celebration of the Prarthana Samaj and also Sind, Central India, Kerala, Tamil and Andhra countries and did some Mission Work. He also took part in the Anniversary celebrations of the Indore Brahma Samaj, the Poona Prarthana Samaj and the Mangalore Brahma Samaj. He visited Mangalore five times during the year. He also paid a visit to the Alleppey Samaj, Kotayam and Trivendrum and did mission work. He visited about 40 centres of the Samaj activities during the year. When he was at the Head-quarters he conducted service at the Samaj Mandir, besides working in co-operation with the local Civic and Social Workers' Association. He visited the Central Jail regularly on Sundays and delivered lectures on religion and morals. He also took part in the local health activities. He acted also as a Joint-Secretary to the local Flood Relief Committee and helped in the work for the Depressed Classes.

Babu Satischandra Chakravarti, M.A.—was in charge of the Bhawanipur Sammilan Brahma Samaj as its Resident Minister. Besides conducting the weekly congregational service and supervising the work of the various institutions attached to the Samaj, he officiated at numerous domestic ceremonies both at Bhawanipur and at Calcutta.

He was also in charge of the Sadhanasram as its Superintendent. When in town he conducted the morning service in the Sanctuary on Thursday mornings and the Young Men's Sangat on Monday evenings.

He conducted divine service, generally, once a month, in connection with the Calcutta Congregation of the Sadbaran Brahma Samaj. He took part in the various Utsavas of both the Sammilan and the Sadbaran Brahma Samajes.

Owing to the retirement of Rai Sahib Rajmohan Das, he acted from July as Secretary to the Society for the Improvement of the Backward Classes.

He presided over the 37th session of the East Bengal Brahma Conference held at Dibrugarh in October. The Rammohun Roy Seminary at Bankipur, of which he was the Joint-Secretary, moved to a new house in November, and he took part in its opening ceremony.

He also worked during the year for the proposed Brahma Marriage Act, and in connection with the preparation for the Centenary Celebrations of the Brahma Samaj.

During the year he made several contributions to the *Tattvakaumudi*, the *Indian Messenger*, and the *Tattva-bodhini Patrika*. He completed an edition of the *Atma Jivani* of Maharshi Devendranath Tagore in which he had been engaged for over a year. In December last he brought out, at the request of the Executive Committee, a pamphlet with the title "The Brahma Samaj Centenary of 1928."

He visited Kurseong, Dibrugarh, Digboi, Gauhati, Patna, and Sylhet during the year, doing Mission work at all these places, and also officiating at domestic functions in some of them.

During the year under report, Babu Avinashchandra Lahiri B.A., was the Resident Minister of the East Bengal Brahma Samaj, Dacca. He acted as President of the Students' Weekly Service, conducted the Sangat Sava, served as a teacher in the Sunday School, officiated as minister at several domestic ceremonies, initiated one person into Brahmaism, took part in the Maghotsava, the Bengali New Year's Day Utsava and the Bhadrotsava, and the anniversaries of the East Bengal and the Narayanganj Brahma Samajes. He was twice in Calcutta and on each occasion conducted divine service at the S. B. Samaj Mandir. During the year he visited Narayanganj, Munshiganj, Kishoreganj, Faridpur, Rajbari, Kumarkhali, Kushtea, Tezpur (Assam), Goalpara and the Rava villages viz. Santipur, Darangiri, Madang and Salpara.

Mission Workers.

Mr. G. Y. Chitnis worked with Bombay as his headquarters. He was in charge of editing the English columns of the *Subodh Patrika*. Being deputed by the Bombay Prarthana Samaj, he went to Guzrat in connection with the Flood Relief work and rendered excellent service to the flood-stricken people. He visited Ahmedabad and Mangalore. He is engaged in some literary work.

Mr. Prakash Lal, B.T., worked with Rawalpindi as his headquarters. He made himself useful to the general public by working in connection with health and other philanthropic movements. He conducted service at the local Mandir occasionally and visited some places in the Punjab.

The Sadhanasram.

The Sadhanasram was founded on the 1st February, 1892, by the late Pandit Sivanath Sastry with the object of organising a brotherhood for practising and preaching Brahmaism and doing service to humanity. Besides the Central Asram in Calcutta, it has branches at Lahore, Berhampur (Ganjam) and Kurseong. In Calcutta, the anniversary of the foundation of the Sadhanasram was duly celebrated on the 1st February, 1927. The workers and candidate-workers who had come to Calcutta to join in the Maghotsava spent a few days after the 1st of February in retirement at a garden-house at Agarpara.

In the Asram sanctuary, Divine service was held every morning, and in the evening the inmates assembled for prayer and sankirtan. Theological classes and conversation meetings were held under Pandit Sitanath Tattvabhushan, Babu Hemchandra Sarkar and Babu Satischandra Chakravarti. The Young Men's group usually met thrice every week. Babu Satischandra Chakravarti conducted the morning service on Thursdays, and met the Young men's group on Monday

evenings. As in last year, some young men connected with the Asram went to take part in the flood-relief work in Orissa.

Babu Babhrubahan Thakur, who was under training for some time, was taken in as a helper and was posted at village, Berash in Dacca District, in charge of a Mission Centre amongst the Namasudras. Babu Harinarayan Sen visited the Centre twice during the year. He gives a hopeful report of its activities. Earnest consultations are being held about opening another Mission Centre for Namasudras at Kotalipara in Faridpur District.

The Mission Centre at Surla near the mouth of the river Bahuda among the Kaivartas of the Ganjam district, opened some time ago by the Berhampur workers, underwent a large expansion. The various institutions at Surla have now been placed under a central organisation named the "Reform and Service League, Surla."

The Sadhanasram has a Seva section under which there are the following philanthropic institutions,—(1) the Society for the Improvement of the Backward Classes, (2) the Dacca Hindu Widows' Home, (3) the Kerala Seva Sadan. Rai Sahib Rajmohan Das, the energetic and devoted secretary of the first of these institutions, having been incapacitated through failing eyesight, its secretaryship has devolved upon Babu Satischandra Chakravarti.

The Sadhanasram has also a High school at Bankipur, named the Rammohun Roy Seminary, which is in a flourishing condition. Its old buildings and land having been acquired by Government, it moved during the year to its splendid newly built house on the Khazanchi Road. The opening ceremony was performed by the Hon'ble Minister of Education, Behar and Orissa.

The Sadhanasram has sustained a great loss during the year by the death of Babu Gurudas Chakravarti, who was its first worker. After a life spent in the devoted and faithful service of God, he was called to his rest on the 8th September last.

They materially help the cause of the Brahma Samaj by carrying its message far and wide, and by serving as connecting links among the different Samajes.

Pandit Sitanath Tattvabhushan brought out a new edition of his *Philosophy of Brahmaisim*. Babu Amar-chandra Bhattacharjee compiled a booklet, *Mussalman-bhaktabrindar Bhagavatnirbhur*. Prof. D. N. These workers also could not stay on and left for Calcutta immediately after distributing some relief.

The third batch of workers consisting of Babus Nagendranath Bagchi B. Sc., Charuchandra Tarasdar, Amarnath Datta, Sudhirkumar Sen, Bhupendranath Roy and Prankumar Guha headed by Babu Madhusudan

Sen, left for the field on the 16th of September, and Babus Madhusudan Sen and Nagendranath Bagchi continued their stay at the relief centre till the close of the work on 22nd December. Babu Bhupendranath Roy went a second time.

The total quantity of rice that was distributed between the 5th September and 22nd December in the 56 villages served by our workers was 1282 Maunds and 36 Seers. Besides, 200 Blankets, 527 Dhuties, and old and new Jamas were given.

Our workers from Calcutta for Midnapur were Babus Harakumar Guha and Anukulchandra Chatterji. They acted in co-operation with our local friends, Babus Pramathanath Banerji M. L. C., Satischandra Maiti and Bhimachandra Patra. The centre of work chosen was Manickjore, within the sub-division of Contai.

The work began here on the 23rd of September with three villages and the maximum number of villages served was 22. The work began here earlier and continued till December 23rd.

The total quantity of rice distributed at this centre was 322 Maunds 23 Seers and 2 Chhataks. 50 Blankets, 400 Dhuties, Shirts and Jamas also were given.

Our income from donations, street collections etc., including Rs. 2250 contributed by the S. B. Samaj from the Permanent Famine Fund at its disposal amounted to Rs. 10,690-10-3 ; this added to the sale proceeds viz., Rs. 52-8-0, gave us a total income of Rs. 10,743-2-3.

The expenses incurred for Karanjharia totalled Rs. 7,352-10-3 and for Manickjore Rs. 2,468-12-9, while at the head quarters office at Calcutta the entertainment of a clerk, printing of tickets and appeals, stationery and postage charges including insurance fees, telegrams and sundries entailed an expenditure of Rs. 257-5-6. leaving a balance of Rs. 664-5-9. with the Secretary. It has been decided to remit the balance after meeting the expenses of printing the report of the Flood Relief Work to Pandit Gopabandhu Das, Secretary Orissa Flood Relief Committee, for building of huts.

The Executive Committee contributed Rs. 200 to the relief work done in Guzrat by the Bombay Prarthana Samaj and Rs. 100 to an organisation at Kotalipara and another sum of Rs. 100 to Bhadrak before our workers had gone there. Some work was done in Midnapur before the Relief Committee had been formed, by Babu Harakumar Guha, who was deputed there by the Executive Committee.

Our thanks are due to all the workers, but special mention must be made of our old friend Babu Harakumar Guha, and Babus Anukulchandra Chatterjee and Madhusudan Sen. We accord our hearty thanks also to the donors and the boys and the teachers of the Brahma Boys' School, the Brahma Young Mens' Association and others who co-operated with us in the work. Our thanks are also due to Sir P. C. Roy, the President, the Secretary Mr. P. N. Datta, and Assistant Secretary Dr. Anilkumar Sen.

III. Educational Work.

The Brahma Ballka Shikshalaya.

The school was founded in May, 1890, by some members of the Sadharan Brahma Samaj, headed by the revered Pandit Sivanath Sastri, as it was keenly felt that the existing system of purely secular education was inadequate for the development of character.

The School prepares candidates for the Matriculation Examination of the Calcutta University; instruction is also given in music, drawing, sewing, cooking, drill, Hygiene and First Aid, so as to make the girls useful members of society.

The school is an institution of the Sadharan Brahma Samaj, which appoints the Managing Committee. The following were the members of the Managing Committee in 1927:—Principal H. C. Maitra, Dr. Prankrishna Acharya, Mr. Krishnakumar Mitra, Mrs. Kiron Bose, Mr. S. M. Bose (Assistant Secretary), Mr. Annadacharan Sen, Mrs. Purnima Basak, the Lady Principal, Miss Charulata Sen (teachers' representative), Mrs. Santa Nag and Lady Bose (Secretary).

The staff consisted of :—21 teachers for the General Department and 3 for the Training Department.

In December 1927, there were 366 students on the rolls as against 351 of the previous year. Of these, 288 were children of orthodox Hindu parents, ten Mahomedans, and six Christians.

The daily work of the school begins with a hymn and a short prayer. The teaching of every class is tested by means of terminal and annual examinations.

Among all the Girls' Schools in Bengal, this school was the most successful in the Matriculation Examina-

tion, obtaining the largest number of Government scholarships.

Out of fourteen girls appearing at the Examination thirteen passed, twelve being placed in the First Division, and one in the second. Five girls obtained scholarships, one of them, Miss Roma Bose, standing first among all the girl candidates.

Attached to the school, there is a Training Department which prepares girls for the Senior and Junior Teachership Certificate Examination. The Government grants six Senior Stipends of Rs. 12 per month. For the expenses of the Training Department, the Government makes a monthly grant of Rs. 500, and a monthly grant of Rs. 200 for the Hostel attached to this Department. Fourteen students appeared for the examination in 1926—five for the Senior Certificate, and nine for the Junior Certificate; of these, ten passed.

Scholarships ranging in value from Rs. 2 to Rs. 16 a month are given to students of the school in consideration of their merits and circumstances.

The Superintendent of the hostel is assisted by the resident teachers. Both in the morning and evening Divine Service is held at the hostel. The late Babu Gurudas Chakravarti used to conduct Divine Service once a week up to the time of his death. Now Babu Annada Charan Sen conducts the weekly service.

The health of the boarders of the School Hostel and of the Training Dept. Hostel was looked after by Dr. Anil Kumar Sen, M. B.

The school is maintained by means of fees, subscriptions, donations and grants from the Government and the Corporation of Calcutta.

The Committee have from April started a Provident Fund for the employees of the School. The employees subscribe one anna and the Committee contribute half anna in the Rupee.

The Free Primary Education started by the school in 1921 was the first attempt to impart free primary education to the girls in this town. The Corporation of Calcutta has taken over charge of this school since January 1925. The number on the rolls is 84, the average daily attendance being only 50.

Brahmo Samaj Education Society.

The Brahma Samaj Education Society (formerly known as the City College Institution) was brought into existence in 1904 by the Sadharan Brahma Samaj in order to take over charge of the City College and School in Calcutta and Mymensingh from Messrs. A. M. Bose and Umeshchandra Datta, trustees of the above institutions. It was provided by the Rules of the Society that it should look after the City College and School and also promote the educational activities of the Sadharan Brahma Samaj in various ways. The Society has at present seventy-three members. Principal Herambachandra Maitra was the Secretary, and Mr. S. M. Bose was Joint-Secretary, during the year under review. The Council of the Society is also the Council of City College, and therefore, the executive work of the society is carried

on by the Council of the College. A meeting of the Society has to be convened only on some special occasions, such as the abolition of an institution under its control, the acquisition of an institution not now belonging to it, the sale of the immovable properties of the Society, etc. No such occasion arose, and, therefore, there was no meeting of the Society, during the year under report.

City College.

The City School was founded on January 6, 1879. The F. A. classes were opened in 1891, and the B. A. in 1884. Thus within five years of the establishment of the school, the institution developed into a first-grade college. A building was erected at 13, Mirzapur Street, and was opened by Lord Ripon in December, 1883. Mr. A. M. Bose, proprietor of the institution, made over the building to a body of trustees in 1888. In January, 1905, the college was placed under the control of a Society registered under Act XXI of 1860, called the "City College Institution", which is now known as "The Brahma Samaj Education Society". It is the object of the Society "to promote the cause of education in its highest and widest sense, to make that education—comprehending the training of the mind, heart and body, and founded on a Theistic basis—conduce to the good of man and the glory of God."

The College prepares students for the B. A. Examination in English (Pass and Honours), Sanskrit (Pass and Honours), Philosophy (Pass and Honours), Persian, History (Pass and Honours), and Political Philosophy; for the B. Sc. Examination in Mathematics (Pass and Honours), Physics, and Chemistry (Pass and Honours); and for the Intermediate Examinations in Arts and Science, in English, Sanskrit, Persian, Logic, History, Mathematics, Chemistry, Physics, Botany and Civics (from July, 1927).

The number of students on the rolls on the 31st August, 1927, was 1510 as against 1711 on the same date in 1926, comprising 298 in the I. A. classes, 337 in the B. A. classes, 647 in the I. Sc. classes and 228 in the B. Sc. classes.

The College staff in September, 1927, consisted of 18 professors, 13 lecturers, 1 Maulavi, 7 tutors, 18 demonstrators, 1 librarian and one assistant librarian. The office staff consisted of a Head Clerk, a Cashier, a Typist, an accountant, two clerks, a storekeeper and a care-taker.

Dr. Hiralal Halder and Prof. W. C. Wordsworth M. A., C. I. E., formerly Director of Public Instruction, Bengal, have been serving the College as honorary professors. Mr. Amiyakumar Lahiri, B. Sc. also served as an honorary demonstrator during the year under review.

Governing Body :—The institution is under the control of a body known as the Council which is now composed of as follows :—

There is a Charity Fund attached to the College for the benefit of needy students, which is contributed to mainly by the members of the staff. A sum of Rs. 485 was spent out of the fund during the session 1926-27, in helping some of the students with monthly stipends and also pecuniary assistance for the payment of University Examination fees.

Provident Fund :—In January, 1915, a Provident Fund was created for the purpose of making some provision, on retirement or death, for the employees of the College and School or their families. The members of the staff contribute to the fund at the rate of one anna per rupee of their salaries and the institution contributes at the rate of half an anna. In December, 1927, 79 members of the College staff including the menials and 30 members of the School staff contributed to the Fund. Subscribers are allowed to borrow money from the Fund for some specified purposes only. They have to pay interest on the sums

advanced to them at the rate of 6 per cent per annum. The amount standing to the credit of the Fund on the 31st December, 1927, was Rs. 1,51,808-14-6 invested as follows :—

(1) War Bonds, War Loans, Postal Certificates etc.	Rs. 1,36,775 0 0
(2) Advanced as loans to the mem- bers contributed to the Fund	Rs. 10,834 4 0
(3) Balance in hand and P. O. S. B. and Imperial Bank	Rs. 4,199 10 6

Grand Total Rs. 1,51,808 14 6

Pensions have been granted to a few employees for long and meritorious service. It ought to be noted that the College mainly, but not exclusively, depends upon the fees paid by the students. Since the foundation of the institution Rs. 93,902-15-0 has been contributed to its funds by donors and subscribers.

A number of free studentships is given to poor and meritorious students, the cases of students belonging to depressed classes receiving special consideration. The amount remitted during the last session was about Rs. 1,300 in respect of tuition fees, besides which some 27 students were admitted free to messes and hostels attached to the College.

With a view to fostering a spirit of healthy rivalry among the students and making the College examinations attractive, 20 scholarships, ten of Rs. 5 per month for the Intermediate classes, and ten of Rs. 6 per month for the senior classes, tenable for six months, are awarded on the results of the College examinations. Two more scholarships of the value of Rs. 15 per month are granted to students of the 3rd year (B. A. and B. Sc.) classes who, having appeared at the Intermediate Examination from this College, secure at least 75 per cent of marks therein.

Besides the above scholarships, three other scholarships are awarded to deserving students out of the interest accruing from the funds placed in the hands of the Council for that purpose as noted below :—

(1) Two A. M. Bose Scholarships of Rs. 10 and Rs. 5 per month respectively, founded by Mr. S. M. Bose in memory of his father.

(2) One Satyendramohan Bose scholarship of Rs. 5 per month founded by the late Mr. H. Bose in memory of his brother.

A Medical Officer has been engaged by the College

Council to look after the health of the boarders of the attached hostels and to attend them during illness.

There is a physical instructor in charge of the College Gymnasium, which has been strengthened by the addition of a training class in boxing, wrestling and Ju-jut-su. The students of this College take a special interest in football and cricket. The athletic department has been considerably improved since 1923. As regards cricket, the City College team has proved the strongest College team of the season. One of our students has become the champion in the 23 miles Swimming Competition, two others have won the 1st and 2nd prizes in the All India Weight-lifting Competition, while another has secured the only prize for the best physique. *Lathi* play has also been introduced from this session.

Lectures on moral and religious subjects are sometimes given in the College Hall. Divine service is held every Sunday at the Rammohan Ray Hostel, it being conducted by the Principal or a member of the Council or the staff. Divine service is also conducted in the College Hall on the day of the re-opening of the College after a long vacation. On the 6th January, the anniversary of the foundation of the institution, divine service is held in the College Hall in the morning, after which light refreshments are provided for the students.

Besides this, Rs. 9,207-15-6 being the balance of their bill for constructing 3 rooms on the 4th story of the college building last year is due to the Bengal Chemical & Pharmaceutical

City College School, Calcutta.

The affairs of the School department are directly managed by a 'Sub-committee' consisting of 5 members working under the College Council.

The school has all along endeavoured not only to qualify students for the Matriculation Examination, but also to impart wholesome moral instruction to them. Hours have been set apart for moral training in each class and suitable text books have been prescribed for the purpose. The City Union and Asabahini (Band of Hope), a society attached to the School, meets on Saturdays. The day's work in the class commences with a prayer in which the teachers and the students join. Drill, Drawing and Music classes also are held.

The distribution of prizes to successful students was held on the 12th April, 1927, when Principal Herambachandra Maitra gave away the prizes.

The instructive staff, consisting of 31 teachers, mostly Brahmas, met in conference several times during the year and discussed various subjects relating to the improvement of the School. The school suffered an irreparable loss by the death of its Headmaster, Babu Srigopal Chakravarti.

The numerical strength of the school on the 31st December last was 628 against 654 on the corresponding date of the preceding year. 47 boys were sent up for the Matriculation Examination of whom 33 passed, 17 in the first, 15 in the second and 1 in the third division. One of the successful boys secured a Government scholarship of Rs. 15 a month.

Brahma Samaj Hostels for Girl Students.

In July 1915 a hostel was started under the auspices of the Executive Committee of the Sadharan Brahma Samaj to provide accommodation for girls from the Muffasil who found it difficult to get admission into the Bethune College Hostel. Mr. S. C. Mahalanobis was the Secretary. In 1923 it was found that both the Bethune College Hostel and the Brahma Samaj Hostel could not meet the demand for admission and accordingly the Executive committee authorised the Managing Committee of the institution to open another hostel. It was started in July 1923 at first for two years

only. But the construction of the proposed building for the Bethune College Hostel not having been taken up during the period, it has ever since continued to exist. During the year under report the Government extended its grant, though at a reduced rate, to June 1929. The work of both the hostels went on as usual. There were arrangements for regular religious instruction and divine service for the benefit of the boarders. As in previous years the demand for seats was so great in the beginning of the session, that though the hostels contained 88 seats, many candidates had to be refused admission for want of accommodation. Some vacancies, however, occurred in the latter part of the session. Among the inmates some attended the Scottish Churches College and the Post Graduate classes of the University. The total receipts, including those from Government grants, amounted to Rs. 18,173-1-9 and the expenditure to Rs. 18,390-12-10½. Dr. Prankrishna Acharya was the Secretary and Babu Baradakanta Bose Assistant Secretary.

IV. Other Business.

The Maghotsav : The year began with the celebration of our most important festival, the Maghotsav, which was participated in by our friends and fellow believers from different parts of the country. A party of Brahmas called the Usakirtan Party sang hymns in the morning along the various streets of the city throughout the month of Paush and thus gave the message of the arrival of the season of prayer and rejoicing.

Besides the Maghotsav, three other Utsavs, viz., the

Bengali New Year's Day, the Foundation Day of the Sadharan Brahma Samaj and the Bhadratsav, were celebrated during the year. Detailed programmes of all these Utsavs are given in the Appendices.

The Anniversaries of the death of Raja Rammohan Roy, Pandit Sivanath Sastri and of Pandit Nawadwipchandra Das were duly observed. There was divine service in the morning of the 27th September in the Mandir and a public meeting at Albert Hall in celebration of the Raja's death anniversary and Pandit Sastri's death anniversary was celebrated by divine service and a public meeting held in the Mandir on the 30th September. In honour of Pandit Navadwipchandra Das's memory a meeting was held on the 10th Magh in the afternoon. The Adyasradh of our revered missionary, Babu Gurudas Chakravarti, was performed by the S. B. Samaj on the 25th September.

Navadwip Memorial Fund—During the year Rs. 300 was added to the Navadwip Memorial Fund. The Fund had Rs. 2000 to its credit in 1926.

The Ladies' Navadwip Memorial Fund—Rs. 75 was distributed in giving relief to sick people during the year under report.

A visitor—Dr. J. W. Graham, a representative of the Society of Friends paid us a visit. The Brahma Young Men's Association organised a reception in his honour and he delivered a lecture in the Mandir on "the Indwelling God" under the presidency of Principal Herambachandra Maitra M.A.

Krishnachandra De scholarships Fund.—Mr. J. De, I. C. S. placed Rs. 200 in the hands of the Executive Committee for giving stipends to some students in memory of his father, the late Babu Krishnachandra De. Rs. 67 was spent in giving stipends to some students according to the terms laid down by the donor.

A. M. Bose Memorial prizes—Two prizes called the A. M. Bose Memorial Prizes were awarded by the Executive Committee out of the proceeds of the trust funds endowed by his sons, of the value of Rs. 25 and Rs. 20 for two essays written by college and school students respectively, of the Brahma community, on two subjects, selected by the Executive Committee.

Golden Jubilee of the S. B. Samaj.

For the celebration of the Golden Jubilee of the Sadharan Brahma Samaj a committee consisting of members both in

Calcutta and various Muffasil towns was formed and Babus Rameschandra Mukherjee and Annada Charan Sen have been appointed joint Secretaries and Prof. D. N. Chaudhuri, Assit. Secretary, and it has been decided to celebrate the occasion during the next Easter Holidays.

The Khasi Hills Mission Sub-Committee.

The Khasi Hills Mission sub-committee, of which Mr. Birajasankar Guha, M.A., PH.D., was Secretary, held two meetings in July and one on the 8th of August last, and after fully considering all sides of the question, came to the unanimous conclusion that the mission could not be revived without the co-operation of Srijut Nilmani Chakraverti, and it was decided to refer the matter to the Executive Committee. At its meeting of the 11th August last the Executive Committee passed the following resolution: "Resolved that the Executive Committee accepts the recommendation of the Khasi Mission Sub Committee and requests it to submit a detailed scheme before the Executive Committee for final disposal." A meeting of the Khasi Mission Sub-Committee was accordingly held on the 26th of August last, in which a detailed scheme for the revival of the Mission was discussed and adopted and sent to the Executive Committee for final sanction. At its meeting held on the 1st of September last, the Executive Committee after a prolonged discussion gave its final sanction to the scheme of revival of the Khasi Mission under Sjt. Nilmoni Chakravarti. The old Sub committee was also converted into a Standing Committee by a resolution of the Executive Committee. At its meeting held on the 20th of September, the details regarding the revival of the Khasi Mission were discussed and it was decided to raise a special Khasi Mission Fund with Mr. Asoke Chatterjee as its Treasurer and to issue an appeal to friends and sympathisers for active support for Brahma Mission work among the Khasi. The appeal has not yet been issued.

Brahma Samaj Centenary Committee

The preparations for the celebration of the Centenary of the Brahma Samaj have been carried on steadily throughout the year in the face of many difficulties.

The Centenary Committee appointed by the Executive Committee of the Sadharan Brahma Samaj met several times during the year. An objection was raised in some quarters against the celebration of the Centenary in August 1928. At a conference of representatives of the three sections of Brahma Samaj in equal numbers, held on 27th September last, the following resolution was unanimously adopted :—

"This conference recommends that the Centenary celebrations of the Brahma Samaj be commenced in or about August 1928, and be carried on to January 1930."

Arrangements in accordance with this resolution for the celebration of the Centenary are well in hand. Many religious organisations and individuals have been written to to join in the celebration and warm responses have been received from several friends including the American Unitarian Association, the British and foreign Unitarian Association, the Society of Friends of England and that of America, the Bahai Spiritual Assembly and the Liberal Jewish Movement. Rev. R. S. Loring, representing the American Unitarian Association, and Dr. W. H. Graham of the British Society of Friends, who visited India during the year, conferred with and gave valuable suggestions for the celebrations of the Centenary. Most of the Brahma and Prarthana Samajes have been consulted as to the programme of the Centenary, and many of them have assured us of their earnest co-operation. Funds are being collected, though rather slowly. The English and Bengali works of Raja Rammohun Roy, and the English translation of the *Brahma Dharma* have been sent to the press and made considerable progress. Other books of the Centenary edition of Brahma Classics are under preparation. Rev. Dr. W. H. Drummond is expected to arrive in August next. A strong American Delegation, including Dr. and Mrs. S. C. Southworth, has also been assured.

East Bengal Brahma Conference—The 37th anniversary of the East Bengal Brahma Conference was celebrated at Dibrughar on the 6th 7th 8th and 9th October last. The Reception Committee made very suitable arrangement for the accommodation of the delegates—ladies and gentlemen. About sixty delegates came from different places outside Dibrughar and a larger number of local people attended the deliberations regularly. Mr. Atulananda Das was the Chairman and Mr. Avinas Chandra Datta the Secretary of the Reception Committee. Babu Satischandra Chakravarti M.A., was the President of the Conference.

The following subjects were taken up for deliberation :—
 1. Divine worship 2. Mission work with special arrangement for work among the Adi-Assamies. 3. Regulation of Divine worship in Brahma families 4. To make arrangement for such education as might enable persons to conduct divine worship in the church. 5. Indigent Brahma Families Fund. 6. Celebration of the Brahma Samaj Centenary 7. (a) Brahma Census (b) Election of office-bearers—

A Mission Society has already been formed with head quarters at Dibrugarh with a special arrangement for mission work in the Brahmaputra Valley and among the Adi-Assamies.

Babu Mathuranath Guha has been re-elected to be the Secretary of the Conference and Babu Bankabehari Kar Secretary to the Indigent Brahma Family Fund—a permanent institution of the Conference.

The Conference has adopted a resolution requesting the members of the East Bengal Brahma Samaj to celebrate the next Conference at Dacca.

The All India Theistic Conference met this year at Madras during the last week of December under the Presidency of Mr. P. K. Sen, Bar-at-law of Patna. Mr. Sisir Kumar Datta was elected by the Missionaries as their representative and Mr. Rajanikanta Guha became

an ex-officio member of the Executive Committee in virtue of his being the Secretary to the Calcutta Congregation.

The last Annual Meeting of the S. B. Samaj was held on the 22nd January, at 6-30 p. m. at the Mandir of the Samaj when the Annual Report of the year 1926 was adopted subject to verbal additions and alterations and a Committee formed to enquire and report on the auditor's report on the accounts for 1926. This report was submitted at the adjourned sitting of the Annual Meeting held on the 4th February following at 6-30 p. m. at the Mandir, when the accounts were passed. At the Annual meeting held on the 22nd January the following office bearers were elected :

Pandit Sitanath Tattvabhusahn—President.

Babu Brajasundar Roy, M. A., B. L.—Secretary.

„ Amiyakumar Sen, M. A.

„ Aparnacharan Bhattacharja, M. A.

„ Prafullakumar Roy, B. Sc.

Dr. P. K. Acharjee, M.A., M. B. Treasurer.

Asst. Secretaries.

Some time after, as Dr. Acharjee was not keeping good health, he resigned his office, and Babu Prabodhchandra Mahalanobis was elected Treasurer on 16th July at a meeting of the members of the Samaj.

The General Committee for the year consisted of 26 representatives of Moffusil Samajes and 65 members elected by the members of the S. B. Samaj from amongst themselves and of the office-bearers (ex-officio). Later on it was pointed out that as at the Konnagar Samaj service was not held regularly every week, Babu Birendranath Dev, the representative of the Samaj, could not continue to be a member of the General Committee. Dr. Anilkumar Sen who had been elected a member of the General Committee was also the representative of the Baniban Brahma Samaj, and on his resigning the latter function, the Baniban Samaj elected Babu Amulyakumar Sen, B. Sc. as a representative of that Samaj.

Meetings of the Executive Committee—There were 41 ordinary and 3 emergency sittings of the Executive Committee during the year. In some of the meetings of this Committee usually held on the last Thursday of the month, divine service was held followed by discussion on various subjects. The Missionaries, mission workers, ministers of the Calcutta Congregation and the members of the General Committee residing in Calcutta were invited to these meetings. At the special sitting of the General Committee held on the 5th

February, the following programme submitted by the Executive committee was adopted for the work of 1927.

Programme of Work for 1927.

1. Mission work, including
 - (a) The work of the Sevakmandali.
 - (b) The work of the Lay Workers' Mission.
2. Publications, including
 - (a) Books.
 - (b) *The Indian Messenger*.
 - (c) *The Tattwakaumudi*.
 - (d) Small tracts and leaflets.
3. Brahma Mission Press.
4. Co-operation with Mofussil Samajes.
5. Indigent Brahma Families Fund.
6. Khasi Hills Mission.
7. Trust-deeds of Mufassil Samajes.
8. Improvement of the financial condition of the Samaj.
9. Philanthropic work.
10. Co-ordination among the different institutions of the Samaj.
11. Navadwip Memorial Fund.
12. Social Sub-Committee.
13. Religious work among backward classes.
14. Spiritual Ministration in Brahma Families in Calcutta and other places.
15. Religious instruction of boys and girls.
16. Endowments to the Samaj.
17. Brahma Bandhu Sabha.
18. Excursions for devotional purposes.
19. Religious instruction for young ladies and gentlemen.
20. Brahma Sangit Vidyalaya.
21. Arrangements for inter-communal Divine Service and speeches.

The work done during the year under some of the items have already been reported. Only the remaining items need to be briefly touched upon here. The Secretary has secured the trust-deed of the Bansberia Samaj and attempts are being made to rehabilitate that rural Samaj. The B. M. Press Sub-committee met thrice during the year and discussed the methods for effecting certain economies, but there is a depression in the business of press manage-

ment throughout the city. As regards the work among the depressed classes, it may be stated that Rs. 100. was sanctioned as travelling expenses and a worker appointed at Beras, a big Namasudra village, in the district of Dacca.

Efforts were made to realise the arrears from the members and the subscribers to the two organs of the Samaj. The One Rupee Fund and the Three Rupee Funds also were kept open as during last year and some contributions raised, but owing to the Flood Relief work that had to be done during the last quarter of the year, much attention could not be paid to collecting donations.

Meetings of the General Committee.

There were four quarterly sittings held in April, July, October and January (of 1928), at which the quarterly reports of the work of the Samaj were submitted and passed. There were two monthly sittings held on June 1st and 31st August to discuss the finances and the mission work of the Samaj respectively. In compliance with a resolution passed in the latter meeting, some lay workers were requested to supplement the work of the missionaries and mission workers, but only one gentleman went out on a mission tour during the last month of the year and did some work at Gaya and Lucknow.

Report of the Estate of late Babu Sitanath Bakshi.

Religious ceremonies and utsabs were performed four times during the year and contributions were made to the local school according to the will of the testator. The Maghotsab was celebrated on the homestead land of the testator on the 11th of Magh. On the 30th of Chaitra Babu Aparnacharan Bhattacharjee, M.A., of the City College School, went to Balarampur with a party of Brahma workers from Calcutta and celebrated the Navabarsa Utsab. On the 27th September the Death Anniversary of Raja Ram-mohan Roy was celebrated by inviting the village people to a meeting in the building of the local school, which observed half-holiday on the occasion. On the 28th December the sraddh ceremony of the late Babu Sitanath Bakshi was performed.

The total gross income during the year was Rs. 802-1-3 including a special receipt of Rs. 322 by the sale of jungle which we get every 3rd or 4th year. This year we have been able to consolidate our occupancy right to 22 bighas (standard) of land under the Zemindar, Babu Birendranath Jana, after a protracted dispute for over three years, by payment of Rs. 400 as mutation fees. By the grace of God we have been able by this year to settle all our disputes regarding our rights and have attained a position to do more for the internal improvement of the estate and for our Mission Work than has hitherto been possible.

Proceeding of the General Committee 1927.

A special meeting of the General Committee of the Sadharan Brahmo Samaj was held on the 5th February 1927 at 6.30 p.m. in the Prayer Hall of the Samaj.

Present—Pandit Sitanath Tattvabhushan (in the chair), Messrs. V. R. The financial Condition of the Samaj.

The Secretary reported that the financial condition of the Samaj was becoming worse day by day and that considerable difficulty was being felt even to pay the missionaries and mission workers their monthly allowance. He invited the Members of the General Committee to co-operate with the office-bearers by influencing members to pay off their arrears and increase their rate of subscription.

Mr. Amiyakumar Sen referred to the steps that were being taken for facilitating the work of realising arrear subscriptions. He informed the members present that a complete list of members whose subscriptions had fallen in arrears for more than two years was being drawn up. A similar list had been made for the subscribers of the Indian Messenger and the Tattwa Kaumudi. He requested the members of the General Committee to go through these lists and to help the Samaj by influencing their friends, acquaintances and relatives to raise their rate of subscriptions, pay off their arrears and become subscribers to the Indian Messenger and the Tattwakaumudi. He made a comparative statement of income during 1926 and 1927 and it was found that although the income under subscriptions to the General Fund and the Tattwakaumudi had appreciably increased, that under subscriptions to the Mission Fund and the Indian Messenger had decreased considerably.

Mr. Sisirkumar Dutt pointed out that many promised donations had not been realised and were now unrealisable owing to the death of those who promised them.

Mr. Annadacharan Sen referred to a similar state of affairs in the case of bequests left to the Samaj by wills.

Mr. Lalitmohan Das pointed out that the income under donation to the Mission Fund was also decreasing and asked the missionaries and mission workers to help the Samaj in the matter.

Mufossil Samajes and the Lay Workers Mission.

Mr. Rameschandra Mukherjee informed the meeting that a meeting of the Sevakamandali had been recently held where it had been decided that members of the Mandali should pay visits for devotional purposes to Samajes in the suburbs of Calcutta like Ultadinghi, Nimta, Andul at least once a month, each. He also referred to the serious situation that had arisen in Mafasil Samajes like Rampurhat, Murshidabad and other places owing to the fact that there were very few Brohmos present to carry on their work.

Mr. Herambachandra Maitra pointed out a similar situation at Kumarkhali and Kusthia.

Mr. Annadacharan Sen requested the members of the Samaj to visit Mufassil Samajes more regularly.

Questions.

1. Is it not a fact that the usual practice and procedure of the Samaj office is to issue Voting papers to all the members of the Samaj ?

2. What is the principle observed in the distribution of voting papers this year ? Was the usual procedure followed this year too ? If not, will the Secretary kindly give the reasons which prompted him to take such a step ?

3. Will the Secretary kindly lay on the table a list of the names of all the members to whom notices were sent according to Rule 6 (Kha) about a year ago ? How many of them have paid "the whole amount of unrealised subscription within three months of the issue of the above notice" ? Have the members paying their arrear subscriptions after the expiry of that period paid all their arrears in full ? In how many cases was the power of compounding arrears exercised by the Executive Committee or the Office-bearers ?

4. Is it not a fact that voting papers were sent to certain members to whom notices were sent, and who had not cleared all their dues but had only paid a part of their arrears and contemplate to clear off the rest in the near future ?

5. Was the notice of arrears sent to all members from whom subscriptions were due for more than two years ? Is it not a fact that the notice was only sent to a selected group of persons ? If so, will the Secretary kindly inform the House as to the basis of such classification ? Was any voting paper sent to any member to whom such notice was sent and who did not yet pay any heed to it ?

6. Is it not a fact that a voting paper was sent to a gentleman who had resigned his membership of the Samaj and whose resignation was accepted by the Executive Committee of the Samaj ? If so, who is responsible for such irregularities ?

7. Is it not a fact that for some times in the past different notices relating to the same matter have been appearing in the Indian Messenger ? If so, who is responsible for such wastage of space ? Is it not advisable that such duplication should be guarded against in the future and thus make room for other important matters ? e. g. in the Indian Messenger of 4.1.28.

The audited Accounts for the year 1927 and the auditor's
remarks were read.

Mr. Prasantaachandra Mahalanobis proposed that the audited
Accounts of the Samaj, the Brahmo Mission Press and the Flood
Relief Committee be accepted and the audited Accounts be
published with the following extracts from the auditor's remarks
and the auditor's remarks be sent to the Executive Committee
for necessary action.

Extracts from the auditor's remarks:—

The accounts rendered above were examined by me and found
correct.

The upkeep of these accounts still lacks in method and the
remarks made in this connection in Paras 2 & 3 of the
Audit Report for 1926, apply, more or less, to the accounts
for this year too. Neither are items totalled nor balances
struck off regularly. The present form therefore should be revised
to include columns for 'total' and 'Balance'.

Flood Relief Work Account—This Account has been checked
with vouchers and found correct. We are quite satisfied with
the way in which the accounts of the Flood Relief Work were
kept.

Carried by majority.

BRAHMO YUBAK SAMITI, 1927.

The real need of an organisation for the young hopefuls of the Samaj, which can impart a sound moral training and advance the young Brahmos in devotional and pious lives, was the motive force which brought into being this Samiti in the early part of this country. The late revered Acharya Sivanath Sastri was the promulgator of this organisation, and young men like the late lamented Sukumar Roy, Ajitkumar Chakraverty and others were eminent products of the Samiti. The Samiti had thus rendered an useful service to the Brahmo Community in its infancy. The weekly meetings of the organisation used to be held under the hospitable roof of the Sadhan Ashram, and Pandit Sastri himself used to conduct Services and Prayers occasionally. However, after a few years of its useful existence, the passing away of the eminent personalities like Pandit Sastri, Sukumar Roy and Ajitkumar Chakraverty struck a death blow to the Samiti and it fell into a moribund condition.

Then in the early part of 1925, just after the Utsav, the Samiti was re-vivified, and since that time it has been holding its weekly sittings (every Wednesday in the evening) under the same hospitable roof of the Sadhan Ashram. The following office-bearers were elected for the year :

President—Sj. Lalitmohan Das, M. A.
Vice-President—Sj. Sisirkumar Datta.
Joint-Secretaries—Sj. Ashutosh Das,
 " Susilkumar Datta.
Asst.-Secretaries—," Satyaranjan Sen,
 " Ganēshchandra Guha.

We give below a very brief account of its manifold activities during the year under report :—

I.

Devotional.

The Samiti holds Divine Services, Prayers, Scripture-readings, religious discourses, death anniversaries of Brahmo Saints and takes periodical instructions and guidance from the revered Elders of the Samaj.

(i) *The Anniversary Celebrations* of the following leaders were held by the Samiti during the year—

- (a) Bhakta Nagendranath Chatterjee,
- (b) Sadhu Umeshchandra Datta,
- (c) Ramtanu Lahiri,
- (d) Sukumar Roy.

It also undertook to reclaim the oil-painting photo of Nagendranath, and to help S. Bankubehari Kar by collecting materials for a projected life of the revered Acharya. It is gratifying to note here that the Samiti has already been able to bring the first undertaking into a successful completion. The unveiling ceremony of the Photo was held on the 11th of December, 1927, and a brief report of the occasion came out in the Indian Messenger of 18. 12. 27. The Samiti has also been helping Mr. Kar in his laudable attempt by collecting materials.

(ii) *Weekly Sitzings.* The Samiti held 45 sittings during the year.

(iii) *Contact with Elders.* The Samiti had the privilege of hearing and learning many things from—

- (a) Pandit Sitanath Tattwabhusan,
- (b) „ Abinashchandra
Kabyapurana-tirtha,
- (c) Acharya Barodaprasanna Roy.

II.

Social.

(i) *Flood Relief.* The Samiti helped the Flood Relief Committee of the Sadharan Brahmo Samaj, directly and indirectly, in the following way :—

- (a) The Assistant Secretary of the Committee Dr. Anilkumar Sen, is a member of the Samiti.
- (b) The first batch of workers consisted of two young men, and both of them were the members of the Samiti.
- (c) Many other members of the Samiti helped the Flood Relief Committee in street collections and various other ways.

(ii) *Help-Financial and otherwise.*

- (a). It helped a poor Brahmo girl in prosecuting her studies for two years. She has now secured a job.
- (b) The Samiti performed the last rites of a penniless old Brahmo. There was not a single sheet of cloth even to cover up the body of the unfortunate dead.
- (c) It saved a poor Brahmo family from imminent distress by giving a timely help.

(iii) *Cleaning of the Mandir.* During the Easter Holidays the members of the Samiti thoroughly cleansed the inside of the Mandir and removed the dust from the carpets and other equipment.

(iv) *Sadharan Brahmo Samaj Library.* The Samiti helped in various ways to remedy the present unhappy condition of the Library.

(v) *Maghotsav.* One of the Joint-Secretaries of the Maghotsav Committee, Mr. Sisirkumar Datta, is the Vice-President of the Samiti. The Committee got a substantial help in many ways from the members of the Samiti.

III.

Philanthropical.

A special Divine Service was held under its auspices with a view to invoking the Grace of the Almighty in restoring the health of *Sj. Subhaschandra Bose*. God be thanked that the earnest prayer of *Acharya Lalit-mohon Das* has been fulfilled.

IV.

Recreational.

(i) *Evening Parties.* The Samiti held Tea Parties during the year for welcoming two distinguished guests from America and England. The names of the gentlemen are given below :—

- (a) Rev. Loring—A representative of the American Unitarian Association.
- (b) Dr. J. W. Graham—A representative of the Society of Friends.

(ii) *Retreat.* A very useful and pleasant *Retreat* was held by the Yubak Samiti in a beautiful garden at Ultadingi, in which a discussion took place on "The Realisation of Ideals," and a party of about fifty ladies and gentlemen took part in the Love Feast.

Presidential Address.

BY PANDIT SITANATH TATTVABHUSHAN.

Sisters and brethren,

Last year I read a rather long address on the present occasion. Having re-read that address I find that what I said in it on the spiritual wants of the Samaj and the means of supplying them is of such permanent interest that if allowed to do so I would repeat it this year also. But without actual repetition I would draw your attention to the points I dealt with in a brief and more direct manner. I shall however first speak, about some institutions which I directly laboured to bring into existence. About the others the Secretary's report has, I hope, given you the necessary information.

Of the institutions I spoke of in my last address, all have continued to work with more or less success. Only the Sangit Vidyalay has ceased to exist for want of sufficient support and patronage. In its place has come into existence a Samiti which I had endeavoured to establish last year, but had failed. It is the Sangit Samiti formed about the middle of the year closing. It consists of all the principal singers of the Samaj as its members, with Mrs. Kumudini Bose as its Secretary and Mrs. Surama Sen and Mr. Nirupam Banerji as Asst. Secretaries. Since its foundation it has, I hope, greatly helped the Secretaries of the Calcutta Congregation in making good arrangements for music in connection with its Sunday services. The other institution founded in the course of the year is a revival of the old Rammohan Chatuspáthí in connection with the Theological Society. Its classes meet daily in the Sádhanakutír. The *Gítá* and the *Upanishads* are taught on two days each, and Bráhma literature and Brahmasáadhan on one day each. At the latter part of the year, as the University examinations drew near, the attendance greatly fell off and the classes were practically closed in December. The organisers are however unremitting in their endeavours to place the Chatuspáthí on a permanent footing and they are not without a hope that something will be done in this direction from its re-opening after the *Utsav*.

As to the other spheres of my activity as your President I have not much to say, and what little I had

to say I omit and pass to graver matters like the spiritual condition of the Samaj and our system of mission work. It seems to me that we as a body fail to notice the great change that has come over the country since the Sadharan Brahma Samaj was established and to adopt suitable plans for carrying on spiritual and propagandist work. When the Brahma Samaj was established and at the time the Maharshi was laying the foundations of our devotional and denominational life, the country was just emerging from its bondage to *gurus* and *sāstras* regarded as authorities and feeling after a free basis for religious faith and practice. The Maharshi's and subsequently the Brahmananda's appeal to instinctive faith was then heartily welcomed by Brahmas both within and without the Brahma fold. Many indeed have been the glorious specimens of men trained under that system of Bráhmaism. Even about the beginning of the Sadharan Brahma Samaj we have seen very zealous Brahmas of the old type. But during the last forty years or so a change amounting to a revolution has taken place in our midst and in the country at large. The old appeal does not meet with any response and no new form of appeal has been generally adopted. The result is a widespread indifference to religion and something worse than indifference. Faith is visibly decaying and there is no endeavour to fill its place by rational belief. Attempts to promote the philosophical study of religion are not encouraged by many of us and institutions established for the systematic teaching of Bráhmaism languish for want of support and patronage. I fear that if this state of things continues for half a century more, nay even a quarter of a century, the Brahma Samaj will become practically, if not theoretically also, a secularistic body of social reformers. I have met with men among the members of the Samaj who have frankly told me they have no faith in the existence of God. Others are more cautious and shrink from an open avowal of unbelief from considerations of policy; but their utter indifference to practical religion in any form betray their scepticism,—a scepticism not the result of earnest inquiry and study, but of the loss of faith in popular Hinduism owing to the liberal education they have received and the absence of any system of religious teaching favourable to the growth of rational faith. In Hindu circles outside the Brahma Samaj the state of things is even worse. The open avowal of atheism and the unchecked pursuit of a purely secular life bring no unpopularity there and mar no

prospects and affect no interests as they do here to some extent. In the case of earnest men there seems to be a slow but steady return to old methods,—to the acceptance of orthodox *sanyāsis* or *gosāins* as religious guides and the uncritical extolling of the ancient *sāstras*. For all this the Sadharan Brahma Samaj, which stands at the fore-front of Indian reform and to which the country directly or indirectly looks for guidance, is more or less responsible. If we had devised a rational system of religious study and education, graduated according to age and capacity and thus suited alike to old people, youths and children, if our old and advanced people had followed such a system in their endeavours after the higher life and if they had striven after training their children in a similar way, the state of things we see around us would have been impossible. I entreat you all, young and old, to realise the importance of the matter and do the needful before it is too late. To me it has always seemed an anomaly that a free church like ours, which rejects the authority of *sāstras* and *gurus* is yet without any reasoned system about which at least a large number of grown up men and women, if not all, are agreed and a graduated course of religious teaching for its young. In my own humble way I have endeavoured throughout my life to present such a system and suggest such a course of teaching, but mine has been mostly a cry in the wilderness.

In another very important matter we have, it seems to me, failed in reading the signs of the times. We have not taken an adequate notice of the growing tide of patriotism and nationalism in the great Hindu population of the country. We are not sufficiently awake to the fact that the rampant Anglicism of the days of Derozio and his pupils is gone for ever and that even the modified Anglicism of the earlier days of Kesav and his followers is dead except for a small number of people here and there who are too indolent to open their eyes. In speaking of our growing patriotism and nationalism I am not thinking so much of our political aspirations as of our religious ideals and endeavours. I have my own political creed, but this is neither the time nor the place to speak of it. The great revival of Sanskrit learning which has been going on in the country for over a century, specially for the last half-century, the life-time of the Sadharan Brahma Samaj, has been both the effect and the cause of this nationalism. A genuine love for one's own country must lead one to an earnest study of its literature, and such

a study must, in the case of a great literature like ours, reveal its glories,—its depth, beauty and sweetness. I more than doubt the patriotism of an educated man who merely professes to love his country, but takes no pains to study its literature. The ignorance of Sanskrit is no excuse. Many of our ancient books, specially our sacred books, have been translated into English and into several of the Indian vernaculars, and it is open to every man who has received a fair education, not to speak of the highly educated, to study them and master their teachings. Some of our ministers and missionaries have a superficial acquaintance with our sacred books, mostly perhaps through compilations like the *Bráhmadharm Grantha* and the *Slokasangraha*,—an acquaintance which enables them to pick up texts in support of what they preach in the course of their addresses and discourses. I do not speak of this skin-deep learning. It does not meet the requirements of the case in question. The country is now flooded with editions of the *Gîtá*, the *Upanishads*, the systems of Indian philosophy, the *Yoga* and the *Bhakti Sástras* and so on. A general acquaintance with the teachings of such works is very common, and learned men who have written profound works on them are not few. A complete change has come over the religious atmosphere of the country. In this atmosphere the old and still-prevailing form of Brahma preaching, with its appeals and references to the Christian scriptures and to the English poets and essayists, is quite ineffectual. Educated India has discovered the value of our ancient scriptures, the rich grain which lies hidden in them and on which the soul can feed and grow if it is separated from the husk in which it is enclosed. And modern science and philosophy have taught her to separate the husk from the grain. It has been found out that not only the *Prasthánatrayam*, but even the higher Puranas and Tantras also are not polytheistic and idolatrous, that Idolatry has been devised, unwisely indeed, only for the ignorant and unlearned and not for the wise. It has also been discerned that the Theism of the Hindu scriptures is a far more rational and profound system than current Christian and Islamic Theism and the Deistic Monotheism which many Brahmas imbibe from the English literature which usually feeds their intellectual life. All this has brought about a complete change of attitude towards the Brahma Samaj on the part of educated Indians. Brahmanism, as professed by ordinary Brahmas, is not supposed to be a higher religion than

the religion taught in the Hindu scriptures. It is rather supposed to be a faith far less rational and elevating than the latter. The visits of Brahma missionaries to mufussil towns create no enthusiasm among the educated. They are supposed to be a comparatively ignorant and ill-informed set of men and are not expected to teach anything very deep and edifying. Among the half-educated their denational and unpatriotic attitude and manners,—the sharp distinction they draw between Hindus and Brahmas, between Hinduism and Brahmaism,—generates a feeling of repulsion and alienation. This is partly the case in Calcutta also. The general ability and eloquence of our preachers draws a large, at any rate a fair, audience in our Mandir week after week and in our occasional public addresses,—an audience of which more than three-fourths belongs to the orthodox fold though accepting Monotheism and at least theoretically rejecting Idolatry. If they cared for the latter, they would be repelled by our repeated attacks on it, but evidently they are not so repelled. There is, however, no gesture on the part of this body habitually receiving our ministrations towards closely mixing with us religiously profiting by our advice and helping us with donations and subscriptions in our mission and propagandist work. There may be other causes also of this coldness and indifference to us on its part. But one of the causes—to me it seems the chief cause—is our denational mode of preaching and our unpatriotic attitude towards Hindus outside the Brahma Samaj. In my long life I have seen better days in this respect. There was a time when *ānusthānic* and *non-ānusthānic* Brahmas were not so divided and separated as they are now. In fact, in those days the great mass of educated people were *non-ānusthānic* Brahmas, glorying in the 'Brahma' name and contributing largely to the funds of the Brahma Samaj. Why is it not so now? What has produced the present state of alienation? I have already answered this question. It is our growing denationalism and the growth of self-consciousness and self-respect in the orthodox fold. It is not our distinction of *ānusthānic* and *non-ānusthānic*, for this distinction is as old as the days of the Maharshi, when this alienation did not exist. A similar distinction exists in the Arya Samaj. The great mass of its members conform to idolatrous practice, but this does not interfere with their enthusiasm for the Arya cause and their large and ever-increasing donations in support of it. The same relation may again exist between us, Brahmas, and those who prefer to call them-

selves Hindus ; nay, the Brahma name itself will lose its unpopularity if we give up our unpatriotic and denational attitude and method of preaching. Orthodox Hindu society is slowly but surely following us. Those who have eyes to see must notice what progress it has made during the last quarter of a century, specially during the last ten years in educating its women, in abolishing untouchability, that is, promoting interdining among the different castes, and to a certain extent in encouraging intermarriage. If the Brahma Samaj could shake off its denationalism and exclusiveness and place itself at the head of this reform movement as its natural leader, the progress of Hindu society towards Brahmanism would be immensely accelerated, our mission work would receive a tremendous moral support from that society and our economic problem would be solved. What we have to do in bringing about this state of things is briefly this : 1. Our old men should form themselves into reading circles and with one another's help acquire a thorough knowledge of the Hindu scriptures and Indian systems of philosophy. 2. A graded system of teaching the *sūtras* should be devised for our young people and they should be encouraged to go through this system by the grant of scholarships and the award of prizes to successful students. 3. A system of missionary training should be promulgated,—a system in which a knowledge of all the scriptures respected in the country should form a prominent part, but the knowledge of the Hindu scriptures, as those of the major portion of the Indian population and as the deepest and most comprehensive of ethnic scriptures, should be made the basis of instruction in the other scriptures. It is only by efforts like these, that we can hope to correct the mistakes of a century, specially of the last half-century. At any rate, in the beginning of our next fifty years' life we should put our heads together and by calm deliberation try to come to a clear decision as to the future methods of conducting the work of the Samaj.

On one other point, though as important as, if not more so than those I have dealt with, I shall speak rather briefly before I close. It cannot be doubted that during the last few years a strong tendency to practically ignore the spiritual side of the Samaj work and unduly emphasise its social and constitutional aspect has made itself felt in certain quarters. This is visible on the one hand in the growingly thinner and thinner attendance at the Sunday services and the Students' Service

and the languishing of all the Samaj institutions for promoting our spiritual improvement like the Sangat, the Theological Society, the Brahma Young men's Association and the Dharma Sikshalaya, and on the other hand in the crowded attendance at social gatherings and garden parties and in the eagerness to enter the several Committees of the Samaj and thus having a hand in controlling its affairs. I have often said and I said so in my last presidential address, that the remedy for this lies in the rallying of all who care for spiritual life, in the constant exchange of thoughts, feelings and experiences among them and in making their influence felt by those who are indifferent to the higher side of our religion. And I go farther. It has lately dawned on me that the constitution of the Samaj is not safe unless such men,—men of advanced age, of superior learning and deep spiritual experience,—form something like a Council of Elders in the Samaj constitution and exercise a controlling influence on the decisions of ordinary members. The addition of such a Council would not interfere with the constitutional character of the Samaj. It would rather give to our constitution a more truly representative character than it possesses at present. It would represent and safeguard interests neglected and not at all represented in it now. The rate at which the membership of the Samaj is increasing year after year,—a membership consisting mostly of young people of immature views, is a real danger to its future. Any day an overwhelming majority of such members may carry resolutions detrimental to the spiritual aims of the Samaj and to the expansion and deepening of its mission work. This can be prevented only by the provision that the decisions of the general meetings of the Samaj, at any rate those on the matters referred to, should be confirmed and revised by a body of elders. In all healthy states, however democratic, the interests of landed property, wealth, commerce, and higher education are safeguarded against their possible danger at the hands of ordinary commoners who have little or no stake in the country, but who, on the strength of a minimum qualification, have a voice in its administration. In a religious community like ours, do not worship, wisdom, scholarship, devotional fervour and spiritual experience stand in need of being safeguarded against their rough handling by young people of eighteen who have nothing more than a subscription of Re. 1 to qualify them as governors of the Samaj? I hope I shall not be misunderstood. Young people are the most valuable assets of a commu-

nity, but not merely because of their youth. They are valuable for the promise they give of noble and well-directed activity. Their growth into useful members of their community depends to a great extent on making their own its accumulated experience and their being guided,—not blindly, but with discriminating reverence,—by the old and experienced. At present there is no provision in the constitution of the Samaj for promoting and ensuring the proper relation of the young and the old, the inexperienced and the experienced. I hope that in the very beginning of our next half-century's life, some such provision will be made, because on it depends our healthy growth as a community charged with leading the future destinies of this country, perchance those of the whole world.

Before I sit down I would make a request which, I hope, you will take seriously. As I have, during the year closing, undertaken fresh literary labours besides those already in hand, I feel that at this time of my life it is too much for me to be equally faithful to the two sides of my activity, the literary and the official. Specially, as two such solemn celebrations as the Jubilee and the Centenary both falling in the course of the year just beginning, will tax to the utmost the time and energy of your office-bearers, I entreat you not to re-elect me your President for the year, if it is at all your intention to do so. You should rather look out for a man who can give his time and energy more freely and willingly to Samaj work than I can possibly do.

BANGALORE CANTONMENT BRAHMA SAMAJ.

We had the pleasure of celebrating the Diamond Jubilee of the Samaj during the year under report, on completion of 60 years of its existence on the 1st September 1926.

It is our painful duty to refer next to the passing away of Mr. A. I. Seshachalam Mudaliar, the oldest member of the Samaj, who was a revered and devout worker.

In the place of Mr. A. I. Seshachalam Mudaliar, Mr. M. Mahadeva Mudaliar, M. A., was appointed one of the Trustees of the Brahma Mandir.

The Managing Committee for the year consisted of—*Secretary*—Mr. V. Balasundaram Mudaliar. *Assistant Secretaries*—Mr. B. V. Narayan Reddy, M. A., and Mr. S. Vairavanath, B. A. *Treasurer*—Mr. M. Kothandaram Naidu. *Committee Members*—Mr. A. M. Sen, M. Sc., M. I. M. E., F. G. S.; Mr. P. S. Lakshminarasu, B. A., B. L.; Mr. N. Maindappa, B. A., L. T.; Mr. V. Muniswamy; Mr. K. R. Memorial services were held in honour of the late Swami Shraddhananda and the late Mr. A. I. Seshachalam Mudaliar.

In connection with the 5th Shradda of the late Mrs. Bachammal Balasundaram Mudaliar, prayers were offered at the Samadhi and service was held under the auspices of the Bachammal Widows' Home at the residence of her daughter, Mrs. Leilavati Vairavanath. Another family service was held at the residence of Mr. and Mrs. B. V. Narayan Reddy on the occasion

of the first birthday anniversary of their daughter, Sudha.

The eighth death-anniversary of Rao Bahadur Viresalingam Pantulu, the pioneer social reformer of Southern India, was celebrated on the 30th May 1927 by holding a public meeting in the Prayer Hall of the Samaj with Mr. M. Mahadeva Mudaliar, M. A., in the chair.

Mr. N. K. Sahu, Accounts Clerk of the office of the Assistant Director of Army Audit, Southern Command, Poona, was initiated into Brahmaism on the 24th November.

Two marriages were celebrated, during the year under report according to Brahmic rites.

The total strength of the school named after the founder Subedar Major Appava Pillay was 86 (57 girls and 29 boys) as against 84 in the previous year. The Municipality has generously supplied a piece of land to be used as a play ground by the students.

Mission House—This was to be constructed as part of the Viresalingam Memorial but could not be done, owing to lack of funds. At this juncture, Mrs. Saradambal Manickam Mudaliar, an ardent member of the Samaj, having come forward to construct the building at her own cost on the foundations already laid out, her kind offer was accepted and it has been resolved to name the building after her late husband. The work was taken up in hand at the end of the year and it has since been practically completed.

KUMARKHALI BRAHMO SAMAJ.

In the beginning of the year 1255 B. S. the first principles of Brahmoism were explained to the influential gentlemen of Kumarkhali in the palatial building known as "*Shitalkothha*" by Maharshi Debendranath Tagore who was then there to look after his Zamindari business for a few days. The first congregational meeting was held on the 30th Ashar 1255 B. S. corresponding to the 16th June 1848 by Pandit Dayalchand Siromoni, an Upacharyya, sent by the Rev. Maharshi.

The Samaj has a Pacca Mandir of its own in the heart of the town. It was consecrated on a day of

Ashwin 1278 B. S. by the Rev. Sadhu Aghornath Gupta. Though the building requires a thorough repair yet no active steps have yet been taken.

The Samaj has a Jote (landed property) gifted on the 13th Chaitra 1300 B. S. corresponding to the 3rd April 1894 by the late Jogeswar Kundu, a member, and its annual income is about Rs. 37-. Owing to continual absence of Babu Atulkrishna Saha, in charge of the Jote, from Kumarkhali, the rents could not be regularly realised. Under the resolution, passed at the special meeting held on the 18th December, 1925, the Jote has been leased out to Babu Herambachandra Roy of Agrakunda for nine years from 1332 B. S. to 1340 B. S. under a registered deed executed by both the parties on 17-2-26. at an annual income of Rs. 20 after deducting all expenses. Now we hope, we shall henceforth be able to celebrate our usual anniversary. There are two more permanent funds amounting to Rs. 200 at an interest of 6 per cent per annum under the custody of Babu Atulkrishna Saha, a trustee. One stands in the name of Annadamayee Dasi charity fund and the other Kumarkhali Brahmo Samaj Library Fund.

The Samaj is affiliated to the Sadharan Brahmo Samaj, Calcutta, so it gets the "Tattwa Kaumudi" and the "Indian Messenger" free. It has got a library of about 300 volumes of English and Bengali Books. We are thankful to Babu Haridas Saha, Asst. Secretary, of the Samaj, who has presented an almirah with books, as a token of remembrance of his late father, Radhagobinda Saha, one of the former trustees of the Samaj.

The land with the building, the landed property and also the permanent funds are vested in a body of trustees by a deed that was duly registered on the 31st Jaista 1296 B. S. corresponding to 13th June 1889. At present the following gentlemen are trustees for life :—

- (1) Principal, Herambachandra Maitra M.A., Calcutta.
- (2) S. Akshoykumar Maitra B.L. C.I.E. Rajshahi.
- (3) „ Sureshchandra Roy M. A., Calcutta, Professor, City College.
- (4) „ Radharaman, Saha, Kumarkhali, a retired teacher.
- (5) „ Atulkrishna Saha, Kumarkhali.

The last mentioned three gentlemen are elected under rule 7 of the Trust Deed.

There are 11 members on the list and a few sympathisers. Almost all of them are out of the town, so the regular weekly services were not held. Occasional services were only held whenever one of the members happened to be present. During the year under report Babu Abinashchandra Lahiri came down here from Rajbari and conducted divine service in the Mandir.

Radharaman Shaha,
Secretary.

RANCHI BRAHMO SAMAJ.

The Samaj had 18 members during the year on the roll. Divine Service was held regularly every Sunday. The average attendance was 10. In July last Babu Moheschandra Chakrvarti of the New Dispensation Church visited Ranchi. He delivered a lecture and conducted Divine Service at the Mandir.

The Maghotsav was celebrated with enthusiasm. It extended over 5 days. On the last day of the Utsav Divine Service was held at the Santidham built by the late revered Jyotirindranath Tagore.

A public meeting was held at the Mandir on the 27th September in connection with the anniversary of the death of Raja Rammohun Ray. Rai Bahadur Dr. Chunilal Bose of Calcutta presided,

SURLA BRAHMO SAMAJ.

Babu Jayamangal Rath and Sreeman Antaryami Behara worked as the president and secretary respectively in the year under report. Sreeman Damburu Nayak was initiated into Brahmoism on the anniversary day of the Samaj during the last Brahmotsav. A *Sadhan Kutir* has been built and Babu Joymangal Rath is working as

its superintendent. The *Neeti Vidyalaya*, which is aided by the Government, is being directly managed by the "*Reform and Service League*", a central organisation of the members of the Brahma and Prarthana Samajes of Ganjam District. Surla Brahma Samaj worked as the working committee of the above mentioned leagues and looked after the improvement of the *Neeti Vidyalaya*. Some *Bengali and English* books were added to the library. *Homeopathic Medicines* were distributed among the villagers. A campaign was started against animal sacrifice. *Kumar Purnima Samudramela* was celebrated against gambling which is very customary here. Regular weekly congregations were held.

Audit Report on the S. B. Samaj Accounts for 1927.

1. The accounts rendered above were examined by me and found correct.

BIBHUTIBHUSHAN SARKER,
Auditor,
30. 6. 27.

2. The upkeep of these accounts still lacks in method and the remarks made in this connection in Paras 2 & 3 of the Audit Report for 1926, apply, more or less, to the accounts for this year too. Neither are items totalled nor balances struck off regularly. The present form therefore should be revised to include columns for 'total' and 'Balance'.

3. *Flood Relief Work Account*—This account has been checked with vouchers and found correct. We are quite satisfied with the way in which the accounts of the Flood Relief Work were kept.

BIBHUTIBHUSHAN SARKER

THE SECRETARY, SADHARAN BRAHMO SAMAJ.

DEAR SIR,

I shall feel obliged if you kindly enlist my name as a member of the S. B. Samaj.

I believe in the existence of God, in the immortality and eternal progress of the human soul, in the necessity of worship; and on the other hand, I do not believe any created object or person to be God, or a mediator between God and the human soul for its salvation, nor consider any person or book as infallible and as the only means of salvation.

2. I am in sympathy with the object of the Sadharan Brahmo Samaj and am prepared to help it, to the best of my ability, in the furtherance of its object.

[Object.—To worship the One True God in love and service, to propagate the principles of Brahmoism, to help Brahmos and others in the attainment of higher spiritual life and in their general welfare, and to conduct the business of the church in constitutional method.]

3. I am earnestly trying to improve my character and to worship God regularly.

4. I am prepared to perform all domestic and other ceremonies in accordance with the principles of Brahmoism, discarding idolatry and the distinction of caste.

5. I have completed 18 years of my age,

6. I subscribe for the furtherance of the object of the S. B. Samaj :—
